2. Potential Measure P FY2022 Allocations

From: Councilmember Droste (Author)

Referred: January 25, 2021

Due: June 14, 2021

Recommendation: Refer the Measure P funding discussion to the City Manager, Measure P Homeless Panel of Experts to determine next steps to ensure that the Measure P fund stays solvent. Specifically, these bodies should prioritize preferred programs and services within the various categories that the Measure P panel previously outlined according to updated projected revenues. During the course of these deliberations, the Panel of Experts should hear presentations from staff on which homeless services (e.g. permanent supportive housing exits, shelters, emergency interventions, multi-departmental staffing, and supportive services) are funded outside of Measure P so that the bodies can make recommendations after understanding the entirety of services and programs.

To the extent possible, the committees and commissions should attempt to find a non-volatile source of funding for permanent supportive housing, using the 1,000 person plan as a framework for best addressing the homelessness crisis on our streets.

The Panel of Experts should finalize their priorities in time for the budget committee's consideration in June of 2021.
