Kyle ideas:
 1. DA's conflict of interest with police unions giving money to DA and crimes being committed by police. Bonta Bill – require DA's to recuse themselves if they have taken money from police unions.
 2. Help discussions between BUSD and BFT. Get someone from BFT to come to next meeting to speak with Commission. BFT now has contract covering the next couple of

- years. School reopenings with COVID. It's a place for people to talk about it. COL is supposed to keep an eye on labor disputes.
3. COVID has opened a Pandora's box of labor concerns. We could have a role in that. But how feasible is this given the fact that we can't meet.
 4. Gig economy issues. Prop 22.

Jay would appreciate an update on unfinished business. Summary of where we are and what's still in progress.

Highest priority is Fair Workweek. Subcommittee on Homelessness is still open. March 2020 meeting – restaurant wage gap, AB378 - childcare and home daycare workers – this was an info update. (this was Alex Sharenko who resigned).
