## **Land Acknowledgement Statement**

*The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

CONSENT CALENDAR

[Meeting Date (MM dd, yyyy)]

To: Honorable Mayor and Members of the City Council  
From: Peace and Justice Commission  
Submitted by: Chairperson, Peace and Justice Commission  
Subject: Establishment of a Sister City Relationship with Las Vegas, Santa Bárbara, Honduras

RECOMMENDATION

Adopt a Resolution establishing a sister city relationship with the municipality of Las Vegas in the Santa Bárbara department of Honduras.

SUMMARY

The Peace and Justice Commission is tasked with recommending the establishments of new Sister Cities. Las Vegas, Santa Bárbara, Honduras has approached Berkeley with the request of becoming a Sister City. Certain criteria must be met to become a Sister City, which Las Vegas, Honduras meets.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

Pursuant to Resolution 56,069-N.S., the City of Berkeley has an established criteria for the establishment of a Sister City relationship. Below is a list of what the proposal must require:

- A) A description of the proposed sister city, township, or community; and
- B) A list of similarities between Berkeley and the proposed sister community;
- C) An explanation of why this particular sister city should be selected by showing how it fits the below listed criteria.

There are seven criteria points that must be met:

- 1) The Sister City relationship should benefit the human rights, health, safety, culture, and education of the citizens of Berkeley; and
- 2) New opportunities for exchange programs, cultural enrichment or curriculum enhancement should result from the relationship; and

- 3) From these new opportunities, there should accrue direct benefits to the students of the Berkeley Unified School District; and
- 4) It should be demonstrated that a sufficient number of Berkeley residents are committed to pursuing this relationship, and that such a group is also capable of representing Berkeley's interest in such a relationship; and
- 5) It should be demonstrated that a sufficient number of residents in the proposed Sister City are committed to, and capable of, sustaining the relationship; and
- 6) There should be no direct nor indirect costs to the City of Berkeley; and
- 7) The Sister City relationship should increase the harmony in Berkeley and be in the best interests of the City.

### BACKGROUND

Berkeley currently has 15 active Sister City relationships throughout the world, including two with Native American tribes. There are no Sister Cities in Honduras. The first establishment of a Sister City was in 1967 with Sakai, Japan, and latest took place in 2018, with Gonju, Republic of Korea.

The municipality of Las Vegas has sent two delegations to the City of Berkeley over the past several months to talk about setting up a Sister City relationship. The SHARE Foundation has also been in communication with the Mayor's offices in both Berkeley and Las Vegas, Honduras on the creation of such a relationship.

#### **A. List of criteria**

##### **1) The Sister City relationship should benefit the human rights, health, safety, culture, and education of the citizens of Berkeley**

There currently is no Sister City located in Honduras. Establishing one would provide new opportunities to experience the Honduran culture and share ideas that can mutually benefit our cities on a variety of fronts.

##### **2) New opportunities for exchange programs, cultural enrichment or curriculum enhancement should result from the relationship**

The proposal would proposal calls for mutual visits of delegations, with residents of Las Vegas, Honduras in Berkeley for our festivals, cultural events and community gardens with our community learning about the efforts to bring back cultural activities lost to Las Vegas under the previous government, and the campaign "Vamos a la Milpa," developing family and community

gardens to provide food independence. There are also several student exchange programs which are described below.

**3) From these new opportunities, there should accrue direct benefits to the students of the Berkeley Unified School District**

Discussions have already begun with Berkeley elementary schools and Berkeley High for teacher and student delegations to share the rich music program in the Berkeley schools and a vision of the mayor of Las Vegas, "Guitars and Violins for Las Vegas," which has become a national campaign with the partnership of SHARE Foundation to bring music to all of the schools in Honduras. Las Vegas will send their students to Berkeley to see BUSD's rich educational opportunities and music program first hand.

**4) It should be demonstrated that a sufficient number of Berkeley residents are committed to pursuing this relationship, and that such a group is also capable of representing Berkeley's interest in such a relationship**

There have been many Berkeley residents, churches, and organizations who have been working with the population of Honduras over the past decade, in the shadows of the oppression and corruption of the previous national government, and will continue traveling to Honduras to work with the current government for the betterment of the Honduran people. The president-elect invited SHARE to her inauguration because she wanted the world to see that the relationship is only stronger now.

**5) It should be demonstrated that a sufficient number of residents in the proposed Sister City are committed to, and capable of, sustaining the relationship**

There have been twelve SHARE delegations to Honduras in the past four years, including many individuals and organizations representing Berkeley. SHARE Foundation has participated in a radio program on Radio Progreso (Honduran national non-profit radio), speaking to the Honduran people every Monday for three years.

**6) There should be no direct nor indirect costs to the City of Berkeley**

The SHARE Foundation and partnering organizations take responsibility for fundraising for any expenses related to this agreement. SHARE has raised significant funds over the years to support the work in Honduras.

**7) The Sister City relationship should increase the harmony in Berkeley and be in the best interests of the City**

Berkeley has a large Central American community that includes Hondurans who have come to love our city, and our Berkeley residents who have made the journey have fallen in love with Honduras and have developed deep friendships with individuals and organizations that will only get stronger with this agreement.

ENVIRONMENTAL SUSTAINABILITY

No environmental effects.

RATIONALE FOR RECOMMENDATION

Establishing a new Sister City, the first in five years, would continue Berkeley's legacy of being an international city.
