

Office of the City Manager

INFORMATION CALENDAR  
SEPTEMBER 12, 2023

To: Honorable Mayor and Members of the City Council  
 From: Dee Williams-Ridley, City Manager  
 Submitted by: Jordan Klein, Director, Planning and Development Department  
 Subject: LPO NOD: 60 Panoramic Way, #LMIN2023-0001

INTRODUCTION

The attached Notice of Decision (NOD) for the Landmarks Designation is presented to the Mayor and City Council pursuant to Berkeley Municipal Code/Landmarks Preservation Ordinance (BMC/LPO) Section 3.24.160, which requires that “a copy of the Notice of Decision shall be filed with the City Clerk and the City Clerk shall present said copy to the City Council at its next regular meeting.”

CURRENT SITUATION AND ITS EFFECTS

The Landmark Preservation Commission (LPO/Commission) has designated the subject property as a City Landmark.

BACKGROUND

BMC/LPO Section 3.24.190 allows the Council to review any action of the Commission in granting or denying Landmark, Structure of Merit or Historic District status. In order for Council to review the decision on its merits, Council must appeal the NOD. To do so, a Councilmember must move this Information Item to Action and then move to “certify” the decision. Such action must be taken within 15 days from the mailing of the NOD or by September 12, 2023. Such certification to Council shall stay all proceedings in the same manner as the filing of an appeal.

If the Council chooses to appeal the action of the Commission, then a public hearing will be set within 25 days pursuant to BMC/LPO Section 3.24.300. The Council must then rule on the designation within 30 days from the date that the public hearing is opened or the decision of the Commission is automatically deemed affirmed.

Unless the Council wishes to review the determination of the Commission and make its own decision, the attached NOD is deemed received and filed.

ENVIRONMENTAL SUSTAINABILITY & CLIMATE IMPACTS

Landmark designation provides opportunities for the adaptive re-use and rehabilitation of historic resources within the City. The rehabilitation of these resources, rather than

their removal, achieves construction and demolition waste diversion, and promotes investment in existing urban centers.

POSSIBLE FUTURE ACTION

The Council may choose to certify or appeal the decision to grant designation status, setting the matter for public hearing at a future date.

FISCAL IMPACTS OF POSSIBLE FUTURE ACTION

There are no known fiscal impacts associated with this designation action.

Notice of Decision

**DATE OF BOARD DECISION: June 1, 2023**  
**DATE NOTICE MAILED: August 28, 2023**  
**APPEAL PERIOD EXPIRATION: September 12, 2023**  
**EFFECTIVE DATE OF PERMIT (Barring Appeal or Certification): September 13, 2023<sup>1</sup>**

## 60 Panoramic Way – William J. Moore House

**Landmark application #LMIN2023-0001 for the consideration of City Landmark or Structure of Merit designation status for a residential building constructed in 1913 that is a Contributing Property to the Panoramic Hill National Register Historic District – APN 55-1853-15**

The Landmarks Preservation Commission of the City of Berkeley, after conducting a public hearing, **APPROVED** the following request:

- **Structure of Merit designation**

**APPLICANT:** Jordan Kanarek and Gabrielle Goldstein  
60 Panoramic Way  
Berkeley, CA 94704

---

<sup>1</sup> Pursuant to BMC Chapter 3.24, the City Council may “certify” any decision of the LPC for review, which has the same effect as an appeal. In most cases, the Council must certify the LPC decision during the 14-day appeal period. However, pursuant to BMC Section 1.04.070, if any portion of the appeal period falls within a Council recess, the deadline for Council certification is suspended until the first Council meeting after the recess, plus the number of days of the appeal period that occurred during the recess, minus one day. If there is no appeal or certification, the Use Permit becomes effective the day after the certification deadline has passed.

**TO APPEAL THIS DECISION (see Section 3.24.300 of the Berkeley Municipal Code):**

To appeal a decision of the Landmarks Preservation Commission to the City Council you must:

1. Submit a letter clearly and concisely setting forth the grounds for the appeal to the City Clerk, located at 2180 Milvia Street, 1<sup>st</sup> Floor, Berkeley. The City Clerk's telephone number is (510) 981-6900.
  - a. Pursuant to BMC Section 3.24.300.A, an appeal may be taken to the City Council by the application of the owners of the property or their authorized agents, or by the application of at least fifty residents of the City aggrieved or affected by any determination of the commission made under the provisions of Chapter 3.24.
2. Submit the required fee (checks and money orders must be payable to 'City of Berkeley'):
  - a. The basic fee for persons other than the applicant is \$500. This fee may be reduced to \$100 if the appeal is signed by persons who lease or own at least 50 percent of the parcels or dwelling units within 300 feet of the project site, or at least 25 such persons (not including dependent children), whichever is less. Signatures collected per the filing requirement in BMC Section 3.24.300.A may be counted towards qualifying for the reduced fee, so long as the signers are qualified. The individual filing the appeal must clearly denote which signatures are to be counted towards qualifying for the reduced fee.

- b. The fee for appeals of affordable housing projects (defined as projects which provide 50 percent or more affordable units for households earning 80% or less of Area Median Income) is \$500, which may not be reduced.
- c. The fee for all appeals by Applicants is \$2500.
3. The appeal must be received prior to 5:00 p.m. on the "APPEAL PERIOD EXPIRATION" date shown above (if the close of the appeal period falls on a weekend or holiday, then the appeal period expires the following business day).

If no appeal is received, the Structure of Merit designation will be final on the first business day following expiration of the appeal period.

**NOTICE CONCERNING YOUR LEGAL RIGHTS:**

---

If you object to this decision, the following requirements and restrictions apply:

1. If you challenge this decision in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Landmarks Preservation Commission at, or prior to, the public hearing.
2. You must appeal to the City Council within fifteen (15) days after the Notice of Decision of the action of the Landmarks Preservation Commission is mailed. It is your obligation to notify the Land Use Planning Division in writing of your desire to receive a Notice of Decision when it is completed.
3. Pursuant to Code of Civil Procedure Section 1094.6(b) and Government Code Section 65009(c)(1), no lawsuit challenging a City Council decision, as defined by Code of Civil Procedure Section 1094.6(e), regarding a use permit, variance or other permit may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure Section 1094.6(b). Any lawsuit not filed within that ninety (90) day period will be barred.
4. Pursuant to Government Code Section 66020(d)(1), notice is hereby given to the applicant that the 90-day protest period for any fees, dedications, reservations, or other exactions included in any permit approval begins upon final action by the City, and that any challenge must be filed within this 90-day period.
5. If you believe that this decision or any condition attached to it denies you any reasonable economic use of the subject property, was not sufficiently related to a legitimate public purpose, was not sufficiently proportional to any impact of the project, or for any other reason constitutes a "taking" of property for public use without just compensation under the California or United States Constitutions, your appeal of this decision must include the following information:
  - A. That this belief is a basis of your appeal.
  - B. Why you believe that the decision or condition constitutes a "taking" of property as set forth above.

## **60 Panoramic Way – William J. Moore House** **Landmark application #LMIN2023-0001 for the consideration of City** **Landmark or Structure of Merit designation status for a residential** **building constructed in 1913 that is a Contributing Property to the** **Panoramic Hill National Register Historic District – APN 55-1853-15**

### PROJECT DESCRIPTION

---

Structure of Merit designation of the property at 60 Panoramic Way, William J. Moore House.

### CEQA FINDINGS

---

1. The project is found to be exempt from the provisions of the California Environmental Quality Act (CEQA, Public Resources Code §21000, et seq.) pursuant to Section 15061.b.3 of the CEQA Guidelines (activities that can be seen with certainty to have no significant effect on the environment).

### LANDMARK PRESERVATION ORDINANCE FINDINGS

---

2. Pursuant to Berkeley Municipal Code (BMC) Section 3.24.110.B.2(d) of the Landmarks Preservation Ordinance, the Commission finds that the subject property meets the designation criteria for Structure of Merit (SOM) status because the structure has historical significance to the City and/or to the structure's neighborhood, block, street frontage, or group of buildings as a good example of the First Bay Tradition style of architecture, and as a contributor to the Panoramic Hill National Register Historic District. The building retains integrity of location, materials, feeling, association, setting, workmanship, and design throughout its street-facing (primary) elevation, despite some exterior alterations on the side and rear elevations. Through these qualities, it conveys its associations with its period of construction (1913) and has historic significance to the City, neighborhood (Panoramic Hill), block, and group of buildings in the historic district in which it is located.

## FEATURES TO BE PRESERVED

---

1. This Structure of Merit designation shall apply to the subject property and the following distinguishing features of the main building and site shall be preserved:

### Setting

- Its location in the Panoramic Hill residential neighborhood amongst the grouping of single-family residences built between 1901 – 1950 in various examples of the First Bay Tradition of architecture (National Register Historic District)

### Overall Visual Aspects

- Two-and-a-half story over basement height of structure
- Natural, unpainted, wood-shingled exterior wall cladding throughout
- Those aspects of its design and materials associated with its First Bay Tradition style of architecture

### West Elevation (Primary/Front)

#### Floor 1

- Inset entry porch
- Wooden entry door with inset panel and two flanking sidelights
- Wooden French doors with divided light panels
- A square bay covered with wood shingle cladding and:
  - Two double-hung wooden sash windows (8/1)
  - One center double-hung wooden sash window (10/1)

#### Floor 2

- Two secondary hip roof overhangs between each floor with exposed rafter tails
- Two three-part projecting bay windows with three double-hung wood sash windows in each:
  - Two 1/1 windows in the central bays
  - Four 6/1 windows on side bays
- Two casement windows with valance grid mullions (4/1)

#### Floor 3 (Attic)

- Single double-hung wood sash window (1/0)

#### Basement

### East Elevation (Rear)

- Wooden double undivided casement window
- Wooden French doors with divided light panels

### **North Elevation (Side)**

#### Floor 1

- One double-hung wood sash window (10/1)
- Three double-hung wood sash bay windows (1/1) underneath a hip roof overhang
- Two double-hung wood sash windows (towards the rear)

#### Floor 2

- Two double-hung wood sash windows (10/1)

### **South Elevation (Side)**

#### Floor 2

- Four divided (3/1) picture windows
- Two divided (5/1) picture windows

### **Roof**

- Front-facing gable roofline with exposed wooden roof beams with pyramidal rafter tail end
- Clinker brick chimney
- Beadboard soffits

### **Site Features**

- Rhyolite (local volcanic) stone retaining walls and pilasters along the front property line and the south side property line as it returns into the sloped front yard
- Rhyolite (local volcanic) stone staircase (single flight) at the front property line leading up to the residence
- Rhyolite (local volcanic) stone planter beds in the sloped front yard

## 60 Panoramic Way Description + Building/Site Features

### Description

In 2005 this home, and several other neighboring homes, was placed on the National Register of Historic Places (National Register Designation #05000424). The house at 60 Panoramic Way was designed and built by Henry Rowe, who purchased several contiguous lots on the hill and built five houses, including this one. The five houses, all Craftsman-styled, are distinct from each other, and this particular house was built in 1913.

The two and a half story single-family dwelling is situated on the uphill side of Panoramic Way, close to the first hairpin turn. The exterior of the house is covered in natural wood shingles, with a front gabled roof that has overhanging eaves supported by exposed roof beams. The chimney is constructed of clinker brick. The first story of the western facade includes a square bay with three double-hung windows and an inset entry porch. The front door has a vertical inset panel flanked by side lites of non-original diamond-paned leaded glass. The second story features a pair of three-sided bay windows under a secondary hip-roof overhang. A stone retaining wall, made of local volcanic rhyolite and about four feet in height, wraps around the property line at the street, adjoining the retaining wall at 62 Panoramic Way. A flight of steep stone steps leads to the wooden entry porch.

Over the years, this house has undergone several renovations and additions. In 1962, a basement apartment and bathroom were added, and it appears that this is when structural support piers and casement windows were installed at the front of the home. In 1980, a kitchen addition extended the rear first floor into a roughly 5'x5' portion of the rear patio to make room for a breakfast nook. In 1984, a multilevel garden designed by Jonathan Plant was constructed, and a redwood bridge was installed to create access to the garden from the second floor of the house. This design further enhances the house's connection to nature. Jonathan's work demonstrates the power of thoughtful landscape design in creating a harmonious living environment with this historic home.

In 2004, an attic conversion was completed, and skylights were added to the home, further enhancing its charm and livability.

Overall, this house is an excellent example of the Craftsman style and has undergone several renovations and additions that have enhanced its livability without compromising its historic character.

Panoramic Hill, Alameda County, CA

Section number 7 Page 9

A two story, single family, wood shingle clad structure with a low-raking gable roof, broad eaves and projecting end beams atop a concrete foundation, follows an L-shaped plan. The home was built into a triangular lot inside the first hair-pin turn on Panoramic Way, with a very shallow setback on the uphill side and nestled in among redwood trees. Steilberg composed the home to conform to the setting so that the southern wall is angled away from what is now a tree stump but would have been a mature tree when the house was designed. On the western facade a second redwood was used in place of a decorative pillar holding up a trellis over the half round portico containing a rooftop terrace. A stone retaining wall combines with a concrete retaining wall covered with wooden lattice curved to follow the contour of the hillside. Above the retaining wall is a terrace. A pergola gateway with wooden columns, tapering from bottom to top with hand carved cross braces, marks the entrance from the eastern side. The second story was designed in 1954 by architect Howard Moise although visual inspection does not reveal where the addition begins and ends. The house was later subdivided into two apartments with the entryway to one apartment on the eastern (uphill) side of the lot. The entryway is inset with a substantial wooden lintel where the original street number (#71) is carved. To the left of the entry is a window screened by six green glazed perforated Oriental tiles. Additional fenestration includes two-lite casement windows placed asymmetrically. A north-east corner window configuration groups three windows per side separated by natural redwood vertical supports and two incised horizontal bands at the top. A large, mullioned bay window dominates the south-facing elevation. A red brick chimney is prominent on the northwest elevation. A single-car wood frame garage is wedged into the narrowest part of the lot at Panoramic Way's first hairpin turn. Lattice work overlapping in squares atop wood siding gives the garage the appearance of an oversized Japanese jewel box; the effect is enhanced by ochre glazed perforated Oriental tiles on the eastern side and similar tiles glazed "Steilberg-green" on the western side.

12. 60 Panoramic Way – TWO CONTRIBUTING: house  
retaining wall (a)

Year built: 1913

Contractor: Rowe, Henry

Original owner: Moore, William J.

This two and one half story single-family dwelling is built on the uphill side of Panoramic Way near the first hairpin turn. The exterior is clad in natural wood shingle and topped by a front gabled roof with overhanging eaves which are supported by exposed roof beams. The chimney is clinker brick. On the first story of the western façade is a square bay with three double-hung windows consisting of multiple lites and an inset entry porch. The front door has a vertical inset panel flanked by side lites of diamond-paned leaded glass. The second story contains a pair of three-sided bay windows under a secondary hip-roof overhang. A stone retaining wall of local volcanic rhyolite about 4 feet in height wraps around the property line at the street, adjoining the retaining wall at 62 Panoramic Way. A flight of steep stone steps leads to the wooden entry porch.
