Wednesday, March 16, 2022, 6:00 - 7:30 pm via Zoom

The Berkeley Waterfront is a resource for the whole community to enjoy. The Berkeley Marina Area Specific Plan (BMASP) will shape the future of this resource that includes recreation areas, parkland, retail and bay access. Community participation in the BMASP process is critical and will strengthen the viability of the plan.

Come and join us on Wednesday, March 16, 2022, from 6:00 pm. to 7:30 pm. at the second community workshop hosted by the City of Berkeley for the BMASP. This workshop will be focused on exploring design alternatives that incorporate community feedback from the initial community questionnaire and workshop. BMASP Community Workshop #2 will begin with a presentation, and then shift to smaller breakout groups for more detailed discussion and feedback.
