

Office of the City Manager

PUBLIC HEARING

June 10, 2014

To: Honorable Mayor and Members of the City Council
 From:  Christine Daniel, City Manager
 Submitted by: Michael Caplan, Manager, Office of Economic Development
 Subject: Assessments: Downtown Property and Business Improvement District

RECOMMENDATION

Conduct a public hearing and upon conclusion, if no majority protests exist, adopt two Resolutions:

1. Confirming the Annual Report for the Downtown Property and Business Improvement District (DPBID) for FY 2014 and levying assessments in the area for FY 2015.
2. Authorizing the City Manager to execute a sole source contract and any amendments with the Downtown Berkeley Association (DBA) to implement the Management District Plan for the DPBID.

FISCAL IMPACTS OF RECOMMENDATION

Assessments levied in the Downtown Property and Business Improvement District (DPBID) support a package of improvements and activities approved by the property owners and the City Council at the time the District was established for a five-year period on June 28, 2011 (Resolution No. 65,370-N.S.) expiring in 2016. The assessment billing for private commercial property, including two AT&T properties billed on the utility roll, is expected to be approximately \$983,866 in FY 2015, though the County imposes a fee of 1.6% for collecting the assessment. Annual assessment funds are deposited in the DPBID Fund (451-8703-370-40.01) and expended from 451-8703-465-35.10. Funds received from Alameda County will be disbursed through a contract with the Downtown Berkeley Association (hereafter, the DBA) a private organization that manages the services provided by the DPBID. The contract has been entered into the City's contract database and assigned CMS No. BM7IL

In addition, the DBA separately invoices on 34 parcels owned by non-taxable entities for a total of \$253,916. Overall the budget of the DPBID is approximately \$1,221,056 inclusive of taxable and non-taxable parcels and net of the County 1.7% collection fee.

In financing the improvements, maintenance and welcoming activities for the Downtown business district, the DPBID will indirectly enhance sales tax, business license tax and other business-related City revenue sources.

Since Proposition 218 prohibits public property from being excluded from assessment districts, the City of Berkeley will be assessed for the ten parcels included in the boundaries of the DPBID. In FY 2015, the City's total assessment will be \$106,674. On June 14, 2011, Council adopted Ordinance No. 7,183-N.S. increasing parking meter rates by 25 cents per hour in the Downtown to fund payment of these fees.

CURRENT SITUATION AND ITS EFFECTS

On April 29, 2014, City Council approved Resolution No. 66,536–N.S. declaring its intent to levy an annual assessment for the FY 2015, approving the FY 2014 Annual Report of the DPBID and setting a public hearing to levy the assessments for June 10, 2014.

BACKGROUND

On June 28, 2011 the DPBID was established by Council for a five-year period beginning July 1, 2011 and ending June 30, 2016, with operations to occur over the five year period beginning January 1, 2012 and ending December 31, 2016. The DPBID finances services and improvements that maintain and improve the Downtown's streetscape and public areas, improves the pedestrian experience for workers, visitors and residents, and attracts new businesses and development. DPBID activities are over and beyond baseline services provided by the City.

In FY 2015, the DPBID will continue its ongoing services including:

- Environmental Enhancements, including:
 - a) Ambassador teams to enhance both the reality and perception of public safety, welcome and assist Downtown pedestrians and connect street populations to social services and other appropriate resources;
 - b) Cleaning teams that provide litter and graffiti removal, steam cleaning and other services to maintain a uniform standard of cleanliness throughout downtown; and
 - c) Beautification, including streetscape, landscaping and signage, to make Downtown more attractive.
- Economic Enhancements, including:
 - a) Programs to attract, grow, retain, and incubate new businesses;
 - b) Parking initiatives to better manage existing parking and plan for future needs;
 - c) Marketing and events to help existing businesses by inviting consumers to Downtown; and
 - d) Leadership on policies to improve the Downtown business climate.

ENVIRONMENTAL SUSTAINABILITY

By maintaining and enhancing the district, the Downtown Berkeley Association creates shopping opportunities for residents and visitors alike while encouraging alternative forms of transportation. The District encompasses the area surrounding the Downtown Berkeley BART Station and several AC transit lines provide easy accessibility for visitors coming to and from this popular regional destination. The DBA ambassadors

and environmental enhancements such as median plantings all contribute to making the Downtown a more pleasant destination. Because the District is well served by public transportation and biking infrastructure, these services indirectly support environmental sustainability goals of encouraging alternative transportation choices. The Downtown Berkeley Association has also partnered with the City's Transportation Department in planning for the goBerkeley Parking Management Plan and planned upgrades the Downtown BART Plaza.

RATIONALE FOR RECOMMENDATION

The Property and Business Improvement District Law of 1994 requires that the DPBID board prepare an annual report for each fiscal year for which assessments are to be levied. The Annual Report was approved by Council on April 29, 2014. Therefore, Council action is required to levy the DPBID assessments for FY 2015 and upon approval, authorize the City Manager to execute a contract with the DPBID. Protests from property owners within the District may be submitted in writing to the City Clerk or may be made orally at the public hearing. If protests are received from property owners paying more than 50% of the assessments, proceedings to renew the assessment must cease. A contract between the City and the Association is required to direct DPBID

ALTERNATIVE ACTIONS CONSIDERED

The Downtown Berkeley Association is the only private representative organization established to administer the Downtown Property and Business Improvement District, so it is the logical organization for the City to contract with to implement these services.

2014 ANNUAL REPORT OF THE DOWNTOWN BERKELEY PROPERTY-BASED BUSINESS IMPROVEMENT DISTRICT (PBID)

By the Downtown Berkeley Association

The Downtown Berkeley Property-Based Business Improvement District (DBPBID), managed by the Downtown Berkeley Association (DBA) was approved for a five-year period by an affirmative vote of the property owners of the Downtown Berkeley commercial district by mail-in ballot during the spring 2011. This vote was affirmed without protest by City Council on June 28, 2011. This report is for the third year of the PBID fiscal year ending December 31, 2014. The DBPID commenced operations on January 1, 2012, and the DBA operates on a calendar year basis. In accordance with 36650 (b) of the Streets and Highway Code for the State of California, the DBA affirms the following:

1. The DBA proposes no changes in PBID boundaries for the 2015 fiscal/calendar year.
2. The DBA will continue with the same services as has been outlined in the Management District Plan of November 2010. These services include Environmental Enhancements such as Ambassador hospitality services, cleaning services, beautification, and landscaping; as well as Economic Enhancements such as district marketing, promotion, event, and business attraction and retention.
3. The budget approved on February 27, 2014 the DBA Board of Directors calls for expenditures in the FY/CY 2015 to be \$1,450,269.
4. On February 27, 2014, the DBA Board approved a 2.5% assessment rate increase as allowed in the Management District Plan for the FY/CY 2015.
5. The 2015 budget approved to the DBA Board of Directors includes a carry forward of \$131,983 in assets.
6. The approved 2015 budget envisions a deficit of \$5,446 to be subtracted to the carry forward funds of \$131,983, resulting in a year-end balance of \$126,537.
7. In addition to assessments levied on real property, the 2015 budget envisions additional revenue will be derived from Solano Avenue tree watering contract of \$13,499, a contract with the North Shattuck Association for ambassador and cleaning services of \$36,000, and a contract for ambassador and cleaning services for the Telegraph Avenue Association of \$212,114, event revenue of \$5,891, as well as, de minimis interest earned of \$300 due to low interest rates currently paid by financial institutions.
