TO: Berkeley Redistricting Commission

The Racism and Criminal Justice Reform group of Berkeley (RCJR) advocates for true public safety, in a reimagined system that meets the needs of all of Berkeley's residents of every neighborhood and ethnic origin. We work on a citywide and interracial basis and succeeded in passing the Police Accountability Measure (ii) in 2020 by an 85% vote. BPA is submitting the enclosed map to the redistricting committee for your consideration.

We support this proposal because it respects critical communities of interest. It retains important neighborhoods and institutions in South Berkeley's Districts 2 and 3, and unites and returns sections that were previously removed from those Districts. Given the gentrification and displacement affecting a large portion of the African American community, it is noteworthy that Berkeley has elected two African American council members since the beginning of district elections 35 years ago. This map will continue to foster Black leadership in City decision-making,

Please keep these neighborhoods in Districts 2 and 3: South and South-West Berkeley, LeConte, San Pablo Park, Lorin, Bateman, and the Adeline Corridor.

Also, please reunite students from Northside and Southside in District 7.

My Redistricting Plan by Riya Master [2] (11/15/2021)

First Name: Rita

Last Name: Master

Comments: The most important change proposed by our map is the creation of two student supermajority districts, labeled Downtown and East. Students are about 13rd of our citys population, most concentrated in the Downtown, Northside, and Southside neighborhoods. The Downtown district combines the Downtown and Northside neighborhoods, which share similar characteristics, including dense population, high percentage of renters, and large multifamily housing. The East district unifies the densely populated student neighborhoods in Southside by capturing the on-campus and off-campus student housing in this area, including the dorms, apartment complexes, shared houses, co-ops, and greek houses. The other districts are drawn with a focus on keeping neighborhoods together and following major streets where possible. The map unifies the North Berkeley Hills, creates a new united West Berkeley district including Poets Corner and the San Pablo Park Area, and a compact Central Berkeley District. The map also prioritizes African American representation in West and South Berkeley, with both district s Black CVAP 20%.

Comments: This map uses current districts as a base to try to straighten out district borders while keeping groups with similar homes, incomes, and travel modes together. - D1: grows into Northbrae and Live Oak in D5 where smaller single-family homes mix w smaller apts and gives Central Berkeley to D4. - D2 gains the rest of Poets Corner from D4 and cedes the edge of the Lorin back to D3, more cohesively uniting SW Berkeley. - D3 reincorporates part of the Lorin and gains a bit of S Berkeley keeping the S Berkeley area. - D4 is a more cohesive Central Berkeley, w Ohlone Park area and a little of N Berkeley in the flats while still keeping Downtown. - D5 gains the Gourmet Ghetto and parts of South Hampton and Cragmont uniting an area with larger homes and higher incomes. - D6 shifts to incorporate more high fire zone areas of Berkeley with winding roads and parking and emergency vehicle access concerns. - D7 is a more cohesive Southside w large concentrations of students and student housing. - D8 gains Willard and more of the LeConte neighborhood keeping a nice mix of historical single and multifamily homes.

# INDEPENDENT REDISTRICTING COMMISSION

# city of Berkeley

My Redistricting Plan by Berkeley Citizen Action (11/15/2021)

First Name: Berkeley Citizens Action

Last Name: (BCA)

**Comments**: Berkeley Citizens Action (BCA) is a non-partisan political club, which has served Berkeley since 1974, fighting for progressive policies, especially with regard to affordable housing, social justice and equality.

The Steering Committee of Berkeley Citizens Action is submitting the enclosed map to the redistricting committee for your consideration, feeling that it meets the specified contiguity, compactness, population, and geographic requirements, and protects the integrity of the following communities of interest:

- Districts 2 and 3, which are South Berkeley's historically African American neighborhoods, include the following communities: San Pablo Park, West Berkeley, the Adeline Corridor, Lorin, LeConte and Bateman; In particular, the Lorin and LeConte neighborhoods, which have active community engagement, are no longer split between different council districts
- District 1 encompasses Northwest Berkeley's Gilman, 4th Street, and North Berkeley communities;
- District 4 is comprised of Central Berkeley's McGee Spaulding, North Shattuck and Downtown communities;
- District 7 restores Berkeley's traditional student district including the predominantly student parts of Northside and Southside;
- District 8 encompasses Southeast Berkeley's Panoramic Hill, Elmwood and Claremont neighborhoods;
- District 5 includes Central North Berkeley's Westbrae, Northbrae, Live Oak, Thousand Oaks, and the Solano District communities.
- District 6 includes Northeast Berkeley's South Hampton, Cragmont, Northside, Terrace View and Hills communities
