

Office of the City Manager

INFORMATION CALENDAR
June 29, 2021

To: Honorable Mayor and Members of the City Council
 From: Dee Williams-Ridley, City Manager
 Submitted by: Rama Murty, Acting Budget Manager
 Subject: Voluntary Time Off Program For FY 2022

INTRODUCTION

As a citywide cost-saving measure, the City Manager is designating 16 Voluntary Time Off (VTO) days in FY 2022 and authorizing certain City offices and non-essential services to temporarily close for those days.

CURRENT SITUATION AND ITS EFFECTS

The proposed 16 VTO dates will fall on a schedule similar to FY 2021, with City offices generally closing on every second Friday, with additional days the last week in December 2021 (December 27 - December 30). The following are the proposed VTO Days:

Date (2021)	Day	Date (2022)	Day
July 9	Friday	January 14	Friday
August 13	Friday	February 18*	Friday
September 10	Friday	March 11	Friday
October 8	Friday	April 8	Friday
November 12	Friday	May 13	Friday
December 10	Friday	June 10	Friday
December 27	Monday		
December 28	Tuesday		
December 29	Wednesday		
December 30	Thursday		
	10 days (2021)		6 days (2022)

**Please note that Friday, February 11, 2022 is the observed Lincoln's Birthday. VTO day in February is moved to February 18 to minimize the impact on payroll processing.*

***Friday, December 31, 2021 is the observed New Year's Day holiday.*

The purpose of VTO days is to generate savings to help balance the budget. The program is projected to achieve a savings of \$248,056 on an all funds basis in FY 2021. The VTO savings projected to be realized this fiscal year was lower compared to previous fiscal years because of City buildings closure and staff working remotely since March 2020 due to the COVID-19 pandemic. Nonetheless, the program is still recommended to continue in FY 2022.

Voluntary Time Off Salary Savings

Fiscal Year	Number of VTO Days	Base Salary Savings	Savings Per VTO Day
2011	29	\$1,450,126	\$50,004
2012	28	\$731,723	\$26,133
2013	28	\$578,044	\$20,644
2014	16	\$389,706	\$24,357
2015	16	\$366,853	\$22,928
2016	16	\$367,821	\$22,989
2017	16	\$402,070	\$25,129
2018	16	\$475,400	\$29,713
2019	17	\$524,086	\$30,829
2020	16	\$467,108	\$29,194
2021	17	\$248,056*	\$14,592

*Annualized projection

Although we plan to continue the VTO program in FY 2022, we will reevaluate the VTO program again for FY 2023. As shown in the chart below, the savings generated from the VTO program have significantly declined since FY 2011. The average savings per VTO day within the last decade ranged from \$14.6K to \$50K.

In FY 2021, staff considered the impact that the VTO days had on City services especially on a year of pandemic due to COVID-19. It was determined that the VTO days were, in general, not having a significant detrimental effect on the City's ability to provide quality services. Inconveniences to residents were mitigated in several ways, including keeping the 311 Customer Call Center open on VTO days, adjusting due dates for fines, and posting clear signs in advance of closure dates.

BACKGROUND

The concept for a VTO program was proposed in 2004 by the labor unions representing non-sworn employees as an alternative to a mandatory closure of City offices ("furloughs") and staff layoffs. The VTO program designates certain days City offices are closed to the public while allowing staff to take paid or unpaid leave, or voluntarily report to work. The VTO closures have permitted staff to reduce their vacation leave balances, and eliminate the costly past practice of buying back vacation leave balances, which in turn has allowed the City to reduce its cost to pay out accrued vacation leave upon an employee's separation from employment. It has also been used by departments to help them reach their annual target savings.

Likewise, the City Council approved a recommendation that designates any Statewide Election, including Primary and Special Statewide Elections, as VTO days¹. Election Day occurs on the Tuesday after the first Monday in November of each even-numbered year, with the corresponding Primary Day occurring on the Tuesday after the first Monday of March.

Service Impacts: The VTO program has generated minimal complaints from the public regarding the office closures and reduced services because many key services remain open to the public, while other services can be provided on a callback basis.

During VTO days, customer service counters at the Finance Customer Service Center and Permit Service Center are closed to the public. When Customer Service Center offices are closed, customers may access the drop box which is now located outside 1947 Center building. Customers are redirected to access the drop box through signage to the Rent Board Office at 2125 Milvia Street on VTO days in the last week of December. When the Permit Service Center is closed, building inspection services continue to be available to the public when City approvals are required for time-sensitive projects. The permit mailbox has recently been configured to accept emails from applicants on VTO days including applications for all types of building related permits. In addition, Permit Service Center cashiers now work most of the VTO days to return customer calls and process payments. The City will continue to notify the public of City VTO closure dates through public noticing, the press, voicemail messages, and signs.

The Voluntary Time Off Program for FY 2022 is a Strategic Plan Priority, advancing our goal to provide an efficient and financially-healthy City government.

ENVIRONMENTAL SUSTAINABILITY

VTO days may reduce vehicle miles traveled associated with City employees' work commute. Otherwise, there are no identifiable environmental effects or opportunities associated with the subject of this report.

POSSIBLE FUTURE ACTION

We are continuing the VTO program in FY 2022. However, we will reassess the economic impact as well as the cost benefit to the public of continuing these temporary closures of City offices for FY 2023.

FISCAL IMPACTS OF POSSIBLE FUTURE ACTION

Cost savings are achieved on an annual basis from the VTO program. Since FY 2011, annual cost savings ranging from \$250K to just under \$1.5 million have been achieved from the VTO program.
