

Rashi Kesarwani  
Councilmember District 1

CONSENT CALENDAR  
November 10, 2020

TO: Honorable Mayor and Members of the City Council

FROM: Councilmember Rashi Kesarwani (author), Mayor Jesse Arreguin and Councilmember Cheryl Davila (co-sponsors)

SUBJECT: Budget Referral to Reinstate Partial Funding for the Gun Buyback Program Previously Authorized by City Council

RECOMMENDATION

Refer to the FY 2020-21 November Amendment to the Annual Appropriations Ordinance (AAO #1) \$40,000 to reinstate partial funding for the Gun Buyback Program—originally proposed by Councilmember Cheryl Davila and authorized by the City Council on Nov. 27, 2018.

FISCAL IMPACTS

Funding of \$40,000 would enable the City of Berkeley to: remove guns from households by providing cash or gift cards to owners of operational rifles and shotguns (value of approximately \$100) and to owners of operational handguns and assault weapons (value of approximately \$200); and cover staff time necessary to support a gun buyback program.

CURRENT SITUATION AND ITS EFFECTS

Gun violence in Berkeley is on the rise, following regional and national trends.<sup>1</sup> According to Berkeleyside, the City of Berkeley saw 20 shootings in 2018, 28 shootings in 2019, and 32 shootings so far in 2020 with more than two months remaining in the year.<sup>2</sup> As a result of this violence, our community has lost four individuals from fatal shootings and at least 10 others have been wounded. Prior to this year, the last fatal

Budget Referral to Reinstate Partial Funding for Gun Buyback Program

shooting occurred in 2016, when 22-year-old Alex Goodwin Jr. was killed outside his home near San Pablo Park.<sup>3</sup>

Gun buybacks are programs aimed at voluntarily decreasing the prevalence of firearms in a community by offering cash or gift cards in exchange for working guns. A meta-analysis from Dec. 2019 in *Current Trauma Reports* suggests that gun buybacks should be included in broader violence reduction strategies. “Buybacks in conjunction with other methods have been shown to be successful in reducing the number of firearms that could lead to injury and death,” the authors write.<sup>4</sup> Further, according to current academic research, gun buybacks “can influence public perception of how authorities are dealing with gun violence and serve as opportunities to educate communities about gun violence reduction strategies.”<sup>5</sup> A gun buyback program can be a piece of our communal effort to reimagine public safety.

### BACKGROUND

Councilmember Cheryl Davila submitted the original referral to fund a gun buyback program to our Annual Appropriations Ordinance Process in Nov. 2018, which was approved on consent (see attachment A). An integral part of this initial Council item referenced a partnership between Berkeley Police Department and a non-profit, the Robby Poblete Foundation (RPF). Given that gun violence has been responsible for four deaths in the last ten months alone, this item recommends reinstating funding for a gun buyback program. According to the RPF website, 190 firearms were removed from the City of Richmond during a gun buyback event; and 900 were removed from San Francisco during a gun buyback held in June 2018.<sup>6</sup>

### ENVIRONMENTAL SUSTAINABILITY

No direct impact on environmental sustainability.

Budget Referral to Reinstate Partial Funding for Gun Buyback Program

Cheryl Davila  
Councilmember  
District 2

CONSENT CALENDAR  
November 27, 2018

To: Honorable Mayor and Members of the City Council  
From: Councilmember Cheryl Davila  
Subject: Budget Referral: Gun Buyback and Art of Peace Program

RECOMMENDATION

AAO Budget Referral to the FY19 (2018/2019) November 2018 AAO Budget Process to set aside \$60,000 to frontload funds to bring the Robby Poblete Foundation Gun Buyback, Art of Peace and Work in Progress programs to Berkeley.

The Robby Poblete Foundation coordinates all aspects of the programs, including promotional materials, promotion on platforms and local calendars, press releases, press conferences and media contacts, coordinating the buyback with the police department, purchasing and release of gift cards, breaking down the guns free of charge (if desired), recruiting artists, coordinating the artist competition and selection process, coordinating the Art of Peace unveiling and event, and connecting youth and families with apprenticeships, job training and placement programs.

The Robby Poblete Foundation will also partner with the City of Berkeley to reach out to foundations, local businesses and individual donors to cover the costs of the program, including the gift cards. All efforts will be made to fundraise and refund the full \$60,000.

The City of Berkeley needs to provide the following:

- **Police time** to coordinate the gun buyback with the Foundation, the day-of to accept, record and check firearms to ensure that none of those accepted are stolen and to staff the event to ensure safety, as well as transport and storage of guns until they are shipped for breakdown.
- **Front-loading the \$60,000** to cover an estimated 400 firearms at \$100 and \$200 per a buyback. This estimate is based on Berkeley's centrality, timing since the last buyback in the area and recent buyback programs. Any funds not used will be returned to the City. If additional funds are needed, the Foundation covers the cost and works to apply for additional funds. We do not want to turn guns away.
- **Participation:** promoting programs and events, identifying businesses for the Foundation to approach, recruiting and selecting artists, and participating in public and media events.

### FISCAL IMPACTS OF RECOMMENDATION

\$60,000 for a contract with a community youth provider. Staff time creating and reviewing RFP applications, and creating and monitoring the contract.

### BACKGROUND

The Robby Poblete Foundation is a registered 501©(3) nonprofit organization whose mission is to reduce gun violence by collecting unwanted firearms through gun buybacks, and transform them into instruments of hope and opportunity through art and vocational skills programs.

Pati Navalta started the program after she lost her son to gun violence four-years ago. From this tragedy she started the Foundation to stop gun violence and is supporting work across the Bay Area, and Los Angeles and Georgia in replicating the program. The gun buyback program has been implemented in Richmond, Vallejo, San Francisco and Oakland.

The program has collected over 1,000 firearms, including handguns, rifles and assault weapons. In addition, they have collected boxes of stars, rocket launchers and knives. By providing gift cards from local businesses, they are getting firearms off of the streets while supporting the local economy. The gun buyback events include free gun locks, too.

The guns are then broken down and given back to the community to create public art. A design competition is promoted and community artists submit proposals that are reviewed by a community panel. Selected artists use the broken down gun parts and shells to create Art of Peace. The art work is then unveiled during a community event and visited by schools and programs to raise awareness toward violence prevention. Young people who are interested can then participate in the Work in Progress program that works with 5 apprenticeship programs to train young people including their family members, including people who are formerly incarcerated and homeless, in a trade and then place them in employment with life and job coaching support.

Councilmember Davila's office, the Berkeley Police Department and City Manager's office attended a presentation from the Robby Poblete Foundation, and all shared interest in and support for all three programs for Berkeley.

### ENVIRONMENTAL SUSTAINABILITY

The program not only removes guns from the street and community that can be used to harm, but creates public awareness about how communities can participate in gun violence prevention. It creates a culture of hope and possibility to counter the despair and culture of violence that leads to gun-related deaths and injuries.
