- Not possible in either direction
- Passable in one direction only

San Francisco Bay Trail:
 The Bay Trail is a planned continuous path that, when complete, will encircle San Francisco Bay. Berkeley is the only city in the Bay Area that has a Bay Trail segment. The Bay Trail segment in Berkeley is 1.5 miles long and runs from the University of California, Berkeley to the San Francisco Bay Bridge. For more information, visit www.baytrail.org.
