CONSENT CALENDAR

Subject: Opposition to Initiative #1935

RECOMMENDATION

Adopt a Resolution to oppose Initiative #1935, the deceptively named “Taxpayer Protection and Government Accountability Act”.

BACKGROUND

Initiative #1935, the deceptively named “Taxpayer Protection and Government Accountability Act” is an initiative that was recently approved for the November 2024 ballot after a successful signature drive.

The proposed initiative would limit the ability of voters and state and local governments to raise revenues for government services. It does so by requiring any new or higher tax be passed by at least two-thirds. It also eliminates voters’ ability to advise how to spend revenues from proposed general tax on same ballot as the proposed tax, such as what was done with 2014’s Measure D, the Soda Tax, and 2018’s Measure P, the property transfer tax increase. Both these measures were general taxes, with commissions formed to advise how such funds would be spent. All measures passed after January 2022 would be invalidated unless re-voted on, and must comply with the Act’s new rules, including a requirement to have a sunset date. It also expands the definition of “taxes” to include certain regulatory fees, broadening application of tax approval requirements.

This initiative is based on a proposed 2018 proposition that was ultimately withdrawn by its proponents after it received heavy opposition from local governments and various stakeholders. The Berkeley City Council voted unanimously to approve Resolution No. 68,401–N.S., opposing the 2018 version of this proposition. When the latest iteration was first introduced in 2022, the Council expressed its opposition through Resolution No. 70,253-N.S. Now that it has qualified for the ballot, reiterating our opposition and joining a wide coalition of local government, public safety, labor, and infrastructure advocates will help send a message to the voters of the dangerous consequences if this were to pass.

FINANCIAL IMPLICATIONS

If the initiative is approved by California voters, it would make it more difficult for local voters to pass measures needed to fund local services and infrastructure.

ENVIRONMENTAL SUSTAINABILITY

If the initiative is approved by California voters, it would impact our ability to raise funds to advance environmental measures outlined in our Climate Action Plan and related environmental policies.

RESOLUTION NO. ##,###-N.S.

IN OPPOSITION OF INITIATIVE #1935

WHEREAS, the California Business Roundtable filed the Taxpayer Protection and Government Accountability Act (Initiative #1935) to be considered for the November 2024 ballot, which would decimate vital local and state revenue-generating methods; and

WHEREAS, on February 2, 2023, the Secretary of State reported that proponents of the Taxpayer Protection and Government Accountability Act submitted 1,075,585 valid signatures, thus exceeding the 997,139 valid signatures required to qualify for the November 5, 2024 ballot; and

WHEREAS, the measure creates barriers for cities to maintain and generate revenue to provide services to communities, including local infrastructure, protecting our environment, water quality, air quality, and natural resources; and

WHEREAS, the measure includes undemocratic provisions that would make it more difficult for local voters to pass measures needed to fund local services and infrastructure; and

WHEREAS, a coalition local government, public safety, labor, and infrastructure advocates have joined together to fight against this measure; and

WHEREAS, according to municipal finance experts, should the Taxpayer Protection and Government Accountability Act be passed by voters, billions of local government fee and charge revenues placed at heightened legal peril. This will result in related public service reductions across virtually every aspect of city, county, special district, and school services especially for transportation, and public facility use; and

WHEREAS, hundreds of millions of dollars of annual revenues from dozens of tax and bond measures approved after January 1, 2022 would become out of compliance and would need to be resubmitted to voters for approval; and

WHEREAS, this initiative would affect recently approved local measures, such as Measure M, the vacancy tax approved in the November 2022 election; and

WHEREAS, the measure puts billions of dollars currently dedicated to state and local services at risk, and could force cuts to fire and emergency response, law enforcement, public health, parks, libraries, harbors, affordable housing, services to support homeless residents, mental health services, and more.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that that it hereby opposes Initiative #1935, deceptively called the "Taxpayer Protection and Government Accountability Act.

BE IT FURTHER RESOLVED that the City of Berkeley will join the NO on Initiative #1935 coalition, a growing coalition of public safety, labor, local government, infrastructure advocates, and other organizations throughout the state.

## The Taxpayer Protection and Government Accountability Act

### Section 1. Title

This Act shall be known, and may be cited as, the Taxpayer Protection and Government Accountability Act.

### Section 2. Findings and Declarations

(a) Californians are overtaxed. We pay the nation's highest state income tax, sales tax, and gasoline tax. According to the U.S. Census Bureau, California's combined state and local tax burden is the highest in the nation. Despite this, and despite two consecutive years of obscene revenue surpluses, state politicians in 2021 alone introduced legislation to raise more than \$234 *billion* in new and higher taxes and fees.

(b) Taxes are only part of the reason for California's rising cost-of-living crisis. Californians pay billions more in hidden "fees" passed through to consumers in the price they pay for products, services, food, fuel, utilities and housing. Since 2010, government revenue from state and local "fees" has more than doubled.

(c) California's high cost of living not only contributes to the state's skyrocketing rates of poverty and homelessness, they are the pushing working families and job-providing businesses out of the state. The most recent Census showed that California's population dropped for the first time in history, costing us a seat in Congress. In the past four years, nearly 300 major corporations relocated to other states, not counting thousands more small businesses that were forced to move, sell or close.

(d) California voters have tried repeatedly, at great expense, to assert control over whether and how taxes and fees are raised. We have enacted a series of measures to make taxes more predictable, to limit what passes as a "fee," to require voter approval, and to guarantee transparency and accountability. These measures include Proposition 13 (1978), Proposition 62 (1986), Proposition 218 (1996), and Proposition 26 (2010).

(e) Contrary to the voters' intent, these measures that were designed to control taxes, spending and accountability, have been weakened and hamstrung by the Legislature, government lawyers, and the courts, making it necessary to pass yet another initiative to close loopholes and reverse hostile court decisions.

### Section 3. Statement of Purpose

(a) In enacting this measure, the voters reassert their right to a voice and a vote on new and higher taxes by requiring any new or higher tax to be put before voters for approval. Voters also intend that all fees and other charges are passed or rejected by the voters themselves or a governing body elected by voters and not unelected and unaccountable bureaucrats.

(b) Furthermore, the purpose and intent of the voters in enacting this measure is to increase transparency and accountability over higher taxes and charges by requiring any tax measure placed on the ballot—

either at the state or local level—to clearly state the type and rate of any tax, how long it will be in effect, and the use of the revenue generated by the tax.

(c) Furthermore, the purpose and intent of the voters in enacting this measure is to clarify that any new or increased form of state government revenue, by any name or manner of extraction paid directly or indirectly by Californians, shall be authorized only by a vote of the Legislature and signature of the Governor to ensure that the purposes for such charges are broadly supported and transparently debated.

(d) Furthermore, the purpose and intent of the voters in enacting this measure is also to ensure that taxpayers have the right and ability to effectively balance new or increased taxes and other charges with the rapidly increasing costs Californians are already paying for housing, food, childcare, gasoline, energy, healthcare, education, and other basic costs of living, and to further protect the existing constitutional limit on property taxes and ensure that the revenue from such taxes remains local, without changing or superseding existing constitutional provisions contained in Section 1(c) of Article XIII A.

(e) In enacting this measure, the voters also additionally intend to reverse loopholes in the legislative two-thirds vote and voter approval requirements for government revenue increases created by the courts including, but not limited to, *Cannabis Coalition v. City of Upland*, *Chamber of Commerce v. Air Resources Board*, *Schmeer v. Los Angeles County*, *Johnson v. County of Mendocino*, *Citizens Assn. of Sunset Beach v. Orange County Local Agency Formation Commission*, and *Wilde v. City of Dunsmuir*.

Section 4. Section 3 of Article XIII A of the California Constitution is amended to read:

Sec. 3(a) Every levy, charge, or exaction of any kind imposed by state law is either a tax or an exempt charge.

(b)(1) (a) Any change in state statute law which results in any taxpayer paying a new or higher tax must be imposed by an act passed by not less than two-thirds of all members elected to each of the two houses of the Legislature, and submitted to the electorate and approved by a majority vote, except that no new ad valorem taxes on real property, or sales or transaction taxes on the sales of real property, may be imposed. Each Act shall include:

(A) A specific duration of time that the tax will be imposed and an estimate of the annual amount expected to be derived from the tax.

(B) A specific and legally binding and enforceable limitation on how the revenue from the tax can be spent. If the revenue from the tax can be spent for unrestricted general revenue purposes, then a statement that the tax revenue can be spent for "unrestricted general revenue purposes" shall be included in a separate, stand-alone section. Any proposed change to the use of the revenue from the tax shall be adopted by a separate act that is passed by not less than two-thirds of all members elected to each of the two houses of the Legislature and submitted to the electorate and approved by a majority vote.

(2) The title and summary and ballot label or question required for a measure pursuant to the Elections Code shall, for each measure providing for the imposition of a tax, including a measure proposed by an elector pursuant to Article II, include:

(A) The type and amount or rate of the tax;

(B) The duration of the tax; and

(C) The use of the revenue derived from the tax.

(c) Any change in state law which results in any taxpayer paying a new or higher exempt charge must be imposed by an act passed by each of the two houses of the Legislature. Each act shall specify the type of exempt charge as provided in subdivision (e), and the amount or rate of the exempt charge to be imposed.

(d) ~~(b)~~ As used in this section and in Section 9 of Article II, "tax" means every ~~any~~ levy, charge, or exaction of any kind imposed by the State state law that is not an exempt charge, except the following:

(e) As used in this section, "exempt charge" means only the following:

~~(1) a charge imposed for a specific benefit conferred or privilege granted directly to the payor that is not provided to those not charged, and which does not exceed the reasonable costs to the State of conferring the benefit or granting the privilege to the payor.~~

(1) ~~(2)~~ A reasonable charge imposed for a specific government service or product provided directly to the payor that is not provided to those not charged, and which does not exceed the reasonable actual costs to the State of providing the service or product to the payor.

(2) ~~(3)~~ A charge imposed for the reasonable regulatory costs to the State incident to issuing licenses and permits, performing investigations, inspections, and audits, enforcing agricultural marketing orders, and the administrative enforcement and adjudication thereof.

(3) A levy, charge, or exaction collected from local units of government, health care providers or health care service plans that is primarily used by the State of California for the purposes of increasing reimbursement rates or payments under the Medi-Cal program, and the revenues of which are primarily used to finance the non-federal portion of Medi-Cal medical assistance expenditures.

(4) A reasonable charge imposed for entrance to or use of state property, or the purchase, rental, or lease of state property, except charges governed by Section 15 of Article XI.

(5) A fine, or penalty, ~~or other monetary charge~~ including any applicable interest for nonpayment thereof, imposed by the judicial branch of government or the State, as a result of a state administrative enforcement agency pursuant to adjudicatory due process, to punish a violation of law.

(g) ~~(1) ~~(d)~~~~ The State bears the burden of proving by a preponderance of the clear and convincing evidence that a levy, charge, or other exaction is an exempt charge and not a tax. The State bears the burden of proving by clear and convincing evidence that the amount of the exempt charge is reasonable and that the amount charged does not exceed the actual cost of providing the service or product to the payor, ~~that the amount is no more than necessary to cover the reasonable costs of the governmental activity and~~

that the manner in which those costs are allocated to a payor bear a fair or reasonable relationship to the payor's burdens on, or benefits received from, the governmental activity

(2) The retention of revenue by, or the payment to, a non-governmental entity of a levy, charge, or exaction of any kind imposed by state law, shall not be a factor in determining whether the levy, charge, or exaction is a tax or exempt charge.

(4) The use of revenue derived from the levy, charge or exaction shall be a factor in determining whether the levy, charge, or exaction is a tax or exempt charge.

(h) As used in this section:

In computing "actual cost" the maximum amount that may be imposed is the actual cost less all other sources of revenue including, but not limited to taxes, other exempt charges, grants, and state or federal funds received to provide such service or product.

(2) "Extend" includes, but is not limited to, doing any of the following with respect to a tax or exempt charge: lengthening its duration, delaying or eliminating its expiration, expanding its application to a new territory or class of payor, or expanding the base to which its rate is applied.

In computing "actual cost" the maximum amount that may be imposed is the actual cost less all other sources of revenue including, but not limited to taxes, other exempt charges, grants, and state or federal funds received to provide such service or product.

(b) "Extend" includes, but is not limited to, doing any of the following with respect to a tax, exempt charge, or Article XIII D assessment, fee, or charge: lengthening its duration, delaying or eliminating its expiration, expanding its application to a new territory or class of payor, or expanding the base to which its rate is applied.

Section 6. Section 2 of Article XIII C of the California Constitution is amended to read:

Sec. 2. Local Government Tax Limitation. Notwithstanding any other provision of this Constitution:

(a) Every levy, charge, or exaction of any kind imposed by local law is either a tax or an exempt charge. All taxes imposed by any local government shall be deemed to be either general taxes or special taxes. Special purpose districts or agencies, including school districts, shall have no power to levy general taxes.

(b) No local law government, whether proposed by the governing body or by an elector, may impose, extend, or increase any general tax unless and until that tax is submitted to the electorate and approved by a majority vote. A general tax shall not be deemed to have been increased if it is imposed at a rate not higher than the maximum rate so approved. The election required by this subdivision shall be consolidated with a regularly scheduled general election for members of the governing body of the local government, except in cases of emergency declared by a unanimous vote of the governing body.

(c) ~~Any general tax imposed, extended, or increased, without voter approval, by any local government on or after January 1, 1995, and prior to the effective date of this article, shall continue to be imposed only if approved by a majority vote of the voters voting in an election on the issue of the imposition, which election shall be held within two years of the effective date of this article and in compliance with subdivision (b).~~ (d) No local law government, whether proposed by the governing body or by an elector, may impose, extend, or increase any special tax unless and until that tax is submitted to the electorate and approved by a two-thirds vote. (d) The title and summary and ballot label or question required for a measure pursuant to the Elections Code shall, for each measure providing for the imposition of a tax, include:

(1) The type and amount or rate of the tax;

(2) the duration of the tax; and

(3) The use of the revenue derived from the tax. If the proposed tax is a general tax, the phrase "for general government use" shall be required, and no advisory measure may appear on the same ballot that would indicate that the revenue from the general tax will, could, or should be used for a specific purpose.

(e) Only the governing body of a local government, other than an elector pursuant to Article II or the initiative power provided by a charter or statute, shall have the authority to impose any exempt charge. The governing body shall impose an exempt charge by an ordinance specifying the type of exempt charge

as provided in Section 1(j) and the amount or rate of the exempt charge to be imposed, and passed by the governing body. This subdivision shall not apply to charges specified in paragraph (7) of subdivision (i) of Section 1.

(f) No amendment to a Charter which provides for the imposition, extension, or increase of a tax or exempt charge shall be submitted to or approved by the electors, nor shall any such amendment to a Charter hereafter submitted to or approved by the electors become effective for any purpose.

(g) Any tax or exempt charge adopted after January 1, 2022, but prior to the effective date of this act, that was not adopted in compliance with the requirements of this section is void 12 months after the effective date of this act unless the tax or exempt charge is reenacted in compliance with the requirements of this section.

The local government bears the burden of proving by clear and convincing evidence that the amount of the exempt charge is reasonable and that the amount charged does not exceed the actual cost of providing the service or product to the payor.

(2) The retention of revenue by, or the payment to, a non-governmental entity of a levy, charge, or exaction of any kind imposed by a local law, shall not be a factor in determining whether the levy, charge, or exaction is a tax or exempt charge.

(3) The characterization of a levy, charge, or exaction of any kind imposed by a local law as being paid in exchange for a benefit, privilege, allowance, authorization, or asset, shall not be factors in determining whether the levy, charge, or exaction is a tax or an exempt charge.

(4) The use of revenue derived from the levy, charge or exaction shall be a factor in determining whether the levy, charge, or exaction is a tax or exempt charge.

Section 7. Section 3 of Article XIII D of the California Constitution is amended, to read:

Sec. 3. Property Taxes, Assessments, Fees and Charges Limited

(a) No tax, assessment, fee, ~~or~~ charge, or surcharge, including a surcharge based on the value of property, shall be assessed ~~by any agency~~ upon any parcel of property or upon any person as an incident of property ownership except:

(1) The ad valorem property tax ~~imposed pursuant to~~ described in Section 1(a) of Article XIII and Section 1(a) of Article XIII A, and described and enacted pursuant to the voter approval requirement in Section 1(b) of Article XIII A.

(2) Any special non-ad valorem tax receiving a two-thirds vote of qualified electors pursuant to Section 4 of Article XIII A, or after receiving a two-thirds vote of those authorized to vote in a community facilities district by the Legislature pursuant to statute as it existed on December 31, 2021.

(3) Assessments as provided by this article.

(4) Fees or charges for property related services as provided by this article.

(b) For purposes of this article, fees for the provision of electrical or gas service shall not be deemed charges or fees imposed as an incident of property ownership.

Section 8. Sections 1 and 14 of Article XIII are amended to read:

Sec. 1 Unless otherwise provided by this Constitution or the laws of the United States:

(a) All property is taxable and shall be assessed at the same percentage of fair market value. When a value standard other than fair market value is prescribed by this Constitution or by statute authorized by this Constitution, the same percentage shall be applied to determine the assessed value. The value to which the percentage is applied, whether it be the fair market value or not, shall be known for property tax purposes as the full value.

(b) All property so assessed shall be taxed in proportion to its full value.

(c) All proceeds from the taxation of property shall be apportioned according to law to the districts within the counties.

Sec. 14. All property taxed by state or local government shall be assessed in the county, city, and district in which it is situated. Notwithstanding any other provision of law, such state or local property taxes shall be apportioned according to law to the districts within the counties.

Section 9. General Provisions

A. This Act shall be liberally construed in order to effectuate its purposes.

B. (1) In the event that this initiative measure and another initiative measure or measures relating to state or local requirements for the imposition, adoption, creation, or establishment of taxes, charges, and other revenue measures shall appear on the same statewide election ballot, the other initiative measure or measures shall be deemed to be in conflict with this measure. In the event that this initiative measure receives a greater number of affirmative votes, the provisions of this measure shall prevail in their entirety, and the provisions of the other initiative measure or measures shall be null and void.

(2) In furtherance of this provision, the voters hereby declare that this measure conflicts with the provisions of the "Housing Affordability and Tax Cut Act of 2022" and "The Tax Cut and Housing Affordability Act," both of which would impose a new state property tax (called a "surcharge") on certain real property, and where the revenue derived from the tax is provided to the State, rather than retained in the county in which the property is situated and for the use of the county and cities and districts within the county, in direct violation of the provisions of this initiative.

(3) If this initiative measure is approved by the voters, but superseded in whole or in part by any other conflicting initiative measure approved by the voters at the same election, and such conflicting initiative is later held invalid, this measure shall be self-executing and given full force and effect.

C. The provisions of this Act are severable. If any portion, section, subdivision, paragraph, clause, sentence, phrase, word, or application of this Act is for any reason held to be invalid by a decision of any court of competent jurisdiction, that decision shall not affect the validity of the remaining portions of this Act. The People of the State of California hereby declare that they would have adopted this Act and each and every portion, section, subdivision, paragraph, clause, sentence, phrase, word, and application not

declared invalid or unconstitutional without regard to whether any portion of this Act or application thereof would be subsequently declared invalid.

D. If this Act is approved by the voters of the State of California and thereafter subjected to a legal challenge alleging a violation of state or federal law, and both the Governor and Attorney General refuse to defend this Act, then the following actions shall be taken:

(1) Notwithstanding anything to the contrary contained in Chapter 6 of Part 2 of Division 3 of Title 2 of the Government Code or any other law, the Attorney General shall appoint independent counsel to faithfully and vigorously defend this Act on behalf of the State of California.

(2) Before appointing or thereafter substituting independent counsel, the Attorney General shall exercise due diligence in determining the qualifications of independent counsel and shall obtain written affirmation from independent counsel that independent counsel will faithfully and vigorously defend this Act. The written affirmation shall be made publicly available upon request.

(3) A continuous appropriation is hereby made from the General Fund to the Controller, without regard to fiscal years, in an amount necessary to cover the costs of retaining independent counsel to faithfully and vigorously defend this Act on behalf of the State of California.

(4) Nothing in this section shall prohibit the proponents of this Act, or a bona fide taxpayers association, from intervening to defend this Act.
