To: Honorable Mayor and Members of the City Council

Subject: Placing Charter Amendment Measure on the November 3, 2020 Ballot
 Related to Full-Time Status and Salaries for the Mayor and
 Councilmembers

RECOMMENDATION

1. Adopt a Resolution submitting an Amendment to Article V of the City Charter regarding the full-time status and salaries for the Mayor and City Council to a vote of the electors at the November 3, 2020 General Municipal Election.
2. Designate, by motion, specific members of the Council to file ballot measure arguments on this measure as provided for in Elections Code Section 9282.

FISCAL IMPACTS OF RECOMMENDATION

The table below shows the year-by-year costs for elections since 2012. Significant cost increases occurred in 2012 and 2014 due primarily to general year-over-year increases, and the addition of two more required languages (Vietnamese and Tagalog). The cost increase in 2016 is due to a new, permanent surcharge from the Registrar of Voters to fund the County's voting equipment replacement account.

CURRENT SITUATION AND ITS EFFECTS

At the May 29, 2018 City Council meeting, the council discussed the results of a second community survey and proposed language for an amendment to the City Charter regarding the salary and full-time status of the City Council. The Council directed the City Manager to return with draft ballot measure language for the November 6, 2018 General Election. The Council elected not to place this measure on the November 2018 ballot.

On February 4, 2020, during a City Council work session on potential ballot measures, a majority of the Council expressed interest in placing a measure on the ballot to amend the City Charter to make the office of Mayor and City Councilmember full-time positions, with remuneration set at a level reflecting full-time employment. The proposed Charter Amendment would provide that the office of Mayor and Councilmember are full-time positions, and that the Personnel Board shall set the salary of the Mayor and Councilmembers initially after adoption and every five years thereafter based on a salary survey of other full-time Mayors and City Councils in California and it shall consider the Consumer Price Index (CPI).

Remuneration may be reduced in defined instances, including unexcused absences from Council meetings or negotiated salary reductions for City employees. If adopted, the attached resolution will request that the Registrar of Voters place the matter on the ballot for consideration by Berkeley voters.

Additionally, according to California Elections Code 9282(b), for measures placed on the ballot by the legislative body, the legislative body, or a member or members of the legislative body authorized by that body, or an individual voter who is eligible to vote on the measure, or bona fide association of citizens, or a combination of voters and associations, may file a written argument for or against any city measure.

BACKGROUND

The current Charter provisions do not designate the offices of Mayor and Councilmember as full-time positions. This amendment would designate the offices as full-time and task the Personnel Board with setting the salaries of Mayor and Council based on surveys of other full-time Mayors and City Councils.

AMENDMENTS TO ARTICLE V OF THE BERKELEY CITY CHARTER RELATED TO FULL-TIME STATUS AND SALARIES FOR THE MAYOR AND CITY COUNCIL

The People of the City of Berkeley hereby amend Section 19 of the Charter of the City of Berkeley to read as follows:

Section 1. Section 19 of Article V of the Charter of the City of Berkeley is amended to read as follows:

Section 19. Salaries.

Such amount shall be adjusted upward by the increase in the cost of living for the San Francisco Bay Area as verified by official United States economic reports. The office of Mayor and Councilmember are full-time positions. The Personnel Board shall set the salary of the Mayor and Councilmembers initially after the effective date of this Charter Amendment and every five years based on a salary survey of other full-time California Mayors and City Councils and it shall consider the Consumer Price Index (CPI).

The Personnel Board shall establish dates for an appropriate five-year cycle for making the determinations required by this Section, in order to efficiently coordinate with City budget processes and related procedures. In order to institute this five-year cycle, the initial determination may be for less than a five-year period, as determined by the Personnel Board.

If the City and employee organizations agree to amend the compensation provisions of existing memoranda of understanding to reduce costs, the Personnel Board shall review and amend the Mayor and Councilmembers' salary as necessary to achieve comparable cost savings in the affected fiscal year or years.

In any such case, the difference between the reduced amount actually paid to such Mayor or Councilmember and the amount of remuneration authorized by this Article shall be appropriated as part of the budget of the Mayor or Councilmember taking the voluntary reduction in remuneration and such differential may be expended for any purpose otherwise authorized for the expenditure of sums so budgeted. ~~If the Mayor or any member of the Council is absent from one or more regular meetings of the Council during any calendar month, unless excused by the Council in order to attend to official business of the City, or unless excused by the Council as a result of illness from attending no more than two regular meetings in any~~
