

Office of the City Manager

January 3, 2024

To: Honorable Mayor and Members of the City Council

From:  Dee Williams-Ridley, City Manager

Re: HHCS Leadership Transition

The City of Berkeley's Health, Housing, and Community Services Department is undergoing a leadership change. Dr. Lisa Warhuus has resigned to pursue an opportunity as Health and Human Services Director for the County of Marin. Her last day in the office will be Friday, February 2nd.

Over the coming weeks, we will be working on a transition plan for the department; which we will share in a future memo.

Please join me in wishing Dr. Warhuus the best of luck in her new opportunity.
