- 12a. **Amending Source of Income Discrimination Ordinance to Establish Administrative Enforcement Procedure** *(Reviewed by the Land Use, Housing, & Economic Development Committee)*  
**From: Homeless Commission**  
**Recommendation:** The Homeless Commission recommends that BMC 13.31 be amended to provide for an administrative procedure to enforce the anti-discrimination property rental ordinance as to source of income. Such procedure should involve establishing a complaints procedure under an existing City of Berkeley department such as the Department of Planning or Rent Stabilization Board, where a complaint could be filed by a prospective tenant, or tenant, alleging that they have been discriminated against by a landlord, property owner or authorized agent or employee when seeking rental housing or in any other context currently covered under BMC 13.31. Stage 1 of enforcement in the complaints procedure shall involve the taking of the complaint which shall be investigated by the designated department expeditiously, within a reasonable period of time no longer than ten days. Upon completion of the investigation, a finding shall be made of substantial evidence of discrimination or no evidence of discrimination. In the process of the investigation, the investigator shall concurrently, while identifying the facts, attempt to resolve the complaint by seeking to bring the parties to agreement that the complaining party be permitted to rent the premises in question or alternatively, if the premises has otherwise been rented prior to the investigation, be provided the first option for the next available vacancy at the premises. Where the complaint has not otherwise been resolved through this procedure, and there is a finding of substantial evidence, the complaining party shall be offered the opportunity to have its complaint heard by an

administrative hearing officer mirroring a procedure or similar to a procedure afforded by BMC 1.28. If the complainant files for such an administrative hearing, and the rental property remains available, the filing for an administrative hearing, shall constitute a stay of the property being otherwise rented to another applicant. If at the administrative hearing, the administrative law judge, or hearing officer, finds in favor of the complainant, the administrative hearing officer can order that housing be provided to the complainant and/or direct a fine of no more than five thousand dollars (\$5,000) to be paid to the complainant with an additional penalty to the City of Berkeley for the costs of the administrative appeal. This procedure will be a final administrative decision subject to litigation to be brought in a court of law by a complainant through any legal entity, private or public as the complainant can identify. The Homeless Commission further recommends that any person seeking housing, with a voucher or any subsidy to pay their rent, be considered for the rental in the order which their rental application is received and be entitled to the rental as the first applicant of right. Insufficient credit or poor credit shall not be a fact considered for rental as to the totality of the rent to be paid if the rent is to be otherwise paid through the voucher or subsidy source.

*(On February 4, 2021, the Land Using, Housing, & Economic Development Policy Committee made a qualified positive recommendation to refer to the City Manager to: 1) Draft amendments to the Source of Income Discrimination Ordinance to provide for an administrative procedure to enforce the anti-discrimination property rental ordinance as to source of income, parallel to the Fair Chance Ordinance; 2) Submit to Council in 2022 a report reviewing the effectiveness of the source of income discrimination ordinance in its first five years; and 3) Update and improve information on the City website and elsewhere about legal services for low income residents; and 4) Refer to the 4x4 Committee discussion of feasibility of enforcement of source of income discrimination alongside the fair chance ordinance, and discussion of Homeless Commission's first-in-time standard recommendations.)*
