

Office of the City Manager

CONSENT CALENDAR
May 10, 2022

To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Submitted by: Lisa Warhuus, Director, Health, Housing, and Community Services

Subject: Contract No. 321001100 Amendment: JotForm, Inc. for a HIPAA Compliant Platform to Support Clinical Services

RECOMMENDATION

Adopt a Resolution authorizing the City Manager or her designee to execute an amendment to Contract No. 32100110 and any subsequent amendments or extensions with the JotForm, Inc. by adding \$17,808, bringing the contract total to an amount not to exceed \$55,794 and extending the end date from May 12, 2022 to May 12, 2023.

FISCAL IMPACTS OF RECOMMENDATION

The FY 2022 adopted budget includes \$17,808 that can support this purchase using the following budget codes: \$7,123.20 from Mental Health Realignment funds in the Mental Health Division budget and \$10,684.80 from General Fund in the Public Health Division's budget to support clinical services.

ERMA GL	Amount
158-51-503-520-0000-000-451-651120-	\$7,123.20
011-51-506-560-0000-000-451-612990-	\$10,684.80
Total	\$17,808.00

CURRENT SITUATION AND ITS EFFECTS

Technology services provided through this contract provide support to clinical services for clients at the Berkeley High School & Berkeley Technology Academy Health Centers. Clients use this platform to independently request confidential services for mental health, reproductive health, and sexual health services. The current proposed amendment for \$17,808 will ensure that clinicians and the clinical care teams have continued access to appointment requests and data on previous requests during the next year. New clients who have used JotForm thus far say that they appreciate having an easy way to request services and are surprised how quickly the health centers are able to respond to their request and make an appointment.

JotForm is a temporary solution until the City's Electronic Health Record (EHR) system can be updated to provide the same services. Due to resource limitations, an upgrade

for the Electronic Health Record (EHR) system and the module that would enhance the service model in the same way as JotForm has been delayed for a year; necessitating this contract extension recommendation.

BACKGROUND

JotForm provides a HIPAA compliant server that increases clients' access to the Health Center by providing a confidential link to request services. Service areas that clients can request an appointment for include: first aid, counseling, reproductive, and sexual health services. JotForm has been readily adopted by the adolescent population served by the Health Center.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

JotForm removes barriers for access to care for adolescent clients. Clients can request services from this platform anywhere they can access a smart device and internet. The high school health centers continue to be a resource for students who need reproductive and sexual health, first aid, and counseling services. Increasing accessibility to these services supports public health goals of improving the health and well-being of the community.

ALTERNATIVE ACTIONS CONSIDERED

Ceasing to use JotForm at this point would reduce access to health care for the high school health center population. While there would be a cost savings, reducing access to health care is not consistent with the Public Health Division's mission to increase access, and therefore not recommended.

RESOLUTION NO. ##,###-N.S.

CONTRACT NO. 32100110 AMENDMENT: JOTFORM, INC FOR A HIPAA
COMPLIANT PLATFORM TO SUPPORT CLINICAL SERVICES

WHEREAS, Berkeley Public Health Division originally contracted with JotForm, Inc, in May 2020 for a HIPAA compliant platform for clinical support of clients at the Berkeley High School and Berkeley Technology Academy Health Centers; and

WHEREAS, the Public Health Division originally identified JotForm, Inc early in the COVID-19 pandemic to fill an immediate need for a HIPAA compliant online software for COVID testing/vaccination consents, Vital Statistics appointments, and referrals for Mental Health services at the Berkeley High School Health Center; and

WHEREAS, JotForm, Inc provides a HIPAA-compliant server that increases client's accessibility to the health centers by providing a confidential link to request services pertaining to first aid needs, counseling, reproductive, and sexual health services; and

WHEREAS, JotForm, Inc's services complement those provided by the City and other community health care providers, and support public health goals of improving the health and well- being of the community; and

WHEREAS, these services are still required due to the delay in Electronic Health Record (EHR) system updates and enhancements due to resource limitations; and

WHEREAS, funds are available in the Fiscal Year 2022 budget in ERMA Discretionary General Fund Accounts: 158-51-503-520-0000-000-451-651120-; 011-51-506-560-0000-000-45-612990-.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the City Manager or her designee is authorized to execute an amendment to Contract No. 32100110 and any subsequent amendments or extensions with JotForm, Inc. in an amount not to exceed \$55,794 for the period May 12, 2022 through May 12, 2023 for the purpose of funding continued usage of a HIPAA compliant platform to support the clinical services for clients at the Berkeley High School & Berkeley Technology Academy Health Centers within the City of Berkeley. A record signature copy of said contract to be on file in the office of the City Clerk.
