Meeting Date: March 30, 2021

Item Number: 29

Item Description: California Municipal Finance Authority Bond Financing for 2870 Adeline Street, Berkeley, CA (Harriet Tubman Terrace Apartments)

Submitted by: Amy Davidson, Deputy Director, HHCS

This is a correction to an error in the subject of Item 29 for the March 30, 2021, City Council meeting. On the agenda and in the report the subject line references the wrong bond issuer, California Municipal Financing Authority. The issuer is correct in the recommendation section and in the resolution, California Statewide Communities Development Authority (CSCDA).
