

WAGE THEFT PREVENTION: PAY TRANSPARENCY ATTESTATION FORM

Planning and Development
1947 Center St, 2nd Floor
Berkeley, CA 94704

THE CITY OF BERKELEY IS COMMITTED TO PROTECTING THE PUBLIC HEALTH, SAFETY AND WELFARE.

The construction industry involves unique labor standards compliance challenges. Construction workers who do not receive all of their wages and mandatory benefits are likely to discover that, despite the best efforts of State enforcement officials, many employees continue to be victims of wage theft because they are unaware of their rights or the State lacks adequate resources to advocate on their behalf.

BMC Chapter 13.104 applies to newly constructed buildings that are greater than 30,000 square feet, and are not subject to local, state or federal prevailing wage requirements, or does not have a valid Project Labor or Community Workforce Agreement.

The City will maintain Pay Transparency Attestation forms for period of at least three years after their date of receipt by the City.

Responsible Representative of the Permittee

Berkeley Municipal Code (BMC) Chapter 13.104 ensures compliance with the Wage Theft Protection Act of 2011 by requiring confirmation by owners, contractors, and subcontractors of the rate of pay and other legally required information pursuant to Labor Code sections 226(a) and 2810.5.

Within 10 days of the approved final inspection of any project subject to BMC Chapter 13.104, a responsible representative of the permittee shall provide a Pay Transparency Attestation for each contractor or qualifying subcontractor.
