CURRENT SITUATION AND ITS EFFECTS

In May 2014, the City's Parks Recreation and Waterfront Department was awarded a one year planning grant in the amount of \$20,000 from the Lumina Foundation, a national foundation focused on post-secondary success initiatives to develop plans related to the City's 2020 Vision initiative to increase College and Career Readiness and Success rates, with the possibility of receiving up to a total of \$160,000 to support post-secondary success efforts over the next three years.

BACKGROUND

2020 Vision for Berkeley's Children and Youth is a multi-agency initiative aimed at closing the academic achievement gap that exists in Berkeley public schools. On June 24, 2008, Council adopted a Resolution authorizing the City Manager to develop plans and models for internal and cross-jurisdictional collaboration to remove barriers to learning and to promote healthy development for all Berkeley children and youth (Resolution No. 64,113-N.S.). One of the goals for 2020 Vision is to increase rates of College and Career Readiness and Success among Berkeley children. On April 30, 2014, the City submitted an application to the Lumina Foundation for a Community

Partnership Attainment grant. The City will use this grant to support data collection efforts regarding the post-secondary enrollment and completion rates for Berkeley public school students in order to inform 2020 Vision activities.
