SUBJECT: Referral to the FY 21 Budget Process: Housing Retention Program and Basic Needs Fund

RECOMMENDATION

1. Refer to the Fiscal Year 2021 Budget Process, up to \$1,000,000 of General Fund revenues (depending on need and available revenues) derived from Measure U1 tax receipts to replenish funding for the Housing Retention Program that will be exhausted due to significant demand resulting from housing security faced by residents during the COVID-19 pandemic; and
2. Direct the City Manager to identify resources to develop a Basic Needs Fund to support undocumented Berkeley residents who are ineligible for other forms of assistance, including assistance under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and pandemic unemployment benefits, because of their immigration status, and refer an amount up to \$250,000 to the FY 21 Budget Process.

BACKGROUND

Housing Retention Program

Prior to the COVID-19 pandemic, the Housing Retention Program was an essential tool in preventing tenant displacement and preserving Berkeley's racial, economic and cultural diversity. In 1993, the City of Berkeley began the Homeless Prevention Grants Program, which in 2008 became the Housing Retention Program (HRP). Through this program, anyone in Berkeley could apply to receive a one-time annual grant of up to \$1,500 for individuals who have a pending eviction action. Documentation was required to prove loss of income, medical or work related expenses, and need. With an initial budget of \$159,754 and an estimated reach of 100 households per year, the program funding was reduced in 2013 to \$63,573 with an estimated reach of 32 households per year. Funding was discontinued at the end of FY2015.

The program has since been reconstituted and bolstered by the Mayor and City Council. On June 25, 2019, the City Council approved the Mayor's Supplemental Budget Recommendations which included \$250,000 to the Housing Retention Program in FY 2020 and FY 2021. On March 17, 2020, after the City Manager declared a State of Emergency and the Health Officer issued a Shelter in Place order, the Council approved a proposal to establish the Berkeley Relief Fund with an additional \$3,000,000 allocation from the General Fund to initially capitalize the fund. This included a \$1,000,000 additional allocation to the East Bay Community Law Center and the Eviction Defense Center to expand the Housing Retention Program during this emergency that

has led to acute housing insecurity for many Berkeley residents. Approved households were eligible to receive up to \$5,000 as a one-time grant, and an additional one-time grant of up to \$10,000 during the specified COVID-19 emergency. To date the program has helped over 200 Berkeley families stay housed.

As of May 20, 2020, the two nonprofits reported the following disbursements and projections:

- 214 households have been prioritized and are anticipated to be supported by this Relief Fund,
- 141 of the 214 households have had initial checks mailed to landlords totaling \$402,000 (approximately) in rent payments,
- The nonprofits project an additional \$587,000 in rental assistance for the 214 households through the month of July.

Additionally, the two nonprofits reported that:

- Inquiries continue to come in,
- Current and anticipated inquiries, represent racially diverse households who are most vulnerable including those who are less tech-savvy, non-English speaking households, and families,
- Without any additional outreach, there are 18 households who have met the prioritization criteria and have been placed on a wait list, with over 35 still under review,
- Both organizations are continuously updating their list and projected amounts to account for re-assessments, and
- Many of the checks that are going out are going to Berkeley-based landlords¹.

Due to the unprecedented social and economic crisis created by the COVID-19 pandemic, it is difficult to forecast the depth of demand and the level of need. As applications flowed in, it became clear that community demand far exceeded available funding. Therefore, in addition to the minimum eligibility criteria, the following framework was used to determine award eligibility.

Applicants had to answer “Yes” to each of the following questions:

- Demonstrated decrease of income due to COVID-19
- Tenant has unforeseen housing-related expenses -- such as rent, future rent, utilities and needed health and safety related home repairs that, if left unaddressed, will jeopardize occupancy.
- Rental assistance helps the tenant remain housed in their current unit for the foreseeable future (i.e. the tenant has not already expressed intent to vacate the unit).

In addition, applicants also had to answer “Yes” to at least two of the following questions:

- Berkeley resident for at least 5 years

¹ City Manager EOC COVID Update - 5/21/2020

- Tenant lives in low income housing, lives in a BMR unit or holds a Housing Voucher, such as Shelter Plus Care or Section 8.
- At least one household member is a senior (62+) or is disabled as defined by the ADA.
- Current household income is less than 50% of AML.
- They have partial or full custody of a minor child in the home.

Additionally, individual monthly rents over \$4,000 were not considered a priority.

These tight guidelines are important to ensure funds are directed to those most in need. Still, it is clear additional resources could make a large impact and mitigate displacement during the pandemic. While there is so much that is unknown about our future in this pandemic, one thing is certain: stable housing is necessary to protect public health. Preventative efforts with a clear track record like the Housing Retention Program are a clear candidate for the City's limited resources to plug massive holes left by inadequate federal actions. In addition, when the Shelter in Place order is lifted, tenants affected by the COVID-19 emergency, including those who are unemployed, will be left with a significant rent debt. While our local eviction moratorium does not allow evictions for rent debt accrued during the pandemic, tenants will still be left with a significant amount owed, and potential liability which can impact their credit and their ability to rent housing in the future. It is essential that the Housing Retention Program be supplemented with additional funding to address the growing need for support and to ensure that tenants are able to pay off rent debt accrued during this emergency.

Undocumented Basic Needs Fund

While many Berkeley residents have been able to turn to existing safety net programs such as expanded unemployment, the Paycheck Protection Program, and new federal and local relief, undocumented workers have been largely excluded from these programs. According to a 2017 stud, Alameda County is home to 129,500 Undocumented Immigrants². While the Housing Retention Program is addressing the crisis of housing insecurity and is available to all Berkeley residents regardless of immigration status, undocumented residents that have lost income due to COVID-19 are still struggling to cover the costs of other basic needs such as food, transportation, non-utility bills and more.

Governor Newsom and the State of California acknowledge this gap in support and have launched a statewide fund of \$125 million dollars³ (\$75 million in public dollars and up to \$50 million in private donations). The one time cash grants of \$500 per individual and \$1000 per household are being dispersed this month through a network of existing immigrant serving organizations. Alameda County will be served by Catholic Charities of the East Bay (CCEB). Applications opened on May 18th and assistance will be provided on a first come, first served basis. In discussions with CCEB, it is expected that need will exceed available funds. For a sense of scale, Oakland residents are able to access \$10,000, meaning between 100-200 families and households will be served.

³ <https://cdss.ca.gov/inforesources/immigration/covid-19-drai>

The Mayor's Office has reviewed similar programs in neighboring cities and consulted with a range of stakeholders to get a sense of both the scale of need and the most effective approach for a Berkeley program. Organizations consulted include BUSD Office of Family Engagement, Centro Legal De La Raza, Multicultural Institute, East Bay Sanctuary Covenant, Latinos Unidos, Berkeley Public Schools Fund, Berkeley Holiday Fund and Catholic Charities of the East Bay. Of the 223 applicants that applied to the Berkeley Public Schools Fund COVID-19 Assistance program, 75% did "not have access to public resources". Those involved in the process estimate that the true need is double that number, approximately 400 families.

Both Oakland and San Francisco have launched funds to support their undocumented residents. Oakland developed the Undocumented Resource Fund in partnership with Centro Legal de La Raza and a coalition of non profits to provide direct financial support in the form of prepaid debit cards and checks. The fund raised over \$400,000 including \$250,000 from the Mayor's Innovation Fund to support one-time grants of \$500. Staff in Mayor Arreguín's office consulted with Centro Legal about possibly expanding their fund to include Berkeley, but unfortunately they lack the staff capacity to do so.

A Berkeley Basic Needs Fund can fill critical gaps in our social safety net system and support some of Berkeley's most vulnerable residents. Key considerations for an effective program are timing and partnership. As funds from the state run out, a Berkeley Basic Needs Fund can offer critical support to those that have been unable to obtain State or other relief funds. Urgency is key.

FINANCIAL IMPLICATIONS

Up to an additional \$1,000,000 from Measure U1 General Fund tax receipts to supplement the Housing Retention Program. Up to \$250,000 in General Fund revenues to establish from the Undocumented Basic Needs Fund. General Fund revenues to establish the Fund could come from the reallocation of prior Council discretionary budget allocations.

RECOMMENDATION

Refer to the City Manager to include insights and reflections on organizational management in any comprehensive report regarding the City response to the COVID-19 Emergency. Information should include but not limited to: an overview of how the City was structured and functioned differently during activation of the Emergency Operations Center, the benefits and challenges with cross departmental collaborations, and strategies or structures worth instituting and incorporating into future day-to-day departmental actions and interactions.

BACKGROUND

In preparation for the spread of COVID-19, the City Manager declared a Local State of Emergency. Prior to the Emergency declaration, she activated the Emergency Operations Center (EOC)¹ in late January 2020 to prepare for our response to this public health emergency. These actions have become increasingly common in the last several years due to Wildfires, Public Safety Power Shutoffs (PSPS) and now the COVID-19 pandemic. During a local emergency the City Manager acting as Director of Emergency Services has broader authority to allocate resources and staffing. The EOC brings together staff across departments to work in coordination to address all aspects of the local emergency.

Under these circumstances the City is functioning outside of its traditional organizational structure and for a longer duration than past emergency events. Due to the enduring nature of COVID-19, staff that have been pulled from their traditional roles to support the emergency response are functioning in cross-departmental teams for at least a quarter of the year. This significant shift in the structure of the city's operations is notable, and lessons learned from this period may be valuable to future emergencies as well as the normal operations of the city when they are able to resume.

In particular, the interconnected impacts of COVID-19 are a likely preview of an increase in emergency events due to Climate Change. Similar to the wildfires and PSPS shutdowns, the impacts of these emergencies are complex and dynamic and require our public responses to extend beyond the boundaries of individual departments. With this in mind, this referral asks that the City Manager include in her summary report how the city has adapted in the face of

COVID-19 and what lessons, insights, efficiencies and challenges could be applied to the city's administration moving forward.

FINANCIAL IMPLICATIONS

RECOMMENDATION

1. Adopt a Resolution supporting the United States and Cuba collaboration in fighting COVID-19; and
2. Send copies of this resolution to United States Senators Dianne Feinstein and Kamala Harris and United States Congresswoman Barbara Lee.

RATIONALE FOR RECOMMENDATION

The Cities of Berkeley, California and Palma Soriano, Santiago de Cuba are Sister Cities. Berkeley and Palma Soriano have continued to build upon our connections by fostering relationships between the residents and institutions of our cities, and by working on projects in health care, education, and culture. More than ever, it is important to collaborate to fight COVID-19.

BACKGROUND

The City of Berkeley passed Resolution 67,470-N.S. Calling for an End to the U.S. Economic, Commercial, and Financial Embargo Against Cuba in 2016. The Berkeley-Palma Soriano Sister City Association urges the lifting of the restrictions on access to medical expertise, including the importation of Interferon Alfa 2B Recombinant (IFNrec).

COVID-19 is a pandemic that has negatively impacted the entire world by infecting millions of people, causing many states and countries around the world to issue shelter-in-place orders that have resulted in countless others losing their jobs or otherwise putting their lives on hold, and creating a world of physical distancing to stop the spread of Coronavirus.

The onset of COVID-19 has overwhelmed hospitals, which has led to a lack of necessary supplies, safety precautions, and medical professionals.

Cuba has access to important medical expertise that can aid other countries in the fight against COVID-19, and this is a time that calls for international solidarity and cooperation, as we are all impacted.

Cuba has access to Interferon Alfa 2B Recombinant (IFNrec), which has shown promising results against COVID-19 and may be a crucial component in finding a cure, treatment, or vaccine.

The United States of America currently has placed restrictions on access to Cuban goods and knowledge, which means that IFNrec cannot be imported to the United States in an effort to combat COVID-19.

According to Jorge Hidalgo, director of the Cuban Central Unit for Medical Collaboration, more than 800 Cuban medical personnel have traveled to 18 different countries to provide aid to countries stricken with COVID-19, with more medical missions being dispatched in the coming weeks.

Millions of people are being affected by this virus, and all countries should be working together on this health issue that transcends borders.

Taking all necessary actions to stop the spread of COVID-19 is the responsibility of all individuals and communities, including the City of Berkeley.

I. DUTIES

A. Duties of Mayor

The Mayor shall preside at the meetings of the Council and shall preserve strict order and decorum at all regular and special meetings of the Council. The Mayor shall state every question coming before the Council, announce the decision of the Council on all subjects, and decide all questions of order, subject, however, to an appeal to the Council, in which event a majority vote of the Council shall govern and conclusively determine such question of order. In the Mayor's absence, the Vice President of the Council (hereafter referred to as the Vice-Mayor) shall preside.

B. Duties of Councilmembers

Promptly at the hour set by law on the date of each regular meeting, the members of the Council shall take their regular stations in the Council Chambers and the business of the Council shall be taken up for consideration and disposition.

C. Motions to be Stated by Chair

When a motion is made, it may be stated by the Chair or the City Clerk before debate.

D. Decorum by Councilmembers

While the Council is in session, the City Council will practice civility and decorum in their discussions and debate. Councilmembers will value each other's time and will preserve order and decorum. A member shall neither, by conversation or otherwise, delay or interrupt the proceedings of the Council, use personal, impertinent or slanderous remarks, nor disturb any other member while that member is speaking or refuse to obey the orders of the presiding officer or the Council, except as otherwise provided herein.

All Councilmembers have the opportunity to speak and agree to disagree but no Councilmember shall speak twice on any given subject unless all other Councilmembers have been given the opportunity to speak. The Presiding Officer may set a limit on the speaking time allotted to Councilmembers during Council discussion.

The presiding officer has the affirmative duty to maintain order. The City Council will honor the role of the presiding officer in maintaining order. If a Councilmember believes the presiding officer is not maintaining order, the Councilmember may move that the Vice-Mayor, or another Councilmember if the Vice-Mayor is acting as the presiding officer at the time, enforce the rules of decorum and otherwise maintain order. If that motion receives a second and is approved by a majority of the Council, the Vice-Mayor, or other designated Councilmember, shall enforce the rules of decorum and maintain order.

E. Voting Disqualification

No member of the Council who is disqualified shall vote upon the matter on which the member is disqualified. Any member shall openly state or have the presiding officer announce the fact and nature of such disqualification in open meeting, and shall not be subject to further inquiry. Where no clearly disqualifying conflict of interest appears, the matter of disqualification may, at the request of the member affected, be

decided by the other members of the Council, by motion, and such decision shall determine such member's right and obligation to vote. A member who is disqualified by conflict of interest in any matter shall not remain in the Chamber during the debate and vote on such matter, but shall request and be given the presiding officer's permission to recuse themselves. Any member having a "remote interest" in any matter as provided in Government Code shall divulge the same before voting.

F. Requests for Technical Assistance and/or Reports

A majority vote of the Council shall be required to direct staff to provide technical assistance, develop a report, initiate staff research, or respond to requests for information or service generated by an individual council member.

II. MEETINGS

A. Call to Order - Presiding Officer

The Mayor, or in the Mayor's absence, the Vice Mayor, shall take the chair precisely at the hour appointed by the meeting and shall immediately call the Council to order. Upon the arrival of the Mayor, the Vice Mayor shall immediately relinquish the chair. In the absence of the two officers specified in this section, the Councilmember present with the longest period of Council service shall preside.

B. Roll Call

Before the Council shall proceed with the business of the Council, the City Clerk shall call the roll of the members and the names of those present shall be entered in the minutes. The later arrival of any absentee shall also be entered in the minutes.

C. Quorum Call

During the course of the meeting, should the Chair note a Council quorum is lacking, the Chair shall call this fact to the attention of the City Clerk. The City Clerk shall issue a quorum call. If a quorum has not been restored within two minutes of a quorum call, the meeting shall be deemed automatically adjourned.

D. Council Meeting Conduct of Business

The agenda for the regular business meetings shall include the following: Ceremonial Items (including comments from the City Auditor if requested); Comments from the City Manager; Comments from the Public; Consent Calendar; Action Calendar (Appeals, Public Hearings, Continued Business, Old Business, New Business); Information Reports; and Communication from the Public. Presentations and workshops may be included as part of the Action Calendar. The Chair will determine the order in which the item(s) will be heard with the consent of Council.

Upon request by the Mayor or any Councilmember, any item may be moved from the Consent Calendar or Information Calendar to the Action Calendar. Unless there is an objection by the Mayor or any Councilmember, the Council may also move an item from the Action Calendar to the Consent Calendar.

A public hearing that is not expected to be lengthy may be placed on the agenda for a regular business meeting. When a public hearing is expected to be contentious and lengthy and/or the Council's regular meeting schedule is heavily booked, the Agenda & Rules Committee, in conjunction with the staff, will schedule a special meeting exclusively for the public hearing. No other matters shall be placed on the agenda for the special meeting. All public comment will be considered as part of the public hearing and no separate time will be set aside for public comment not related to the public hearing at this meeting.

Except at meetings at which the budget is to be adopted, no public hearing may commence later than 10:00 p.m. unless there is a legal necessity to hold the hearing or make a decision at that meeting or the City Council determines by a two-thirds vote that there is a fiscal necessity to hold the hearing.

E. Adjournment

1. No Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items; and any motion to extend the meeting beyond 11:00 p.m. shall include a list of specific agenda items to be covered and shall specify in which order these items shall be handled.
2. Any items not completed at a regularly scheduled Council meeting may be continued to an Adjourned Regular Meeting by a two-thirds majority vote of the Council.

F. Unfinished Business

Any items not completed by formal action of the Council, and any items not postponed to a date certain, shall be considered Unfinished Business. All Unfinished Business shall be referred to the Agenda & Rules Committee for scheduling for a Council meeting that occurs within 60 days from the date the item last appeared on a Council agenda. The 60 day period is tolled during a Council recess.

G. City Council Schedule and Recess Periods

Pursuant to the Open Government Ordinance, the City Council shall hold a minimum of twenty-four (24) meetings, or the amount needed to conduct City business in a timely manner, whichever is greater, each calendar year.

Regular meetings of the City Council shall be held generally two to three Tuesdays of each month except during recess periods; the schedule to be established annually by Council resolution taking into consideration holidays and election dates.

Regular City Council meetings shall begin no later than 6:00 p.m.

A recess period is defined as a period of time longer than 21 days without a regular meeting of the Council.

When a recess period occurs, the City Manager is authorized to take such ministerial actions for matters of operational urgency as would normally be taken by the City Council during the period of recess except for those duties specifically reserved to the Council by the Charter, and including such emergency actions as are necessary for the immediate preservation of the public peace, health or safety; the authority to extend throughout the period of time established by the City Council for the period of recess.

The City Manager shall have the aforementioned authority beginning the day after the Agenda & Rules Committee meeting for the last regular meeting before a Council recess and this authority shall extend up to the date of the Agenda & Rules Committee meeting for the first regular meeting after the Council recess.

The City Manager shall make a full and complete report to the City Council at its first regularly scheduled meeting following the period of recess of actions taken by the City Manager pursuant to this section, at which time the City Council may make such findings as may be required and confirm said actions of the City Manager.

H. Pledge of Allegiance to the Flag

At the first meeting of each year following the August recess and at any subsequent meeting if specifically requested before the meeting by any member of the Council in order to commemorate an occasion of national significance, the first item on the Ceremonial Calendar will be the Pledge of Allegiance.

I. Ad Hoc Subcommittees

From time to time the Council or the Mayor may appoint several of its members but fewer than the existing quorum of the present body to serve as an ad hoc subcommittee. Only Councilmembers may be members of the ad hoc subcommittee; however, the subcommittee shall seek input and advice from residents, related commissions, and other groups, as appropriate to the charge or responsibilities of such subcommittee. Ad hoc subcommittees must be reviewed annually by the Council to determine if the subcommittee is to continue.

Upon creation of an ad hoc subcommittee, the Council shall allow it to operate with the following parameters:

1. A specific charge or outline of responsibilities shall be established by the Council.
2. A target date must be established for a report back to the Council.
3. Maximum life of the subcommittee shall be one year, with annual review and possible extension by the Council.

Subcommittees shall conduct their meetings in locations that are open to the public and meet accessibility requirements under the Americans with Disabilities Act. Meetings may be held at privately owned facilities provided that the location is open to all that wish to attend and that there is no requirement for purchase to attend. Agendas for subcommittee meetings must be posted in the same manner as the agendas for regular Council meetings except that subcommittee agendas may be posted with 24-hour notice. The public will be permitted to comment on agenda items but public comments may be limited to one minute if deemed necessary by the Committee Chair. Agendas and minutes of the meetings must be maintained and made available upon request.

Ad hoc subcommittees will be staffed by City Council legislative staff. As part of the ad hoc subcommittee process, City staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item(s) under consideration. Staff analysis at ad hoc subcommittees is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

Subcommittees must be comprised of at least two members. If only two members are appointed, then both must be present in order for the subcommittee meeting to be held. In other words, the quorum for a two-member subcommittee is always two.

Ad hoc subcommittees may convene a closed session meeting pursuant to the conditions and regulations imposed by the Brown Act.

III. AGENDA

A. Declaration of Policy

No ordinance, resolution, or item of business shall be introduced, discussed or acted upon before the Council at its meeting without prior thereto its having been published on the agenda of the meeting and posted in accordance with Section III.D.2. Exceptions to this rule are limited to circumstances listed in Section III.D.4.b and items continued from a previous meeting and published on a revised agenda.

B. Definitions

For purposes of this section, the terms listed herein shall be defined as follows:

For purposes of this section, appeals shall be considered action items. All information from the City Manager concerning any item to be acted upon by the Council shall be submitted as a report on the agenda and not as an off-agenda memorandum and shall be available for public review, except to the extent such report is privileged and thus confidential such as an attorney client communication concerning a litigation matter. 10. "Old Business" Items carried over from a prior agenda of a meeting occurring more than 11 days earlier.

C. Procedure for Bringing Matters Before City Council

1. Persons Who Can Place Matters on the Agenda.

Matters may be placed on the agenda by the Mayor or any Councilmember, the City Manager, the Auditor, or any board/commission/committee created by the City Council. All items are subject to review, referral, and scheduling by the Agenda & Rules Committee pursuant to the rules and limitations contained herein. The Agenda & Rules Committee shall be a standing committee of the City Council.

The Agenda & Rules Committee shall meet 15 days prior to each City Council meeting and shall approve the agenda of that City Council meeting. Pursuant to BMC Section 1.04.080, if the 15th day prior to the Council meeting falls on a holiday, the Committee will meet the next business day. The Agenda & Rules Committee packet, including a draft agenda and Councilmember, Auditor, and Commission reports shall be distributed by 5:00 p.m. four days before the Agenda & Rules Committee meeting.

The Agenda & Rules Committee shall have the powers set forth below.

a) Items Authored by the Mayor, a Councilmember, or the Auditor.

As to items authored by the Mayor, a Councilmember, or the Auditor, the Agenda & Rules Committee shall review the item and may take the following actions:

- i. Refer the item to a commission for further analysis (Primary Author may decline and request Policy Committee assignment).
- ii. Refer the item to the City Manager for further analysis (Primary Author may decline and request Policy Committee assignment).
- iii. Refer the item back to the Primary Author for adherence to required form or for additional analysis as required in Section III.B.2 (Primary Author may decline and request Policy Committee assignment).
- iv. Refer the item to a Policy Committee.
- v. Schedule the item for the agenda under consideration or one of the next three full Council agendas.

For referrals under Chapter III.C.1.a.i, ii, or iii, the Primary Author must inform the City Clerk within 24 hours of the adjournment of the Agenda & Rules Committee meeting whether they prefer to:

- 1) re-submit the item for a future meeting with modifications as suggested by the Agenda & Rules Committee; or
- 2) pull the item completely; or
- 3) re-submit the item with revisions as requested by the Agenda & Rules Committee within 24 hours of the adjournment of the Agenda & Rules Committee meeting for the Council agenda under consideration; or
- 4) accept the referral of the Agenda & Rules Committee in sub paragraphs III.C.1.a. i, ii, or iii, or request Policy Committee assignment.

If the Primary Author requests a Policy Committee assignment, the item will appear on the next draft agenda presented to the Agenda & Rules Committee for assignment.

In the event that the City Clerk does not receive guidance from the Primary Author of the referred item within 24 hours of the Agenda & Rules Committee's adjournment, the item will appear on the next draft agenda for consideration by the Agenda & Rules Committee.

Items held for a future meeting to allow for modifications will be placed on the next available Council meeting agenda at the time that the revised version is submitted to the City Clerk.

- b) **Items Authored by the City Manager.** The Agenda & Rules Committee shall review agenda descriptions of items authored by the City Manager. The Committee can recommend that the matter be referred to a commission or back to the City Manager for adherence to required form, additional analysis as required in Section III.B.2, or suggest other appropriate action including scheduling the matter for a later meeting to allow for appropriate revisions.

If the City Manager determines that the matter should proceed notwithstanding the Agenda & Rules Committee's action, it will be placed on the agenda as directed by the Manager. All City Manager items placed on the Council agenda against the recommendation of the Agenda & Rules Committee will automatically be placed on the Action Calendar.

- c) **Items Authored by Boards and Commissions.** Council items submitted by boards and commissions are subject to City Manager review and must follow procedures and timelines for submittal of reports as described in the Commissioners' Manual. The content of commission items is not subject to review by the Agenda & Rules Committee unless referred for policy review to the Agenda & Rules Committee.
- i) For a commission item that does not require a companion report from the City Manager, the Agenda & Rules Committee may act on an agendaized commission report in the following manner:
1. Move a commission report from the Consent Calendar to the Action Calendar or from the Action Calendar to the Consent Calendar.
 2. Re-schedule the commission report to appear on one of the next three regular Council meeting agendas that occur after the regular meeting under consideration. Commission reports submitted in response to a Council referral shall receive higher priority for scheduling.
 3. Refer the item to a Policy Committee for review.
 4. Allow the item to proceed as submitted.
- ii) For any commission report that requires a companion report, the Agenda & Rules Committee may schedule the item on a Council agenda. The Committee must schedule the commission item for a meeting occurring not sooner than 60 days and not later than 120 days from the date of the meeting under consideration by the Agenda & Rules Committee. A commission report submitted with a complete companion report may be scheduled pursuant to subparagraph c.i. above.
- d) The Agenda & Rules Committee shall have the authority to re-order the items on the Action Calendar regardless of the default sequence prescribed in Chapter III, Section E.
2. **Scheduling Public Hearings Mandated by State, Federal, or Local Statute.**
The City Clerk may schedule a public hearing at an available time and date in those cases where State, Federal or local statute mandates the City Council hold a public hearing.
3. **Submission of Agenda Items.**
- a) **City Manager Items.** Except for Continued Business and Old Business, as a condition to placing an item on the agenda, agenda items from departments, including agenda items from commissions, shall be furnished to the City Clerk at a time established by the City Manager.

- b) **Council and Auditor Items.** The deadline for reports submitted by the Auditor, Mayor and City Council is 5:00 p.m. on Monday, 22 days before each Council meeting.
- c) **Time Critical Items.** A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the City Manager, Auditor, Mayor or Councilmember is received by the City Clerk after established deadlines and is not included on the Agenda & Rules Committee's published agenda.

The Primary Author of the report shall bring any reports submitted as Time Critical to the meeting of the Agenda & Rules Committee. Time Critical items must be accompanied by complete reports and statements of financial implications. If the Agenda & Rules Committee finds the matter to meet the definition of Time Critical, the Agenda & Rules Committee may place the matter on the Agenda on either the Consent or Action Calendar.

- d) The City Clerk may not accept any agenda item after the adjournment of the Agenda & Rules Committee meeting, except for items carried over by the City Council from a prior City Council meeting occurring less than 11 days earlier, which may include supplemental or revised reports, and reports concerning actions taken by boards and commissions that are required by law or ordinance to be presented to the Council within a deadline that does not permit compliance with the agenda timelines in BMC Chapter 2.06 or these rules.

4. Submission of Supplemental and Revised Agenda Material.

Berkeley Municipal Code Section 2.06.070 allows for the submission of supplemental and revised agenda material. Supplemental and revised material cannot be substantially new or only tangentially related to an agenda item. Supplemental material must be specifically related to the item in the Agenda Packet. Revised material should be presented as revised versions of the report or item printed in the Agenda Packet. Supplemental and revised material may be submitted for consideration as follows:

- a) Supplemental and revised agenda material shall be submitted to the City Clerk no later than 5:00 p.m. seven calendar days prior to the City Council meeting at which it is to be considered. Supplemental and revised items that are received by the deadline shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. five calendar days prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Councilmember evaluation.

- b) Supplemental and revised agenda material submitted to the City Clerk after 5:00 p.m. seven days before the meeting and no later than 12:00 p.m. one day prior to the City Council meeting at which it is to be considered shall be distributed to Council in a supplemental reports packet and posted to the City's website no later than 5:00 p.m. one day prior to the meeting. Copies of the supplemental packet shall also be made available in the office of the City Clerk and in the main branch of the Berkeley Public Library. Such material may be considered by the Council without the need for a determination that the good of the City clearly outweighs the lack of time for citizen review or City Council evaluation.
- c) After 12:00 p.m. one calendar day prior to the meeting, supplemental or revised reports may be submitted for consideration by delivering a minimum of 42 copies of the supplemental/revised material to the City Clerk for distribution at the meeting. Each copy must be accompanied by a completed supplemental/revised material cover page, using the form provided by the City Clerk. Revised reports must reflect a comparison with the original item using track changes formatting. The material may be considered only if the City Council, by a two-thirds roll call vote, makes a factual determination that the good of the City clearly outweighs the lack of time for citizen review or City Councilmember evaluation of the material. Supplemental and revised material must be distributed and a factual determination made prior to the commencement of public comment on the agenda item in order for the material to be considered.

5. Submission of Late Urgency Items Pursuant to Government Code Section 54954.2(b)

All items to be submitted for consideration for addition to an agenda as Late Items shall be accompanied by a cover sheet that includes 1) boxes to check for the author to affirm whether the item is submitted under the Emergency or Immediate Action Rule (and a short explanation of what is required to meet each rule, as well as the vote threshold required – majority or 2/3 – for the item to be placed onto the agenda by the City Council); 2) a disclaimer in BOLD 14pt. CAPS stating (in language provided by the City Clerk/City Attorney) that the item is not yet agendized and may or may not be accepted for the agenda as a Late Item, at the City Council's discretion according to Brown Act rules; 3) a prompt requiring the author to list the facts which support consideration of the item for addition to the agenda as either an Emergency or Immediate Action item; and 4) the City Attorney memo on Late Items as part of the template.

Late Items must be submitted to the City Clerk no later than 12:00 p.m. (noon) the day prior to the meeting.

All complete Late Items submitted by the deadline will be distributed with Supplemental Communication Packet #2 by 5:00 p.m. the day before the Council meeting. A Late Item is not considered "complete" and will not be distributed unless submitted with the required cover sheet, filled out in a complete manner.

Very Late Items of an extremely urgent nature (e.g., earthquake, severe wildfire, pandemic) may be submitted for addition to the agenda after the deadline of 12:00 p.m. the day before the meeting to accommodate unforeseeable, extreme and unusual circumstances. A Very Late Item will be distributed at the Council meeting prior to any vote to add it to the agenda and the Mayor may provide an appropriate break to allow Councilmembers and the public to review the item before voting on whether to add it to the agenda and possibly again, if advisable, before the item is voted on.

The required cover sheet should be included with the item unless extremely exigent circumstances underlie the Very Late Item submission and a written cover sheet could not be prepared (for example, power is out and printing or emailing is not possible), in which case the individual "walking in" the item should be ready to provide all required information verbally at the meeting before a vote is taken to add or not add the item to the Agenda.

5-6. Scheduling a Presentation.

Presentations from staff are either submitted as an Agenda Item or are requested by the City Manager. Presentations from outside agencies and the public are coordinated with the Mayor's Office. The Agenda & Rules Committee may adjust the schedule of presentations as needed to best manage the Council Agenda. The Agenda & Rules Committee may request a presentation by staff in consultation with the City Manager.

D. Packet Preparation and Posting

1. Preparation of the Packet.

Not later than the thirteenth day prior to said meeting, the City Clerk shall prepare the packet, which shall include the agenda plus all its corresponding agenda items. No item shall be considered if not included in the packet, except as provided for in Section III.C.4 and Section III.D.4.

2. Distribution and Posting of Agenda.

- a) The City Clerk shall post each agenda of the City Council regular meeting no later than 11 days prior to the meeting and shall post each agenda of a special meeting at least 24 hours in advance of the meeting in the official bulletin board. The City Clerk shall maintain an affidavit indicating the location, date and time of posting each agenda.

- c) place copies of the Agenda Packet in viewing binders in the office of the City Clerk and in the main branch of the Berkeley Public Library; and
- d) make the Agenda Packet available to members of the press.

4. Failure to Meet Deadlines.

- a) The City Clerk shall not accept any agenda item or revised agenda item after the deadlines established.
- b) Matters not included on the published agenda may be discussed and acted upon as otherwise authorized by State law or providing the Council finds one of the following conditions is met:
 - A majority of the Council determines that the subject meets the criteria of "Emergency" as defined in Section III.B.8.
 - Two thirds of the Council determines that there is a need to take immediate action and that the need for action came to the attention of the City subsequent to the posting of the agenda as required by law.
- c) Matters listed on the printed agenda but for which supporting materials are not received by the City Council on the eleventh day prior to said meeting as part of the agenda packet, shall not be discussed or acted upon.

E. Agenda Sequence and Order of Business

The Council agenda for a regular business meeting is to be arranged in the following order:

1. Preliminary Matters: (Ceremonial, Comments from the City Manager, Comments from the City Auditor, Non-Agenda Public Comment)
2. Consent Calendar
3. Action Calendar
 - a) Appeals
 - b) Public Hearings
 - c) Continued Business
 - d) Old Business
 - e) New Business
4. Information Reports
5. Non-Agenda Public Comment
6. Adjournment

7. Communications

Action items may be reordered at the discretion of the Chair with the consent of Council.

The Agenda & Rules Committee shall have the authority to re-order the items on the Action Calendar regardless of the default sequence prescribed in this section.

F. Closed Session Documents

This section establishes a policy for the distribution of, and access to, confidential closed session documents by the Mayor and members of the City Council.

1. Confidential closed session materials shall be kept in binders numbered from one to nine and assigned to the Mayor (#9) and each Councilmember (#1 to #8 by district). The binders will contain confidential closed session materials related to Labor Negotiations, Litigation, and Real Estate matters.
2. The binders will be maintained by City staff and retained in the Office of the City Attorney in a secure manner. City staff will bring the binders to each closed session for their use by the Mayor and Councilmembers. At other times, the binders will be available to the Mayor and Councilmembers during regular business hours for review in the City Attorney's Office. The binders may not be removed from the City Attorney's Office or the location of any closed session meeting by the Mayor or Councilmembers. City staff will collect the binders at the end of each closed session meeting and return them to the City Attorney's Office.
3. Removal of confidential materials from a binder is prohibited.
4. Duplication of the contents of a binder by any means is prohibited.
5. Confidential materials shall be retained in the binders for at least two years.
6. This policy does not prohibit the distribution of materials by staff to the Mayor and Councilmembers in advance of a closed session or otherwise as needed, but such materials shall also be included in the binders unless it is impracticable to do so.

G. Regulations Governing City Council Policy Committees

1. Legislative Item Process

All agenda items begin with submission to the Agenda & Rules Committee.

Full Council Track

Items under this category are exempt from Agenda & Rules Committee discretion to refer them to a Policy Committee. Items in this category may be submitted for the

agenda of any scheduled regular meeting pursuant to established deadlines (same as existing deadlines). Types of Full Council Track items are listed below.

- a. Items submitted by the City Manager and City Auditor
- b. Items submitted by Boards and Commissions
- c. Resolutions on Legislation and Electoral Issues relating to Outside Agencies/Jurisdictions
- d. Position Letters and/or Resolutions of Support/Opposition
- e. Donations from the Mayor and Councilmember District Office Budgets
- f. Referrals to the Budget Process
- g. Proclamations
- h. Sponsorship of Events
- i. Information Reports
- j. Presentations from Outside Agencies and Organizations
- k. Ceremonial Items
- l. Committee and Regional Body Appointments

The Agenda & Rules Committee has discretion to determine if an item submitted by the Mayor or a Councilmember falls under a Full Council Track exception or if it will be processed as a Policy Committee Track item.

Policy Committee Track

Items submitted by the Mayor or Councilmembers with moderate to significant administrative, operational, budgetary, resource, or programmatic impacts will go first to the Agenda & Rules Committee on a draft City Council agenda.

The Agenda & Rules Committee must refer an item to a Policy Committee at the first meeting that the item appears before the Agenda & Rules Committee. The Agenda & Rules Committee may only assign the item to a single Policy Committee.

For a Policy Committee Track item, the Agenda & Rules Committee, at its discretion, may either route item directly to 1) the agenda currently under consideration, 2) one of the next three full Council Agendas (based on completeness of the item, lack of potential controversy, minimal impacts, etc.), or 3) to a Policy Committee.

Time Critical Track

A Time Critical item is defined as a matter that is considered urgent by the sponsor and that has a deadline for action that is prior to the next meeting of the Council and for which a report prepared by the Mayor or Councilmember is received by the City Clerk after established deadlines and is not included on the Agenda & Rules Committee's published agenda.

The Agenda & Rules Committee retains final discretion to determine the time critical nature of an item.

- a) Time Critical items submitted on the Full Council Track deadlines, that would otherwise be assigned to the Policy Committee Track, may bypass Policy Committee review if determined to be time critical. If such an item is deemed not to be time critical, it may be referred to a Policy Committee.
- b) Time Critical items on the Full Council Track or Policy Committee Track that are submitted at a meeting of the Agenda & Rules Committee may go directly on a council agenda if determined to be time critical.

2. Council Referrals to Committees

The full Council may refer any agenda item to a Policy Committee by majority vote.

3. Participation Rules for Policy Committees Pursuant to the Brown Act

- a. The quorum of a three-member Policy Committee is always two members. A majority vote of the committee (two 'yes' votes) is required to pass a motion.
- b. Two Policy Committee members may not discuss any item that has been referred to the Policy Committee outside of an open and noticed meeting.
- c. Notwithstanding paragraph (b) above, two members of a Policy Committee may be listed as Authors or Co-Sponsors on an item provided that one of the Authors or Co-Sponsors will not serve as a committee member for consideration of the item, and shall not participate in the committee's discussion of, or action on the item. For purposes of the item, the appointed alternate, who also can not be an Author or Co-Sponsor, will serve as a committee member in place of the non-participating Author or Co-Sponsor.
- d. All three members of a Policy Committee may not be Authors or Co-Sponsors of an item that will be heard by the committee.
- e. Only one Author or Co-Sponsor who is not a member of the Policy Committee may attend the committee meeting to participate in discussion of the item.
- f. If two or more non-committee members are present for any item or meeting, then all non-committee members may act only as observers and may not participate in discussion. If an Author who is not a member of the committee is present to participate in the discussion of their item, no other non-committee member Councilmembers, nor the Mayor, may attend as observers.

- g. An item may be considered by only one Policy Committee before it goes to the full Council.

4. Functions of the Committees

Committees shall have the following qualities/components:

- a. All committees are Brown Act bodies with noticed public meetings and public comment. Regular meeting agendas will be posted at least 72 hours in advance of the meeting.
- b. Minutes shall be available online.
- c. Committees shall adopt regular meeting schedules, generally meeting once or twice per month; special meetings may be called when necessary, in accordance with the Brown Act.
- d. Generally, meetings will be held at 2180 Milvia Street in publicly accessible meeting rooms that can accommodate the committee members, public attendees, and staff.
- e. Members are recommended by the Mayor and approved by the full Council no later than January 31 of each year. Members continue to serve until successors are appointed and approved.
- f. Chairs are elected by the Committee at the first regular meeting of the Committee after the annual approval of Committee members by the City Council. In the absence of the Chair, the committee member with the longest tenure on the Council will preside.
- g. The Chair, or a quorum of the Committee may call a meeting or cancel a meeting of the Policy Committee.
- h. Committees will review items for completeness in accordance with Section III.B.2 of the City Council Rules of Procedure and Order and alignment with Strategic Plan goals.
- i. Reports leaving a Policy Committee must adequately include budget implications, administrative feasibility, basic legal concerns, and staff resource demands in order to allow for informed consideration by the full Council.
- j. Per Brown Act regulations, any revised or supplemental materials must be direct revisions or supplements to the item that was published in the agenda packet.

Items referred to a Policy Committee from the Agenda & Rules Committee or from the City Council must be agendaized for a committee meeting within 60 days of the referral date.

Within 120 days of the referral date, the committee must vote to either (1) accept the Primary Author's request that the item remain in committee until a date certain (more than one extension may be requested by the Primary Author); or (2) send the item to the Agenda & Rules Committee to be placed on a Council Agenda with a Committee recommendation consisting of one of the four options listed below.

1. Positive Recommendation (recommending Council pass the item as proposed),
2. Qualified Positive Recommendation (recommending Council pass the item with some changes),
3. Qualified Negative Recommendation (recommending Council reject the item unless certain changes are made) or
4. Negative Recommendation (recommending the item not be approved).

The Policy Committee's recommendation will be included in a separate section of the report template for that purpose.

A Policy Committee may not refer an item under its consideration to a city board or commission.

The Primary Author of an item referred to a Policy Committee is responsible for revisions and resubmission of the item back to the full Council. Items originating from the City Manager are revised and submitted by the appropriate city staff. Items from Commissions are revised and resubmitted by the members of the Policy Committee. Items and recommendations originating from the Policy Committee are submitted to the City Clerk by the members of the committee.

If a Policy Committee does not take final action by the 120-day deadline, the item is returned to the Agenda & Rules Committee and appears on the next available Council agenda. The Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the next Council agenda. Items appearing on a City Council agenda due to lack of action by a Policy Committee may not be referred to a Policy Committee and must remain on the full Council agenda for consideration.

Policy Committees may add discussion topics that are within their purview to their agenda with the concurrence of a majority of the Committee. These items are not subject to the 120-day deadline for action.

Once the item is voted out of a Policy Committee, the final item will be resubmitted to the agenda process by the Primary Author, and it will return to the Agenda & Rules Committee on the next available agenda. The Agenda & Rules Committee may leave the item on the agenda under consideration or place it on the following Council agenda. Only items that receive a Positive Recommendation can be placed on the Consent Calendar.

The Primary Author may request expedited committee review for items referred to a committee. Criteria for expedited review is generally to meet a deadline for action (e.g. grant deadline, specific event date, etc.). If the committee agrees to the request, the deadline for final committee action is 45 days from the date the committee approves expedited review.

5. Number and Make-up of Committees

Six committees are authorized, each comprised of three Councilmembers, with a fourth Councilmember appointed as an alternate. Each Councilmember and the Mayor will serve on two committees. The Mayor shall be a member of the Agenda and Rules Committee. The committees are as follows:

1. Agenda and Rules Committee
2. Budget and Finance Committee
3. Facilities, Infrastructure, Transportation, Environment, and Sustainability
4. Health, Life Enrichment, Equity, and Community
5. Land Use, Housing, and Economic Development
6. Public Safety

The Agenda & Rules Committee shall establish the Policy Committee topic groupings, and may adjust said groupings periodically thereafter in order to evenly distribute expected workloads of various committees.

All standing Policy Committees of the City Council are considered “legislative bodies” under the Brown Act and must conduct all business in accordance with the Brown Act.

6. Role of City Staff at Committee Meetings

Committees will be staffed by appropriate City Departments and personnel. As part of the committee process, staff will undertake a high-level, preliminary analysis of potential legal issues, costs, timelines, and staffing demands associated with the item. Staff analysis at the Policy Committee level is limited to the points above as the recommendation, program, or project has not yet been approved to proceed by the full Council.

IV. CONDUCT OF MEETING

A. Comments from the Public

Public comment will be taken in the following order:

- An initial ten-minute period of public comment on non-agenda items, after the commencement of the meeting and immediately after Ceremonial Matters and City Manager Comments.
- Public comment on the Consent and Information Calendars.
- Public comment on action items, appeals and/or public hearings as they are taken up under procedures set forth in the sections governing each below.
- Public comment on non-agenda items from any speakers who did not speak during the first round of non-agenda public comment at the beginning of the meeting.

Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. A speaker wishing to yield their time shall identify themselves, shall be recognized by the chair, and announce publicly their intention to yield their time. Disabled persons shall have priority seating in the front row of the public seating area.

A member of the public may only speak once at public comment on any single item, unless called upon by the Mayor or a Councilmember to answer a specific inquiry.

1. Public Comment on Consent Calendar and Information Items.

The Council will first determine whether to move items on the agenda for “Action” or “Information” to the “Consent Calendar,” or move “Consent Calendar” items to “Action.” Items that remain on the “Consent Calendar” are voted on in one motion as a group. “Information” items are not discussed or acted upon at the Council meeting unless they are moved to “Action” or “Consent.”

The Council will then take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. A speaker may only speak once during the period for public comment on Consent Calendar and Information items. No additional items can be moved onto the Consent Calendar once public comment has commenced.

At any time during, or immediately after, public comment on Information and Consent items, the Mayor or any Councilmember may move any Information or Consent item to “Action.” Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

2. Public Comment on Action Items.

After the initial ten minutes of public comment on non-agenda items, public comment on consent and information items, and adoption of the Consent Calendar, the public may comment on each remaining item listed on the agenda for action as the item is taken up.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

This procedure also applies to public hearings except those types of public hearings specifically provided for in this section, below.

3. Appeals Appearing on Action Calendar.

With the exception of appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission, appeals from decisions of City commissions appear on the "Action" section of the Council Agenda. Council determines whether to affirm the action of the commission, set a public hearing, or remand the matter to the commission. Appeals of proposed special assessment liens shall also appear on the "Action" section of the Council Agenda. Appeals from decisions of the Zoning Adjustments Board and Landmarks Preservation Commission are automatically set for public hearing and appear on the "Public Hearings" section of the Council Agenda.

Time shall be provided for public comment for persons representing both sides of the action/appeal and each side will be allocated seven minutes to present their comments on the appeal. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have seven minutes to comment and the applicant shall have seven minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have seven minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have seven minutes to comment and the persons supporting the action of the board or commission on appeal shall have seven minutes to comment. In the case of an appeal of proposed special assessment lien, the appellant shall have seven minutes to comment.

After the conclusion of the seven-minute comment periods, members of the public may comment on the appeal. Comments from members of the public regarding appeals shall be limited to one minute per speaker. Any person that addressed the Council during one of the seven-minute periods may not speak again during the public comment period on the appeal. Speakers may yield their time to one other speaker, however, no speaker shall have more than two minutes. Each side

shall be informed of this public comment procedure at the time the Clerk notifies the parties of the date the appeal will appear on the Council agenda.

4. Public Comment on Non Agenda Matters.

Immediately following Ceremonial Matters and the City Manager Comments and prior to the Consent Calendar, persons will be selected by lottery to address matters not on the Council agenda. If five or fewer persons submit speaker cards for the lottery, each person selected will be allotted two minutes each. If more than five persons submit speaker cards for the lottery, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting.

The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda. Speaker cards are not required for this second round of public comment on non-agenda matters.

Persons submitting speaker cards are not required to list their actual name, however they must list some identifying information or alternate name in order to be called to speak.

For the second round of public comment on non-agenda matters, the Presiding Officer retains the authority to limit the number of speakers by subject. The Presiding Officer will generally request that persons wishing to speak, line up at the podium to be recognized to determine the number of persons interested in speaking at that time. Each speaker will be entitled to speak for two minutes each unless the Presiding Officer determines that one-minute is appropriate given the number of speakers.

Pursuant to this document, no Council meeting shall continue past 11:00 p.m. unless a two-thirds majority of the Council votes to extend the meeting to discuss specified items. If any agenda item remains unfinished at 11:00 p.m. or the expiration of any extension after 11:00 p.m., it will be referred to the Agenda & Rules Committee for scheduling pursuant to Chapter II, Section F. In that event, the meeting shall be automatically extended for up to fifteen (15) minutes for public comment on non-agenda items.

5. Ralph M. Brown Act Pertaining to Public Comments.

The Brown Act prohibits the Council from discussing or taking action on an issue raised during Public Comment, unless it is specifically listed on the agenda. However, the Council may refer a matter to the City Manager.

B. Consent Calendar

There shall be a Consent Calendar on all regular meeting agendas on which shall be included those matters which the Mayor, Councilmembers, boards, commissions, City Auditor and City Manager deem to be of such nature that no debate or inquiry

will be necessary at the Council meetings. Ordinances for second reading may be included in the Consent Calendar.

It is the policy of the Council that the Mayor or Councilmembers wishing to ask questions concerning Consent Calendar items should ask questions of the contact person identified prior to the Council meeting so that the need for discussion of consent calendar items can be minimized.

Consent Calendar items may be moved to the Action Calendar by the Council. Action items may be reordered at the discretion of the Chair with the consent of Council.

C. Information Reports Called Up for Discussion

Reports for Information designated for discussion at the request of the Mayor or any Councilmember shall be added to the appropriate section of the Action Calendar and may be acted upon at that meeting or carried over as pending business until discussed or withdrawn. The agenda will indicate that at the request of Mayor or any Councilmember a Report for Information may be acted upon by the Council.

D. Written Communications

Written communications from the public will not appear on the Council agenda as individual matters for discussion but will be distributed as part of the Council agenda packet with a cover sheet identifying the author and subject matter and will be listed under "Communications." All such communications must have been received by the City Clerk no later than 5:00 p.m. fifteen days prior to the meeting in order to be included on the agenda.

In instances where an individual forwards more than three pages of email messages not related to actionable items on the Council agenda to the Council to be reproduced in the "Communications" section of the Council packet, the City Clerk will not reproduce the entire email(s) but instead refer the public to the City's website or a hard copy of the email(s) on file in the City Clerk Department.

All communications shall be simply deemed received without any formal action by the Council. The Mayor or a Councilmember may refer a communication to the City Manager for action, if appropriate, or prepare a consent or action item for placement on a future agenda.

Communications related to an item on the agenda that are received after 5:00 p.m. fifteen days before the meeting are published as provided for in Chapter III.C.4.

E. Public Hearings for Land Use, Zoning, Landmarks, and Public Nuisance Matters

The City Council, in setting the time and place for a public hearing, may limit the amount of time to be devoted to public presentations. Staff shall introduce the public hearing item and present their comments.

Following any staff presentation, each member of the City Council shall verbally disclose all ex parte contacts concerning the subject of the hearing. Members shall also submit a report of such contacts in writing prior to the commencement of the hearing. Such reports shall include a brief statement describing the name, date,

place, and content of the contact. Written reports shall be available for public review in the office of the City Clerk prior to the meeting and placed in a file available for public viewing at the meeting.

This is followed by five-minute presentations each by the appellant and applicant. Where the appellant is not the applicant, the appellants of a single appeal collectively shall have five minutes to comment and the applicant shall have five minutes to comment. If there are multiple appeals filed, each appellant or group of appellants shall have five minutes to comment. Where the appellant is the applicant, the applicant/appellant shall have five minutes to comment and the persons supporting the action of the board or commission on appeal shall have five minutes to comment. In the case of a public nuisance determination, the representative(s) of the subject property shall have five minutes to present.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time.

If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Any person that addressed the Council during one of the five-minute periods may not speak again during the public comment period on the appeal. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes. The Presiding Officer may with the consent of persons representing both sides of an issue allocate a block of time to each side to present their issue.

F. Work Sessions

The City Council may schedule a matter for general Council discussion and direction to staff. Official/formal action on a work session item will be scheduled on a subsequent agenda under the Action portion of the Council agenda.

In general, public comment at Council work sessions will be heard after the staff presentation, for a limited amount of time to be determined by the Presiding Officer.

The Presiding Officer will request that persons wishing to speak, line up at the podium to be recognized and to determine the number of persons interested in speaking at that time. If ten or fewer persons are interested in speaking, each speaker may speak for two minutes. If there are more than ten persons interested in speaking, the Presiding Officer may limit the public comment for all speakers to one minute per speaker. Speakers are permitted to yield their time to one other speaker, however no one speaker shall have more than four minutes.

After Council discussion, if time permits, the Presiding Officer may allow additional public comment. During this time, each speaker will receive one minute. Persons who spoke during the prior public comment time may be permitted to speak again.

G. Protocol

People addressing the Council may first give their name in an audible tone of voice for the record. All remarks shall be addressed to the Council as a body and not to any member thereof. No one other than the Council and the person having the floor shall be permitted to enter into any discussion, either directly or through a member of the Council, without the permission of the Presiding Officer. No question shall be asked of a Councilmember except through the Presiding Officer.

Should the person(s) fail to cease and desist the disruptive conduct, the presiding officer may call a five (5) minute recess to allow the disruptions to cease.

If the meeting cannot be continued due to continued disruptive conduct, the presiding officer may have any law enforcement officer on duty remove or place any person who violates the order and decorum of the meeting under arrest and cause that person to be prosecuted under the provisions of applicable law.

D. Precedence of Motions

These motions shall have precedence in order indicated. Any such motion, except a motion to amend or substitute, shall be put to a vote without debate.

It may be made either immediately during the same session, or at a recessed or adjourned session thereof. Such motion must be made by a member on the prevailing side, and may be made at any time and have precedence over all other motions or while a member has the floor; it shall be debatable. Consideration of each matter coming before the Council shall be limited to 20 minutes from the time the matter is first taken up, at the end of which period consideration of such matter shall terminate and the matter shall be dropped to the foot of the agenda, immediately ahead of Information Reports; provided that either of the following two not debatable motions shall be in order:
 - a) A motion to extend consideration which, if passed, shall commence a new twenty-minute period for consideration; or
 - b) If there are one or more motions on the floor, a motion for the previous question, which, if passed by a 2/3 vote, shall require an immediate vote on pending motions.
2. The time limit set forth in subparagraph 1 hereof shall not be applicable to any public hearing, public discussion, Council discussion or other especially set matter for which a period of time has been specified (in which case such specially set time shall be the limit for consideration) or which by applicable law (e.g. hearings of appeals, etc.), the matter must proceed to its conclusion.
3. In the interest of expediting the business of the City, failure by the Chair or any Councilmember to call attention to the expiration of the time allowed for consideration of a matter, by point of order or otherwise, shall constitute unanimous consent to the continuation of consideration of the matter beyond the allowed time; provided, however, that the Chair or any Councilmember may at any time thereafter call attention to the expiration of the time allowed, in which case the Council shall proceed to the next item of business, unless one of the motions referred to in Section D hereof is made and is passed.

H. Motion to Lay on Table

A motion to lay on the table shall preclude all amendments or debate of the subject under consideration. If the motion shall prevail, the consideration of the subject may be resumed only upon a motion of a member voting with the majority and with consent of two-thirds of the members present.

I. Division of Question

If the question contains two or more propositions, which can be divided, the presiding officer may, and upon request of a member shall, divide the same.

J. Addressing the Council

Under the following headings of business, unless the presiding officer rules otherwise, any interested person shall have the right to address the Council in accordance with the following conditions and upon obtaining recognition by the presiding officer:

1. Written Communications.

Interested parties or their authorized representatives may address the Council in the form of written communications in regard to matters of concern to them by

submitting their written communications at the meeting, or prior to the meeting pursuant to the deadlines in Chapter III.C.4.

2. Public Hearings.

Interested persons or their authorized representatives may address the Council by reading protests, petitions, or communications relating to matters then under consideration.

3. Public Comment.

Interested persons may address the Council on any issue concerning City business during the period assigned to Public Comment.

K. Addressing the Council After Motion Made

When a motion is pending before the Council, no person other than the Mayor or a Councilmember shall address the Council without first securing the permission of the presiding officer or Council to do so.

L. Use of Cellular Phones and Electronic Devices

The use of cell phones during City Council meetings is discouraged for the Mayor and Councilmembers. While communications regarding Council items should be minimized, personal communications between family members and/or caregivers can be taken outside in the case of emergencies. In order to acknowledge differences in learning styles and our of support tactile learners, note-taking can continue to be facilitated both with a pen and paper and/or on electronic devices such as laptop computers and tablets.

The use cell phones during Closed Session Meetings is explicitly prohibited for the Mayor and Councilmembers.

VI.FACILITIES

A. Meeting Location Capacity

Attendance at council meetings shall be limited to the posted seating capacity of the meeting location. Entrance to the meeting location will be appropriately regulated by the City Manager on occasions when capacity is likely to be exceeded. While the Council is in session, members of the public shall not remain standing in the meeting room except to address the Council, and sitting on the floor shall not be permitted.

B. Alternate Facilities for Council Meetings

The City Council shall approve in advance a proposal that a Council meeting be held at a facility other than the School District Board Room.

If the City Manager has reason to anticipate that the attendance for a meeting will be substantially greater than the capacity of the Board Room and insufficient time exists to secure the approval of the City Council to hold the meeting at an alternate facility, the City Manager shall make arrangements for the use of a suitable alternate facility to which such meeting may be recessed and moved, if the City Council authorizes the action.

If a suitable alternate facility is not available, the City Council may reschedule the matter to a date when a suitable alternate facility will be available.

Alternate facilities are to be selected from those facilities previously approved by the City Council as suitable for meetings away from the Board Room.

C. Signs, Objects, and Symbolic Materials

Objects and symbolic materials such as signs which do not have sticks or poles attached or otherwise create any fire or safety hazards will be allowed within the meeting location during Council meetings.

D. Fire Safety

Exits shall not be obstructed in any manner. Obstructions, including storage, shall not be placed in aisles or other exit ways. Hand carried items must be stored so that such items do not inhibit passage in aisles or other exit ways. Attendees are strictly prohibited from sitting in aisles and/or exit ways. Exit ways shall not be used in any way that will present a hazardous condition.

E. Overcrowding

Admittance of persons beyond the approved capacity of a place of assembly is prohibited. When the meeting location has reached the posted maximum capacity, additional attendees shall be directed to the designated overflow area.

APPENDIX A. POLICY FOR NAMING AND RENAMING PUBLIC FACILITIES

Purpose

To establish a uniform policy regarding the naming and renaming of existing and future parks, streets, pathways and other public facilities.

Objective

- A. To ensure that naming public facilities (such as parks, streets, recreation facilities, pathways, open spaces, public building, bridges or other structures) will enhance the values and heritage of the City of Berkeley and will be compatible with community interest.

Section 1 – Lead Commission

The City Council designates the following commissions as the ‘Lead Commissions’ in overseeing, evaluating, and ultimately advising the Council in any naming or renaming of a public facility. The lead commission shall receive and coordinate comment and input from other Commissions and the public as appropriate.

Board of Library Trustees

Parks and Recreation Commission –Parks, recreation centers, camps, plazas and public open spaces

Public Works Commission –Public buildings (other than recreation centers), streets and bridges or other structures in the public thoroughfare.

Waterfront Commission –Public facilities within the area of the City known as the Waterfront, as described in BMC 3.36.060.B.

Section 2 – General Policy

- A. Newly acquired or developed public facilities shall be named immediately after acquisition or development to ensure appropriate public identity.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. Public facilities that are renamed must follow the same criteria for naming new facilities. In addition, the historical significance and geographical reference of the established name should be considered when weighing and evaluating any name change.
- D. The City encourages the recognition of individuals for their service to the community in ways that include the naming of activities such as athletic events, cultural presentations, or annual festivals, which do not involve the naming or renaming of public facilities.
- E. Unless restricted by covenant, facilities named after an individual should not necessarily be considered a perpetual name.

Section 3 – Criteria for Naming of Public Facilities

When considering the naming of a new public facility or an unnamed portion or feature within an already named public facility (such as a room within the facility or a feature within an established park), or, the renaming of an existing public facility the following criteria shall be applied:

- A. Public Facilities are generally easier to identify by reference to adjacent street names, distinct geographic or environmental features, or primary use activity. Therefore, the preferred practice is to give City-owned property a name of historical or geographical significance and to retain these names.
- B. No public facility may be named for a living person, but this policy can be overridden with a 2/3 vote of the City Council.
- C. The naming of a public facility or any parts thereof in recognition of an individual posthumously may only be considered if the individual had a positive effect on the community and has been deceased for more than 1 year.
- D. When a public facility provides a specific programmatic activity, it is preferred that the activity (e.g. skateboard park, baseball diamond) be included in the name of the park or facility.
- E. When public parks are located adjacent to elementary schools, a name that is the same as the adjacent school shall be considered.
- F. When considering the renaming of an existing public facility, in addition to applying criteria A-E above, proper weight should be given to the fact that: a name lends a site or property authenticity and heritage; existing names are presumed to have historic significance; and historic names give a community a sense of place and identity, continuing through time, and increases the sense of neighborhood and belonging.

Section 4 –Naming Standards Involving a Major Contribution

When a person, group or organization requests the naming or renaming of a public facility, all of the following conditions shall be met:

- A. An honoree will have made a major contribution towards the acquisition and/or development costs of a public facility or a major contribution to the City.
- B. The honoree has a record of outstanding service to their community
- C. Conditions of any donation that specifies that name of a public facility, as part of an agreement or deed, must be approved by the City Council, after review by and upon recommendation of the City Manager.

Section 5 –Procedures for Naming or Renaming of Public Facilities

- A. Any person or organization may make a written application to the City Manager requesting that a public facility or portion thereof, be named or renamed.
 - 1. Recommendations may also come directly of the City Boards or Commissions, the City Council, or City Staff.
- B. The City Manager shall refer the application to the appropriate lead commission as defined in Section 1 of the City's policy on naming of public facilities, for that commission's review, facilitation, and recommendation of disposition.
 - 1. The application shall contain the name or names of the persons or organization making the application and the reason for the requested naming or renaming.
- C. The lead commission shall review and consider the application, using the policies and criteria articulated to the City Policy on Naming and Renaming to make a recommendation to Council.
 - 1. All recommendations or suggestion will be given the same consideration without regard to the source of the nomination
- D. The lead commission shall hold a public hearing and notify the general public of any discussions regarding naming or renaming of a public facility.

1. Commission action will be taking at the meeting following any public hearing on the naming or renaming.
- E. The commission's recommendation shall be forwarded to Council for final consideration.

The City of Berkeley Policy for Naming and Renaming Public Facilities was adopted by the Berkeley City Council at the regular meeting of January 31, 2012.

APPENDIX B. GUIDELINES FOR DEVELOPING AND WRITING COUNCIL AGENDA ITEMS

These guidelines are derived from the requirements for Agenda items listed in the Berkeley City Council Rules of Procedure and Order, Chapter III, Sections B(1) and (2), reproduced below. In addition, Chapter III Section C(1)(a) of the Rules of Procedure and Order allows the Agenda & Rules Committee to request that the Primary Author of an item provide “additional analysis” if the item as submitted evidences a “significant lack of background or supporting information” or “significant grammatical or readability issues.”

These guidelines provide a more detailed and comprehensive overview of elements of a complete Council item. While not all elements would be applicable to every type of Agenda item, they are intended to prompt Authors to consider presenting items with as much relevant information and analysis as possible.

Chapter III, Sections (B)(1) and (2) of Council Rules of Procedure and Order:

2. Agenda items shall contain all relevant documentation, including the following as Applicable:
 - a. A descriptive title that adequately informs the public of the subject matter and general nature of the item or report and action requested;
 - b. Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information;
 - c. Recommendation of the City Manager, if applicable (these provisions shall not apply to Mayor and Council items.);
 - d. Fiscal impacts of the recommendation;
 - e. A description of the current situation and its effects;
 - f. Background information as needed;
 - g. Rationale for recommendation;
 - h. Alternative actions considered;
 - i. For awards of contracts; the abstract of bids and the Affirmative Action Program of the low bidder in those cases where such is required (these provisions shall not apply to Mayor and Council items.);
 - j. Person or persons to contact for further information, with telephone number. If the Primary Author of any report believes additional background information, beyond the basic report, is necessary to Council understanding of the subject, a separate compilation of such background information may be developed and copies will be available for Council and for public review in the City Clerk Department, and the City Clerk shall provide limited distribution of such background information depending upon quantity of pages to be duplicated. In such case the agenda item distributed with the packet shall so indicate.

Guidelines for City Council Items:

1. Title
2. Consent/Action/Information Calendar
3. Recommendation
4. Summary Statement/Current situation and its effects
5. Background
6. Review of Existing Plans, Programs, Policies and Laws
7. Actions/Alternatives Considered
8. Consultation/Outreach Overview and Results
9. Rationale for Recommendation
10. Implementation, Administration and Enforcement
11. Environmental Sustainability
12. Fiscal Impacts
13. Outcomes and Evaluation
14. Contact Information
15. Attachments/Supporting Materials

1. Title

2. Consent/Action/Information Calendar

Whether the matter is to be presented on the Consent Calendar or the Action Calendar or as a Report for Information.

3. Recommendation

Clear, succinct statement of action(s) to be taken. Recommendations can be further detailed within the item, by specific reference.

Common action options include:

- Adopt first reading of ordinance
- Adopt a resolution
- Referral to the City Manager (City Manager decides if it is a short term referral or is placed on the RRV ranking list)
- Direction to the City Manager (City Manager is directed to execute the recommendation right away, it is not placed on any referral list)
- Referral to a Commission or to a Standing or Ad Hoc Council Committee
- Referral to the budget process
- Send letter of support
- Accept, Approve, Modify or Reject a recommendation from a Commission or Committee
- Designate members of the Council to perform some action

4. Summary Statement/ “Current situation and its effects”

A short resume of the circumstances that give rise to the need for the recommended action(s).

- Briefly state the opportunity/problem/concern that has been identified, and the proposed solution.
- Example (fictional):
Winter rains are lasting longer than expected. Berkeley’s winter shelters are poised to close in three weeks, but forecasts suggest rain for another two months. If they do not remain open until the end of the rainy season, hundreds of people will be left in the rain 24/7. Therefore, this item seeks authorization to keep Berkeley’s winter shelters open until the end of April, and refers to the Budget Process \$40,000 to cover costs of an additional two months of shelter operations.

5. Background

A full discussion of the history, circumstances and concerns to be addressed by the item.

- For the above fictional example, Background would include *information and data about the number and needs of homeless individuals in Berkeley, the number and availability of permanent shelter beds that meet their needs, the number of winter shelter beds that would be lost with closure, the impacts of such closure on this population, the weather forecasts, etc.*

6. Review of Existing Plans, Programs, Policies and Laws

Review, identify and discuss relevant/applicable Plans, Programs, Policies and Laws, and how the proposed actions conform with, compliment, are supported by, differ from or run contrary to them. What gaps were found that need to be filled? What existing policies, programs, plans and laws need to be changed/supplemented/improved/repealed? What is missing altogether that needs to be addressed?

Review of all pertinent/applicable sections of:

- The City Charter
- Berkeley Municipal Code
- Administrative Regulations
- Council Resolutions
- Staff training manuals

Review of all applicable City Plans:

- The General Plan
- Area Plans
- The Climate Action Plan
- Resilience Plan
- Equity Plan

- Capital Improvements Plan
- Zero Waste Plan
- Bike Plan
- Pedestrian Plan
- Other relevant precedents and plans

Review of the City's Strategic Plan

Review of similar legislation previously introduced/passed by Council

Review of County, State and Federal laws/policies/programs/plans, if applicable

7. Actions/Alternatives Considered

- What solutions/measures are recommended by **advocates, experts, organizations**?
- What is the range of actions considered, and what are some of their major pros and cons?
- Why were other solutions not as feasible/advisable?

8. Consultation/Outreach Overview and Results

- Review/list external and internal stakeholders that were consulted
 - **External:** constituents, communities, neighborhood organizations, businesses and not for profits, advocates, people with lived experience, faith organizations, industry groups, people/groups that might have concerns about the item, etc.
 - **Internal:** staff who would implement policies, the City Manager and/or deputy CM, Department Heads, City Attorney, Clerk, etc.
- What reports, articles, books, websites and other materials were consulted?
- What was learned from these sources?
- What changes or approaches did they advocate for that were accepted or rejected?

9. Rationale for Recommendation

A clear and concise statement as to whether the item proposes actions that:

- Conform to, clarify or extend existing Plans, Programs, Policies and Laws
- Change/Amend existing Plans, Programs, Policies and Laws in **minor** ways
- Change/Amend existing Plans, Programs, Policies and Laws in **major** ways
- Create an exception to existing Plans, Programs, Policies and Laws
- Reverse/go contrary to or against existing Plans, Programs, Policies and Laws

Argument/summary of argument in support of recommended actions. The argument likely has already been made via the information and analysis already presented,

but should be presented/restated/summarized. Plus, further elaboration of terms for recommendations, if any.

10. Implementation, Administration and Enforcement

Discuss how the recommended action(s) would be implemented, administered and enforced. What staffing (internal or via contractors/consultants) and materials/facilities are likely required for implementation?

11. Environmental Sustainability

Discuss the impacts of the recommended action(s), if any, on the environment and the recommendation's positive and/or negative implications with respect to the City's Climate Action, Resilience, and other sustainability goals.

12. Fiscal Impacts

Review the recommended action's potential to generate funds or savings for the City in the short and long-term, as well as the potential direct and indirect costs.

13. Outcomes and Evaluation

APPENDIX C. TEMPORARY RULES FOR THE CONDUCT OF CITY COUNCIL MEETINGS THROUGH VIDEO CONFERENCE DURING THE COVID-19 EMERGENCY

Mayor and Councilmember Speaking Time on Agenda Items

At the outset of the meeting, each Councilmember will have one minute to offer words of support, encouragement or appreciation to the public and City staff.

For the Consent Calendar, the Mayor and Councilmembers will initially have up to five minutes each to make comments. After all members of the Council have spoken (or passed) and after public comment, members will each have two additional minutes to discuss the Consent Calendar.

For non-Consent items, the Mayor and Councilmembers will have two minutes each to make initial comments on an agenda item, except for the author of an agenda item who will have five minutes to initially present the item. After every Councilmember has spoken or declined and after public comment, Councilmembers will each have another five minutes per person to address an item. Debate may be extended beyond a second round of Council comments by a majority vote (5 votes).

Time will toll during staff answers to questions; Councilmembers are urged to ask their questions before the meeting.

Procedure for Pulling Items from Consent Calendar

Three (3) members of the City Council must agree to pull an item from the Consent Calendar for it to move to Action. Absent three members concurring, the item will stay on Consent and the Mayor or Councilmembers will be allowed to record their aye, nay or abstain votes on individual items or the entire Consent Calendar.

Public Comment Speaking Time

With the exception of prescribed times in the Rules of Procedure for public hearings, the amount of time for each speaker during public comment is limited to two minutes maximum and that speakers can only address an agenda item once. Yielding of time to other speakers is not permitted for regular meetings of the City Council. Members of the public may send written comments during the meeting, and the City Clerk will read any comments submitted during the meeting subject to the time limits for public comment.

Public Comment on Non-Agenda Matters will be conducted in the order of hands raised on the Zoom platform, and will be limited to either the first 10 speakers during the initial round of Non-Agenda public comment, as well as all hands raised during the closing round of Non-Agenda public comment at the conclusion to the meeting, until such time that the meeting adjourns. Each speaker shall have two minutes. The procedure for selection of Non-Agenda speakers prescribed in the Rules of Procedure by random draw is suspended for videoconference meetings where there is no physical meeting location.

Office of the City Manager

May 6, 2020

To: Honorable Mayor and Members of the City Council

From: *DWR* Dee Williams-Ridley, City Manager

Subject: **Resumption of certain Board and Commission meetings**

As you are aware, on March 12, 2020, I directed that most board and commission meetings be suspended for at least 60 days in order to help minimize the spread of COVID-19. Exceptions can be made if a board or commission has time-sensitive, legally mandated business to complete, subject to approval by the City Manager and Health Officer. On April 13, 2020, the City Council Agenda & Rules Committee recommended that this action remain in effect until it is determined by the City Manager, as the Director of Emergency Services, and the Health Officer that conditions are appropriate to resume meetings, while maintaining the health and safety of the community.

The purpose of this memo is to notify you that as of today, the Health Officer and I are authorizing certain board and commission meetings to resume with a virtual meeting format. In-person board/commission meetings are not authorized until further notice. Board/commission meetings will be held via Zoom, similar to the format being used by the City Council and City Council policy committees that have resumed meetings during the Shelter-in-Place Order.

Resuming certain board/commission meetings is necessary at this time to enable action on a range of time-sensitive issues. Examples include pending land use permit applications (some of which carry legal mandates for action within set time frames), land use policy efforts which are time-sensitive to address the acute housing crisis, and input required for pending tax decisions, such as to the Disaster and Fire Safety Commission regarding tax rates under Measure GG.

Board and commission meetings will be scheduled with enough lead time to allow agendas to be finalized, applicants and interested parties to be contacted, and public hearing notices to be posted. Staff are contacting board members/commissioners to let them know that certain boards/commissions are resuming. Members of the public may also reach out to commission secretaries (contact information is included on each commission webpage) to inquire about dates of future board/commission meetings.

Depending on the board/commission, initial virtual meetings will be scheduled in late May and June. Some commission meetings will take longer than others to schedule, as some of the same staff who are responsible for preparing commission meeting packets and notices are also serving as Disaster Service Workers. We appreciate everyone's patience as we move forward with next steps.

Boards/commissions that are authorized to resume meeting remotely are:

- Ashby and North Berkeley BART Station Zoning Standards Community Advisory Group
- Design Review Committee
- Disaster & Fire Safety Commission
- Fair Campaign Practices Commission
- Homeless Services Panel of Experts
- Housing Advisory Commission (limited to quasi-judicial activities)
- Joint Subcommittee on the Implementation of State Housing Laws
- Landmarks Preservation Commission
- Open Government Commission
- Personnel Board
- Planning Commission
- Police Review Commission
- Zoning Adjustments Board

I will consider authorizing additional boards/commissions to resume meeting on a case-by-case basis.

Web-based platforms allow board members/commissioners, staff, applicants, and members of the public to participate from their respective shelter-in-place locations. Commissioners who do not have access to a computer or internet will be provided with hard copies of all materials and can participate via phone.

Departments are organizing training on online meeting facilitation for staff and commission chairs, and we will hold practice runs to test out the technology.

Please contact me directly with any questions or concerns.

SUPPLEMENTAL REVISED AGENDA MATERIAL for Supplemental Packet 2

Meeting Date: February 4, 2020

Item Number: 2

Item Description: Statement on Item 2 - Amendments to the Berkeley Election Reform Act to prohibit Officeholder Accounts; Amending BMC Chapter 2.12

Submitted by: Councilmember Hahn

This item seeks to outlaw Officeholder Accounts in Berkeley. I would like to offer an alternative: to allow Officeholder Accounts but establish regulations to limit them in ways that reflect Berkeley's limitations on campaign donations and consider narrowing the uses for which Officeholder Account funds can be used.

The action I advocate for Council to take is to refer a discussion of Officeholder accounts to the Agenda and Rules Committee, to consider a reasonable set of limitations and rules for such accounts and bring back recommendations to the full Council, for the Council to consider referring to the Fair Campaign Practices Committee.

ACTION CALENDAR

February 4, 2020

To: Honorable Mayor and Members of the City Council
From: Vice Mayor Sophie Hahn
Subject: Statement on Item 2 - Amendments to the Berkeley Election Reform Act to prohibit Officeholder Accounts; Amending BMC Chapter 2.12

RECOMMENDATION

This item seeks to outlaw Officeholder Accounts in Berkeley. I would like to offer an alternative: to allow Officeholder Accounts but establish regulations to limit them in ways that reflect Berkeley's limitations on campaign donations and consider narrowing the uses for which Officeholder Account funds can be used.

The action I advocate for Council to take is to refer a discussion of Officeholder accounts to the Agenda and Rules Committee, to consider a reasonable set of limitations and rules for such accounts and bring back recommendations to the full Council, for the Council to consider referring to the Fair Campaign Practices Committee.

Officeholder accounts are accounts an elected official can open, and raise funds for, to pay for expenses related to the office they hold.¹ They are not campaign accounts, and cannot be used for campaign purposes. The types of expenses Officeholder Accounts can be used for include research, conferences, events attended in the performance of government duties, printed newsletters, office supplies, travel related to official duties, etc. Cities can place limits on Officeholder Accounts, as Oakland has done.² Officeholder Accounts must be registered as official "Committees" and adhere to strict public reporting requirements, like campaign accounts. They provide full transparency to the public about sources and uses of funds.

The FCPC bases its recommendation to prohibit Officeholder Accounts on arguments about "equity" and potential "corruption" in elections. The report refers repeatedly to "challengers" and "incumbents," suggesting that Officeholder Accounts are vehicles for unfairness in the election context.

I believe that the FCPC's recommendations reflect a misunderstanding of the purpose and uses of Officeholder Accounts, equating them with campaign accounts and suggesting that they create an imbalance between community members who apparently have already decided to run against an incumbent (so-called "challengers") and elected officials who are presumed to be

¹ <http://www.fppc.ca.gov/content/dam/fppc/NS-Documents/LegalDiv/Regulations/Index/Chapter5/18531.62.pdf>

² <http://www2.oaklandnet.com/w/OAK052051>

always running for office. The recommendations do not take into account some important framing: the question of what funds are otherwise available to pay for Officeholder-type expenses for Officeholders or members of the public. Contrary to the conclusions of the FCPC, I believe Officeholder accounts are an important vehicle to redress a significant disadvantage for elected officials, whose ability to exercise free speech in the community and participate in conferences and events related to their profession is constrained by virtue of holding public office, as compared to community members, whose speech rights are unrestricted in any manner whatsoever, and who can raise money to use for whatever purposes they desire.

Outlawing Officeholder Accounts is also posited as a means to create equity between more and less wealthy Officeholders, on the theory that less affluent Officeholders will have less access to fundraising for Officeholder Accounts than more affluent Officeholders. Because there are no prohibition on using personal funds for many of the purposes for which Officeholder Account funds can be used, prohibiting Officeholder Accounts I believe has the opposite effect; it leaves more affluent Officeholders with the ability to pay for Officeholder expenses from personal funds, without providing an avenue for less affluent Officeholders, who may not have available personal funds, to raise money from their supporters to pay for such Officeholder expenses.

The question of whether Officeholder Accounts should be allowed in Berkeley plays out in the context of a number of rules and realities that are important to framing any analysis.

First, by State Law, elected officials are prohibited from using public funds for a variety of communications that many constituents nevertheless expect. For example, an elected official may not use public funds to send a mailing announcing municipal information to constituents, “such as a newsletter or brochure, [...] delivered, by any means [...] to a person’s residence, place of employment or business, or post office box.”³ Nor may an elected official mail an item using public funds that features a reference to the elected official affiliated with their public position.⁴ Note that Electronic newsletters are not covered by these rules, and can and do include all of these features, even if the newsletter service is paid for by the public entity. That said, while technically not required, many elected officials prefer to use email newsletter distribution services (Constant Contact, MailChimp, Nationbuilder, etc.) paid for with personal (or “Officeholder”) funds, to operate in the spirit of the original rules against using public funds for communications that include a photo of, or references to, the elected official.

Without the ability to raise funds for an Officeholder Account, for an elected official to send a paper newsletter to constituents or to use an email newsletter service that is not paid for with public funds, they must use personal funds. A printed newsletter mailed to 5-6,000 households (a typical number of households in a Berkeley City Council District) can easily cost \$5,000+, and an electronic mail service subscription typically costs \$10 (for the most basic service) to \$45 per month, a cost of \$120.00 to over \$500 per year - in personal funds.

⁴ <http://www.fppc.ca.gov/learn/public-officials-and-employees-rules-/communications-sent-using-public-funds/campaign-related-communications.html>

Second, Berkeley City Councilmembers and the Mayor of Berkeley are not paid enough for there to be any reasonable expectation that personal funds should be used for these types of expenses.⁵ For many Councilmembers and/or the Mayor, work hours are full time - or more - and there is no other source of income.

Finally, and most importantly, local elected officials are restricted from accepting money or gifts. An elected official cannot under any circumstances raise money to pay for Officeholder expenses such as printed communications, email newsletter services, travel and admission to industry conferences for which the elected official is not an official delegate (e.g., conferences on City Planning, Green Cities, Municipal Finance, etc.), and other expenses related to holding office that are not covered by public funds. Again, without the possibility of an Officeholder Account, an elected official generally must use personal funds for these expenses, allowing more affluent elected officials to participate while placing a hardship or in some cases a prohibition on the ability of less affluent elected officials to undertake these Officeholder-type activities - which support expected communications with constituents and participation in industry activities that improve the elected official's effectiveness.

The elected official's inability to raise funds from others must be contrasted with the ability of a community member - a potential "challenger" who has not yet declared themselves to be an actual candidate - or perhaps a neighborhood association, business or corporation (Chevron, for example) - to engage in similar activities. Nothing restricts any community member or organization from using their own funds - or funds obtained from anyone - a wealthy friend, a corporation, a local business, a community organization or their neighbors - for any purpose whatsoever.

Someone who doesn't like the job an elected official is doing could raise money from family or connections anywhere in the community - or the world - and mail a letter to every person in the District or City criticizing the elected official, or buy up every billboard or banner ad on Facebook or Berkeleyside to broadcast their point of view. By contrast, the elected official, without access to an Officeholder Account, could only use personal funds to "speak" with their own printed letter, billboard or advertisement. Community members (including future "challengers") can also attend any and all conferences they want, engage in travel to visit interesting cities and projects that might inform their thoughts on how a city should be run, and pay for those things with money raised from friends, colleagues, businesses, corporations, foreign governments - *anyone*. They are private citizens with full first amendment rights and have no limitations, no reporting requirements, no requirements of transparency or accountability whatsoever.

The imbalance is significant. Outside of the campaign setting, where all declared candidates can raise funds and must abide by the same rules of spending and communications, *elected officials cannot raise money for any expenses whatsoever, from any source, while community*

⁵ Councilmembers receive annual compensation of approximately \$36,000, while the Mayor receives annual compensation of approximately \$55,000.⁵

members, including organizations and private companies, can raise as much money as they want from any sources, and use that money for anything they choose.

Without the ability to establish and fund an Officeholder Account, the only option an elected official has is to use personal funds, which exacerbates the potential imbalance between elected officials with more and less personal funds to spend. Elected officials work within a highly regulated system, which can limit their ability to “speak” and engage in other activities members of the public are able to undertake without restriction. Officeholder Accounts restore some flexibility by allowing elected officials to raise money for expenses related to holding office, so long as the sources and uses of those funds is made transparent.

By allowing Officeholder Accounts and regulating them, Berkeley can place limits on amounts that can be raised, and on the individuals/entities from whom funds can be accepted, similar (or identical) to the limits Berkeley places on sources of campaign funds. Similarly, Berkeley can restrict uses of funds beyond the State’s restrictions, to ensure funds are not used for things like family members’ travel, as is currently allowed by the State. Oakland has taken this approach, and has a set of Officeholder Account regulations that provide a good starting point for Berkeley to consider.⁶

I respectfully ask for a vote to send the question of potential allowance for, and regulation of, Officeholder Accounts to the Agenda and Rules Committee for further consideration.

SUBJECT: APPLICATION OF BERKELEY ELECTION REFORM ACT TO OFFICEHOLDER ACCOUNTS

ISSUE:

Does the Berkeley Election Reform Act (BERA) govern officeholder accounts?

CONCLUSION:

No. The BERA does not govern true officeholder accounts per se. However, the mere fact that an account may be designated an officeholder account does not insulate it from scrutiny under the BERA or other applicable local law if the officeholder account is not used strictly for officeholder purposes or if some action taken with respect to the officeholder account implicates campaign contributions and expenditures or other applicable local laws.

ANALYSIS:

Sarah Reynoso, former secretary and staff counsel to the Fair Campaign Practices Commission (FCPC), issued an opinion to the FCPC dated December 2, 1991, a copy of which is attached, stating that the BERA's contribution limit does not apply to contributions made to an officeholder account. The opinion reasons that the BERA's contribution limit applies only to "contributions" as defined in the BERA, i.e., which are made directly or indirectly in support of or in opposition to the nomination or election of one or more candidates to elective office. (See Berkeley Municipal Code (BMC) § 2.12.100.) Contributions to a true officeholder account are not made for the purpose of nominating or electing a candidate to office, but rather for the use of an officeholder in carrying out the duties of his or her office. Therefore, the contribution limit of the BERA is inapplicable to officeholder accounts.¹ For similar reasons, the BERA does not

¹ However, the opinion also provided that contributions to officeholder accounts still had to be reported on campaign statements because the State Fair Political Practices Commission (FPPC) Regulations broadly defined contributions as any contribution for "political purposes." Since officeholder expenses are for political purposes, they must be reported to the State.

apply to true officeholder accounts.

The BERA requires the filing of statements to report the amounts received and expended in municipal elections. (See BMC §§ 2.12.015, 2.12.030 through 2.12.050) Specifically, a "campaign statement" required to be filed under the BERA is an itemized report which provides the information required by Sections 2.12.245 through 2.12.325 of the BERA. (BMC § 2.12.080.) Sections 2.12.245 through 2.12.325 govern the reporting of contributions and expenditures. "Contributions" and "expenditures" are defined by the BERA as any amounts received or expended, respectively, in aid of or in opposition to the nomination or election of one or more candidates to elective office. (See BMC §§ 2.12.100 and 2.12.130.) Contributions to or expenditures from a true officeholder account are not subject to the BERA's reporting requirements because they are made for the purpose of carrying out the duties of elective office, and not for the purpose of aiding or opposing the nomination or election of one or more candidates to elective office.² Therefore, the BERA does not apply to true officeholder accounts.

However, the fact that an account may be designated as an officeholder account will not shield it from scrutiny under the BERA if the officeholder account is, in fact, being used for the receipt of contributions or the making of expenditures in aid of the nomination or election of a candidate for local elective office. Nor will BERA requirements, such as the \$250 contribution limit or the prohibition against contributions from businesses to candidates, be held inapplicable if contributions made initially to an officeholder account are transferred subsequently to a campaign account. Where the actions taken with respect to an officeholder account implicate campaign contributions and expenditures in municipal elections, the officeholder account will be scrutinized under the BERA and other applicable local law.

CITY OF BERKELEY

DATE: December 9, 1991

Memorandum

TO: FCPC COMMISSIONERS

FROM: Sarah Reynoso,  Secretary & Staff Counsel

SUBJECT: APPLICABILITY OF BERA'S CONTRIBUTION LIMIT TO FUNDS RAISED FOR OFFICEHOLDER EXPENSES

BACKGROUND AND ISSUE

I received the attached letter from Richard N. Lerner, treasurer of Friends of Loni Hancock Committee ("Committee"), regarding the applicability of BERA's (Berkeley Election Reform Act) \$250 contribution limit to funds raised to cover officeholder expenses. The Committee would like to raise money to cover activities by the Mayor for which the City has not allocated funds, for example, distribution of a newsletter and international travel to visit Berkeley Sister Cities.

Thus, the issue presented to the Commission is as follows: Is BERA's \$250 contribution limit applicable to funds raised for officeholder expenses?

CONCLUSION

No. The BERA's contribution limitation is only applicable to money raised "in aid of or in opposition to the nomination or election" of a candidate. Since the Committee intends to raise these funds for activities unrelated to the nomination or election of the Mayor, they are not subject to the BERA's \$250 contribution limitation. However, such funds must be reported as contributions under the State Political Reform Act and their expenditure itemized on the disclosure forms.

ANALYSIS

The BERA prohibits candidates for elective office from soliciting or accepting a contribution of more than \$250 from any one contributor. (BERA section 2.12.415.) Thus, funds which fall within BERA's definition of a contribution, are subject to the \$250 limit. In order to determine whether funds raised for officeholder expenses are subject to the contribution limitation, BERA's definition of contribution must be reviewed.

The BERA defines contribution, in part, as follows:

"Contribution" means a gift, subscription, loan, advance, deposit, pledge, forgiveness of indebtedness, payment of a debt by a third party, contract, agreement, or promise of money or anything of value or other obligation, whether or not legally enforceable, made directly or indirectly in aid of or

in opposition to the nomination or election of one or more candidates (Emphasis added.)

Thus, the plain language of the BERA requires that a contribution be solicited for purposes related to the nomination or election of a candidate for office to be subject to its contribution limitation. Since the Committee intends to raise funds for purposes unrelated to the Mayor's nomination or election for elective office, such funds do not fall within the BERA's definition and are therefore not subject to its \$250 limitation.

However, because the state Political Reform Act defines contribution to include any funds raised for political purposes, funds raised for officeholder expenses are considered contributions and must be reported on campaign disclosure forms.^{1/} (Government Code section 82015.) Additionally, since the court's ruling in SEIU v. FPPC invalidated the state's \$1,000 contribution limit, funds raised for officeholder expenses are not subject to any limitation.

As a final precaution, the Committee should be advised that the FPPC has issued regulations concerning officeholder expenses and it should review them with respect to their interaction with the BERA.

Attachment

^{1/}I spoke with the FPPC's legal staff and confirmed that funds raised for officeholder expenses must be reported as contributions on the campaign disclosure forms.

MEMORANDUM

Date: March 14, 2017
To: Councilmember Harrison
From: Ann-Marie Hogan, City Auditor
Re: Council Expense Reimbursement Guidance

The purpose of this memo is to provide you with forms for, links to, and general guidance on Council expense and reimbursement policies. In some cases, the restrictions on expenses for Council Members are more restrictive and more complex than those for City employees, because of state law. You must contact my office prior to incurring expenses for attendance at a conference, seminar, or training, or making travel arrangements. The purchase of routine office supplies should be made using the City's standard procurement procedures and vendors, using a purchase order, but on those occasions when you must pay for something personally and then request reimbursement, you will also need to submit the request to my office. For information regarding the City's procurement procedures, see Administrative Regulation 3.4¹. Once your City email is active, we'll send this memo to you via email, so you can click on the links to the City's intranet. Please feel free to contact me if you or your staff have questions.

In July 2006, the Berkeley City Council passed Resolution No. 63,412-N.S. to comply with state bill AB1234, which requires all cities to adopt an expense reimbursement policy for legislators in local government, and sets specific requirements for that policy. In September 2013, at the recommendation of the City Attorney, Council rescinded Resolution No. 63,412-N.S. and replaced it with Resolution No. 66,295-N.S. (See attached.) Council adopted the new resolution to incorporate a budget relinquishment and grant policy, and also to clarify the criteria and spending limitations associated with reimbursements for the Mayor and Council Members. Some of the spending limitations include:

- **Mileage and Transit:** Mileage is reimbursed at the current year's IRS mileage rate and must be accompanied by supporting documentation, such as a Google Maps printout. Use the most economical mode of transportation practical.
- **Meals:** Meals are reimbursed at the per diem rates set forth in City Administrative Regulation 3.9, or the actual cost of the meal, whichever is *lower*.² The per diem rate covers the meal, tax,

² Administrative Regulation 3.9: [http://icobweb/AR/PDF/2016/Administrative Regulation 3.9.pdf](http://icobweb/AR/PDF/2016/Administrative%20Regulation%203.9.pdf)

tip, and nonalcoholic beverages (alcoholic beverages are not reimbursable). The per diem rate also applies when Council Members are requesting reimbursement for meals paid on behalf of individuals who are conducting city related business, such as Legislative Assistants. Council Members must submit original receipts, a list of attendees and the Statement of Municipal Purpose form (explaining how the expense benefits the City), as part of the reimbursement request. Any expense in excess of the individual meal allowance will not be reimbursed. The current per diem rates are:

- Breakfast \$10
 - Lunch \$15
 - Dinner \$26
- **Airfare:** Airfare is reimbursed based on the most economical mode and class of transportation reasonably consistent with scheduling needs. We suggest that you attach a printout of available fares with your request. Please note that the current language in Resolution No. 66,295–N.S. is out of date because it references a program that is no longer available. This will be corrected in Council’s next revision of that resolution.
 - **Lodging:** Lodging for conferences will be reimbursed at the available group rates. If lodging at the conference rate is not available, reimbursement will be based on either the published conference rate or the government rates published by the U.S. General Services Administration, whichever is greater. Where no conference rate is published, the reimbursement rate will be based on the government rate or the median rate listed on discount travel websites, whichever is greater. Trivago, Priceline, Kayak, Orbitz, Travelocity, and Expedia are examples of travel sites that provide discount rates and may be used to identify a reasonable median rate. Include a printout of the published conference rate, government rate, or travel site rates with the reimbursement request as applicable. Council Members can look up rates by using the U.S. General Services Administration’s Per Diem Rates Look-Up tool.³ Council Members should select the specific location they are traveling to in the look-up tool.
 - **Registration:** Generally, Council Members should use a purchase order for conference, seminar, and training registrations as defined by Administrative Regulation 3.9. However, Council Members may use their credit card to register, if that is the vendor’s required form of payment. Council Members may not submit their reimbursement request until after the event has taken place, and must include proof of payment, and should include evidence of attendance with their request. Resolution No. 66,295–N.S. also requires that Council members provide a report to Council on training they attend, but we will be recommending that this requirement be deleted since it is not required by AB1234.

³ Hotel fee tool: <http://www.gsa.gov/portal/category/100120>

When completing a reimbursement request, Council Members must complete and provide the following:

1. FN-024 payment voucher: available in Administration Regulation 3.14⁴, on the City's intranet⁵, or by contacting Accounts Payable at (510) 981-7310. All three sources provide guidance for completing this form.
2. Statement of municipal purpose form: available in City Auditor's Groupware section or by contacting the City Auditor's Office at (510) 981-6750 or auditor@cityofberkeley.info.
3. Supporting documentation: Council member original receipts, proof of payment, official per diem rates, etc.

Council Members must include account codes on the FN-024 payment voucher. The City's standard account codes are *14 digits* long and include both an element and an object code as the last four digits. The most commonly used element and object codes are:

- 4064: mileage/transportation (including taxi or ride-sharing service, such as Uber or Lyft)
- 4063: registration
- 4062: meals and lodging related to conferences, seminars, training, workshops, and similar
- 4061: airfare
- 5550: meals and food for city business, events, functions, and similar business meals

City Administrative Regulation (A.R.) 3.9 establishes the policies and procedures for reimbursing expenses incurred by City staff to attend conferences, meetings, seminars, trainings, and workshops. The regulation complements Resolution No. 66,295–N.S., which establishes the procedures for Council Members. A.R. 3.9 includes the following exceptions for Mayor and Council Members' expenses:

- **Attendance and travel request form:** The Mayor, Council Members, and Legislative Assistants are not required to submit an Attendance and Travel Request form. (A.R. 3.9, page two)
- **Paying for another employee's expenses:** The Mayor, Council Members, and Legislative Assistants may be reimbursed for paying for other legislative staff's or Council Members' expenses incurred for city related business. This is an exception to A.R. 3.9, noted on page three.
- **Business meals:** The Mayor and Council Members may be reimbursed for meals where the primary purpose of the meal is to conduct City-related business (other than simply meeting constituents). City Auditor review and approval is required. Council Members must describe the purpose of their business meal, e.g. issues discussed and how they relate to adopted priorities of Council, on the Statement of Municipal Purpose form and list the attendees. *Meals are reimbursed at the per diem rates as listed above, or the actual cost of the meal, whichever is lower.* (A.R. 3.9, page four) **Note that AB1234 requires that members of a legislative body shall**

RESOLUTION NO. 66,295-N.S.

CITY COUNCIL EXPENDITURE AND REIMBURSEMENT POLICIES

WHEREAS, each fiscal year, the City Council appropriates funds in the Mayor and Councilmember's departmental budgets to cover the costs of Mayor and Council staff and non-personnel expenditures which are reasonable and necessary for the performance of the duties of Mayor and Councilmember; and

WHEREAS, the Council needs to ensure that the expenditures are incurred and paid in conformity with the requirements of the City Charter; and

WHEREAS, AB 1234, adopted in 2005 and codified as Government Code Sections 53232, et. seq., requires that all cities adopt an expense reimbursement policy for Mayor and Council expenses; and

WHEREAS, on July 25, 2006, the City Council adopted Resolution No. 63,412-N.S. to establish the expenditure and reimbursement policy required by state law; and

WHEREAS, the Councilmember Office Budget Relinquishment and Grant Policy generally falls under the purview of the existing City Expenditures and Expense Reimbursement for Mayor and Council.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the Councilmember Office Budget Relinquishment and Grant Policy enumerated in Exhibit A is incorporated by reference into the policy for City Expenditures and Expense Reimbursement for Mayor and Council.

BE IT FURTHER RESOLVED that Resolution No. 63,412-N.S. and any amendments thereto are hereby rescinded.

BE IT FURTHER RESOLVED that the policy concerning City Expenditures and Expense Reimbursement for Mayor and Council departments is hereby adopted to read as follows:

CITY EXPENDITURES AND EXPENSE REIMBURSEMENT FOR MAYOR AND COUNCIL DEPARTMENTS

I. City Expenditures for Mayor and Council

The Mayor and Council members shall purchase all office supplies, office equipment, furniture, computers, or any other product, good, or service for the actual and necessary expense of their office in the manner normally applicable to all other purchases of goods and services by the City. Such expenses may include membership in organizations of elected officials and the purchase of newspapers and periodicals that provide information needed for the performance of official duties.

II. Reimbursement of Actual and Necessary Expense of Office

The Mayor and Council members and their staff may be reimbursed for the actual and necessary expenses for the categories of activities set forth below under "Authorized Activities."

A. Authorized Activities.

Travel, meals and/or other food, incidentals, and lodging incurred in connection with the following types of activities set forth below constitute authorized expenses, as long as the other requirements of this Resolution are fulfilled:

1. Communicating with representatives of local, regional, state and national government on City policy positions;
2. Attending educational seminars designed to improve officials' skill and information levels, provided that a brief report of such seminar shall be made by the Mayor and Council at a subsequent Council meeting;
3. Participating in local, regional, state and national organizations of cities whose activities affect the City's interests;
4. Recognizing service to the City (for example, thanking a longtime employee with a retirement gift or celebration of nominal value and cost);
5. Attending City events; or events sponsored by organizations or entities whose activities affect the City's interests where the primary purpose of the event is to discuss subjects which relate to City business;
6. Implementing City approved policies;
7. Meals where the primary purpose of the meal is to conduct City-related business (other than simply meeting constituents) as long as the amount of such meal does not exceed the daily maximum as set forth in this Resolution and meets applicable federal and state standards as to when meal reimbursement may be allowed; and
8. Expenditures for these purposes approved in advance by a Mayor or Council member and undertaken by that person's staff.

Expenditures for all other activities require prior approval by the City Council and must meet an articulated municipal purpose that must be recited in the report proposing the expenditure and the resolution authorizing the expenditure. The policy for relinquishments and grants from Councilmember office budgets is enumerated in Exhibit A.

B. Unauthorized Expenses

The following personal expenditures incurred by City officials shall not be reimbursed:

1. The personal portion of any trip, such as where the official is on his/her own vacation activities;
2. Political contributions or attendance at political or charitable events;
3. Family expenses, including partner's expenses when accompanying official on agency-related business, as well as children or pet-related expenses;
4. Entertainment expenses, including theater, movies (either in-room or at the theater), sporting events (including gym, massage and/or golf related

- expenses), or other recreational and cultural events;
- 5. Alcoholic beverages;
- 6. Non-mileage personal automobile expenses, including repairs, traffic citations, insurance or gasoline; and
- 7. Personal losses incurred while on City business.

Any questions regarding the propriety of a particular type of expense should be resolved by the City Council before the expense is incurred.

C. Particular Types of Authorized Expenditures Defined

To conserve City resources and keep expenses within community standards for public officials, expenditures should adhere to the following guidelines. In the event that expenses are incurred which exceed these guidelines, the cost borne or reimbursed by the City will be limited to the costs that fall within the guidelines.

1. **Registration.** Registration fee charged for any authorized convention, conference, seminar or meeting is reimbursable.
2. **Transportation.** The most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. Charges for rental-vehicles may be reimbursed under this provision if more than one City official is attending an out of town conference, and it is determined that sharing a rental vehicle is more economical than other forms of transportation. In making such determination, the cost of the rental vehicle, parking and gasoline will be compared to the combined cost of such other forms of transportation. Government and group rates must be used when available.
3. **Airfare.** Airfares that are equal to or less than those available through the Enhanced Local Government Airfare Program offered through the League of California Cities, the California State Association of Counties and the State of California are presumed to be the most economical and reasonable for purposes of reimbursement under this policy. Reimbursement for travel must not exceed the rates available through the League program as published by the California Department of General Services.
4. **Automobile.** Automobile mileage is reimbursed at Internal Revenue Service rates presently in effect. These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle. This amount does not include bridge and road tolls, which are also reimbursable. The Internal Revenue Service rates will not be paid for rental vehicles; only receipted fuel expenses will be reimbursed.
5. **Car Rental.** Rental rates that are equal or less than those published by the California Department of General Services shall be considered the most economical and reasonable for purposes of reimbursement under this policy.
6. **Taxis/Shuttles.** Taxis or shuttles fares may be reimbursed, including a 15 percent gratuity per fare, when the cost of such fares is equal or less than

the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time-efficiency.

7. **Lodging.** Lodging expenses will be reimbursed or paid for when travel on official City business reasonably requires an overnight stay. If such lodging is in connection with a conference, lodging expenses must not exceed the group rates. If lodging at the conference rate is not available, reimbursement will be based on either the published conference rate or government rates as published by the Federal General Services Agency, whichever is greater. Where no conference rate is published, the reimbursement will be based on the government rate or the median rate listed on priceline.com or similar service, whichever is greater.
8. **Meals.** Meal expenses and associated gratuities will be reimbursed at the rate set forth in Administrative Regulation 3.9.
9. **Telephone/Fax/Cellular.** Council members will be reimbursed for actual telephone and fax expenses incurred on City business. Telephone bills should identify which calls were made on City business. For calls made on an official's personal cell phone, the official may obtain reimbursement for business calls based on the following formula: minutes used on public business divided by the total minutes allowed under a monthly plan, plus long-distances charges for those calls.
10. **Airport Parking.** Airport parking must be used for travel exceeding 24-hours.
11. **Other Travel Related Expenses.** Baggage handling fees of up to \$1 per bag and gratuities of up to 15 percent will be reimbursed. Expenses for which City officials receive reimbursement from another agency are not reimbursable.
12. **Miscellaneous Office Products.** Notwithstanding the requirement in Section I, occasionally an elected officer or officer's staff may need to make an immediate small out of pocket purchase of office supplies that are normally ordered by the City for which payment is paid directly to the vendor. The City in accordance with the applicable City Manager Administrative Regulation concerning petty cash refunds may reimburse such purchases.

D. Cash Advance Policy for Airfare and Hotel Only (per A.R, 3.9)

From time to time, it may be necessary for an official to request a cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to the City Auditor, and copied to the City Manager, ten (10) working days prior to the need for the advance with the following information:

1. The purpose of the expenditure(s);
2. Whether the expenditure is for an authorized activity
3. The benefit to the residents of the City.
4. The anticipated amount of the expenditure(s) (for example, hotel rates, meal costs, and transportation expenses); and
5. The dates of the expenditure(s).

Any unused advance must be returned to the City within five (5) working days of the official's return, along with an expense report and receipts documenting how the advance was used in compliance with this expense policy.

E. Expense Report Content and Submission Deadline

1. A Statement of Expense must be completed, signed and submitted to the City Auditor for review and forwarding to the Finance Department for payment. The Statement of Expense must document that the expense in question met the requirements of this Resolution. For example, if the meeting is with a legislator, the local agency official should explain whose meals were purchased, what issues were discussed and how those relate to the City's adopted legislative positions and priorities.
2. Officials must submit their Statement of Expense reports to the Auditor's Office within 60 days of an expense being incurred, accompanied by receipts documenting each expense. Restaurant receipts, in addition to any credit card receipts, are also part of the necessary documentation. Receipts for gratuities and tolls under \$5 are not required.
3. Inability to provide such documentation in a timely fashion may result in the expense being borne by the official.

F. Audits of Expense Reports

All expenses are subject to verification by the City Auditor of compliance with this policy.

G. Reports

At the following City Council meeting, each official shall briefly report on meetings attended at City expense. If multiple officials attended, a joint report may be made.

H. Compliance with Laws

City officials should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. All agency expenditures are public records subject to disclosure under the Public Records Act.

I. Violation of This Policy

Use of public resources or falsifying expense reports in violation of this policy may result in any or all of the following:

1. loss of reimbursement privileges;
2. a demand for restitution to the City;
3. the City's reporting the expenses as income to the elected official to state and federal tax authorities;
4. civil penalties of up to \$1,000 per day and three times the value of the resources used; and
5. prosecution for misuse of public resources.

The foregoing Resolution was adopted by the Berkeley City Council on September 10, 2013 by the following vote:

Councilmember Office Budget Relinquishment and Grant Policy

Introduction – Limitations on the Expenditure of Public Funds

The basic purpose of the City as an entity is to exist and function as a *municipality*. This is also reflected in the Charter, which limits the Council's powers only to those "municipal affairs adequate to a complete system of local government". (Section 38.)

Exercises of this power may not be used solely to further the interests of particular individuals, although they may incidentally benefit private interests:

The exercise of the police power is available only for the purpose of promoting the general welfare, the interests of the public as distinguished from those of individuals or persons. It cannot be used to promote private gain or advantage, except so far as the same may also promote the public interest and welfare, and it is the latter, and not the former, effect which forms the basis of the power and warrants its exercise.
(*Binford v. Boyd* (1918) 178 Cal. 458, 461.)

The Council's basic powers circumscribe its ability to spend public funds. In other words, the Council cannot spend public funds for purposes that are beyond its authority in the first place. Thus the City may only use its funds for municipal purposes. In any given case the crucial inquiry is whether an expenditure serves such a purpose.

The determination of what constitutes a public purpose is primarily a matter for the legislature, and its discretion will not be disturbed by the courts so long as that determination has a reasonable basis.
(*County of Alameda v. Carlson* (1971) 5 Cal.3d 730, 745-746.)

If the courts find that there is a valid public purpose, they next examine whether the government's actions are reasonably related to effectuating this purpose. (*Tip Top Foods, Inc. v. Lyng* (1972) 28 Cal.App.3d 533, 541.) Public appropriations granted to private interests will not be considered unlawful diversions of public funds when the transaction serves the public interest, merely granting an incidental benefit to the private individual. (*Cane v. City and County of San Francisco* (1978) 78 Cal.App.3d 654, 660.)

Criteria for Grants of City Funds from Councilmember Office Budgets

Relinquishments and grants for purposes and recipients that fall within the categories listed in Table 1 may be "pre-approved" each fiscal year by Council resolution.

Table 1.

Recipient	Purpose
The City (e.g., the Berkeley Public Library, the Berkeley Animal Shelter)	Any purpose already being undertaken, because it already serves a public purpose. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.
BUSD and other public agencies operating in Berkeley	Any purpose already being undertaken, because it already serves a public purpose, assuming the activity is in Berkeley. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.
Entities with which the City is co-sponsoring a public event in Berkeley (e.g., Earth Day, Solano Stroll).	City co-sponsorship suggests but is not conclusive of public purpose; public purpose would need to be stated, and all such events should be open to the public at no cost. Alternatively, a list of ongoing events that have been determined to serve a public purpose could be developed.
Entities in Berkeley to which the City already contributes funds for municipal purposes (e.g., affordable housing or social service nonprofits)	To advance the same public purposes for which the entities are funded. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.

Proposed relinquishments and grants that do not meet the criteria for pre-approval, but that meet an appropriate municipal purpose, may be approved by resolution with a majority vote of the City Council.

SUBJECT: Purchasing Policy & Purchasing Manual

PURPOSE

To ensure that the City receives the most favorable price, quality, and/or service available for all purchases, while adhering to City Council directives. The Precautionary Principle (PP) and Environmentally Preferable Purchasing Policies (EP3) should be considered whenever feasible, and in accordance with the adopted budget. Furthermore, the complete AR provides City employees with appropriate procedures to knowledgeably participate in the procurement process. This is the Executive Summary of AR 3.4, with an introduction to procedures for the City's Purchasing Policy. The Purchasing Manual is the full AR 3.4, and includes the complete policy and procedures. The City Purchasing Manual can be found online at Groupware – Finance: Purchasing Manual.

POLICY

It is the policy of the City Manager that all City purchases, with only specified and approved exceptions, shall be made through a competitive process. Regardless of the value of the purchase, more than one documented quotation, bid, or proposal is strongly encouraged. The City Council periodically sets or adjusts cost levels of purchases for Council review and approval, and the parameters for the formally documented competitive processes.

Responsibility for City Purchases rests with designated positions for implementation of this policy:

1. The City maintains a centralized General Services office through which all purchases of goods and services are processed. Each Department originates requests for procurement.
2. Departments are responsible for requesting the type and quality of product or service required. Sole and single source contracts are discouraged, but may be utilized if approved as provided in the Purchasing Manual. The FUNDS system maintains lists of vendors cross-referenced to commodities and services.
3. The General Services Division is ultimately responsible for determining the means of purchase and the appropriate vendor. All purchases made will be of a quality consistent with the ultimate use intended and will be based on best value to the City of Berkeley, not necessarily on the lowest obtainable price.
4. Only the City Manager has the authority to enter into a contract/agreement, except purchase orders, with a vendor. The authority to enter into a Purchase Order has been delegated to the General Services Manager.
5. A comprehensive list of City restrictions on procurement are addressed in Section I of the manual. In addition to those restrictions prescribed by law the following are prohibitions requested by City Council.

-
- A) On January 29, 2008 Council requested the City Manager prohibit purchases from Chevron Corporation whenever possible.
 - B) On October 28, 2008 Council requested the City Manager research limiting the purchase of bottled water. In response, the City Manager directed staff to eliminate as much as possible the purchasing of individual bottles of water. Bottled water can still be purchased for emergency preparedness and for field events where health and safety are a concern. For all other events, carafes and tap water should be used.

PROCEDURE

See the current version of the City Purchasing Manual, available online at [Groupware – Finance: Purchasing Manual](#), for complete information and procedures. The following is the table of contents for the Purchasing Manual:

DEFINITIONS

1. **Procurement:** Procurement refers to the process of managing activities associated with an organization's need to obtain the goods and services required for its operation. To ensure that the correct amount of the product or service is received at the appropriate time, specific steps are taken in the procurement process, including: value assurance; determining which commodities or services are best; choosing the right suppliers and vendors; negotiating the best prices; and awarding contracts. For General Services to conduct the procurement process responsibly, its functions include spend analysis, sourcing, supplier implementation, transaction management, category management, and supplier performance management.
2. **Purchasing:** The processing of a purchase order. The key steps in the process are: departments place and approve requisitions; General Services or departments find the item (sourcing); General Services issues the purchase order (PO); and General Services sends PO to vendor. Upon fulfillment of the order, the City is invoiced and the vendor is paid.

3. Purchasing Requisition (PR): A purchasing requisition is a document that instructs General Services to spend a designated and approved amount from a specific department/division budget account for needed goods or services.
4. Purchase Order (PO): A purchase order is used for the purchase of goods. The PO represents a contractual agreement that is enforceable under law. To have an enforceable contract there must be agreement of the parties, which consists of an offer by one party, acceptance of that offer by the other party, and mutual consideration.
5. Blue-Backed Contract: A blue backed contract is used for the purchase of services. A blue-backed contract represents a contractual agreement that is enforceable under law. To have an enforceable contract there must be agreement of the parties, which consists of an offer by one party, acceptance of that offer by the other party, and mutual consideration.

CITY OF BERKELEY

ADMINISTRATIVE REGULATIONS

SUBJECT: Attendance and Payment of Expenses Associated with Conferences, Meetings, Seminars, Trainings, and Workshops

PURPOSE

To establish policies and procedures for City staff to obtain approval to attend conferences, meetings, seminars, trainings, and workshops; and to establish procedures for the City's direct payment of authorized expenses incurred by an individual for attendance at an approved event or meeting. Obtaining approval of an Attendance & Travel (A&T) Request for an event or meeting, along with associated expenses, ensures that appropriate supervisors and Department Directors have determined an employee's attendance at an event or meeting benefits the City, and that expenses are consistent and in line with the department's adopted budget.

This Administrative Regulation (AR) also complements **Resolution No. 66,295, City Council Expenditure and Reimbursement Policies** for the Mayor and Council (Attachment B); and **Resolution No. 63,413, Establishing Travel and Training Reimbursement Policy for Board and Commission Members** of the Rent Stabilization Board, Board of Library Trustees, and members of other boards or commissions (Attachment C).

POLICY

It is the policy of the City Manager to authorize Department Directors and Supervisors to approve an employee's request to attend, and to receive payment for expenses associated with conferences, meetings, seminars, training, and workshops.

I. APPROVALS

Note: Employee Must Submit and Obtain Approval for A&T Request before incurring any allowable expenses

City Approval to attend and incur authorized expenses for an eligible event is based on the following factors:

- A. Expectation that the City will derive a specific benefit from staff attendance.
- B. Employee submission of the authorized A&T Request form (the current version in Groupware), and receipt of approval from her/his Supervisor &/or Department Director in advance of an authorized event, including approval for all associated expenses.
- C. All expenditures and reimbursements for the Mayor and Council must adhere to Resolution No. 66,295 and be approved by the City Auditor.
- D. For routine and, or, recurring meetings an A&T Request must be submitted, approved, and on file in the department in advance of the initial date, and must be renewed annually for each fiscal year.
- E. Department Directors are to complete and submit an A&T Request; no other signature is required for approval.
- F. Exceptions to use of the A&T Request form are: Mayor, Council, and Legislative Assistants (when allowed under Resolution No. 66,295); and members of the Rent Stabilization Board, and Board of Library Trustees. Resolution No. 66,295 or Resolution No. 63,413 governs their approvals, expenditures, and related matters.
- G. Expenditures are provided for in the adopted budget for the employee's department. For specific procedures, see item III. Allowable Expenses.

II. EXPENDITURES BASICS

Expenditures must be documented in accordance with all related City ARs and other associated policies, using current forms (published in Groupware), including and not limited to:

- AR 3.4 Purchasing Manual: Employees and Mayor/Council must make full use of the City's Procurement procedures and submit purchase requisitions to generate payment for registration prior to travel. Note: Expenses for Board/Commission members and other non-staff or elected officials eligible to attend an event pursuant to the standards in Resolution No. 63,413 must have payments processed by the designated board or commission Secretary, using FN-024 Payment Vouchers through Accounts Payable.
- AR 3.14 FN-024 Voucher Processing
- AR 7.2 Use of Private Vehicles and Mileage Reimbursement
- Auto Record for Mileage Reimbursement: for further details, see AR 7.2 and Transportation: Private Vehicle, below.

- City Council Resolution No. 66,295 City Council Expenditure and Reimbursement Policies.
- City Council Resolution No. 63,413 Establishing Travel and Training Reimbursement Policy for Board and Commission Members.

In addition:

- Statement of Expense forms and receipts, for reconciliation of an advance &/or reimbursement of expenses incurred, must be submitted to Finance – Accounts Payable within 60 calendar days (30 days for Council/Commission, unless revised) after conclusion of the event. Statement of Expense forms and receipts submitted after this date may not be processed, and individuals assume full, personal responsibility for the costs they incurred.
- Advances or reimbursements to an employee are restricted to expenses for that employee only – they may not cover the expenses of any other employee. Exception to this restriction is for reimbursements only of expenses for Mayor and Council and their Legislative Assistants.

See item V. Advance Payments and Reconciliation.

III. ALLOWABLE EXPENSES

Expenditures should adhere to the following guidelines. In the event that expenses are incurred that exceed these guidelines, the cost borne or reimbursed by the City will be limited to those that fall within these guidelines, unless approved by an appropriate, designated authority. Proof of payment for all expenses must be provided when reconciling the Statement of Expense form, except as indicated.

- A. **Registration:** Registration fee charged for an authorized conference, meeting, seminar, training or workshop is allowable. Employees should register in a timely manner to take advantage of registration discounts. Payments can be made by Purchase Orders (PO). See also: Payments by Check Using a Purchase Order, below.
- B. **Transportation:** Employees must use the most economical mode and class of transportation reasonably consistent with scheduling needs, coordination with other employees traveling together, and cargo space requirements, and following the most direct and time-efficient route incorporating these factors. If an employee chooses a more expensive mode of travel based on personal criteria, reimbursement will be for the lesser cost of transportation.
 1. **Public Transit** should be used for travel to events and meetings outside the City of Berkeley and in other locations, where accessible by transit. Receipts are not required for these expenses.
 2. **Fleet Vehicle:** see AR 7.1 Use of Fleet Vehicles for details.
 3. **Private Vehicle:** see AR 7.2 Use of Private Vehicles & Mileage Reimbursement for details. If use of a private vehicle is authorized, mileage is reimbursed at IRS

rates currently in effect, in addition to parking fees, bridge and road tolls, which are also reimbursable.

- Unless an alternative is proposed by a department and acceptable to Accounts Payable, expenses for approved use of a private vehicle should be submitted with other expenses associated with attendance at an authorized event or meeting on the Statement of Expense.
4. **Rental Vehicle** charges may be reimbursed under this provision with Department Director approval. Rental fees, receipted fuel expenses, and authorized parking fees, **bridge and road tolls will be reimbursed**.
 5. **Air/Train** fares for reimbursement under this policy should be the most economical and reasonable amount available after the Attendance and Travel Request is approved.
 6. **Travel to/from Airports: Employees will be reimbursed for the most economical and** appropriate means; if there's any question about this, obtain department approval before incurring the expense.
 7. **Taxi or Shuttle** fares may be reimbursed with receipts.
- C. **Lodging:** Cost of accommodations will be reimbursed or paid for when travel on official City business reasonably requires an overnight stay.
1. When travel status is more than twelve (12) hours; or when the location is more than 50 miles from the employee's worksite and residence based on odometer, MapQuest or other reliable documentation; or when an event begins before 8:00am or ends after 5:00pm and a documented evening event requires the employee's attendance.
 2. If lodging is associated with a conference, employees should register in a timely manner to take advantage of discounts or conference rates. Lodging expenses that exceed the group rate published by the conference sponsor must be approved by an appropriate, designated authority.
 3. For non-conference lodging, travelers must request government rates, when available and must be authorized by Department Director.
 4. Costs to upgrade rooms from the basic accommodations provided are not reimbursable, unless authorized by the Department Director.
- D. **Meals: Meals are reimbursable only if travel status is over twelve hours or requires overnight lodging.**
1. **Meal expenses**, including non-alcoholic beverages, tax, and tips, are reimbursable up to a total per diem of \$51: the amounts per meal are \$10 breakfast; \$15 lunch; \$26 dinner; and receipts are not required. Expenses above the authorized amounts are the responsibility of the employee.
 2. **Breakfast &/or evening meetings with meals**, which are scheduled before conferences or meetings commence, or after they adjourn, and that require the employee's attendance, will be considered for reimbursement when

documentation is submitted reflecting the requirement of the employee's attendance for the meeting and location.

3. **Meals included with registration or lodging that are taken at additional expense** will only be considered for reimbursement at the authorized per diem by approval of the Department Director when documentation is submitted reflecting the necessity of this expense, such as:
 4. **Meals during approved travel time** to/from an event or meeting destination may be reimbursable with approval by the employee's Department Director, at the authorized amount for the individual meal(s) (see Meal expenses, above).
 5. **NOTE:** Business meals with other employees, commissioners or elected officials of the City of Berkeley are specifically NOT reimbursable. Exceptions for Mayor and Council must be reviewed and approved by the City Auditor. City funds may also NOT be used for expenses related to holiday activities or other office parties or events, unless exempted by AR 3.3.
- E. **Other Travel Related Expenses:** Expenses for which City staff or officials receive reimbursement from another agency are not reimbursable.

IV. PAYMENTS BY CHECK USING A PURCHASE ORDER

Generally, General Services – Procurement will process a PO within three working days, and a check could be issued in the next AP check run. It is the department responsibility to notify Procurement staff when the requisition is approved to ensure timely processing of the PO in order to issue the check promptly. Departments may have internal procedures that require additional time, and employees are expected to familiarize themselves with these internal deadlines.

- A. Expenses for registration should be paid by check using a Purchase Order (PO). This includes online registration when "pay by check" is an option.
- B. Use of an employee's credit card or personal check for registration is only permitted and eligible for reimbursement when time does not permit issuing a City check for payment, and is approved by the Department Director.
- C. Resolution No. 66,295 or Resolution No. 63,413 governs any exceptions for Mayor and Council, or for the Rent Stabilization Board or Board of Library Trustees.
- D. Expenses for accommodations, if lodging is included in the event package, should be paid with the registration fee using a Purchase Order (PO).

V. ADVANCE PAYMENTS & RECONCILIATION

An approved A&T Request is required for any request for an advance. Advances are extended only to employees in classifications that are not included on the list of **Classifications NOT eligible for advances**. Advances are limited to approved air/train fare and lodging only.

In addition:

- Registration or meals, and other transportation expenses may not be advanced to any employee.
- Advances to an employee are restricted to expenses for that employee only – they may not cover the expenses of another employee.
- Departments must maintain a Tracking Worksheet that documents employees' advance requests and reconciliations. These Worksheets must be submitted to the Auditor's Office by the 10th working day of each calendar quarter (January, April, July, October), along with copies of correspondence to those employees who have advance reconciliations outstanding. The Auditor's Office will review departmental travel advance worksheets on a sample basis.
- If an advance is issued to an employee and the employee does not attend the event, whether due to personal circumstances, the event being cancelled, or the City intervened to cancel the employee's attendance, the employee must seek recovery of charges and remit the full refunded amount to the City.

A. Requesting an Advance

1. Requests for an advance must be submitted to Finance – Accounts Payable at least 10 working days before the event start date. Employees are expected to familiarize themselves with any additional internal deadlines or procedures their departments may require.
2. Requests for an advance must include:
3. Approved Attendance and Travel Request, with documentation showing dates and time, and rates offered for travel and accommodations, including meals provided with the event.
4. Completed FN-024 Payment Voucher (current version on Groupware) with required signatures of approval and all specified back-up documentation. See AR 3.14 for details.

B. Reconciling an Advance

1. Each travel advance must be reconciled before an employee can request another; employees are not eligible for multiple advances.
2. Attendance must be documented in the form of a receipt, sign in sheet, or certificate of attendance.
3. Employees must submit a Statement of Expense and receipts to appropriate department staff within 60 calendar days of conclusion of the event (30 days for Council/Commission, unless revised). Statement of Expense forms and receipts submitted after this date may not be processed, and the employee assumes full, personal responsibility for the costs she/he incurred. If an employee fails to reconcile an advance within this timeframe, the City may take disciplinary action.

4. When an advance exceeds the expenses incurred, the employee is responsible for paying the difference by cash or check payable to the City of Berkeley for the balance at the time of reconciliation. Payment is submitted to the City Treasury and a copy of the CR edit report must be attached to the employee's Statement of Expense, in addition to all required original receipts.
5. When an advance is less than the expenses incurred, departments submit an FN-024 Payment Voucher payable to the employee for the difference, along with the employee's Statement of Expense and original receipts for expenses incurred.

VI. EXPENSE REIMBURSEMENT

See Allowable Expenses, above, for expenses that qualify for reimbursement, and the acceptable rates and limitations for those expenses. To obtain reimbursement of approved expenses incurred:

- A. Employees must submit a completed FN-024 Payment Voucher, and Statement of Expense, and receipts to appropriate department staff within 60 calendar days after conclusion of the event. Statement of Expense forms and receipts submitted after this date may not be processed, and the employee assumes full, personal responsibility for the costs she/he incurred.
- B. Reimbursements to an employee are restricted to expenses for that employee only – they may not cover the expenses of another employee.
- C. Tips, except where documented, are not reimbursable.
- D. Reimbursements are processed by FN-024 Payment Voucher (see AR 3.14) and must include:
 1. Authorized signature/s (see AR 3.12).
 2. Attendance and Travel Request approved by Supervisor &/or Department Director.
 3. Documentation of attendance at the event or meeting (receipt, certificate, sign-in sheet).
 4. Statement of Expense, completed with all required original receipts.
 5. Auto Record for Mileage Reimbursement, if use of a private vehicle was authorized (see AR 7.2 for details and instructions) and these are the only expenses for reimbursement associated with the event.

VII. OTHER EXCEPTIONS

Any exception not already identified within other sections of this AR must be submitted to, and approved by the employee's Department Director. For Mayor, Council, Legislative Assistants, Rent Stabilization Board or Board of Library Trustees, exceptions must be approved as set forth in the appropriate Resolution.

Employees may request an exception to the reimbursement rules when original receipts, or other proof of payment such as a canceled check, cannot be provided to verify expenses. The Supervisor and Department Director (or designee) must approve requests for an exception that require the "Approval of Payment Exception" portion of the Statement of Expense and state the necessity for the exception. In addition, the Finance Director must also approve any payment exceptions.

RESOLUTION NO. 66,295–N.S.

CITY COUNCIL EXPENDITURE AND REIMBURSEMENT POLICIES

WHEREAS, each fiscal year, the City Council appropriates funds in the Mayor and Councilmember's departmental budgets to cover the costs of Mayor and Council staff and non-personnel expenditures which are reasonable and necessary for the performance of the duties of Mayor and Councilmember; and

WHEREAS, the Council needs to ensure that the expenditures are incurred and paid in conformity with the requirements of the City Charter; and

WHEREAS, AB 1234, adopted in 2005 and codified as Government Code Sections 53232, et. seq., requires that all cities adopt an expense reimbursement policy for Mayor and Council expenses; and

WHEREAS, on July 25, 2006, the City Council adopted Resolution No. 63,412-N.S. to establish the expenditure and reimbursement policy required by state law; and

WHEREAS, the Councilmember Office Budget Relinquishment and Grant Policy generally falls under the purview of the existing City Expenditures and Expense Reimbursement for Mayor and Council.

NOW THEREFORE, BE IT RESOLVED by the Council of the City of Berkeley that the Councilmember Office Budget Relinquishment and Grant Policy enumerated in Exhibit A is incorporated by reference into the policy for City Expenditures and Expense Reimbursement for Mayor and Council.

BE IT FURTHER RESOLVED that Resolution No. 63,412–N.S. and any amendments thereto are hereby rescinded.

BE IT FURTHER RESOLVED that the policy concerning City Expenditures and Expense Reimbursement for Mayor and Council departments is hereby adopted to read as follows:

CITY EXPENDITURES AND EXPENSE REIMBURSEMENT FOR MAYOR AND COUNCIL DEPARTMENTS

I. City Expenditures for Mayor and Council

The Mayor and Council members shall purchase all office supplies, office equipment, furniture, computers, or any other product, good, or service for the actual and necessary expense of their office in the manner normally applicable to all other purchases of goods and services by the City. Such expenses may include membership in organizations of elected officials and the purchase of newspapers and periodicals that provide information needed for the performance of official duties.

II. Reimbursement of Actual and Necessary Expense of Office

The Mayor and Council members and their staff may be reimbursed for the actual and necessary expenses for the categories of activities set forth below under "Authorized Activities."

A. Authorized Activities.

Travel, meals and/or other food, incidentals, and lodging incurred in connection with the following types of activities set forth below constitute authorized expenses, as long as the other requirements of this Resolution are fulfilled:

1. Communicating with representatives of local, regional, state and national government on City policy positions;
2. Attending educational seminars designed to improve officials' skill and information levels, provided that a brief report of such seminar shall be made by the Mayor and Council at a subsequent Council meeting;
3. Participating in local, regional, state and national organizations of cities whose activities affect the City's interests;
4. Recognizing service to the City (for example, thanking a longtime employee with a retirement gift or celebration of nominal value and cost);
5. Attending City events; or events sponsored by organizations or entities whose activities affect the City's interests where the primary purpose of the event is to discuss subjects which relate to City business;
6. Implementing City approved policies;
7. Meals where the primary purpose of the meal is to conduct City-related business (other than simply meeting constituents) as long as the amount of such meal does not exceed the daily maximum as set forth in this Resolution and meets applicable federal and state standards as to when meal reimbursement may be allowed; and
8. Expenditures for these purposes approved in advance by a Mayor or Council member and undertaken by that person's staff.

Expenditures for all other activities require prior approval by the City Council and must meet an articulated municipal purpose that must be recited in the report proposing the expenditure and the resolution authorizing the expenditure. The policy for relinquishments and grants from Councilmember office budgets is enumerated in Exhibit A.

B. Unauthorized Expenses

The following personal expenditures incurred by City officials shall not be reimbursed:

1. The personal portion of any trip, such as where the official is on his/her own vacation activities;
2. Political contributions or attendance at political or charitable events;
3. Family expenses, including partner's expenses when accompanying official on agency-related business, as well as children or pet-related expenses;
4. Entertainment expenses, including theater, movies (either in-room or at the theater), sporting events (including gym, massage and/or golf related

- expenses), or other recreational and cultural events;
- 5. Alcoholic beverages;
- 6. Non-mileage personal automobile expenses, including repairs, traffic citations, insurance or gasoline; and
- 7. Personal losses incurred while on City business.

Any questions regarding the propriety of a particular type of expense should be resolved by the City Council before the expense is incurred.

C. Particular Types of Authorized Expenditures Defined

To conserve City resources and keep expenses within community standards for public officials, expenditures should adhere to the following guidelines. In the event that expenses are incurred which exceed these guidelines, the cost borne or reimbursed by the City will be limited to the costs that fall within the guidelines.

1. **Registration.** Registration fee charged for any authorized convention, conference, seminar or meeting is reimbursable.
2. **Transportation.** The most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. Charges for rental-vehicles may be reimbursed under this provision if more than one City official is attending an out of town conference, and it is determined that sharing a rental vehicle is more economical than other forms of transportation. In making such determination, the cost of the rental vehicle, parking and gasoline will be compared to the combined cost of such other forms of transportation. Government and group rates must be used when available.
3. **Airfare.** Airfares that are equal to or less than those available through the Enhanced Local Government Airfare Program offered through the League of California Cities, the California State Association of Counties and the State of California are presumed to be the most economical and reasonable for purposes of reimbursement under this policy. Reimbursement for travel must not exceed the rates available through the League program as published by the California Department of General Services.
4. **Automobile.** Automobile mileage is reimbursed at Internal Revenue Service rates presently in effect. These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle. This amount does not include bridge and road tolls, which are also reimbursable. The Internal Revenue Service rates will not be paid for rental vehicles; only receipted fuel expenses will be reimbursed.
5. **Car Rental.** Rental rates that are equal or less than those published by the California Department of General Services shall be considered the most economical and reasonable for purposes of reimbursement under this policy.
6. **Taxis/Shuttles.** Taxis or shuttles fares may be reimbursed, including a 15 percent gratuity per fare, when the cost of such fares is equal or less than

the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time-efficiency.

7. **Lodging.** Lodging expenses will be reimbursed or paid for when travel on official City business reasonably requires an overnight stay. If such lodging is in connection with a conference, lodging expenses must not exceed the group rates. If lodging at the conference rate is not available, reimbursement will be based on either the published conference rate or government rates as published by the Federal General Services Agency, whichever is greater. Where no conference rate is published, the reimbursement will be based on the government rate or the median rate listed on priceline.com or similar service, whichever is greater.
8. **Meals.** Meal expenses and associated gratuities will be reimbursed at the rate set forth in Administrative Regulation 3.9.
9. **Telephone/Fax/Cellular.** Council members will be reimbursed for actual telephone and fax expenses incurred on City business. Telephone bills should identify which calls were made on City business. For calls made on an official's personal cell phone, the official may obtain reimbursement for business calls based on the following formula: minutes used on public business divided by the total minutes allowed under a monthly plan, plus long-distances charges for those calls.
10. **Airport Parking.** Airport parking must be used for travel exceeding 24-hours.
11. **Other Travel Related Expenses.** Baggage handling fees of up to \$1 per bag and gratuities of up to 15 percent will be reimbursed. Expenses for which City officials receive reimbursement from another agency are not reimbursable.
12. **Miscellaneous Office Products.** Notwithstanding the requirement in Section I, occasionally an elected officer or officer's staff may need to make an immediate small out of pocket purchase of office supplies that are normally ordered by the City for which payment is paid directly to the vendor. The City in accordance with the applicable City Manager Administrative Regulation concerning petty cash refunds may reimburse such purchases.

D. Cash Advance Policy for Airfare and Hotel Only (per A.R, 3.9)

From time to time, it may be necessary for an official to request a cash advance to cover anticipated expenses while traveling or doing business on the City's behalf. Such request for an advance should be submitted to the City Auditor, and copied to the City Manager, ten (10) working days prior to the need for the advance with the following information:

1. The purpose of the expenditure(s);
2. Whether the expenditure is for an authorized activity
3. The benefit to the residents of the City.
4. The anticipated amount of the expenditure(s) (for example, hotel rates, meal costs, and transportation expenses); and
5. The dates of the expenditure(s).

Any unused advance must be returned to the City within five (5) working days of the official's return, along with an expense report and receipts documenting how the advance was used in compliance with this expense policy.

E. Expense Report Content and Submission Deadline

1. A Statement of Expense must be completed, signed and submitted to the City Auditor for review and forwarding to the Finance Department for payment. The Statement of Expense must document that the expense in question met the requirements of this Resolution. For example, if the meeting is with a legislator, the local agency official should explain whose meals were purchased, what issues were discussed and how those relate to the City's adopted legislative positions and priorities.
2. Officials must submit their Statement of Expense reports to the Auditor's Office within 60 days of an expense being incurred, accompanied by receipts documenting each expense. Restaurant receipts, in addition to any credit card receipts, are also part of the necessary documentation. Receipts for gratuities and tolls under \$5 are not required.
3. Inability to provide such documentation in a timely fashion may result in the expense being borne by the official.

F. Audits of Expense Reports

All expenses are subject to verification by the City Auditor of compliance with this policy.

G. Reports

At the following City Council meeting, each official shall briefly report on meetings attended at City expense. If multiple officials attended, a joint report may be made.

H. Compliance with Laws

City officials should keep in mind that some expenditures may be subject to reporting under the Political Reform Act and other laws. All agency expenditures are public records subject to disclosure under the Public Records Act.

I. Violation of This Policy

Use of public resources or falsifying expense reports in violation of this policy may result in any or all of the following:

1. loss of reimbursement privileges;
2. a demand for restitution to the City;
3. the City's reporting the expenses as income to the elected official to state and federal tax authorities;
4. civil penalties of up to \$1,000 per day and three times the value of the resources used; and
5. prosecution for misuse of public resources.

The foregoing Resolution was adopted by the Berkeley City Council on September 10, 2013 by the following vote:

Councilmember Office Budget Relinquishment and Grant Policy

Introduction – Limitations on the Expenditure of Public Funds

The basic purpose of the City as an entity is to exist and function as a *municipality*. This is also reflected in the Charter, which limits the Council's powers only to those "municipal affairs adequate to a complete system of local government". (Section 38.)

Exercises of this power may not be used solely to further the interests of particular individuals, although they may incidentally benefit private interests:

The exercise of the police power is available only for the purpose of promoting the general welfare, the interests of the public as distinguished from those of individuals or persons. It cannot be used to promote private gain or advantage, except so far as the same may also promote the public interest and welfare, and it is the latter, and not the former, effect which forms the basis of the power and warrants its exercise.
(*Binford v. Boyd* (1918) 178 Cal. 458, 461.)

The Council's basic powers circumscribe its ability to spend public funds. In other words, the Council cannot spend public funds for purposes that are beyond its authority in the first place. Thus the City may only use its funds for municipal purposes. In any given case the crucial inquiry is whether an expenditure serves such a purpose.

The determination of what constitutes a public purpose is primarily a matter for the legislature, and its discretion will not be disturbed by the courts so long as that determination has a reasonable basis.
(*County of Alameda v. Carlson* (1971) 5 Cal.3d 730, 745-746.)

If the courts find that there is a valid public purpose, they next examine whether the government's actions are reasonably related to effectuating this purpose. (*Tip Top Foods, Inc. v. Lyng* (1972) 28 Cal.App.3d 533, 541.) Public appropriations granted to private interests will not be considered unlawful diversions of public funds when the transaction serves the public interest, merely granting an incidental benefit to the private individual. (*Cane v. City and County of San Francisco* (1978) 78 Cal.App.3d 654, 660.)

Criteria for Grants of City Funds from Councilmember Office Budgets

Relinquishments and grants for purposes and recipients that fall within the categories listed in Table 1 may be "pre-approved" each fiscal year by Council resolution.

Table 1.

Recipient	Purpose
The City (e.g., the Berkeley Public Library, the Berkeley Animal Shelter)	Any purpose already being undertaken, because it already serves a public purpose. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.
BUSD and other public agencies operating in Berkeley	Any purpose already being undertaken, because it already serves a public purpose, assuming the activity is in Berkeley. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.
Entities with which the City is co-sponsoring a public event in Berkeley (e.g., Earth Day, Solano Stroll).	City co-sponsorship suggests but is not conclusive of public purpose; public purpose would need to be stated, and all such events should be open to the public at no cost. Alternatively, a list of ongoing events that have been determined to serve a public purpose could be developed.
Entities in Berkeley to which the City already contributes funds for municipal purposes (e.g., affordable housing or social service nonprofits)	To advance the same public purposes for which the entities are funded. This includes both grants and attendance at fundraising events in capacity as the Mayor or a Councilmember.

Proposed relinquishments and grants that do not meet the criteria for pre-approval, but that meet an appropriate municipal purpose, may be approved by resolution with a majority vote of the City Council.

RESOLUTION NO. 63,413-N.S.

ESTABLISHING TRAVEL AND TRAINING REIMBURSEMENT POLICY FOR
BOARD AND COMMISSION MEMBERS

WHEREAS, AB 1234, a new state law, requires that all cities adopt an expense reimbursement policy before a legislative body member may receive reimbursement for necessary expenses of office; and

WHEREAS, the Rent Stabilization Board and Board of Library Trustees occasionally authorize their Board members to attend specific training seminars and meetings which are designed to facilitate the Board members' performance of their duties; and

WHEREAS, the City Manager will occasionally authorize the use of City funds for a board or commission member from other boards or commissions to attend training programs or conferences designed to improve that official's skill and information level; and

WHEREAS, the Council has adopted an Expenditure and Reimbursement Policy for the Council and Mayor that sets forth those travel and training expenses for which Council will be reimbursed.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Berkeley that the following policy is adopted for reimbursement of board and commission members for travel and training expenses.

TRAVEL AND TRAINING REIMBURSEMENT FOR BOARDS/COMMISSIONS

A. Authorized Activities.

Travel, meals and lodging incurred in connection with attending educational seminars designed to improve officials' skill and information levels constitute authorized expenses, as long as the other requirements of this Resolution are fulfilled. For members of most of the City's boards and commission, other than the Board of Library Trustees and Rent Stabilization Board, such activities will occur only on rare occasions when approved by the City Manager and determined to be within the City's budget. The member of the body attending the educational event shall provide a brief report of the activity to the legislative body at a public meeting subsequent to the seminar. The Rent Stabilization Board may also receive travel meals and lodging incurred in connection with communicating with representatives of local, regional, state and national government on Board policy positions to the extent permitted by the Board.

B. Unauthorized Expenses

The following personal expenditures incurred by City officials shall not be reimbursed:

1. The personal portion of any trip, such as where the official is on his/her own vacation activities;
2. Political contributions or attendance at political or charitable events;

3. Family expenses, including partner's expenses when accompanying official on agency-related business, as well as children or pet-related expenses;
4. Entertainment expenses, including theater, movies (either in-room or at the theater), sporting events (including gym, massage and/or golf related expenses), or other recreational and cultural events;
5. Alcoholic beverages;
6. Non-mileage personal automobile expenses, including repairs, traffic citations, insurance or gasoline; and
7. Personal losses incurred while on City business. Any questions regarding the propriety of a particular type of expense should be resolved by the City Council before the expense is incurred.

C. Particular Types of Authorized Expenditures Defined

To conserve City resources and keep expenses within community standards for public officials, expenditures should adhere to the following guidelines. In the event that expenses are incurred which exceed these guidelines, the cost borne or reimbursed by the City will be limited to the costs that fall within the guidelines.

1. **Registration.** Registration fee charged for any authorized convention, conference, seminar or meeting is reimbursable.
2. **Transportation.** The most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements must be used, using the most direct and time-efficient route. Charges for rental-vehicles may be reimbursed under this provision if more than one City official is attending an out of town conference, and it is determined that sharing a rental vehicle is more economical than other forms of transportation. In making such determination, the cost of the rental vehicle, parking and gasoline will be compared to the combined cost of such other forms of transportation. Government and group rates must be used when available.
3. **Airfare.** Airfares that are equal to or less than those available through the Enhanced Local Government Airfare Program offered through the League of California Cities, the California State Association of Counties and the State of California are presumed to be the most economical and reasonable for purposes of reimbursement under this policy.
4. **Automobile.** Automobile mileage is reimbursed at Internal Revenue Service rates presently in effect. These rates are designed to compensate the driver for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle. This amount does not include bridge and road tolls, which are also reimbursable. The Internal Revenue Service rates will not be paid for rental vehicles; only receipted fuel expenses will be reimbursed.
5. **Car Rental.** Rental rates that are equal or less than those available through the State of California's website (<http://www.catravelmart.com/default.htm>) shall be considered the most economical and reasonable for purposes of reimbursement under this policy.

6. **Taxis/Shuttles.** Taxis or shuttles fares may be reimbursed, including a 15 percent gratuity per fare, when the cost of such fares is equal or less than the cost of car rentals, gasoline and parking combined, or when such transportation is necessary for time-efficiency.
7. **Lodging.** Lodging expenses will be reimbursed or paid for when travel on official City business which reasonably requires an overnight stay. If such lodging is in connection with a conference, lodging expenses must not exceed the group rate published by the conference sponsor for the meeting in question. Travelers must request government rates, when available. In the event that government rates are not available at a given time or in a given area, lodging rates that do not exceed the IRS per diem rates for a given area are presumed reasonable and hence reimbursable.
8. **Meals.** Meal expenses and associated gratuities should be moderate, taking into account community standards and the prevailing restaurant costs of the area. A helpful source of guidance is Internal Revenue Service per diem rates for meals and incidental expenses, which include adjustments for higher costs locations (*see* Publication 1542 at www.irs.gov or www.policyworks.gov/perdiem).
9. **Telephone/Fax/Cellular.** Officials will be reimbursed for actual telephone and fax expenses incurred on City business. Telephone bills should identify which calls were made on City business. For calls made on an official's personal cell phone, the official may obtain reimbursement for business calls based on the following formula: minutes used on public business divided by the total minutes allowed under a monthly plan, plus long-distances charges for those calls.
10. **Airport Parking.** Airport parking must be used for travel exceeding 24-hours.
11. **Other Travel Related Expenses.** Baggage handling fees of up to \$1 per bag and gratuities of up to 15 percent will be reimbursed. Expenses for which City officials receive reimbursement from another agency are not reimbursable.

The foregoing Resolution was adopted by the Berkeley City Council on July 25, 2006 by the following vote:

1. INVOICE #: enter exactly as it appears on the vendor invoice, with dashes, hyphens, etc; if there is no invoice number, use the statement date as the invoice number (FUND\$ has a limit of approximately 15 characters).
2. INVOICE Date: enter the invoice or statement date.

Additional Instructions for all FN-024 Payment Vouchers

A. Account Codes & Project Code

1. Prior to submitting an FN-024, departments must confirm the account codes and project code used are active, correct for the expenditure, and have sufficient, unencumbered balances.
2. If needed, departments must process any budget adjustments prior to submitting the FN-024.
3. Accounts Payable will return FN-024s to departments for inactive budget or project codes, and/or improper budget codes, or insufficient funds.

B. Authorized Signatures

Each department must complete an Authorized Signatures Card with the designated staff authorized to approve invoices and FN-024s (see AR 3.12 and the Authorized Signatures Card form on Groupware – Finance). When there are changes in personnel authorized to approve an FN-024, the Authorized Signatures Card must be updated with Accounts Payable. 1.

PREPARED BY: signature of the person responsible for completing the FN-024.

-
2. **AUTHORIZED DEPT SIGNATURE:** must be signed by authorized personnel, as reflected by the Authorized Signatures Card currently on file with Accounts Payable. FN-024s signed by unauthorized personnel will be returned.
- C. Limitations & Justification for 1-time Miscellaneous Items
1. A 1-time request for payment made on an FN-024, which would otherwise be made using a Purchase Order, means 1-time ever – not once a year or once-in-awhile. 1-time requests are only allowed for payments less than \$5,000.
 2. If a request for payment is being made on an FN-024 that would otherwise be made using a Purchase Order, there must be a justification provided on, or attached to, the FN-024. The Finance Director must approve the justification for use of an FN-024 prior to it being submitted for payment.
- D. Compiling the FN-024 Package: Form & Attachments
1. Place the FN-024 on top, with all required documentation stapled to the upper left-hand corner.
 2. If there is documentation required to be included with payment to the vendor, you must provide copies of this documentation, along with an envelope or mailing label addressed to the vendor. This is in addition to documentation required for Accounts Payable. Attach the documentation (duplicate copies and/or mailing stubs) to the upper right-hand corner.
 3. For payment of two or more items on a single FN-024, list each item separately, with its corresponding amount and account codes, on the FN-024. Attach an adding machine tape that totals the original items, and balances to the total on the FN-024.
 4. Employee reimbursements for authorized use of a private vehicle require an attached corresponding Auto Record for Mileage Reimbursement, available in Groupware. In addition, attach an adding machine tape totaling and balancing to the FN-024 for the period submitted.

Check Printing & Disbursement

1. Checks are usually printed weekly on Thursdays. FN-024s received in Accounts Payable by 5:00pm Monday will be processed for printing that week. Changes to this schedule will be emailed to departmental AP processing personnel and/or posted on the City's intranet.
2. Vendor checks will be mailed; see Compiling the FN-024 Package: Form & Attachments for specific requirements. If payment will be picked up rather than mailed, see instructions below.
3. Employee, Mayor, and Council checks will be available to pick up at Accounts Payable after 4:00pm on Thursday.
4. Pick Up Check at Accounts Payable: If it's been indicated on the FN-024 that a designated person will pick up the check, a City employee may sign for and pick up vendor checks. However, vendors may not pick up checks themselves from Finance – Accounts Payable. If payment will be picked up by an employee, rather than mailed out, complete the line in the upper right hand side of the FN-024 for Pick Up Check at AP: enter and **highlight** the name of authorized person the payment may be released to. This employee will be notified by email when the check is available to be picked up from Finance – Accounts Payable.

Fair Campaign Practices Commission

PUBLIC HEARING

February 4, 2020

To: Honorable Mayor and Members of the City Council
From: Fair Campaign Practices Commission
Submitted by: Dean Metzger, Chairperson, Fair Campaign Practices Commission
Subject: Amendments to the Berkeley Election Reform Act to prohibit Officeholder Accounts; Amending BMC Chapter 2.12

RECOMMENDATION

Conduct a public hearing and upon conclusion, adopt first reading of an ordinance amending the Berkeley Election Reform Act, Berkeley Municipal Code Chapter 2.12, to prohibit Officeholder Accounts (See [Section 18531.62. Elected State Officeholder Bank Accounts, Regulations of the Fair Political Practices Commission](#)).

SUMMARY

Contributions to and expenditures from Officeholder Accounts provide an unfair advantage to incumbents. They also increase the reliance on private campaign contributions and risk increasing the perception of corruption. Amending the Berkeley Election Reform Act to prohibit Officeholder Accounts will help to level the playing field in municipal elections, which was also a goal of the Fair Elections Act of 2016.

FISCAL IMPACTS OF RECOMMENDATION

None.

CURRENT SITUATION AND ITS EFFECTS

The proposed amendments to the Berkeley Election Reform Act (BERA) were adopted by the Fair Campaign Practices Commission (FCPC) at its regular meeting of November 21, 2019.

Action: M/S/C (Smith/Saver) to adopt the proposed amendments to BERA related to Officeholder Accounts.

Vote: Ayes: Metzger, Ching, Saver, Blome, McLean, Tsang, Smith; Noes: none; Abstain: none; Absent: O'Donnell (excused).

Pursuant to Berkeley Municipal Code Section 2.12.051, BERA may be amended by the “double green light” process. This process requires that the FCPC adopt the amendments by a two-thirds vote, and the City Council hold a public hearing and adopt the amendments by a two-thirds vote.

BACKGROUND

The Fair Campaign Practices Commission has supported creating the circumstances in which the incumbent and challengers during an election play on as level a playing field as possible and reducing the influence of private campaign contributions. For instance, the Berkeley Fair Elections Act of 2016, which was passed by voters and recommended to Council by the Commission, included the following express purposes:

- Eliminate the danger of actual corruption of Berkeley officials caused by the private financing of campaigns.
- Help reduce the influence of private campaign contributions on Berkeley government.
- Reduce the impact of wealth as a determinant of whether a person becomes a candidate.

(Section 2.12.490(B)-(D).)

A recent inquiry to the Commission Secretary regarding the regulation of Officeholder Accounts resulted in a request from a Commissioner to have discussion of these accounts placed on the May 16, 2019 agenda for possible action. The following motion was made and passed at that meeting:

Motion to request staff work with Commissioner Smith to bring to a future meeting background information and a proposal to eliminate officeholder accounts (M/S/C: O'Donnell/Blome; Ayes: Blome, Ching, McLean, Metzger, O'Donnell, Saver, Smith, Tsui; Noes: None; Abstain: None; Absent: Harper (excused)).

Definition of an Officeholder Account

Under state law, an "officeholder account" refers to the funds held in a single bank account at a financial institution in the State of California separate from any other bank account held by the officeholder and that are used for "paying expenses associated with holding public office." Officeholder Account funds cannot be used to pay "campaign expenses." This definition is drawn from state law applicable to statewide elected officials: Government Code section 85316 (Attachment 2), and the accompanying regulation by the Fair Political Practices Commission (FPPC) codified at Title 2, Division 6, of the California Code of Regulations, [Section 18531.62](#) (Attachment 3).

Contributions to or expenditures from an Officeholder Account are not subject to BERA's reporting requirements. (The FPPC still requires the reporting of activity relating to Officeholder Accounts, which is available to view on Berkeley's [Public Access Portal](#).) If, however, a complaint is filed that an Officeholder Account is used for

campaign contributions or to pay “campaign expenses,” BERA can be used to respond to the complaint. The legal arguments for these statements are contained in a memorandum signed by City Attorney Manuela Albuquerque to Aide to Mayor Shirley Dean, Barbara Gilbert, dated December 28, 1999 and a December 9, 1991 memorandum by Secretary and Staff Counsel to the FCPC, Sarah Reynoso, that is attached to the December 28, 1999 memo. (Attachment 4.) Because the BERA provisions relied on in these memoranda have not been amended, and because no other BERA provisions have been added to regulate officeholder accounts, the memoranda’s conclusions remain valid and are still controlling guidance.

Contributions to Officeholder Accounts

Funds raised for Officeholder Accounts in Berkeley are not subject to any limitations, either from the FPPC or BERA. Neither is there a limit on the total amount the Officeholder Account fund may receive in contributions per year. Contributions to an elected official’s Officeholder Account may put that contributor in a more favorable light with the elected official than might otherwise be the case.

Expenditures from Officeholder Accounts

Except for the restriction that Officeholder Account funds cannot be used for “campaign expenses,” BERA does not restrict how funds from Officeholder Accounts can be used.

There are a number of permissible expenditures from Officeholder Accounts that could put an elected official in a favorable light with voters that are not available to a challenger for that office. A donation to a nonprofit organization, although technically not a “campaign expense,” would be seen favorably by those receiving the funds as well as individuals favorably disposed to the nonprofit organization receiving the funds. An individual running against this incumbent would have to draw on their own resources to make contributions to nonprofit organizations.

As long as political campaigns are not included, newsletters mailed to constituents related to events, information, or an officeholder’s position on matters before the Council are a permissible Officeholder Account expenditure. This keeps the incumbent’s name in front of the voter in a way unavailable to a challenger unless they pay for a newsletter and its distribution from their own resources.

Expenditures from Officeholder Account funds for flowers and other expressions of condolences, congratulations, or appreciation, while technically not “campaign expenses,” also increase the probability that the recipient will be favorably predisposed toward the elected official as a candidate for reelection or election to another office. Again, a challenger would have to draw on their own resources to express condolences, congratulations, or appreciation to their potential supporters.

Further, officeholder accounts can be used to pay for a broad range of office expenses, such as meals, travel, parking tickets, or contributions to other candidates or political parties.¹ Eliminating officeholder accounts would reduce reliance on and the influence of private contributions for these expenditures.

Recommendation

To make elections more equitable between challengers and incumbent and for the reasons given above, the Fair Campaign Practices Commission recommends prohibiting Officeholder Accounts.

Berkeley will not be the first to prohibit Officeholder Accounts. The San Jose Municipal Code was amended to prohibit officeholder accounts in January 2008. ([Chapter 12.06 – ELECTIONS, San Jose, CA Code of Ordinances, p. 10](#))

Part 8 - OFFICEHOLDER ACCOUNTS

12.06.810 - Officeholder account prohibited.

No city officeholder, or any person or committee on behalf of a city officeholder may establish an officeholder account or an account established under the Political Reform Act, California Government Code Section 8100 et seq. as amended, for the solicitation or expenditure of officeholder funds. Nothing in this section shall prohibit an officeholder from spending personal funds on official or related business activities.

The following additions to BERA are proposed:

2.12.157 Officeholder Account

“Officeholder Account” means any bank account maintained by an elected officer or by any person or committee on behalf of an elected officer, and whose funds are used for expenses associated with holding office and not for direct campaign purposes.

2.12.441 Officeholder account prohibited

- A. No elected officer, or any person or committee on behalf of an elected officer, may establish an officeholder account.
- B. No elected officer, or any person or committee on behalf of an elected officer, may use contributions, as defined in 2.12.100, for expenses associated with holding office.

¹ Under state law applicable to state elected officials, officeholders may use campaign contributions for “expenses that are associated with holding office.” (Govt. Code, § 89510.) To qualify, expenditures must be “reasonably related to a legislative or governmental purpose.” (*Id.*, § 89512.) “Expenditures which confer a substantial personal benefit shall be directly related to a political, legislative, or governmental purpose.” (*Ibid.*)

- C. Anyone holding an active Officeholder Account on the date this change to BERA is adopted on a second reading by the City Council has one year from that date to terminate their Officeholder Account, in accordance with FPCC guidelines.

ENVIRONMENTAL SUSTAINABILITY

There are no identified environmental effects related to the recommendation in this report.

RATIONALE FOR RECOMMENDATION

This proposed change to BERA will help to level the playing field between challengers and the incumbent running for elective office.

ALTERNATIVE ACTIONS CONSIDERED

A Subcommittee was formed to consider the options of (1) amending the Berkeley Elections Reform Act, BMC Chapter 2.12, to prohibit Officeholder Accounts, (2) amending BERA to mitigate possible advantages incumbents with an Officeholder Accounts have over challengers, or (3) doing nothing with regard to Officeholder Accounts. The four members of the Subcommittee recommended unanimously to the full Commission to amend the Berkeley Elections Reform Act, BMC Chapter 2.12, to prohibit Officeholder Accounts.

The notice shall contain the language in subparagraph (A) and be transmitted or mailed within 10 days of filing the statement of intention to be a candidate.

(2) A contributor to the officeholder account does not violate the contribution limits applying to the officeholder's election to a future elective state office as otherwise provided under Section 85316(b)(3) if, when he or she makes the contribution, the officeholder has not filed a statement of organization to establish a controlled committee for election to a future elective state office.

(5) The officeholder shall terminate the officeholder controlled committee within 90 days of the date the officer's term of office ends or he or she leaves that office, whichever is earlier. SUBJECT: APPLICATION OF BERKELEY ELECTION REFORM ACT TO OFFICEHOLDER ACCOUNTS

ISSUE:

Does the Berkeley Election Reform Act (BERA) govern officeholder accounts?

CONCLUSION:

No. The BERA does not govern true officeholder accounts per se. However, the mere fact that an account may be designated an officeholder account does not insulate it from scrutiny under the BERA or other applicable local law if the officeholder account is not used strictly for officeholder purposes or if some action taken with respect to the officeholder account implicates campaign contributions and expenditures or other applicable local laws.

ANALYSIS:

Sarah Reynoso, former secretary and staff counsel to the Fair Campaign Practices Commission (FCPC), issued an opinion to the FCPC dated December 2, 1991, a copy of which is attached, stating that the BERA's contribution limit does not apply to contributions made to an officeholder account. The opinion reasons that the BERA's contribution limit applies only to "contributions" as defined in the BERA, i.e., which are made directly or indirectly in support of or in opposition to the nomination or election of one or more candidates to elective office. (See Berkeley Municipal Code (BMC) § 2.12.100.) Contributions to a true officeholder account are not made for the purpose of nominating or electing a candidate to office, but rather for the use of an officeholder in carrying out the duties of his or her office. Therefore, the contribution limit of the BERA is inapplicable to officeholder accounts.¹ For similar reasons, the BERA does not

¹ However, the opinion also provided that contributions to officeholder accounts still had to be reported on campaign statements because the State Fair Political Practices Commission (FPPC) Regulations broadly defined contributions as any contribution for "political purposes." Since officeholder expenses are for political purposes, they must be reported to the State.

apply to true officeholder accounts.

The BERA requires the filing of statements to report the amounts received and expended in municipal elections. (See BMC §§ 2.12.015, 2.12.030 through 2.12.050) Specifically, a "campaign statement" required to be filed under the BERA is an itemized report which provides the information required by Sections 2.12.245 through 2.12.325 of the BERA. (BMC § 2.12.080.) Sections 2.12.245 through 2.12.325 govern the reporting of contributions and expenditures. "Contributions" and "expenditures" are defined by the BERA as any amounts received or expended, respectively, in aid of or in opposition to the nomination or election of one or more candidates to elective office. (See BMC §§ 2.12.100 and 2.12.130.) Contributions to or expenditures from a true officeholder account are not subject to the BERA's reporting requirements because they are made for the purpose of carrying out the duties of elective office, and not for the purpose of aiding or opposing the nomination or election of one or more candidates to elective office.² Therefore, the BERA does not apply to true officeholder accounts.

However, the fact that an account may be designated as an officeholder account will not shield it from scrutiny under the BERA if the officeholder account is, in fact, being used for the receipt of contributions or the making of expenditures in aid of the nomination or election of a candidate for local elective office. Nor will BERA requirements, such as the \$250 contribution limit or the prohibition against contributions from businesses to candidates, be held inapplicable if contributions made initially to an officeholder account are transferred subsequently to a campaign account. Where the actions taken with respect to an officeholder account implicate campaign contributions and expenditures in municipal elections, the officeholder account will be scrutinized under the BERA and other applicable local law.

² Again, however, the State FPPC still requires the reporting of activity relating to an officeholder account. (See footnote 1.)
