

MARCH 22-31, 2024 STREET CLOSURE AND PAVING SCHEDULE

City of Berkeley - Southside Complete Streets Project

A full closure of the Bancroft Way/Telegraph Ave intersection will occur during UCB Spring Break (3/22 – 3/31) throughout those days and nights. During that time, three streets will become temporary two way for local access only:

- **DANA ST (Durant Ave - Bancroft Way)**
- **TELEGRAPH AVE (Durant Ave - Bancroft Way)**
- **BANCROFT WAY (Barrow Ln - Bowditch St) (Ellsworth St - Lower Sproul Parking Garage) during Cal Performances events**

Roadway repaving, including construction of a new raised concrete intersection at the Bancroft Way/Telegraph Ave intersection, will occur during this time. The new intersection will serve as a gateway between the UCB campus and Telegraph Ave and will feature a pedestrian-only signal phase to facilitate high-volume pedestrian crossings, a dedicated bus lane, and a buffer-protected two-way bikeway. See photo simulation on the back side of this flyer.

- Deliveries to businesses should not be disrupted.
- Event venues will remain open to the public.
