Independent Redistricting Commission

Date: February 24, 2021
 To: Independent Redistricting Commission
 From: Mark Numainville, City Clerk
 Subject: Selection of One At-Large Independent Redistricting Commission Member and Five Alternate At-Large Commissioners

RECOMMENDATION

Review the information regarding ranking of applicants and nomination of candidates for the one at-large commissioner and five at-large alternates, and appoint the at-large member and alternates for the Independent Redistricting Commission pursuant to Charter Section 9.5 and Berkeley Municipal Code Chapter 2.10.

CURRENT SITUATION

The Independent Redistricting Commission, consisting of the initial eight members, selected five at-large commissioners at its meeting of February 10, 2021. The applicants selected were Brenda Clark, Delores Cooper, Carly Alejos, Simelia Rogers, and Sherry Smith. The Commission deferred action on appointing the five at-large alternates to the next meeting of the Commission on February 24, 2021.

On February 13, 2021, at-large appointee Brenda Clark informed the commission that she declined the appointment for personal reasons. The commission must now select one at-large commissioner from the remaining pool of applicants to replace Ms. Clark.

BACKGROUND

The City received 138 applications for the Commission, and 80 of those 138 completed the process to become eligible for the random draw for district commissioners. The random draw resulted in the by-district commissioners being primarily male and white, which reflected the overall demographics of the applicant pool.

Pursuant to Charter Section 9.5(B)(6), the Commission conducted its appointments to achieve community representation by taking into consideration geographic diversity, race, age, and gender. The Commission also factored the written statement outlining each applicant's qualifications to serve in its consideration of the appointments.

Selection Process

The Independent Redistricting Commission met January 20, 2021 to begin the at-large selection process. After receiving public comment and holding a discussion, the Commission voted unanimously to rank non-white, non-male applicants from 1 to 10;

and to allow for the listing of write-in applicants for consideration and review at the next meeting. Commissioners were provided with the applications for all eligible applicants, along with a worksheet to rank the designated applicants. Ranking was determined by totaling the rankings submitted by each commissioner into a “score”. Since a ranking of “1” indicates the highest ranking, a lower score represents a higher overall ranking when the rankings are totaled. Conversely, applicants with higher scores were generally ranked lower by most commissioners. Results of the ranking are compiled below in Table 1.

Table 1. Rankings of non-white, non-male applicants.

Applicant	Score	Ranking
Adena Mieko Ishii*	26	1
Brenda Joyce Clark*	28	2

Simelia Rogers**	45	5
M Guadalupe Gallegos-Diaz	49	6
Sarah Lorraine Price	49	6
Amitabho Chattopadhyay	51	8
Rana Cho***	51	8

*Withdrawn from consideration.
 **Appointed as at-large member on February 10
 ***One commissioner submitted a score of “no ranking”. To preserve the ranking calculations, this was entered as a ranking of 10.

Additionally, commissioners could provide an unlimited number of write-in nominations for appointment from the full pool of eligible applicants. Write-in names are listed in Table 2 below, with the total number of times they were nominated.

Table 2. Write-in applicants.

A comprehensive worksheet including the individual rankings and write-in candidates by each commissioner, with each applicant’s demographic information, is available as Attachment 1 to the staff report.

Demographics of Appointed Members

The at-large appointments made on February 10 made significant progress in better achieving community representation. Demographic data for current commissioners is listed in Table 3 below. This information may be referenced to identify additional areas of representation that may be provided by the single at-large appointment and the five alternate appointments. With regards to the withdrawn at-large appointment, Ms. Clark’s demographic profile is Black, Female, and residing in District 2. While she did not respond to the age survey, Ms. Clark indicated in her statement that she has been a resident of Berkeley for 30 years.

To assist with the analysis of the geographic diversity of applicants and appointees, two maps are included with this report in Attachments 3 and 4.

Seating At-Large Alternates

After the selection of at-large commissioners and alternates, the order in which the alternates will be seated on the Commission as voting members must be established by a random method, pursuant to Charter Section 9.5. Following a process similar to the random selection of the initial eight commissioners and alternates, staff proposes utilizing a random draw of numbered ping-pong balls to determine the order.

Section 9.5. Independent Redistricting Commission

The purposes of this Section are to: 1) establish a redistricting process that is open and transparent and allows public comment on the drawing of district boundaries; 2) ensure that City Council district boundaries are drawn according to the redistricting criteria set forth in this Charter and applicable State and Federal laws; and 3) ensure that the redistricting process is conducted with integrity, fairness, and without personal or political considerations. In order to accomplish these purposes, an Independent Redistricting Commission (Commission) is hereby created.

(a) Duties and authority of Commission and City Council.

(1) The Independent Redistricting Commission shall be solely responsible for drawing City Council district boundaries in accordance with state and federal law and this Charter, and shall make adjustments as appropriate, taking into consideration public comment at public meetings and public hearings. The City Council shall have no role in developing or adopting a redistricting plan, and its sole responsibilities in redistricting shall be to: adopt an ordinance establishing procedures to implement this Section; adopt a redistricting ordinance as set forth in subdivision (d)(3); submit a final redistricting plan to the voters as set forth in subdivision (d)(4); submit a redistricting ordinance that is the subject of a referendum to the voters as set forth in subdivision (d)(5); and to adopt the redistricting plan determined by a special master as set forth in subdivision (d)(4).

Section 9.5, Article V

(2) The City Council, as part of the adoption of the City Budget, shall allocate sufficient funds to support the work of the Independent Redistricting Commission, including funds necessary for community outreach, costs for city staff time associated with supporting the work of the Independent Redistricting Commission, and the hiring of any necessary consultants or outside counsel.

(3) The City Clerk or their designee shall serve as Secretary to the Commission.

(4) The City Council, by a two-thirds vote, shall adopt an ordinance establishing procedures to implement this Charter section. An implementation ordinance cannot be modified by the Council for a period of five years after initial adoption, and without a two-thirds vote of the Council, unless adoption of an amendment to the Charter, a change in applicable state or federal statute, or court decision necessitates an earlier modification.

(b) Appointment of Commission.

(1) Membership. The Commission shall consist of thirteen members, each of whom is a resident of the City of Berkeley. The application and selection process set forth below and by ordinance is intended to produce an Independent Redistricting Commission that is independent from legislative and political influence, and reasonably representative of the City's population.

(2) Term. Members of the Independent Redistricting Commission shall be appointed following each decennial federal census as set forth below. The term of office of each member of the Commission shall expire upon the effectiveness of a redistricting plan for that decennial federal census period.

(3) Qualifications and eligibility. All Berkeley residents who are 18 years of age or older at the time their application is submitted, are eligible for membership on the Independent Redistricting Commission, subject to the following limitations.

(i) The following individuals are prohibited from serving on the Independent Redistricting Commission:

(A) any individual who currently holds, has held, or who has been a qualified candidate for the office of Mayor or City Councilmember within the two years preceding the date of application;

(B) any other individual who holds or has held any City of Berkeley elective office identified in this Charter within the two years preceding the date of application;

(H) any individual ineligible to serve in public office under Government Code sections 1021, 1021.5, 1770, or the Constitution and laws of the State of California, except for those laws requiring citizenship status.

(ii) If an applicant currently serves on a City of Berkeley board or commission whose members are appointed by the Mayor, a City Councilmember, or the full City Council, they may serve on the Independent Redistricting Commission if selected, provided they resign from the board or commission and they agree not to serve on another City of Berkeley board or commission during their term of office on the Independent Redistricting Commission.

(iii) If an applicant has made a disclosable monetary or non-monetary contribution to a candidate for Mayor or Councilmember, they shall be permitted to serve on the Independent Redistricting Commission if selected, under the condition that they disclose under penalty of perjury all monetary and non-monetary contributions made within the four years prior to the date of application to a candidate for Mayor or Councilmember in the City of Berkeley.

(iv) No person, within two years after the termination of their service on the Commission, will be eligible for employment as a paid staff member for the Mayor or any Councilmember or to serve on a City of Berkeley board or commission.

(4) Outreach. The City shall widely publicize the fact that an Independent Redistricting Commission will be appointed during the following year, the date by which applications for appointment to the Commission must be received, and such other information as will adequately inform potentially interested residents of the Commission. The City shall conduct outreach throughout the City of Berkeley in order to solicit a large pool of applicants and applicant diversity by race, ethnicity, gender, and geography.

(5) Application process. The City Clerk shall initiate and advertise a 30-day nomination period for appointment to the Independent Redistricting Commission. The nomination process shall be open to Berkeley residents who are 18 years of age or older at the time their application is submitted, and be conducted in a manner that promotes a diverse and qualified applicant pool.

(6) Selection process.

(i) The City Clerk shall screen all applications submitted to ensure that each applicant satisfies the eligibility criteria of subsection (b)(3)(i). Procedures to implement the nomination and screening process that are not specified in this Section will be specified in the implementing ordinance adopted by Council.

(ii) At a time and place open to the public, and subject to at least ten days public notice, the City Clerk shall select the initial eight members of the Independent Redistricting Commission. The City Clerk shall randomly select one person from each of the eight council districts. The first person chosen from each pool shall be appointed to the Independent Redistricting Commission. The City Clerk shall then randomly select one additional individual from each of the eight council districts to serve as an alternate for the individual who has been appointed from that district. To implement this paragraph, the City Clerk shall determine a randomized method that meets professional standards and best achieves a random selection.

(iii) The Independent Redistricting Commission, consisting of the initial eight (8) members, shall then convene within ten days for the purpose of selecting the remaining five members and five alternates from the pool of eligible applicants. In appointing the remaining (“at-large”) five members, the Independent Redistricting Commission shall attempt to achieve community representation by taking into consideration geographic diversity, race, age and gender. At-large alternates shall be appointed as voting members as the at-large commissioners leave office for any reason. The order in which the alternates shall be seated on the Commission as voting members shall be established by a random method at the time they are selected. All appointments under this paragraph shall be at a noticed meeting of the Independent Redistricting Commission open to the public.

(c) Commission procedures.

(1) The Independent Redistricting Commission shall establish and implement an open process for public input and Commission deliberation that shall be promoted through a thorough outreach program to solicit broad public participation in the redistricting process. All Independent Redistricting Commission meetings shall be open to the public unless necessary to convene in closed session under California Government Code sections 54950 et seq. Members of the public shall have the opportunity to provide written and oral comments to the Independent Redistricting Commission. The Commission's process must be designed to provide the widest public access reasonably possible to draft redistricting maps and to provide ample opportunity for the public to observe and participate in the redistricting process.

(2) The City Manager shall produce redistricting plans and maps based on specific direction from the Commission. The Commission shall also accept and consider maps that are submitted by the public.

(d) Commission redistricting proceedings.

(1) The Independent Redistricting Commission shall adopt City Council district boundaries no later than February 1st of the second year after the year in which each decennial federal census is taken, or nine months after final adjustments are made to the census data, whichever is later. The boundaries shall be effective until the adoption of new district boundaries following the next decennial federal census. The City Council may not rescind, supersede or revise the district boundaries adopted by the Independent Redistricting Commission.

(2) Decisions by the Independent Redistricting Commission to adopt a redistricting plan shall be by seven votes of the Commission.

(3) Concurrently with its adoption of a redistricting plan, the Commission shall issue a report that explains its decisions in achieving compliance with the criteria listed in this Section and shall include definitions of the terms and standards used in drawing the final City Council districts map. The redistricting plan adopted by the Commission shall be submitted to the City Council at its next regular or special meeting consistent with Berkeley Municipal Code Chapter 2.06, and the City Council shall at that meeting adopt a redistricting ordinance that implements the redistricting plan without change.

CHARTER OF THE CITY OF BERKELEY
Section 9.5, Article V

(4) Impasse procedure. If the Commission is unable to achieve seven affirmative votes to adopt a redistricting plan, then the Commission shall submit to the City Council the map which received the most votes of the Commission to be placed on the ballot. In the event that redistricting plan is rejected by the voters, the Commission shall have 30 days to adopt a new redistricting plan by seven affirmative votes. If the Commission, after rejection of the map by the voters, cannot adopt a final redistricting plan by seven affirmative votes, then the Commission shall request that the City Clerk recommend a list of at least three special masters to develop a redistricting plan. The Commission shall consider the recommendations of the City Clerk and select a special master, by majority vote, to develop a redistricting plan. The City Council shall adopt by ordinance the redistricting plan determined by the special master.

(5) A redistricting ordinance adopted by the City Council shall be subject to referendum in the same manner that an ordinance is subject to referendum pursuant to state law and Article XIV of the City Charter. The date of final adoption of the ordinance by the City Council shall be deemed the date of final passage for the purposes of Section 93 of the Charter. The procedures of Section 93 shall apply to a referendum of a redistricting ordinance, except that if a referendum petition is signed by the requisite number of qualified electors the City Council shall submit the ordinance to the voters at the next General Municipal Election.

(e) Removal of Commissioners.

(1) Commissioners should apply the law in a manner that is impartial and reinforces public confidence and integrity in the redistricting process.

(2) In the event of substantial neglect of duty, gross misconduct in office or inability to discharge the duties of office, or if it is determined that a commissioner is ineligible under subdivision (b)(3), a Commissioner may be removed by a two-thirds vote of the Independent Redistricting Commission, after having been served written notice and provided with an opportunity to respond.

(3) Any vacancy, whether created by removal, resignation, or absence pursuant to Berkeley Municipal Code Section 3.02.020 or its successor, shall be filled by the alternate for that Commission seat selected at the time of the original selection. If the alternate is unable to serve, the Independent Redistricting Commission shall fill the vacancy by selecting an applicant from the original pool of applicants by a two-thirds vote at a noticed meeting open to the public. If the seat to be filled is one representing a specific City Council district, the Independent Redistricting Commission shall appoint an individual who resides in that City Council district.

(4) No disqualification of a commissioner shall have any effect on the validity of any action by the Commission or any redistricting map it may adopt.

CHARTER OF THE CITY OF BERKELEY
Section 9.5, Article V

(f) Criteria for redistricting.

(1) The Commission shall adjust the boundaries of City Council districts in a manner that complies with the Constitution and statutes of the United States and the State of California, in order that the eight City Council districts shall be as nearly equal in population as may be according to the most recent decennial federal census, except where deviation is required to comply with the federal Voting Rights Act.

(2) In establishing and modifying district boundaries, the Independent Redistricting Commission shall take into consideration topography, geography, cohesiveness, contiguity, integrity and compactness of territory of the districts, as well as existing communities of interest as defined below, and shall utilize easily understood district boundaries such as major traffic arteries and geographic boundaries to the extent they are consistent with communities of interest. The geographic integrity of a neighborhood or community of interest shall be respected to the extent possible without violating State or Federal law or the requirements of this Section. For purposes of this subsection “communities of interest” shall mean the following: A community of interest is a contiguous population which shares common social and economic interests that should be included within a single district for purposes of its effective and fair representation. Such shared interests include but are not limited to those common to areas in which the people share similar living standards, use the same transportation facilities, have similar work opportunities, or have access to the same media of communication relevant to the election process, as well as neighborhoods, students, organized student housing, shared age, and racial demographics. Communities of interest shall not include relationships with political parties, incumbents, or political candidates.

(3) Districts shall not be drawn for the purpose of favoring or discriminating against an incumbent, political candidate, or political party.

(4) The Independent Redistricting Commission may consider existing district boundaries as a basis for developing new district boundaries. Should the Commission deviate substantially in its redistricting plan from the previous district boundaries in order to reflect population growth, protect communities of interest or better comply with the redistricting criteria in the Charter, it shall issue a report explaining its reasons for doing so.

(5) The Independent Redistricting Commission shall not consider the residence of sitting Councilmembers.

(6) If the Independent Redistricting Commission adopts a redistricting plan that removes the residence of a sitting Councilmember from their then-current district, that Councilmember shall continue to serve on the City Council until the expiration of their term.
