Human Welfare and Community Action Commission Mary-Claire Katz, Secretary 2180 Milvia Street, 2nd Floor Berkeley, CA 94704

1 Human Welfare and Community Action Commission (HWCAC) 2 DRAFT Letter to Berkeley City Council 3 Recommendations on Appointments to HWCAC 4 5 May 15, 2024 6 7 Hon. Mayor Arreguin, City Council members: 8 9 The Human Welfare and Community Action Commission writes to express our appreciation for 10 your recent action to preserve the commission's independent existence and its inclusion of elected low-income representatives, and the change from geographical representation to 11 12 representation of actually low-income people. 13 The actions you have taken, along with the diligent work of staff and commissioners alike, have 14 15 brought the commission back into the good graces of the state regulators and are a first step 16 toward sustainability. 17 18 The next step is to establish the membership of the commission as outlined under the new 19 ordinance. We understand that Council as a whole is responsible for appointing three 20 commissioners. Three of the members shall be low-income representatives, and three more 21 shall be members or officials of business, industry, labor, religious, welfare, education, or major 22 groups and interests in the community, nominated by the commission and confirmed by the 23 Council. 24 25 Our primary interest at this moment is to achieve the transition to the new membership with 26 the least possible disruption, so that the crucial work of overseeing services for low-income 27 people in Berkeley continues without interruption. We understand that the new ordinance will 28 come into effect thirty days after its adoption, meaning June 10, 2024. Since our meeting 29 tonight, May 15, may be the last under the old ordinance, we wish to offer you our

30 recommendations for your appointment, and urge that you act on them prior to our next 31 scheduled meeting on June 19. 32 33 For the group of three Council-appointed commissioners, we recommend you select Diana 34 Bohn, Jose Lara Cruz, and Mary Behm-Steinberg. These are three experienced and dedicated 35 commissioners who will provide strong continuity. 36 37 For the group of low-income representatives, we don't know whether sitting representatives 38 need to be re-confirmed with the advent of the new ordinance. If so, we ask that you confirm 39 Cheryl Atkinson, Mina Lewinstein, and Richard Gaona. (Mr. Gaona is new to the commission, 40 and his name may not yet have come to you for confirmation.) 41 42 For the final group of community representatives, we nominate George Lippman, Maria Sol, 43 and Catherine Huchting. Each of these three have long-term records in community and civic 44 service in Berkeley, strong ties to business and welfare interests and to community advocacy organizations. 45 46 47 Please contact the commission with any questions via the Secretary.

Human Welfare and Community Action Commission (HWCAC)

ACTION CALENDAR

January 4, 2024,

To: Honorable Mayor and Members of the City Council

From: Human Welfare and Community Action Commission (HWCAC)

Submitted by: Mary Behm-Steinberg, Chair, HWCACa

Subject: Reestablishment of Hybrid Commission Meetings

RECOMMENDATION

Adopt first reading of an Ordinance to allow hybrid participation in Commission and Committee meetings

CURRENT SITUATION AND ITS EFFECTS

Prior to the pandemic, a number of disability advocates advocated for remote access to Commission meetings. While the City has returned to in-person only meetings for Commissions, City Council meetings continue to be held in a hybrid format, allowing for participation by all and access not only for persons with disabilities, but also seniors; caregivers; and anyone working hours that preclude direct participation.

With the pace of change the City is currently undergoing, it is vital that no one be left behind, and hybrid Council meetings prove that this is achieveable even under the Brown Act as currently written.

Moreover, this is easily achieveable with nothing more than a laptop and an appropriate zoom license, so we see no reason why the same openness and transparency cannot be made available for all City meetings.

January 4, 2024,

Whereas participation in public meetings is a fundamental civil right of all citizens;

Whereas participation in Council meetings is already available on a hybrid basis;

Whereas many of the most vulnerable people in the City, whether through disability; homelessness; age; caregiver status; or having to work an excessive number of hours or participate in meetings being held simultaneously preclude participation by interested parties in critical events of particular concern;

We recommend that Commission meetings be made available on a hybrid basis as soon as possible

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

The possibility of elimination of carbon emissions through extra car trips, which are often necessary for disabled people when bus lifts aren't functioning consistently

CALIFORNIA ENVIRONMENTAL QUALITY ACT (CEQA)

None

RATIONALE FOR RECOMMENDATION

Public meetings are intended to be accessible for all. This will allow more participation from underrepresented groups.

ALTERNATIVE ACTIONS CONSIDERED

We have already proven during the pandemic that this is achievable, and the only alternative we have seen other than amending the Brown Act at the state level is the status quo, which does not work for many. This is especially true as some members of the community have extreme autoimmune deficiencies and are still not able to participate in person due to ongoing COVID concerns.
