

Office of the City Manager

16CONSENT CALENDAR

May 25, 2021

To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Submitted by: Scott Ferris, Director, Parks, Recreation, and Waterfront

Subject: Grant Application: The Surrendered and Abandoned Vessel Exchange (SAVE) grant program of the California Division of Boating & Waterways

RECOMMENDATION

Adopt a Resolution authorizing the City Manager or her designee to 1) submit a grant application to the California Division of Boating and Waterways 2021 SAVE grant program for \$42,000; 2) accept any grants; 3) execute any resulting grant agreements and any amendments; and authorizing the implementation of the projects and appropriation of funding for related expenses, including \$4,200 in local match from the Marina Fund.

FISCAL IMPACTS OF RECOMMENDATION

The cost to remove and dispose of abandoned and derelict vessels at the Berkeley Marina through FY2022 is estimated at \$46,200. The Parks, Recreation, and Waterfront Department will submit a grant application to the Division of Boating and Waterways SAVE grant program in the amount of \$42,000 for this work, and will allocate a required minimum 10% local match, equivalent to \$4,200. The local match will be appropriated as part of the First Amendment to the FY 2022 Annual Appropriations Ordinance in the Marina Fund. If awarded, the grant will be deposited and expensed from the Boating and Waterways Fund (Fund 607).

CURRENT SITUATION AND ITS EFFECTS

Each year, approximately eight (8) vessels get abandoned by their owners at the Berkeley Marina because they lack funds to repair the vessels or they lack funds to pay for their dockage fees. Due to the age and neglect of the vessels, they have no value, are not sea-worthy, and are likely to sink. These vessels occupy slips in the Berkeley Marina that could otherwise be enjoyed by other users and they would generate dockage revenue for the City. Additionally, these abandoned and derelict vessels are a visual blight on our Marina and harm our reputation which jeopardizes future revenue. This new round of funding will enable us to keep our docks clear of derelict vessels in the coming year, and build upon the progress we have made in removing derelict vessels via previous SAVE Grants.

BACKGROUND

Responsibility for derelict and abandoned vessels, unfortunately, often falls on public agencies. In 2020, the Berkeley Marina was awarded a SAVE grant for \$130,000 and has contracted with Lind Marine to remove approximately 20 abandoned vessels. In late 2020 the Berkeley Marina was awarded another SAVE grant for \$42,000. For the past 20 years, the Division of Boating and Waterways has provided grant funding assistance to public agencies throughout California, including the City of Berkeley, to properly remove, store, and dispose of abandoned, wrecked, or dismantled vessels or any other partially submerged objects that pose a substantial hazard to navigation, in navigable waterways or adjacent public property, or private property with the landowner's consent.

ENVIRONMENTAL SUSTAINABILITY

Derelict, abandoned, and sunken vessels pose a navigational and environmental hazard to the waters of the Bay (e.g., they can leak oil fuel, oil coolant, paints and solvents, sanitary waste, etc.) Removal and proper disposal of these vessels contributes to the improvement to the health of the Bay waters.

RATIONALE FOR RECOMMENDATION

The Parks, Recreation, and Waterfront Department has the primary responsibility for removing derelict and abandoned vessels from local waters. By applying for SAVE grants, the City is able to substantially leverage our existing funding for these projects, and safely remove potential environmental and navigational hazards from our waters. The swift removal of derelict vessels from our Marina, and preventing the accumulation of such vessels on our docks will improve the attractiveness of the Berkeley Marina to existing and prospective slip holders.

WHEREAS, the cost to remove and dispose of eight (8) abandoned and derelict vessels at the Berkeley Marina in FY2022 is estimated at \$46,200. The Parks, Recreation and Waterfront Department will apply for \$42,000 from the DBW SAVE grant program to remove these vessels, and must provide a minimum match of 10% (equal to \$4,200). The match funds will be included in the First Amendment to the FY2022 Annual Appropriations Ordinance from the Marina Fund. If awarded, the grant will be deposited in the Boating and Waterways Fund (Fund 607).

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the City Manager or her designee is authorized to 1) submit a grant application to the California Division of Boating and Waterways 2021 SAVE grant program for \$42,000; 2) accept any grants; 3) execute any resulting grant agreements and any amendments; and authorizes the implementation of the projects and appropriation of funding for related expenses, including \$4,200 in local match from the Marina Fund, subject to securing the grant. A record signature copy of said agreements and any amendments to be on file in the Office of the City Clerk.
