ACTION CALENDAR  
June 27, 2023

To: Honorable Mayor and Members of the City Council  
 From: Dee Williams-Ridley, City Manager  
 Submitted by: Sharon Friedrichsen, Budget Manager  
 Subject: FY 2024 Proposed Budget Update Adoption

RECOMMENDATION

Adopt a Resolution:

1. Adopting the FY 2024 Proposed Budget Update (“FY 24 Proposed Budget”) as presented to Council on May 16, 2023, and as amended by subsequent Council action.
2. Authorizing the City Manager to provide applicable advances to selected community agencies receiving City funds in FY 2024, as reflected in Attachment 2 to the report, and as amended by subsequent Council action.

FISCAL IMPACTS OF RECOMMENDATION

The FY 2024 Proposed Budget expenditure budget for all funds in FY 2024 is \$718,932,025 (gross appropriations) and \$ 610,760,531 (net appropriations). The General Fund (Funds 011-099), including Measure P and Measure U1 funds, total is \$275,380,387 and the balance of \$443,551,638 represents the other non-discretionary funds. This fiscal information will be reflected in a separate Annual Appropriation Ordinance on the City Council’s agenda on June 27, 2023.

CURRENT SITUATION AND ITS EFFECTS

The purpose of the FY 24 Proposed Budget is to provide an update on revenue estimates and recommended changes in planned expenditures since the adoption of the biennial budget for Fiscal Years 2023 and 2024 by the City Council on June 28, 2022.

The FY 24 Proposed Budget was presented to Council on May 16, 2023. Over the next few weeks, the City’s Budget and Finance Policy Committee and City Council will hold several meetings on the FY 24 Proposed Budget prior to the budget adoption being brought to Council on tonight’s agenda.

Although there are outstanding community needs identified by Council through the budget referral process, as well as resources requested by City departments, no

additional General Fund funding requests have been included within the FY 24 Proposed Budget at this time given that the proposed budget is currently balanced. The changes within the departmental financial pages included within this attachment reflect revised personnel costs based upon authorized staffing levels within the General Fund as well as the costs for new staffing requests in FY 2024 for Other Funds.

Deferring additional funding requests and considering such requests during the adjustment to the Annual Appropriation Ordinance process is a prudent fiscal course of action based upon the current status of the FY 24 Proposed Budget as well as potential increases in operational expenditures. The City is currently in labor negotiation with several bargaining unions, units and associations; insurance premiums for the City's general liability and property insurance are likely to increase significantly, and construction costs for approved capital projects and operational expenses related to programs and services continue to rise.

Given looming costs on the horizon, the purpose of the FY 24 Proposed Budget is to focus on critical changes to the fiscal year 2024 operating budget that are necessary at this time. The Adopted Biennial Budget included funding for Council priorities, such as funding for capital needs and infrastructure; contributions to the Section 115 Trust to help mitigate escalating pension costs and funding to replenish the City's reserves, which were borrowed to sustain operations during the COVID-19 pandemic. The FY 24 Proposed Budget strives to balance the immediate funding needs to continue to deliver quality services to the community while also advancing Council priorities. Challenged with finite resources, achieving this balance will be difficult. However, with Council leadership, and with the assistance of the Budget and Finance Policy Committee, I believe we can find the balance to achieve both our short and long-term goals in a fiscally responsible manner. I look forward to continued discussions leading to the adoption of the FY 24 Proposed Budget and, more importantly, beginning the planning and priority-setting in the upcoming months for the next biennial budget cycle in fiscal year 2025-2026.

#### ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

Actions included in the budget will be developed and implemented in a manner that is consistent with the City's environmental sustainability goals and requirements.

BE IT FURTHER RESOLVED, that the City Manager is authorized to execute other resultant agreement and amendments with other agencies relating to receipt and expenditure under CDBG or CSBG Program in accordance with the proposals for community agency funding approved through the budget process. A record copy of said contracts and any amendments are on file with the Office of the City Clerk.

Office of the City Manager

May 8, 2023

Honorable Mayor Jesse Arreguín and Members of the City Council:

The City Manager's Fiscal Year 2024 Proposed Budget Update ("FY 24 Proposed Budget") is submitted herein for your review and consideration. The purpose of the FY 24 Proposed Budget is to provide an update on revenue estimates and recommended changes in planned expenditures since the adoption of the biennial budget for Fiscal Years 2023 and 2024 by the City Council on June 28, 2022. Over the next few weeks, the City's Budget and Finance Policy Committee and City Council will hold several meetings on the FY 24 Proposed Budget subsequent to its adoption on June 27, 2023.

As illustrated in the attached table, "*Summary of FY 2024 Proposed Budget Update by Funding Source*", revenues are anticipated to increase by \$4.6 million, or 0.8%, over the FY 24 Adopted projection for a citywide total of \$608.4 million. In addition to new revenues, fund balance, or prior years' savings, of \$109.7 million will be used to pay for expenses. Expenditures are estimated to decrease by \$7.8 million, or 1.1%, over the FY 24 Adopted to a total of \$718.1 million, due to a variety of factors including decreased medical and dental insurance costs and changes in pension rates.

Staffing levels are expected to grow by 24.4 full-time equivalent (FTE) positions, or 1.4%, over the FY 24 Adopted budget and include positions within Health, Housing and Community Services (9.1 FTE); Public Works (4.9 FTE); Library (3.8 FTE); Human Resources (3.0 FTE) and 1 FTE in the City Manager's Office, Parks, Recreation and Waterfront and Planning and Development departments respectively. Of the proposed staffing of 1,818.1 FTE, the General Fund supports 738.7 FTE, or 40.6%, while the remaining 1,079.4 FTE, or 59.4%, are charged to other funding sources. In addition, several reclassifications either occurred during FY 2023 or are planned for FY 24 to enhance operational effectiveness as noted within the attached table "FY 2024 Position Summary by Department".

The General Fund, including Measure P and U1 funds, contributes \$276.1 million, or 45.4%, of the \$608.4 million in projected revenue. General Fund expenditures are proposed at \$275.3 million. This represents a decrease of \$4.6 million, or 1.6% over the FY 24 Adopted, resulting primarily from projected salary savings (average of 6% among departments) and decreased costs in health insurance and other benefits.

Expenditures, which include Measure P and U1, outpace revenues and require the use of \$3.8 million in fund balance (\$2.6 million in Measure P and \$1.0 million in U1). Once Measure P and Measure U1 revenues and expenditures are omitted, the remaining discretionary General Fund expenditures are projected at \$247.8 million and revenues are estimated at \$248.2 million, leaving a surplus of approximately \$400,000.

Although there are outstanding community needs identified by Council through the budget referral process, as well as resources requested by City departments, no additional General Fund funding requests have been included within the FY 24 Proposed Budget at this time given that the proposed budget is currently balanced. The changes within the departmental financial pages included within this attachment reflect revised personnel costs based upon authorized staffing levels within the General Fund as well as the costs for new staffing requests in FY 2024 for Other Funds.

Deferring additional funding requests and considering such requests during the adjustment to the Annual Appropriation Ordinance process is a prudent fiscal course of action based upon the current status of the FY 24 Proposed Budget as well as potential increases in operational expenditures. The City is currently in labor negotiation with several bargaining unions, units and associations; insurance premiums for the City's general liability and property insurance are likely to increase significantly, and construction costs for approved capital projects and operational expenses related to programs and services continue to rise.

Given looming costs on the horizon, the purpose of the FY 24 Proposed Budget is to focus on critical changes to the fiscal year 2024 operating budget that are necessary at this time. The Adopted Biennial Budget included funding for Council priorities, such as funding for capital needs and infrastructure; contributions to the Section 115 Trust to help mitigate escalating pension costs and funding to replenish the City's reserves, which were borrowed to sustain operations during the COVID-19 pandemic. The FY 24 Proposed Budget strives to balance the immediate funding needs to continue to deliver quality services to the community while also advancing Council priorities. Challenged with finite resources, achieving this balance will be difficult. However, with Council leadership, and with the assistance of the Budget and Finance Policy Committee, I believe we can find the balance to achieve both our short and long-term goals in a fiscally responsible manner. I look forward to continued discussions leading to the adoption of the FY 24 Proposed Budget and, more importantly, beginning the planning and priority-setting in the upcoming months for the next biennial budget cycle in fiscal year 2025-2026.
