

Communicable Disease Prevention & Control Program
Public Health Officer Unit
Office of the Director

Health Alert Notification Database Request

The City of Berkeley Public Health Officer periodically sends Health Alerts, Advisories, and Updates to Berkeley health care providers. Health Alerts provide important, timely information on the recognition, diagnosis, management, and reporting of communicable disease threats.

SIGN UP TO RECEIVE HEALTH ALERTS & ADVISORIES VIA EMAIL

Complete this form and send via e-mail to:

COBCD@cityofberkeley.info

Or via fax to:

(510) 981-5345
