Preliminary Matters

Roll Call:

Land Acknowledgement Statement: *The City of Berkeley recognizes that the community we live in was built on the territory of xučyun (Huchiun (Hooch-yoon)), the ancestral and unceded land of the Chochenyo (Cho-chen-yo)-speaking Ohlone (Oh-low-nee) people, the ancestors and descendants of the sovereign Verona Band of Alameda County. This land was and continues to be of great importance to all of the Ohlone Tribes and descendants of the Verona Band. As we begin our meeting tonight, we acknowledge and honor the original inhabitants of Berkeley, the documented 5,000-year history of a vibrant community at the West Berkeley Shellmound, and the Ohlone people who continue to reside in the East Bay. We recognize that Berkeley's residents have and continue to benefit from the use and occupation of this unceded stolen land since the City of Berkeley's incorporation in 1878. As stewards of the laws regulating the City of Berkeley, it is not only vital that we recognize the history of this land, but also recognize that the Ohlone people are present members of Berkeley and other East Bay communities today. The City of Berkeley will continue to build relationships with the Lisjan Tribe and to create meaningful actions that uphold the intention of this land acknowledgement.*

Ceremonial Matters: *In addition to those items listed on the agenda, the Mayor may add additional ceremonial matters.*

City Manager Comments: *The City Manager may make announcements or provide information to the City Council in the form of an oral report. The Council will not take action on such items but may request the City Manager place a report on a future agenda for discussion.*

Public Comment on Non-Agenda Matters: *Persons will be selected to address matters not on the Council agenda. If five or fewer persons wish to speak, each person selected will be allotted two minutes each. If more than five persons wish to speak, up to ten persons will be selected to address matters not on the Council agenda and each person selected will be allotted one minute each. Persons attending the meeting in-person and wishing to address the Council on matters not on the Council agenda during the initial ten-minute period for such comment, must submit a speaker card to the City Clerk in person at the meeting location and prior to commencement of that meeting. The remainder of the speakers wishing to address the Council on non-agenda items will be heard at the end of the agenda.*

Consent Calendar

The Council will first determine whether to move items on the agenda for "Action" or "Information" to the "Consent Calendar", or move "Consent Calendar" items to "Action." Three members of the City Council must agree to pull an item from the Consent Calendar or Information Calendar for it to move to Action. Items that remain on the "Consent Calendar" are voted on in one motion as a group. "Information" items are not discussed or acted upon at the Council meeting unless they are moved to "Action" or "Consent".

No additional items can be moved onto the Consent Calendar once public comment has commenced. At any time during, or immediately after, public comment on Information and Consent items, any Councilmember may move any Information or Consent item to "Action." Following this, the Council will vote on the items remaining on the Consent Calendar in one motion.

For items moved to the Action Calendar from the Consent Calendar or Information Calendar, persons who spoke on the item during the Consent Calendar public comment period may speak again at the time the matter is taken up during the Action Calendar.

Public Comment on Consent Calendar and Information Items Only: *The Council will take public comment on any items that are either on the amended Consent Calendar or the Information Calendar. Speakers will be entitled to two minutes each to speak in opposition to or support of Consent Calendar and Information Items. A speaker may only speak once during the period for public comment on Consent Calendar and Information items.*

CURRENT SITUATION AND ITS EFFECTS

The Berkeley City Auditor has Charter authority and responsibility to conduct performance and financial audits or special studies of all phases of the City of Berkeley government in accordance with government auditing standards. The Auditor is required to retain workpaper files concerning all reports for at least three years.

On January 21, 2020, the City entered into Contract No 32000180 with Missionmark to procure its audit management and recommendation tracking software to better manage audit records and to increase transparency through the public recommendation dashboard. The original contract was not to exceed \$4,000.

On May 20, 2020, the City amended Contract No 32000180 with Missionmark to secure the software at a discounted rate through May 31, 2023. This amendment increased the contract NTE to \$24,000.

The funds in the contract with Missionmark have been exhausted. Moreover, the Auditor's Office would like to continue to use the audit management software; therefore, a contract amendment is necessary to continue this contract through May 2027 with additional funding.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

There are no identifiable environmental sustainability and climate effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

Missionmark has provided a robust platform through which auditors within the Auditor's Office can document, track, and manage audits and audit recommendations. The software is utilized by users outside the Auditor's Office as well, to track progress on audit recommendations.

Disaster and Fire Safety Commission

CONSENT CALENDAR  
May 9, 2023

To: Honorable Mayor and Members of the City Council  
From: Disaster and Fire Safety Commission  
Submitted by: Weldon Bradstreet, Chairperson, Disaster and Fire Safety Commission  
Subject: Approval of Additional Disaster and Fire Safety Commission Meeting

RECOMMENDATION

Adopt a Resolution approving the request from the Disaster and Fire Safety Commission (the “Commission”) to hold one additional meeting in calendar year 2023.

FISCAL IMPACTS OF RECOMMENDATION

Minimal staff time and resources.

BACKGROUND

On December 12, 2014, Berkeley City Council adopted Resolution No. 66,861-N.S. that established a Commission Meeting Frequency Schedule for 2015. The Disaster and Fire Safety Commission was allocated a maximum of ten meetings a year. Additional meetings require Council approval.

ENVIRONMENTAL SUSTAINABILITY AND CLIMATE IMPACTS

None.

RATIONALE FOR RECOMMENDATION

On January 25, 2023, the Berkeley Fire Department offered the Commission an opportunity to receive presentations on the final draft report on the Standards of Coverage Analysis and Community Risk Assessment, and the Fire Facilities Master Plan at a future Commission meeting.

Measure FF funded both the studies and since the Commission is charged with oversight of Measure FF expenditures by the Berkeley Fire Department, it is appropriate that the Commission receive presentations on the above referenced studies as part of the Commission’s regular oversight activities. The Commission will require an extra meeting during 2023 to receive these presentations, as neither presentation will fit within the Commission’s current meeting schedule. An extra meeting would also provide further opportunity for public comment on the Standards of Coverage Analysis and the Fire Facilities Master Plan.

On March 22, 2023, the Commission passed a motion to request approval for an additional meeting.

Motion to request from City Council one additional meetings for 2022: Bedolla, Second: Gordon, Vote: ( 5 Ayes: Bradstreet, Gordon, Bedolla, Dean, Murphy;; 0 Noes;; 2 Absent: Stein, Raine;; 0 Abstain;)

ALTERNATIVE ACTIONS CONSIDERED

CITY MANAGER

The City Manager concurs with the content and recommendations of the Commission's Report.

Office of the City Manager

November 9, 2020

To: Mayor and Council  
From: Dee Williams-Ridley, City Manager  
Subject: Commission Meetings Under COVID-19 Emergency (Item 20)

---

This memo provides supplemental information for the discussion on Item 20 on the November 10, 2020 Council agenda. Below is a summary and update of the status of meetings of Berkeley Boards and Commissions during the COVID-19 emergency declaration and the data collected by the City Manager on the ability of commissions to resume meetings in 2021.

On March 10, 2020 the City Council ratified the proclamation of the Director of Emergency Services for a state of local emergency related to the COVID-19 pandemic. The emergency proclamation has been renewed twice by the Council and remains in effect.

On March 17, 2020 the City Council adopted Resolution No. 69,331-N.S. which placed limitations of the meetings of City legislative bodies, including all boards and commissions. The resolution allows for commissions to meet to conduct time-sensitive, legally mandated business with the authorization of the City Manager. Since that time, several commissions have obtained this approval and held meetings; many other commissions have not met at all since March.

The City Manager has periodically reviewed the status of commission meetings with the City Council Agenda & Rules Committee. Recently, at the October 12, 2020 Agenda & Rules Committee meeting, the City Manager presented a proposal to allow all commissions to meet under limited circumstances. The Committee voted to endorse the City Manager's recommendation.

Effective October 12, 2020, all City boards and commissions may meet once to develop and finalize their work plan for 2021 and to complete any Council referrals directly related to the COVID-19 pandemic response. A second meeting may be held to

complete this work with specific authorization by the City Manager. It is recommended that the meeting(s) occur by the end of February 2021.

Commissions that have been granted permission to meet under Resolution No. 69,331-N.S. may continue to meet pursuant to their existing authorization, and may also meet to develop their 2021 work plan.

Commissions that have not requested meetings pursuant to the Resolution No. 69,331-N.S. may meet pursuant to the limitations listed above.

In response to questions from the Agenda & Rules Committee and the Council, the City Manager polled all departments that support commissions to obtain information on their capacity to support the resumption of regular commission meetings. The information in Attachment 1 shows the information received from the departments and notes each commission's ability to resume a regular, or semi-regular, meeting schedule in 2021.

In summary, there are 24 commissions that have staff resources available to support a regular meeting schedule in 2021. Seven of these 24 commissions have been meeting regularly during the pandemic. There are five commissions that have staff resources available to support a limited meeting schedule in 2021. There are seven commissions that currently do not have staff resources available to start meeting regularly at the beginning of 2021. Some of these seven commissions will have staff resources available later in 2021 to support regular meetings. Please see Attachment 1 for the full list of commissions and their status.

With regards to commission subcommittees, there has been significant discussion regarding the ability of staff to support these meetings in a virtual environment. Under normal circumstances, the secretary's responsibilities regarding subcommittees is limited to posting the agenda and reserving the meeting space (if in a city building). With the necessity to hold the meetings in a virtual environment and be open to the public, it is likely that subcommittee meetings will require significantly more staff resources to schedule, train, manage, and support the work of subcommittees on Zoom or a similar platform. This additional demand on staff resources to support commission subcommittees is not feasible for any commission at this time.

One possible option for subcommittees is to temporarily suspend the requirement for ad hoc subcommittees of city commissions to notice their meetings and require public participation. Ad hoc subcommittees are not legislative bodies under the Brown Act and are not required to post agendas or allow for public participation. These requirements are specific to Berkeley and are adopted by resolution in the Commissioners' Manual. If it is the will of the Council, staff could introduce an item to temporarily suspend these

requirements which will allow subcommittees of all commissions to meet as needed to develop recommendations that will be presented to the full commission.

The limitations on the meetings of certain commissions are due to the need to direct staff resources and the resources of city legislative bodies to the pandemic response. Some of the staff assigned as commission secretaries are engaged in work with the City Emergency Operations Center or have been assigned new duties specifically related to the impacts of the pandemic.

Meeting frequency for boards and commissions will continue to be evaluated on a regular basis by the City Manager and the Health Officer in consultation with Department Heads and the City Council.

On March 10, 2020, the City Council ratified the proclamation of the Director of Emergency Services for a state of local emergency related to the COVID-19 pandemic. The emergency proclamation has been renewed twice by the Council and remains in effect.

On March 17, 2020, the City Council adopted Resolution No. 69,331-N.S. which placed limitations of the meetings of City legislative bodies, including all boards and commissions. The resolution allows for commissions to meet to conduct time-sensitive, legally mandated business with the authorization of the City Manager. Since that time, several commissions have obtained this approval and held meetings; many other commissions have not met at all since March.

The City Manager has periodically reviewed the status of commission meetings with the City Council Agenda & Rules Committee. Recently, at the October 12, 2020, Agenda & Rules Committee meeting, the City Manager presented a proposal to allow all commissions to meet under limited circumstances. The Committee voted to endorse the City Manager's recommendation.

Effective October 12, 2020, all City boards and commissions may meet once to develop and finalize their work plan for 2021 and to complete any Council referrals directly related to the COVID-19 pandemic response. A second meeting may be held to complete this work with specific authorization by the City Manager. It is recommended that the meeting(s) occur by the end of February 2021.

Commissions that have been granted permission to meet under Resolution No. 69,331-N.S. may continue to meet pursuant to their existing authorization, and may also meet to develop their 2021 work plan.

Commissions that have not requested meetings pursuant to the Resolution No. 69,331-N.S. may meet pursuant to the limitations listed above.

Re: Commission Meetings During COVID-19 Emergency

To assist commissions with the development of their work plan and to provide the City Council with a consistent framework to review the work plans, the City Manager has developed the following items to consider in developing the work plan that is submitted to the City Council agenda.

Prompts for Commissions to use in work plan:

- What commission items for 2021 have a direct nexus with the COVID-19 response or are the result of a City Council referral pertaining to COVID-19?
- What commission items for 2021 are required for statutory reasons?
- What commission items for 2021 are required for budgetary or fund allocation reasons?
- What commission items for 2021 support council-adopted or voter-adopted mission critical projects or programs?
- What are the anticipated staff demands (above and beyond baseline) for analysis, data, etc., to support commission work in 2021 (baseline duties = posting agendas, creating packets, attend meetings, minutes, etc.)?

The limitations on commission meetings are due to the need to direct staff resources and the resources of city legislative bodies to the pandemic response. Many of the staff assigned as commission secretaries are engaged in work with the City Emergency Operations Center or have been assigned new specific duties related to the impacts of the pandemic.

Meeting frequency for boards and commissions will continue to be evaluated on a regular basis by the City Manager in consultation with Department Heads and the City Council. More frequent meetings by commissions will be permitted as the conditions under COVID-19 dictate.

Thank you for your service on our boards and commissions. The City values the work of our commissions and we appreciate your partnership and understanding as we address this pandemic as a resilient and vibrant community.

Subject: Return to In-Person City Council Meetings and Status of Meetings of City Legislative Bodies

---

This memo provides an update regarding the return to in-person meetings by the City Council and other legislative bodies.

On October 19, 2022 the Agenda & Rules committee discussed the return to in-person meetings and recommended that the City Council return to in-person meetings starting with the December 6, 2022 meeting. The in-person meetings of the City Council will continue to allow for remote participation by the public.

Governor Newsom announced that he will end the statewide emergency declaration for COVID-19 on February 28, 2023. Rescinding the emergency declaration will end the exemptions to the Brown Act that were codified in AB 361. These exemptions allowed for remote participation by members of the legislative bodies without the need to notice the remote participation location or make the remote location accessible to the public.

In the past legislative session, AB 2449 was signed into law to extend the Brown Act exemptions in AB 361, but only for certain circumstances and for a limited duration of time. The provisions of AB 2449 are cumbersome and complicated and do not provide any long-term extension of the Brown Act exemptions used during the statewide declared emergency. A summary of AB 2449 is attached to this memo.

After February 28, 2023, if a member of the City Council participates remotely, but does not qualify for the exemptions in AB 2449, the remote location will be listed on the agenda, and the remote location must be available to the public.

### **Hybrid Meetings of the City Council**

Since the start of the pandemic in March of 2020, the City Council has held six hybrid meetings from the Boardroom. These hybrid meetings allowed for in-person participation and virtual participation for the public and the City Council. The meetings

were successful from a technology and logistics standpoint and a regular return to hybrid meetings should be manageable from a staff and meeting management perspective. Resources and processes will be continuously evaluated by staff throughout the transition to a regular hybrid meeting structure.

For the hybrid meetings staff developed meeting protocols for members of the public in attendance and the City Council. With the changing public health conditions related to COVID-19, these meeting protocols need to be reviewed and revised prior to the December 6 meeting. The current version of the protocols that were last used in June 2022 are attached for review.

City staff will continue to test the Boardroom technology with the IT Department, BUSD IT, and Berkeley Community Media to ensure smooth functionality. Communication with the public about the return to in-person (hybrid) meetings will be sent out through multiple channels in advance of December 6.

### **Status of Other Legislative Bodies**

City boards and commissions have been meeting virtual-only during the state declared emergency. When the state declared emergency expires on February 28, 2023, these bodies will return to in-person only meetings.

With over 30 commissions, there are approximately 350 commission meetings per year. Often there are multiple commissions meeting on the same day. The City does not currently have the videoconference infrastructure in place to provide for hybrid meetings for commissions. In addition, in a hybrid setting it is more difficult to manage and conduct meetings while attempting to provide meaningful participation by commissioners and the public. City staff will communicate with commission secretaries and commissioners to facilitate the transition back to in-person meetings. Staff will also analyze the costs for expanding videoconference capabilities throughout the City.

City Council policy committees may have the potential to meet in a hybrid format after February 28, 2023. In order to accommodate hybrid meetings, the videoconference capabilities in 2180 Milvia will need to be significantly expanded. This analysis is currently underway.

For both commissions and policy committees, the videoconference aspect of the meeting is for the public only. The members of the legislative bodies will be at the physical meeting location as previously discussed.

## Summary of AB 2449 (Att. 1)

### **Current Law**

Under current law [AB 361 (R. Rivas), Chapter 165, Statutes of 2021], The exemptions included in AB 361 only apply during a declared state of emergency as defined under the California Emergency Services Act. (Gov. Code §§ 52953(e)(1), (e)(4).) In addition, one of the following circumstances must apply:

- State or local officials have imposed or recommended measures to promote social distancing.
- The legislative body is meeting to determine whether, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.
- The legislative body has determined that, as a result of the emergency, meeting in person presents imminent risks to the health or safety of attendees.

With the lifting of the State of Emergency, the provisions of AB 361 cannot be met, and therefore localities must return to pre-pandemic Brown Act provisions.

### **Recently Enacted Legislation on Remote Meetings**

The State legislature recently enacted, and the Governor signed AB 2449 (Rubio) [Chapter 285, Statutes of 2022] which provides under incredibly limited circumstances, the ability to have a minority amount of a Brown Act body members participate remotely. The measure is slated to sunset January 1, 2026.

### General Requirements

1. A quorum of the council must participate in person at its public meeting site within the boundaries of the jurisdiction (e.g., city hall/council chambers).
2. A member who wishes to participate remotely must have either “just cause” or “emergency circumstances.”

“Just cause” is defined as:

- A childcare or caregiving need of a child, parent, grandparent, grandchild, sibling, spouse, or domestic partner that requires the councilmember to participate remotely.
- A contagious illness that prevents a member from attending in person.
- A need related to a physical or mental disability not otherwise accommodated under the ‘reasonable accommodation’ provisions of the Americans with Disabilities Act.
- Travel while on official business of the legislative body or another state or local agency.

“Emergency circumstances” is defined as “a physical or family medical emergency that prevents a member from attending in person.”

### Procedures and Limitations

A. When using the ‘Just cause’ exception:

1. The elected/appointed official must provide a general description of the circumstances relating to their need at the earliest opportunity possible, including at the start of the meeting.
2. A councilmember may not appear remotely due to “just cause” for more than two meetings per calendar year.

B. When using the 'emergency circumstances' exception:

1. The elected/appointed official must give a general description of the emergency circumstances, but the member is not required to disclose any medical diagnosis, disability, or personal medical information.
2. The governmental body must take action to approve the request prior to the remote participant being able to participate in any further business.

C. In all circumstances the following must occur:

1. The elected/appointed official must disclose at the meeting before any action is taken whether any other individuals 18 years of age or older are present in the room at the remote location with the member, and the general nature of the member's relationship with any such individuals.
2. The member must participate through both audio and visual technology (e.g., the member must be on-screen).

D. Limited use despite narrow circumstances:

1. A member cannot attend meetings remotely for a period of more than three consecutive months or 20 percent of the regular meetings for the local agency within a calendar year, or more than two meetings if the legislative body regularly meets fewer than 10 times per calendar year.

## Hybrid Meeting Policies for City Council Meetings Revised May 2022

The policy below covers the conduct of hybrid City Council meetings (in-person and remote participation) held in accordance with the Government Code and any relevant Executive Orders or State declared emergencies. These administrative policies supplement the City Council Rules of Procedure and Order.

City Council policy committees and city boards and commissions will continue to meet in a virtual-only setting until the City Council makes the required findings under state law that in-person meetings may resume.

### I. Vaccination Status

Prior to entry, all in-person attendees at the meeting location must present valid proof of “up-to-date” COVID-19 vaccination or a verified negative test conducted within one day prior for an antigen test or two days prior for a PCR test. An attendee is “up-to-date” with their vaccinations if:

- It has been less than 2 months after receiving the initial dose of their Johnson & Johnson Vaccine.
- It has been less than 5 months after receiving the second dose of their two-dose Pfizer or Moderna initial series.
- The attendee has received a booster.

#### *Pre-entry negative testing*

*Definition: Testing must be conducted within one day for an antigen test and within two days for a PCR test prior to entry into an event. Results of the test must be available prior to entry into the facility or venue. Children under 2 years of age are exempt from the testing requirement, consistent with [CDC guidance](#).*

*Verification: See current [CDPH Updated Testing Guidance](#) and [CDPH Over-the-Counter Testing Guidance](#) for acceptable methods of proof of negative COVID-19 test result and information on Over-the-Counter tests. Note: Self-attestation may not be used to verify negative test result, even when using Over-the-Counter (or at home tests) for entry into Indoor Mega Events.*

### II. Health Status Precautions

If a person who desires to attend the meeting in-person is feeling sick, including but not limited to, cough, shortness of breath or difficulty breathing,

fever or chills, muscle or body aches, vomiting or diarrhea, or new loss of taste or smell, they will be advised to attend the meeting remotely.

If an in-person attendee has been in close contact, as defined below, with a person who has tested positive for COVID-19 in the past five days, they are advised to attend the meeting remotely.

Close contact is defined as being within approximately 6 feet for greater than 15 minutes over 24 hours within 2 days before symptoms appear (or before a positive test for asymptomatic individuals); or having contact with COVID-19 droplets (e.g., being coughed on while not wearing recommended personal protective equipment).

A voluntary sign in sheet will be available at the meeting entry for in-person attendees. This will assist with contact tracing in case of COVID-19 contact resulting from the meeting.

### **III. Face Coverings/Mask**

Face coverings or masks that cover both the nose and mouth are required for all attendees at an in-person City Council meeting. Face coverings will be provided by the City and available for attendees to use at the meeting. Members of the City Council, city staff, and the public are required to wear a mask at all times, except when speaking publicly from the dais or at the public comment podium.

If an attendee at a Council meeting is not wearing a mask, a mask will be offered to them to use. If the attendee refuses to wear a mask, a recess will be called in order to provide guidance to the attendee on the requirement and their options for attending remotely and in-person.

Private security personnel will be the primary person for requesting compliance. If removal of a non-compliant person is needed, law enforcement personnel will perform this task.

### **IV. Physical Distancing**

Currently, there are no physical distancing requirements in place by the State of California or the Local Health Officer for an indoor event similar to a Council meeting.

Audience seating capacity will be at regular allowable levels per the Fire Code. The relevant capacity limits will be posted at the meeting location.

However, all attendees are requested to be respectful of the personal space of other attendees. An area of the public seating area will be designated as “distanced seating” to accommodate persons with a medical status that requires distancing and for those that choose to distance for personal health reasons.

Conference room capacity is limited to 15 persons.

City staff will present remotely in order to reduce the number of persons in the Boardroom and back conference area.

Distancing is encouraged for the dais and partitions will be used as needed for the seating positions on the dais.

**V. Protocols for Remote Participation by Mayor or Councilmembers**

Upon the repeal of the state-declared emergency, all standard Brown Act requirements will be in effect for members of the Council participating remotely. For the Mayor and Councilmembers participating remotely, the remote location must be accessible to the public and the public must be able to participate and give public comment from the remote location.

- A Councilmember at a remote location will follow the same policies as the Boardroom with regards to vaccination status and testing requirements, health status precautions, and masking requirements.
- A Councilmember at a remote location may impose reasonable capacity limits at their location.

**VI. Hand Washing/Sanitizing**

There are hand sanitizing stations placed at the entry and strategically throughout the Boardroom. The bathrooms have soap and water for handwashing.

**VII. Air Flow/Circulation/Sanitizing**

Berkeley Unified Facilities Staff performs a vigorous cleaning process after each use of the Boardroom. BUSD upgraded all HVAC filtration to MERV13, and with the inclusion of Needlepoint BiPolar Ionization, is achieving a rating that is closer to MERV18. Additionally, BUSD installed indoor air quality monitoring sensors in all facilities that constantly monitor Volatile Organic Compounds, CO<sub>2</sub>, Relative Humidity, and Temperature. The sensors and alarms allow BUSD to ensure that all systems are working properly and as

designed. If a sensor trips an alarm, a work order request is generated immediately to ensure the system is repaired expeditiously.

**VIII. Overflow in Gymnasium**

An overflow indoor seating area will be available at the West Campus Gymnasium if staff determines that attendance is likely to exceed the capacity of the Boardroom. The capacity of the gymnasium is 200 persons. The overflow area will have a broadcast of the meeting in progress to allow participants to follow the proceedings and move to the Boardroom at the appropriate time to provide public comment if desired. This area will be monitored by the BUSD security personnel.

**IX. In-Meeting Procedures**

**Revised and Supplemental Materials**

All revised and supplemental materials for items on the agenda submitted after 12:00pm (noon) the day prior to the meeting must be submitted to the City Clerk in both paper AND electronic versions.

- Paper: 42 copies delivered to the Boardroom (distributed per normal procedure)
- Electronic: e-mailed to the Agenda Inbox (posted online)

**Communications from the Public**

The public may submit communications in hard copy at the Boardroom or electronically to [clerk@cityofberkeley.info](mailto:clerk@cityofberkeley.info). To ensure that both in-person and remote Councilmembers receive the communication, the public should submit 10 copies at the Boardroom and send the electronic version to the e-mail listed above.

Private security personnel will be the primary person for requesting compliance. If removal of a non-compliant person is needed, law enforcement personnel will perform this task.

### **IV. Physical Distancing**

Currently, there are no physical distancing requirements in place by the State of California or the Local Health Officer for an indoor event similar to a Council meeting.

Audience seating capacity will be at regular allowable levels per the Fire Code. However, all attendees are requested to be respectful of the personal space of other attendees. An area of the public seating area will be designated as

“distanced seating” to accommodate persons with a medical status that requires distancing and for those that choose to distance for personal health reasons.

Conference room capacity is limited to 15 persons. The relevant capacity limits will be posted at the meeting location.

City staff will present remotely in order to reduce the number of persons in the Boardroom and back conference area.

Distancing is encouraged for the dais and partitions will be used as needed for the seating positions on the dais.

**V. Protocols for Remote Participation by Mayor or Councilmembers**

Upon the repeal of the state-declared emergency, all standard Brown Act requirements will be in effect for members of the Council participating remotely. For the Mayor and Councilmembers participating remotely, the remote location must be accessible to the public and the public must be able to participate and give public comment from the remote location.

- A Councilmember at a remote location will follow the same policies as the Boardroom with regards to vaccination status and testing requirements, health status precautions, and masking requirements.
- A Councilmember at a remote location may impose reasonable capacity limits at their location.

**VI. Hand Washing/Sanitizing**

There are hand sanitizing stations placed at the entry and strategically throughout the Boardroom. The bathrooms have soap and water for handwashing.

**VII. Air Flow/Circulation/Sanitizing**

Berkeley Unified Facilities Staff performs a vigorous cleaning process after each use of the Boardroom. BUSD upgraded all HVAC filtration to MERV13, and with the inclusion of Needlepoint BiPolar Ionization, is achieving a rating that is closer to MERV18. Additionally, BUSD installed indoor air quality monitoring sensors in all facilities that constantly monitor Volatile Organic Compounds, CO<sub>2</sub>, Relative Humidity, and Temperature. The sensors and alarms allow BUSD to ensure that all systems are working properly and as designed. If a sensor trips an alarm, a work order request is generated immediately to ensure the system is repaired expeditiously.

**VIII. Overflow in Gymnasium**

An overflow indoor seating area will be available at the West Campus Gymnasium for every meeting. The capacity of the gymnasium is 200 persons. The overflow area will have a broadcast of the meeting in progress to allow participants to follow the proceedings and move to the Boardroom at the appropriate time to provide public comment if desired. This area will be monitored by the BUSD security personnel.

**IX. Food Provided for Elected Officials and Designated Staff**

- No buffet dinner provided. Box lunches only. Maximum of 16 (Mayor & Council [9], City Manager, City Attorney, City Clerk [2], Deputy City Managers [2], BCM Staff)
- Individually packaged snacks will be provided on a common table and drinks will be available in the refrigerator.

**X. In-Meeting Procedures**

**Revised and Supplemental Materials from Staff and Council**

All revised and supplemental materials for items on the agenda submitted after 12:00pm (noon) the day prior to the meeting must be submitted to the City Clerk in both paper AND electronic versions.

- Paper: 42 copies delivered to the Boardroom (distributed per normal procedure)
- Electronic: e-mailed to the Agenda Inbox (posted online)

**Communications from the Public**

A communication submitted by the public during the City Council meeting may be shared as follows.

- Paper: If requested by the Presiding Officer, the document can be displayed in the Boardroom and screen shared on the Zoom.
- Electronic: If requested by the Presiding Officer, the document can be displayed in the Boardroom and screen shared on the Zoom.

Re: Continuing Use of Teleconferencing for Public Meetings

---

Assembly Bill 361 amended the Ralph M. Brown act to authorize the City to continue to hold teleconferenced meetings during a Governor-declared state of emergency without complying with a number of requirements ordinarily applicable to teleconferencing. For example, under AB 361, the City may hold teleconferenced meetings without:

1. Posting agendas at all teleconference locations
2. Listing each teleconference location in the notice and agenda for the meeting
3. Allowing the public to access and provide public comment from each teleconference location
4. Requiring a quorum of the body to teleconference from locations within City boundaries

(Cal. Gov. Code § 549539(b)(3) & (e)(1).)

Under AB 361, the City can continue to hold teleconferenced meetings without adhering to the above practices as long as the state of emergency continues and either (1) “state or local officials have imposed or recommended measures to promote social distancing,” or (2) the City determines that “meeting in person would present imminent risks to the health or safety of attendees.” (Cal. Gov. Code § 54953(e)(1).)

Every thirty days, the City must review and determine that either of the above conditions continues to exist. (Cal. Gov. Code § 54953(e)(3).) Since September 28, 2021, the City Council has passed a recurring resolution every thirty days determining that both of the above conditions continue to exist and therefore teleconferencing under AB 361 is warranted. The Council may continue to renew the teleconferencing resolution every thirty days, and thereby continue to hold teleconferenced meetings under the procedures it has used throughout the pandemic, until the state of emergency ends. (See Cal. Gov. Code § 54953(e)(3)(A).)

The state of emergency for COVID-19 has been in effect since it was issued by the Governor on March 4, 2020. There is no clear end date for the state of emergency at this time. As recently as February 17, 2022, the Governor stated that, for now, the state will continue to operate under the state of emergency, but that his goal is “to unwind the state

March 2, 2022

Page 2 Re: Continuing Use of Teleconferencing for Public Meetings

of emergency as soon as possible.”<sup>1</sup> Additionally, per a February 25, 2022 *Los Angeles Times* article, Newsom administration officials have indicated that the state of emergency is necessary for the State’s continued response to the pandemic, including measures such as waiving licensing requirements for healthcare workers and clinics involved in vaccination and testing.<sup>2</sup>

On March 15, 2022, the California State Senate Governmental Organization Committee will consider a resolution (SCR 5) ending the state of emergency.<sup>3</sup> Some reporting suggests that the Republican-sponsored resolution is unlikely to pass. Notably, Senate Leader Toni Atkins’ statement on the Senate’s consideration of SCR 5 articulates strong support for the state of emergency.<sup>4</sup>

The Governor has issued an executive order (N-1-22) which extends to March 31, 2022 sunset dates for teleconferencing for state legislative bodies (under the Bagley-Keene Open Meeting Act) and student body organizations (under the Gloria Romero Open Meetings Act).<sup>5</sup> Executive Order N-1-22 does not affect the Brown Act teleconferencing provisions of AB 361, which have a sunset date of January 1, 2024. Therefore, until January 1, 2024, the City may utilize the teleconferencing provisions under AB 361 as long as the state of emergency remains in effect.

## Hybrid Meeting Policies for City Council Meetings Revised April 2022

The policy below covers the conduct of hybrid City Council meetings (in-person and remote participation) held in accordance with the Government Code and any relevant Executive Orders or State declared emergencies.

### I. Vaccination Status

Prior to entry, all in-person attendees at the meeting location must present valid proof of “up-to-date” COVID-19 vaccination or a verified negative test conducted within one day prior for an antigen test or two days prior for a PCR test. An attendee is “up-to-date” with their vaccinations if:

- It has been less than 2 months after receiving the initial dose of their Johnson & Johnson Vaccine.
- It has been less than 5 months after receiving the second dose of their two-dose Pfizer or Moderna initial series.
- The attendee has received a booster.

#### *Pre-entry negative testing*

*Definition: Testing must be conducted within one day for an antigen test and within two days for a PCR test prior to entry into an event. Results of the test must be available prior to entry into the facility or venue. Children under 2 years of age are exempt from the testing requirement, consistent with [CDC guidance](#).*

*Verification: See current [CDPH Updated Testing Guidance](#) and [CDPH Over-the-Counter Testing Guidance](#) for acceptable methods of proof of negative COVID-19 test result and information on Over-the-Counter tests. Note: Self-attestation may not be used to verify negative test result, even when using Over-the-Counter (or at home tests) for entry into Indoor Mega Events.*

### II. Health Status Precautions

If a person who desires to attend the meeting in-person is feeling sick, including but not limited to, cough, shortness of breath or difficulty breathing, fever or chills, muscle or body aches, vomiting or diarrhea, or new loss of taste or smell they will be advised to attend the meeting remotely.

If an in-person attendee has been in close contact, as defined below, with a person who has tested positive for COVID-19 in the past five days, they will be advised to attend the meeting remotely.

Close contact is defined as being within approximately 6 feet for greater than 15 minutes over 24 hours within 2 days before symptoms appear (or before a positive test for asymptomatic individuals); or having contact with COVID-19 droplets (e.g., being coughed on while not wearing recommended personal protective equipment relative to employees' duties and responsibilities).

A voluntary sign in sheet will be available at the meeting entry for in-person attendees. This will assist with contact tracing in case of COVID contact resulting from the meeting.

### **III. Face Coverings/Mask**

Following the State of California and Local Health Officer Guidance, face coverings or masks that cover both the nose and mouth are required for all attendees at an in-person City Council meeting. Face coverings will be provided by the City and available for attendees to use at the meeting. Members of the City Council, city staff, and the public are required to wear a mask at all times, including when speaking publicly at the meeting.

If an attendee at a Council Meeting is not wearing a mask, a mask will be offered to them to use. If the attendee refuses to wear a mask, a recess will be called in order to provide guidance to the attendee on the requirement and their options for attending remotely and in-person.

Private security personnel will be the primary person for requesting compliance. If removal of a non-compliant person is needed, law enforcement personnel will perform this task.

### **IV. Physical Distancing**

# URGENT ITEM AGENDA MATERIAL

Government Code Section 54954.2(b)  
Rules of Procedure Chapter III.C.5

**THIS ITEM IS NOT YET AGENDIZED AND MAY OR MAY NOT BE ACCEPTED FOR THE AGENDA AS A LATE ITEM, SUBJECT TO THE CITY COUNCIL’S DISCRETION ACCORDING TO BROWN ACT RULES**

**Meeting Date: September 28, 2021**

**Item Description: Resolution Making Required Findings Pursuant to the Government Code and Directing City Legislative Bodies to Continue to Meet Via Videoconference and Teleconference**

This item is submitted pursuant to the provision checked below:

- Emergency Situation (54954.2(b)(1) - majority vote required)  
*Determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.*
- Immediate Action Required (54954.2(b)(2) - two-thirds vote required)  
*There is a need to take immediate action and the need for action came to the attention of the local agency subsequent to the agenda for this meeting being posted.*

Once the item is added to the agenda (Consent or Action) it must be passed by the standard required vote threshold (majority, two-thirds, or 7/9).

### **Facts supporting the addition of the item to the agenda under Section 54954.2(b) and Chapter III.C.5 of the Rules of Procedure:**

Assembly Bill 361 (Rivas) was signed by the Governor on September 16, 2021. This bill allows local legislative bodies to meet using videoconference technology while maintaining the Brown Act exemptions in Executive Order N-29-20 for noticing and access to the locations from which local officials participate in the meeting. Local agencies may only meet with the exemption if there is a state declared emergency.

The bill also requires that local legislative bodies meeting only via videoconference under a state declared emergency to make certain findings every 30-days regarding the need to meet in a virtual-only setting.

The agenda for the September 28, 2021 was finalized and published prior to the Governor signing AB 361 in to law. Thus, the need to take action came to the attention of the local agency after the agenda was distributed. This item qualifies for addition to the agenda with a two-thirds vote of the Council under Government Code Section 54954.2(b)(2).

Office of the City Attorney

CONSENT CALENDAR  
September 28, 2021

To: Honorable Mayor and Members of the City Council  
Madame City Manager

From: Farimah Faiz Brown, City Attorney

Subject: Resolution Making Required Findings Pursuant to the Government Code and Directing City Legislative Bodies to Continue to Meet Via Videoconference and Teleconference

RECOMMENDATION

Adopt a resolution making the required findings pursuant to Government Code Section 54953(e)(3) and determining that as a result of the continued threat to public health and safety posed by the spread of COVID-19, City legislative bodies shall continue to meet via videoconference and teleconference.

FISCAL IMPACT OF RECOMMENDATION

To be determined.

CURRENT SITUATION AND ITS EFFECTS

Pursuant to California Government Code section 8630 and Berkeley Municipal Code Chapter 2.88.040, on March 3, 2020, the City Manager, in her capacity as Director of Emergency Services, proclaimed a local emergency due to conditions of extreme peril to the safety of persons and property within the City as a consequence of the global spread of a severe acute respiratory illness caused by a novel (new) coronavirus (COVID-19), including a confirmed case in the City of Berkeley. As a result of multiple confirmed and presumed cases in Alameda County, the County has declared a local health emergency. On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency due to the spread of COVID-19. On March 10, 2020, the City Council ratified the Proclamation of Local Emergency with the passage of Resolution No. 69-312.

On March 17, 2020, Governor Newsom signed Executive Order N-29-20, which suspended certain portions of the Ralph M. Brown Act (Cal. Gov. Code § 54950 et seq.) related to the holding of teleconferenced meetings by City legislative bodies. Among other things, Executive Order N-29-20 suspended requirements that each location from which an official accesses a teleconferenced meeting be accessible to the public.

These changes were necessary to allow teleconferencing to be used as a tool for ensuring social distancing. City legislative bodies have held public meetings via videoconference and teleconference pursuant to these provisions since March 2020. These provisions of Executive Order N-29-20 will expire on September 30, 2021.

COVID-19 continues to pose a serious threat to public health and safety. There are now over 4,700 confirmed cases of COVID-19 and at least 55 deaths in the City of Berkeley. Additionally, the SARS-CoV-2 B.1.617.2 (“Delta”) variant of COVID-19 that is currently circulating nationally and within the City is contributing to a substantial increase in transmissibility and more severe disease.

As a result of the continued threat to public health posed by the spread of COVID-19, state and local officials continue to impose or recommend measures to promote social distancing, mask wearing and vaccination. Holding meetings of City legislative bodies in person would present imminent risks to the health and safety of the public and members of legislative bodies, and therefore public meetings cannot safely be held in person at this time

Assembly Bill 361 (Rivas), signed into law by Governor Newsom on September 16, 2021, amended a portion of the Brown Act (Government Code Section 54953) to authorize the City Council, during the state of emergency, to determine that, due to the spread of COVID-19, holding in-person public meetings would present an imminent risk to the health or safety of attendees, and therefore City legislative bodies must continue to meet via videoconference and teleconference. Assembly Bill 361 requires that the City Council must review and ratify such a determination every thirty (30) days. Therefore, if the Council passes this resolution on September 28, 2021, the Council will need to review and ratify the resolution by October 28, 2021.

This item requests that the Council review the circumstances of the continued state of emergency posed by the spread of COVID-19, and find that the state of emergency continues to directly impact the ability of the public and members of City legislative bodies to meet safely in person, that holding public meetings of City legislative bodies in person would present imminent risks to the health and safety of attendees, and that state and local officials continue to promote social distancing, mask wearing and vaccination. This item further requests that the Council determine that City legislative bodies, including but not limited to the City Council and its committees, and all commissions and boards, shall continue to hold public meetings via videoconference and teleconference, and that City legislative bodies shall continue to comply with all provisions of the Brown Act, as amended by SB 361.

#### BACKGROUND

On March 1, 2020, Alameda County Public Health Department and Solano County Public Health Department reported two presumptive cases of COVID-19, pending confirmatory testing by the Centers for Disease Control (CDC), prompting Alameda County to declare a local health emergency.

On March 3, 2020, the City's Director of Emergency Services proclaimed a local emergency due to the spread of COVID-19, including a confirmed case in the City of Berkeley and multiple confirmed and presumed cases in Alameda County.

On March 4, 2020, Governor Gavin Newsom issued a Proclamation of a State of Emergency due to the spread of COVID-19.

On March 10, 2020, the City Council ratified the Proclamation of Local Emergency. Since that date, there have been over 4,700 confirmed cases of COVID-19 and at least 57 deaths in the City of Berkeley.

On March 17, 2020, Governor Newsom signed Executive Order N-29-20 which suspended certain portions of the Ralph M. Brown Act (Cal. Gov. Code § 54950 et seq.) to allow teleconferencing of public meetings to be used as a tool for ensuring social distancing. As a result, City legislative bodies have held public meetings via teleconference throughout the pandemic. The provisions of Executive Order N-29-20 allowing teleconferencing to be used as a tool for social distancing will expire on September 30, 2021.

RE: Transition Period Prior to Repeal of COVID-related Executive Orders

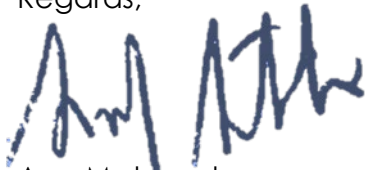

Dear Mr. Knaus, Ms. Miller, Ms. Hurst, Ms. Preston, Ms. Heaton, Ms. King, Ms. Coleman, Ms. Blacet-Hyden, Mr. McCormick, Mr. Anderson, and colleagues,

Thank you for your correspondence of May 18, 2021, inquiring what impact the anticipated June 15 termination of the Blueprint for a Safer Economy will have on Executive Order N-29-20, which provided flexibility to state and local agencies and boards to conduct their business through virtual public meetings during the COVID-19 pandemic.

Please be assured that this Executive Order Provision will not terminate on June 15 when the Blueprint is scheduled to terminate. While the Governor intends to terminate COVID-19 executive orders at the earliest possible date at which conditions warrant, consistent with the Emergency Services Act, the Governor recognizes the importance of an orderly return to the ordinary conduct of public meetings of state and local agencies and boards. To this end, the Governor's office will work to provide notice to affected stakeholders in advance of rescission of this provision to provide state and local agencies and boards time necessary to meet statutory and logistical requirements. Until a further order issues, all entities may continue to rely on N-29-20.

We appreciate your partnership throughout the pandemic.

### Standards Board Readopts Revised Cal/OSHA COVID-19 Prevention Emergency Temporary Standards

**The revised Cal/OSHA standards are expected to go into effect no later than June 15**

**Sacramento** — The Occupational Safety and Health Standards Board on June 3 readopted Cal/OSHA's revised COVID-19 prevention emergency temporary standards.

Last year, the Board adopted health and safety standards to protect workers from COVID-19. The standards did not consider vaccinations and required testing, quarantining, masking and more to protect workers from COVID-19.

The changes adopted by the Board phase out physical distancing and make other adjustments to better align with the state's June 15 goal to retire the Blueprint. Without these changes, the original standards, would be in place until at least October 2. These restrictions are no longer required given today's record low case rates and the fact that we've administered 37 million vaccines.

The revised emergency standards are expected to go into effect no later than June 15 if approved by the Office of Administrative Law in the next 10 calendar days. Some provisions go into effect starting on July 31, 2021.

The [revised standards](#) are the first update to Cal/OSHA's temporary COVID-19 prevention requirements adopted in November 2020.

**The Board may further refine the regulations in the coming weeks** to take into account changes in circumstances, especially as related to the availability of vaccines and low case rates across the state.

The standards apply to most workers in California not covered by Cal/OSHA's Aerosol Transmissible Diseases [standard](#). Notable revisions include:

- **Face Coverings:**
  - Indoors, fully vaccinated workers without COVID-19 symptoms do not need to wear face coverings in a room where everyone else is fully vaccinated and not showing symptoms. However, where there is a mixture of vaccinated and unvaccinated persons in a room, all workers will continue to be required to wear a face covering.
  - Outdoors, fully vaccinated workers without symptoms do not need to wear face coverings. However, outdoor workers who are not fully vaccinated must continue to wear a face covering when they are less than six feet away from another person.
- **Physical Distancing:** When the revised standards take effect, employers can eliminate physical distancing and partitions/barriers for employees working indoors and at outdoor mega events if they provide respirators, such as N95s, to unvaccinated employees for voluntary use. After July 31, physical distancing

and barriers are no longer required (except during outbreaks), but employers must provide all unvaccinated employees with N95s for voluntary use.

- **Prevention Program:** Employers are still required to maintain a written COVID-19 Prevention Program but there are some key changes to requirements:
  - Employers must review the California Department of Public Health's [Interim guidance for Ventilation, Filtration, and Air Quality in Indoor Environments](#).
  - COVID-19 prevention training must now include information on how the vaccine is effective at preventing COVID-19 and protecting against both transmission and serious illness or death.
- **Exclusion from the Workplace:** Fully vaccinated workers who do not have COVID-19 symptoms no longer need to be excluded from the workplace after a close contact.
- **Special Protections for Housing and Transportation:** Special COVID-19 prevention measures that apply to employer-provided housing and transportation no longer apply if all occupants are fully vaccinated.

The Standards Board will file the readoption rulemaking package with the Office of Administrative Law, which has 10 calendar days to review and approve the temporary workplace safety standards enforced by Cal/OSHA. Once approved and published, the full text of the revised emergency standards will appear in the Title 8 sections [3205](#) (COVID-19 Prevention), [3205.1](#) (Multiple COVID-19 Infections and COVID-19 Outbreaks), [3205.2](#) (Major COVID-19 Outbreaks), [3205.3](#) (COVID-19 Prevention in Employer-Provided Housing) and [3205.4](#) (COVID-19 Prevention in Employer-Provided Transportation) of the [California Code of Regulations](#). Pursuant to the state's [emergency rulemaking process](#), this is the first of two opportunities to readopt the temporary standards after the initial effective period.

The Standards Board also convened a representative subcommittee to work with Cal/OSHA on a proposal for further updates to the standard, as part of the emergency rulemaking process. It is anticipated this newest proposal, once developed, will be heard at an upcoming Board meeting. The subcommittee will provide regular updates at the Standards Board monthly meetings.

The [Occupational Safety and Health Standards Board](#), a seven-member body appointed by the Governor, is the standards-setting agency within the Cal/OSHA program. The Standards Board's objective is to adopt reasonable and enforceable standards at least as effective as federal standards. The Standards Board also has the responsibility to grant or deny applications for permanent variances from adopted standards and respond to petitions for new or revised standards.

The California Division of Occupational Safety and Health, or [Cal/OSHA](#), is the division within the Department of Industrial Relations that helps protect California's workers from health and safety hazards on the job in almost every workplace. [Cal/OSHA's Consultation Services Branch](#) provides free and voluntary assistance to employers to improve their health and safety programs. Employers should call (800) 963-9424 for assistance from Cal/OSHA Consultation Services.

To: Agenda & Rules Committee

From: Dee Williams-Ridley, City Manager

Subject: Preliminary Analysis of Return to In-Person Meetings of City Legislative Bodies

---

### Introduction

This memo responds to the request from the Agenda & Rules Committee on May 17, 2021 for information from the City Manager on the options and timing for a return to in-person meetings for City legislative bodies. The analysis below is a preliminary summary of the considerations and options for returning to in-person meetings.

With the onset of the COVID-19 pandemic, the shelter-in-place order, and the issuance of Executive Order N-29-20 (“Executive Order”) in the spring of 2020, the City quickly adjusted to a virtual meeting model. Now, almost 15 months later, with the Blueprint for a Safer Economy scheduled to sunset on June 15, 2021, the City is faced with a new set of conditions that will impact how public meetings may be held in Berkeley. While the June 15, 2021 date appears to be certain, there is still a great deal of uncertainty about the fate of the Executive Order. In addition, the City is still awaiting concrete, specific guidance from the State with regards to regulations that govern public meetings and public health recommendations that will be in place after June 15, 2021.

For background, Executive Order N-29-20 allows legislative bodies to meet in a virtual setting and suspends the following Brown Act requirements:

- Printing the location of members of the legislative body on the agenda;
- Posting the agenda at the location of members of the legislative body that are remote; and
- Making publicly available remote locations from which members of the legislative body participate.

Meeting Options

There are three groups of City Legislative bodies that are considered in this memo

- City Council;
- City Council Policy Committees; and
- Boards and Commissions.

The three meeting models available are:

- In-person only;
- Virtual only; or
- Hybrid (in-person and virtual).

The scenarios below show the options available for each given set of facts.

| Summary Recommendations of Meeting Options | Physical Distancing |        |          | No Physical Distancing |        |          |
|--------------------------------------------|---------------------|--------|----------|------------------------|--------|----------|
|                                            | In-Person           | Hybrid | Virtual* | In-Person              | Hybrid | Virtual* |
|                                            | City Council        | X      | X        | X                      | X      | X        |
| Policy Committees                          |                     |        | X        | X                      |        | X        |
| Board and Commissions                      |                     |        | X        | X                      |        | X        |

\* The ability to hold virtual-only meetings is dependent on the status of Executive Order N-29-20

Currently, the Centers for Disease Control recommends physical distancing for unvaccinated persons. While the City and the community have made tremendous progress with regards to vaccination, the City would use the guidelines for unvaccinated persons when making determinations regarding public meetings.

Meeting Type Considerations

Our previous experience pre-pandemic and our experience over the past 15 months demonstrates that the City can conduct all in-person and all virtual meetings. However, the possibility of hybrid meetings presents new questions to consider. The primary concern for a return to in-person meetings using a hybrid model is the impact on the public experience and the legislative process.

*Will the legislative body be able to provide a transparent, coherent, stable, informative, and meaningful experience for the both the public in attendance and virtually?*

*Will the legislative body be able to conduct the legislative process in an efficient, coherent, and meaningful manner with the members split between in-person and virtual, and considering the additional delays and logistical challenges of allowing for public participation in a hybrid model?*

For the City Council, testing has shown that the larger space and technology infrastructure at the Boardroom will allow the Council to conduct all three types of meetings (in-person, hybrid, virtual).

For Policy Committees and Commissions, only the “all virtual” or “all in-person” meetings are recommended. Preliminary testing has shown that the audio/visual limitations of the meeting rooms available for these bodies would result in inefficient and cumbersome management of the proceedings in a hybrid model. In addition, there are considerations to analyze regarding the available bandwidth in city facilities and all members having access to adequate devices. Continuing the all virtual model for as long as possible, then switching to an all in-person model when conditions permit provides the best access, participation, and legislative experience for the public and the legislative body.

#### Other Considerations

Some additional factors to consider in the evaluation of returning to in-person or hybrid meetings are:

- How to address vaccination status for in-person attendees.
- Will symptom checks and/or temperature checks at entry points be required?
- Who is responsible for providing PPE for attendees?
- How are protocols for in-person attendees to be enforced?
- Physical distancing measures for the Mayor and City Councilmembers on the dais.
- Installation of physical barriers and other temporary measures.
- Will the podium and microphone need to be sanitized after every speaker?
- High number of touch points in meeting rooms.
- Will chairs for the public and staff need to be sanitized if there is turnover during the meeting?
- Determining the appropriate capacity for meeting locations.
- The condition and capacity of meeting room ventilation system and air cycling abilities.
- How to receive and share Supplemental Items, Revisions, Urgent Items, and submissions by the public both in-person and virtually.
- Budget including costs for equipment, physical improvements, A/V, PPE, and sanitization.

Conclusion

As stated above, conditions are changing daily, and there is a high degree of uncertainty surrounding the future guidance, regulations, and actions at the state level. Planning, testing and analysis are already underway to prepare for an eventual return to in-person meetings. Staff will continue to monitor the evolving legislative and public health circumstances and advise the committee at future meetings.

1. Executive Order N-29-20

EXECUTIVE DEPARTMENT  
STATE OF CALIFORNIA

EXECUTIVE ORDER N-29-20

**WHEREAS** on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

**WHEREAS** despite sustained efforts, the virus continues to spread and is impacting nearly all sectors of California; and

**WHEREAS** the threat of COVID-19 has resulted in serious and ongoing economic harms, in particular to some of the most vulnerable Californians; and

**WHEREAS** time bound eligibility redeterminations are required for Medi-Cal, CalFresh, CalWORKs, Cash Assistance Program for Immigrants, California Food Assistance Program, and In Home Supportive Services beneficiaries to continue their benefits, in accordance with processes established by the Department of Social Services, the Department of Health Care Services, and the Federal Government; and

**WHEREAS** social distancing recommendations or Orders as well as a statewide imperative for critical employees to focus on health needs may prevent Medi-Cal, CalFresh, CalWORKs, Cash Assistance Program for Immigrants, California Food Assistance Program, and In Home Supportive Services beneficiaries from obtaining in-person eligibility redeterminations; and

**WHEREAS** under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

**NOW, THEREFORE, I, GAVIN NEWSOM**, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following order to become effective immediately:

**IT IS HEREBY ORDERED THAT:**

1. As to individuals currently eligible for benefits under Medi-Cal, CalFresh, CalWORKs, the Cash Assistance Program for Immigrants, the California Food Assistance Program, or In Home Supportive Services benefits, and to the extent necessary to allow such individuals to maintain eligibility for such benefits, any state law, including but not limited to California Code of Regulations, Title 22, section 50189(a) and Welfare and Institutions Code sections 18940 and 11265, that would require redetermination of such benefits is suspended for a period of 90 days from the date of this Order. This Order shall be construed to be consistent with applicable federal laws, including but not limited to Code of Federal Regulations, Title 42, section 435.912, subdivision (e), as interpreted by the Centers for Medicare and Medicaid Services (in guidance issued on January 30, 2018) to permit the extension of

otherwise-applicable Medicaid time limits in emergency situations.

2. Through June 17, 2020, any month or partial month in which California Work Opportunity and Responsibility to Kids (CalWORKs) aid or services are received pursuant to Welfare and Institutions Code Section 11200 et seq. shall not be counted for purposes of the 48-month time limit set forth in Welfare and Institutions Code Section 11454. Any waiver of this time limit shall not be applied if it will exceed the federal time limits set forth in Code of Federal Regulations, Title 45, section 264.1.
3. Paragraph 11 of Executive Order N-25-20 (March 12, 2020) is withdrawn and superseded by the following text:

Notwithstanding any other provision of state or local law (including, but not limited to, the Bagley-Keene Act or the Brown Act), and subject to the notice and accessibility requirements set forth below, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and to address the local legislative body or state body. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived.

In particular, any otherwise-applicable requirements that

- (i) state and local bodies notice each teleconference location from which a member will be participating in a public meeting;
- (ii) each teleconference location be accessible to the public;
- (iii) members of the public may address the body at each teleconference conference location;
- (iv) state and local bodies post agendas at all teleconference locations;
- (v) at least one member of the state body be physically present at the location specified in the notice of the meeting; and
- (vi) during teleconference meetings, a least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction

are hereby suspended.

A local legislative body or state body that holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, consistent with the notice and accessibility requirements set forth below, shall have satisfied any requirement that the body allow

members of the public to attend the meeting and offer public comment. Such a body need not make available any physical location from which members of the public may observe the meeting and offer public comment.

Accessibility Requirements: If a local legislative body or state body holds a meeting via teleconferencing and allows members of the public to observe and address the meeting telephonically or otherwise electronically, the body shall also:

- (i) Implement a procedure for receiving and swiftly resolving requests for reasonable modification or accommodation from individuals with disabilities, consistent with the Americans with Disabilities Act and resolving any doubt whatsoever in favor of accessibility; and
- (ii) Advertise that procedure each time notice is given of the means by which members of the public may observe the meeting and offer public comment, pursuant to subparagraph (ii) of the Notice Requirements below.

Notice Requirements: Except to the extent this Order expressly provides otherwise, each local legislative body and state body shall:

- (i) Give advance notice of the time of, and post the agenda for, each public meeting according to the timeframes otherwise prescribed by the Bagley-Keene Act or the Brown Act, and using the means otherwise prescribed by the Bagley-Keene Act or the Brown Act, as applicable; and
- (ii) In each instance in which notice of the time of the meeting is otherwise given or the agenda for the meeting is otherwise posted, also give notice of the means by which members of the public may observe the meeting and offer public comment. As to any instance in which there is a change in such means of public observation and comment, or any instance prior to the issuance of this Order in which the time of the meeting has been noticed or the agenda for the meeting has been posted without also including notice of such means, a body may satisfy this requirement by advertising such means using "the most rapid means of communication available at the time" within the meaning of Government Code, section 54954, subdivision (e); this shall include, but need not be limited to, posting such means on the body's Internet website.

All of the foregoing provisions concerning the conduct of public meetings shall apply only during the period in which state or local public health officials have imposed or recommended social distancing measures.

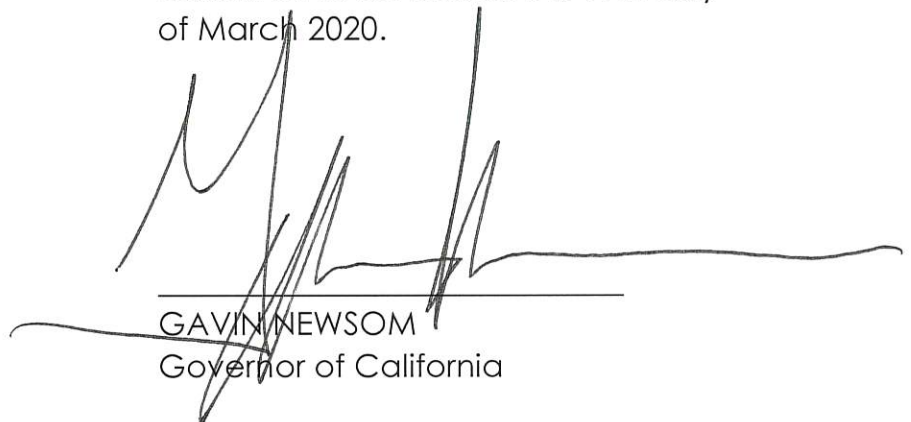

All state and local bodies are urged to use sound discretion and to make reasonable efforts to adhere as closely as reasonably possible to the provisions of the Bagley-Keene Act and the Brown Act, and other applicable local laws regulating the conduct of public meetings, in order to maximize transparency and provide the public access to their meetings.

**IT IS FURTHER ORDERED** that as soon as hereafter possible, this Order be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

**IN WITNESS WHEREOF** I have hereunto set my hand and caused the Great Seal of the State of California to be affixed this 17th day of March 2020.

Lori Droste

On March 14, 2023, the City Council referred the relevant concepts of this item to the Agenda & Rules Committee for consideration under the existing committee agenda item regarding enhancements to the City's legislative process.

Action Calendar  
March 14, 2023

**To:** Honorable Mayor Jesse Arreguín and Members of the City Council

**From:** Councilmember Lori Droste

**Subject:** Bureaucratic Effectiveness and Referral Improvement and Prioritization Effort (BE RIPE)

### Recommendation

In order to ensure that the City focuses on high-priority issues, projects, and goals and affords them the resources and funding such civic efforts deserve, the City Council should consult with the City Manager's Office to develop and adopt a suite of revisions to the City Council Rules of Procedure and Order that would implement the following provisions:

1. Beginning in 2023, Councilmembers shall submit no more than one major legislative proposal or set of amendments to any existing ordinance per year, with the Mayor permitted to submit two major proposals, for a maximum of ten major Council items per year.
2. In 2023 and all future years, Councilmembers shall be required to submit major items before an established deadline. Council shall then prioritize any new legislative items as well as any incomplete major items from the previous year using the Reweighted Range Voting (RRV) process. This will help establish clear priorities for staff time, funding, and scheduling Council work sessions and meetings. For 2023 alone, the RRV process should include outstanding/incomplete Council items from all previous years. In 2024 and thereafter, the RRV process should only incorporate outstanding/incomplete major items from the prior year. However, Councilmembers may choose to renominate an incomplete major policy item from an earlier year as their single major item.
3. During deliberations at a special worksession, Council retreat, and/or departmental budget presentations, Council and the City Manager should develop a work plan that establishes reasonable expectations about what can be accomplished by staff given the list of priorities as ranked by RRV. Council should also consult with the City Manager and department heads, particularly the City Attorney's office, Planning Department, and Public Works Department on workload challenges (mandates outside Council priorities, etc.), impacts, reasonable staff output expectations, and potential corrective actions to ensure that mandated deadlines are met, basic services are provided, and policy proposals are effectively implemented.
4. Budget referrals and allocations from City Council must be explicitly related to a previously established or passed policy/program, planning/strategy document, and/or an external funding opportunity related to one of these. As a good government practice, councilmembers and the Mayor may **not** submit budget referrals which direct funds to a

specific organization or event. Organizations which receive City funding must submit at least annually an application detailing, at a minimum: the civic goal(s)/purpose(s) for which City funds are used, the amount of City funding received for each of the preceding five years, and quantitative or qualitative accounting of the results/outcomes for the projects that made use of those City funds. Organizations receiving more than \$20,000 in City funds should be required to provide quantitative data regarding the number of individuals served and other outcomes.

5. Ensuring that any exceptions to these provisions are designed to ensure flexibility in the face of an emergency, disaster, or urgent legal issue/liability and narrowly tailored to be consistent with the goals of enhanced efficiency, effectiveness, fairness, and focus.

### **Policy Committee Recommendation**

On February 14, 2023, the Agenda and Rules Committee adopted the following action: M/S/C (Hahn/Arreguin) to send the item to the City Council with a Qualified Positive Recommendation to refer the relevant concepts of the original item to the Agenda & Rules Committee for consideration under the existing committee agenda item regarding enhancements to the City's legislative process. Vote: All Ayes.

### **Current Situation and Its Effects**

Over the past few years (excluding the COVID-19 state of emergency), City Council has grappled with potential options to reduce the legislative workload on the City of Berkeley staff. While a significant portion of this workload is generated from non-legislative matters and staffing vacancies, it is important to recognize that staff also continue to struggle to keep up with Council directives while still accomplishing the City's core mission or providing high quality public infrastructure and services.

### **Background and Rationale**

Berkeley faces an enormous staffing crisis due in part to workload concerns; as such, Council should take steps to hone its focus on legislative priorities. [November 2022's Public Works Off-Agenda Memo](#) offers a benchmark for problems faced by City departments. Public Works staff struggles to complete its top strategic plan projects, respond to audit findings, and provide basic services, in addition to fulfilling legislative priorities by Council. While the "Top Goals and Priorities" outlined by Public Works is tied to 130+ directives by the City Council, it is not reasonable to assume that all will be implemented.

The challenges faced by the Public Works department are not an anomaly. Other departments share the same challenges. In addition to needing to ensure that the City can adopt a compliant state-mandated Housing Element, process permits, secure new grant funding, mitigate seismic risks, and advance our Climate Action Plan, Planning Department staff have been tasked with addressing multiple policy proposals from the City Council. The sheer number of referrals also impacts the ability of staff in the City Attorney's office to vet all ordinances, protect the City's interests, participate in litigation, and address the City's other various legal needs.

### **Best Practices**

A number of nearby, similarly-sized cities were contacted to request information about how these cities approach Councilmember referrals and prioritizations processes. Cities contacted

included Richmond, Vallejo, Santa Clara, Concord, and Sunnyvale. Of these cities, Santa Clara, Concord, and Sunnyvale replied.

### **Santa Clara**

Overall, Santa Clara staff indicated that—similar to Berkeley—the Council referrals and prioritization process is not especially formalized, with additional referrals being made outside of the prioritization process.

Each year, the Council holds an annual priority setting session at which the Council examines and updates priorities from the previous year and considers what progress was made toward those priorities. The prioritization process takes place in February so that any priorities that rise to the top may be considered for funding ahead of the budget process. In any given year, some priorities may go unfunded and even holding those priorities over to a second year is not necessarily a guarantee of funding.

Despite conducting this annual prioritization exercise, Councilmembers in Santa Clara often still do bring forward additional referrals outside of this process. Part of this less restricted approach in Santa Clara's 030 ("zero thirty") policy, which allows members of the the City Council to add items to the Council agenda with sufficient notice and even allows members of the public to petition to have items added to a special section of the Council agenda.

Despite the overally looseness of Santa Clara's approach. Council members still rely upon staff to provide direction with respect to what priorities are or are not feasible based upon available funding and staff bandwidth.

### **Concord**

According to Concord City staff, although Concord—like Berkeley and Santa Clara—does have a process for Councilmembers to request items be added to Council agendas, Councilmembers generally agree not to add referrals outside of the formal priority-setting process.

Concord City staff only work on "new" items/policies that are mandated by law, recommended by the City Manager, and have been recommended for review/work of some kind by a majority (three of the five members) of the City Council.

In general, Councilmembers agree to not add work items outside of the Council's formal priority setting process. The Concord City Council has a once-a-year goal setting workshop each spring where the City plans its Tier 1 and Tier 2 priorities for the year (or sometimes for a 2-year cycle). Most Councilmembers abide by this process and refrain from bringing forward additional items. However any Councilmember may put forward a referral outside of the process and use the method outlined below.

Outside of the prioritization process, Councilmembers can request that their colleagues (under Council reports at any Council meeting) support placing an item on a future Council meeting agenda for a discussion. The Concord City Attorney has advised councilmembers that they can make a three sentence statement, e.g. "I would like my colleagues' support to agendize [insert item]" or "to send [insert item] to a Council standing committee for discussion." Followed by: "This is an important item to me or a timely item for the Council because [insert reasoning]. Do I have your support?" The other Councilmembers then cannot engage in any detailed discussion or follow up, but may only vote yes or no to agendizing the item.

If two of the Councilmember's colleagues (for a total of 3 out of 5) agree to the request to have the item agendized for a more detailed discussion by Council, then the item will be added to a future agenda for fuller consideration. An additional referral outside the prioritization process is suggested perhaps once every month in Concord, but the Concord City Council usually does not provide the majority vote to agendize these additional items.

### **Sunnyvale**

Of all the cities surveyed, Sunnyvale has the most structured approach for selecting, rating, and focusing on City Council priorities. "Study issues" require support from multiple councilmembers before being included in the annual priority setting, and then must go through a relatively rigorous process to rise to the top as Council priorities. And, perhaps most importantly, policy changes *must* go through the priority setting process to be considered. The Sunnyvale City Council's Policy 7.3.26 Study Issues reads, in part:

*Any substantive policy change (large or relatively small) is subject to the study issues process (i.e. evaluated for ranking at the Council Study Issues Workshop).*

*Policy related issues include such items as proposed ordinances, new or expanded service delivery programs, changes to existing Council policy, and/or amendments to the General Plan. Exceptions to this approach include emergency issues, and urgent policy issues that must be completed in the short term to avoid serious negative consequences to the City, subject to a majority vote of Council.*

If a study issue receives the support of at least two Councilmembers, the issue will go to staff for the preparation of a study issue paper. Council-generated study issues must be submitted to staff at least three weeks ahead of the priority-setting session, with an exception for study issues raised by the public and carried by at least two Councilmembers, if the study issues hearing takes place less than three weeks before the priority setting.

At the Annual Study Issues Workshop, the Council votes whether to rank, defer, or drop study issues. If a majority votes to drop the issue, it may not return the following year; if the issue is deferred, it returns at the following year's workshop; and if a majority votes to rank an issue, it proceeds to the ranking process. Sunnyvale's process uses "forced ranking" for "departments" with ten or fewer issues and "choice ranking" for departments with eleven or more issues. (The meaning of "departments" and the process for determining the number of issues per department are not elucidated within the policy.) Forced ranking involves assigning a ranking to every policy within a given subset, while choice ranking only assigns a ranking to a third of policies within a given subset, with the others going unranked.

After the Council determines which study issues will be moving forward for the year based on the rankings, the City Manager advises Council of staff's capacity for completing ranked issues. However, if the Council provides additional funding, the number of study issues addressed may be increased.

In 2022, Sunnyvale had 24 study issues (including 17 from previous years and only 7 new ones) and **zero** budget proposals. Although Sunnyvale does consider urgency items outside the prioritization process, this generally happens only 1 to 3 times per year and usually pertains to highly urgent items, such as gun violence.

### **Status Quo and Its Effects**

Council currently uses a reweighted range proportional representation voting method to determine which priorities represent both a) a consensus and b) district/neighborhood concerns. This process allows Council to coalesce around a particular common area of concern; but if there is a specific neighborhood or district issue that is not addressed by Council consensus, it also allows for that district's councilmember's top priority to be elevated in the ratings even without broad consensus, so long as there are not multiple items designated as that councilmember's "top" item. More information about this process can be found [here](#). This [system was established](#) in 2016 due to the sheer amount of referrals by Council and the lack of cohesive direction on which of the 100+ referrals the City Manager should act upon.

Subsequent to this effort, Council created a "short-term referral" pool which was intended to be light-lift referrals that could be accomplished in less than 90 days. However, that designation was always intended to be determined by the City Manager, not Council, with respect to what was operationally feasible in terms of the 90 day window. The challenge with Council determining what is a short-term referral is that it is not always realistic given other duties that the staff has to attend to and inappropriate determinations can stymie work on other long term priorities if staff have to drop everything they are doing to attend to an "short-term" or "emergency" referral.

An added challenge is that the City Auditor [reported in 2018](#) that the City of Berkeley's Code Enforcement Unit (CEU) had insufficient capacity to enforce various Municipal Code provisions. This was due to multiple factors, including understaffing—some of which have since improved. Nevertheless, the City Auditor wrote,

*"Council passes some ordinances without fully analyzing the resources needed for enforcement and without understanding current staffing capacity. In order to enforce new ordinances, the CEU must take time away from other enforcement areas. This increases the risk of significant health and safety code violations going unaddressed. It also leads to disgruntled community members who believe that the City is failing to meet its obligations. This does not suggest that the new ordinances are not of value and needed. Council passes policy to address community concerns. However, it does mean that the City Council routinely approves policy that may never result in the intended change or protections."*

Subsequent to that report, [an update](#) was published in September of 2022. A staffing and resource analysis for Code Enforcement is still needed to ensure that the laws Council passes can be implemented.

### **Fiscal Impacts**

These reforms are likely to result in significant direct savings related to reduced staff time/overtime as well as potential decreases to costs associated with the recruitment/retention of staff.

### **Alternatives Considered**

Alternatives were considered using effectiveness and efficiency as the evaluative criteria for referrals. One missing criterion that will be necessary in developing this process will be operational considerations so the City of Berkeley can continue to deliver basic services in an efficient manner.

*All-Council determination*

Council could vote *as a body* on the top 10 legislative priorities. The drawback of this method is that it, by default, eliminates any remaining priorities that have been passed by Council. It also eliminates “minority” voices which may disproportionately impact neighborhood-specific concerns as the remainder of the Council may not value district-specific concerns outside of their council district.

*Councilmember parameters*

Councilmembers could select their top two legislative priorities (as a primary author) for the year and the Mayor could select four legislative priorities for the year for a total of 10 legislative priorities per year. These “legislative priorities” would not include resolutions of support, budget referrals for infrastructure or traffic mitigations or other non-substantive policy items.....

*Status Quo Sans Short-Term Referrals*

The status quo of rating referrals is the fairest and most equitable if Council wishes to continue to pass the same quantity of referrals; however, it does not address the overall volume and that certain legislative items skip the prioritization queue due to popularity or perceived community support. Council enacts ordinances that fall outside of the priority setting process and designates items as short-term referrals. This loophole has made this process a bit more challenging. One potential option is to continue the prioritization process but eliminate the short-term referral option unless it is undeniably and categorically an emergency or time-sensitive issue.

Update on Public Works’ Goals, Projects, Measures, and Challenges

Office of the City Manager

November 15, 2022

To: Honorable Mayor and Members of the City Council

From: *DWR* Dee Williams-Ridley, City Manager

Re: Update on Public Works' Goals, Projects, Measures, and Challenges

This memo shares an update on the department's *Performance Measures* and *FY 2023 Top Goals and Projects*, and identifies the department's highest priority challenge. I am proud of this department's work, its efforts to align its work with City Council's goals, and the department's dedication to improving project and program delivery.

#### *Performance Measures*

The department's performance measures were first placed on the department's website (<https://berkeleyca.gov/your-government/about-us/departments/public-works>) in 2020. They are updated annually in April. Progress continues in preventing trash from reaching the Bay, reducing waste, increasing bike lane miles, reducing the City fleet's reliance on gas, increasing City-owned electric chargers, expanding acres treated by green infrastructure, and reducing the sidewalk repair backlog. Challenges remain with the City's street condition and safety.

#### *Top Goals and Projects*

Public Works' top goals and projects are also on the department's website (<https://berkeleyca.gov/your-government/about-us/departments/public-works>). Department goals are developed annually. This year, after reviewing the 130+ directives from open City Council referrals, FY 2023 adopted budget referrals, audit findings, and strategic plan projects, staff matched existing resources with City Council's direction and the ability to deliver on this direction while ensuring continuity in baseline services.

The *FY 2023 Top Goals and Projects* is staff's projection of the work that the department has the capacity to advance this fiscal year. This list is intended to be both realistic and a stretch to achieve. More than three-quarters of the work on the *FY 2023 Top Goals and Projects* is tied to the existing 130+ directives from City Council referrals, budget referrals, audit findings, and strategic plan projects. The remainder are initiatives internal to the department aimed at increasing effectiveness and/or improving baseline services.

Public Works conducts quarterly monitoring of progress on the goals and projects, and status updates are shared on the department's website using a simple status reporting

Re: Update on Public Works' Goals, Projects, Measures, and Challenges

procedure. Each goal or project is coded green, yellow, or red. A project coded green is either already completed or is on track and on budget. A project in yellow is at risk of being off track or over budget. A project in red either will not meet its milestone for this fiscal year or is significantly off track or off-budget. Where a project or goal has multiple sub-parts, an overall status is color-coded for the numbered goal and/or project, and exceptions within the subparts are identified by color-coding. Quarter 1's status update is [here](#). The 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup> quarter results will be posted at the same location.

### *Challenge*

Besides the volume of direction, the most significant challenge in delivering on City Council's directions is the department's high vacancy rate. The Public Works Department is responsible for staff retention and serves as the hiring manager in the recruitment and selection process. Both retention and hiring contribute to the department's vacancy rate, and the department collaborates closely with the Human Resources Department to reduce the rate. Over the last year, the vacancy rate has ranged from 12% to 18%, and some divisions, such as Equipment Maintenance (Fleet), Transportation,<sup>1</sup> and Engineering, have exceeded 20%. While the overall vacancy rate is lower than in Oakland and San Francisco, it is higher than in Public Works Departments in Alameda, Albany, Emeryville, and San Leandro.

The high vacancy rate obviously reduces the number of services and projects that staff can deliver. It leaves little room for new direction through the course of the fiscal year and can lead to delays and diminished quality. It also detracts from staff morale as existing staff are left to juggle multiple job responsibilities over long periods with little relief. The department's last two annual staff surveys show that employee morale is in the lowest quarter of comparable public agencies and the vacancy rate is a key driver of morale.

Attachment 1 offers an excerpted list of programs and projects that the department is unable to complete or address in this fiscal year due to the elevated vacancy rate and/or the volume of directives.

<sup>1</sup> Three of the City's five transportation planner positions will be vacant by December 3. Before January 1, 2023, the City Manager will share an off agenda memo that explains the impact of transportation-specific vacancies on existing projects and programs.

### *Project and Program Impacts*

- Major infrastructure planning processes are 6+ months behind schedule, including comprehensive planning related to the City's Zero Waste goal, bicycle, stormwater/watershed, sewer, and streetlight infrastructure.
- Some flashing beacon installations have been delayed for more than 18 months, new traffic maintenance requests can take 2+ months to resolve, and the backlog of neighborhood traffic calming requests stretches to 2019.
- The City may lose its accreditation status by the American Public Works Association because of a lack of capacity to gain re-accreditation.
- Some regular inspections and enforcement of traffic control plans for the City's and others' work in the right of way are missed.
- Residents experience missed waste and compost pickups as drivers and workers cover unfamiliar routes and temporary assignments.
- Illegal dumping, ongoing encampment, and RV-related cleanups are sometimes missed or delayed.
- The backlog of parking citation appeals has increased.
- Invoice and contracting approvals can face months-long delays.
- The Janitorial Unit has reduced service levels and increased complaints.
