CURRENT SITUATION AND ITS EFFECTS

The issue of D-13 accounts (Council Budget Funds) being used for purposes other than office expenses has been raised at the OGC. While commission members agree that it is admirable to donate to organizations that serve the City, some members feel the practice of using office budget funds for this purpose and attaching individual Councilmembers’ names to the donation may provide unfair advantage to an incumbent.

The two main concerns identified by some commissioners with the current practice are:

1. Councilmembers are able to initiate grants to organizations, at their discretion, which may raise their public profile.
2. Attaching the name of a Councilmember to a grant from the City of Berkeley may confer an advantage for the incumbent over would-be challengers.

The current practice was established in the early 2000's because councilmembers were granting public money to individuals and organizations, without approval of the Council. This led to a concern about the potential for corruption and favoritism. The City Attorney established the existing system, though because the councilmembers' names are attached to the grants, some concern remains.

From recent discussion at OGC, commissioners are in general agreement that ending the practice of attaching the name of a councilmember to a grant will help to alleviate the main concerns: 1 & 2 above. At the OGC's April 23, 2020 meeting, commissioners unanimously approved forwarding a recommendation to Council to not include the name of an individual councilmember attached to a discretionary grant.

A review of the grants and relinquishment of funds from city council members for 2019 amounts to \$30,130. These are funds that could have been used for office, travel (on city business) and other expenses.

Commission members have discussed recommending to Council for consideration options to address the issue:

1. An amendment requiring that all disbursements from the General Fund be designated as coming from the Council as a whole, without individual names attached to the donations.
2. Create another account specifically for discretionary grants, without reducing the D-13 account budget, to allow Councilmembers to continue recommending a grant or donation to a particular organization, without an individual name attached to the donation.
3. Eliminate discretionary grants.

BACKGROUND

On May 21, 2020, the OGC directed four of its members to draft a proposed recommendation to Council related to relinquishment of Councilmembers' office budget funds.

On June 18, 2020, the OGC voted to present this recommendation to Council.

ENVIRONMENTAL SUSTAINABILITY

Not applicable.

RATIONALE FOR RECOMMENDATION

An advisory committee will enable collaborative discussion between the Council and the OGC to make recommendations governing relinquishments and grants from Councilmembers' office budgets.

ALTERNATIVE ACTIONS CONSIDERED

The OGC has discussed recommending removal of councilmember names from office budget relinquishments, banning relinquishments for grants to organizations, and creating and funding a separate account for donations to organizations that Council would control, but which would not have councilmember names attached to it.
