CONSENT CALENDAR
November 18, 2014

To: Honorable Mayor and Members of the City Council

From:  Christine Daniel, City Manager

Submitted by: Michael Caplan, Manager, Office of Economic Development

Subject: Berkeley Tourism Business Improvement District Annual Report and Contract

RECOMMENDATION

Adopt two Resolutions:

1. Approving the Annual Report and preliminary budget for the Berkeley Tourism Business Improvement District (BTBID) for FY 2015 as recommended by the BTBID Owners' Association.
2. Authorizing the City Manager to execute a sole source contract and any amendments with the Berkeley Convention and Visitors' Bureau, d.b.a. Visit Berkeley, for \$248,212 of BTBID funds to support tourism marketing and promotion for the period of January 1, 2015 to June 30, 2015.

FISCAL IMPACTS OF RECOMMENDATION

The BTBID levies an annual assessment of one percent (1%) of gross short term room rental revenue for lodging establishments. The revenues are collected and the funds are expended from the Berkeley Tourism BID Fund (Fund 971). Based on the adopted budget revenue projections for the Transient Occupancy Tax for FY 2015, staff estimates that the assessment will raise approximately \$496,423 in FY 2015 (see Budget Adoption FY 2015 on June 24, 2014). At the end of FY 2014 there was a fund balance of \$148,894 in the BTBID account. The fund balance combined with the expected revenue for FY2015 totals \$645,318.

So far in FY 2015, \$267,500 has been paid out from BTBID fund on the current contract (9170) which expires on December 31, 2014. The new contract amount will be \$248,242. Together these total \$515,712.

In order to streamline budgeting and contracting processes, staff is restructuring the annual BTBID renewal to coincide with Fiscal Year of the City of Berkeley, the TBID Owners' Association and Visit Berkeley. Therefore, the term of this new contract will be six months: January 1, 2015 to June 30, 2015.

In June 2015, the BTBID will submit an annual report for the FY 2016. At that time Council will be asked to enter into a year-long contract with Visit Berkeley. Any money

that has accrued in the BTBID Fund (971) will be added to the FY2016 contract at that point. Based on current projections, staff expect a fund balance of approximately \$130,000 at the end of fiscal year 2015. Starting in June of 2015, the BTBID will renew by June each year in order for the renewal process to coincide with the fiscal years of the organizations involved.

The contract with the Berkeley Convention and Visitors' Bureau, d.b.a. Visit Berkeley has been entered into the City's contract management database and assigned CMS No. AZ8GG.

CURRENT SITUATION AND ITS EFFECTS

Under the Property and Business Improvement District Law of 1994 (California Streets and Highways Code section 36600 et.seq.) the City Council must accept an Annual Report prepared by the Business Improvement District Owners' Association with a proposed budget for the next year. Accordingly, at its meeting of October 8, 2014, the BTBID Owners' Association voted to recommend that the City Council approve the Annual Report and budget for BTBID's Fiscal Year 2015.

BACKGROUND

The Berkeley Tourism BID was established on September 18, 2012 to raise revenues to finance marketing and sales promotions to increase tourism and to market Berkeley hotels as tourist, meeting and event destinations. Implementation of the BTBID was to commence on November 1, 2012, however implementation was delayed until December 1, 2012. This delay was necessary because there was a discrepancy between how the Management District Plan for the BTBID calculated its assessment fees and what was allowed by the Berkeley Municipal Code. In order to bring the two into harmony, the Berkeley Municipal Code was amended on November 27, 2012 to modify its definition of room rent that so that BTBID assessments passed through to guests are exempt from Transient Occupancy Tax. Assessment revenue for the BTBID was first collected in January 2013.

ENVIRONMENTAL SUSTAINABILITY

Over a third of Berkeley's approximately 22 hotels have been certified by the Bay Area Green Business program. That rate of Green Certification of lodging establishments is one of the highest in the state. By promoting our hotel sector, we are promoting a Berkeley industry where there has been considerable action to meet environmental sustainability objectives.

RATIONALE FOR RECOMMENDATION

State Law requires that the City Council accept an annual report from the Owners' Association.

2014-15 Annual Planning Report

Berkeley Tourism Business Improvement District Marketing Plan

District Name: This report is for the Berkeley Tourism Business Improvement District

Fiscal Year of Report: This report applies to the July 1, 2014 – June 30, 2015 fiscal year only.

Background:

The Berkeley TBID was started in 2012 by a group of dedicated hotel property owners and hotel general managers. The first 5-year agreement with the City of Berkeley is from November 1, 2012 to October 31, 2017. However, the Berkeley TBID will transition to a fiscal year budget effective 2014-15 to coincide with the City of Berkeley fiscal budget.

Boundaries:

The Berkeley TBID includes all hotels with five or more rooms, existing and in the future, available for public occupancy within the boundaries of the City of Berkeley.

The boundary is estimated to include approximately 22 hotel businesses.

There are no proposed changes to the boundaries for fiscal year 2014-2015.

Improvements and Activities for 2014-15:

This planning report is provided for informational purposes. Actual projects are subject to approval by the BTID Committee and the Visit Berkeley board. Below are the improvements and activities planned for fiscal year 2014-15. The ideas presented below are subject to change during the course of the year depending on circumstances and availability of funds.

1) Marketing and Sales: (75%)

The marketing and sales portion shall be 75% of the assessment that is estimated to be \$372,318.00 in fiscal year 2014-15.

Visit Berkeley will continue with our long-term strategic plan that is guided by four core objectives and key strategies.

Objective 1: Development and promote Berkeley as a desirable travel destination that delivers quality visitor experiences.

Strategy: Continue to market the city to regional, domestic and international travelers. Visit Berkeley will continue to work with U.S. Travel Association, Visit California, and San Francisco Travel Association to access markets and attract travelers that would otherwise be beyond our marketing reach. Visit Berkeley redesigned and printed 50,000 of the 2014-15 Berkeley Visitor Guides that will be distributed to hotels, airports, the SF Visitor Center and

other high traffic hubs in Berkeley and beyond. We plan to have the new Visitor Guide translated into 7 additional languages that will be available in a digital format on our website and available in print at the Berkeley Visitor Center. We will complete a total redesign of our Website (www.visitberkeley.com), the official travel website that provides essential visitor information in a branded format that features hotels, a reservation system, local attractions, and new technology that will generate meeting and conference lead generation, a comprehensive Calendar of Events and social media tools.

We will continue to create highly targeted advertising and promotional opportunities for our hotels, attend trade shows and work with travel media.

Objective 2: Generate visitor-related economic impact for Berkeley.

Strategy: Continue to market three Berkeley “products” in order to drive more overnight hotel stays.

- a. **Small convention and meetings market** (trade shows, targeted collateral, client familiarization tours that will increase hotel sales that will increase sales leads and bookings)
- b. **Tourism** (regional, domestic and international travel) includes trade shows, advertising and familiarization trips to group tour wholesalers, receptive-inbound operators
- c. **Leisure Travel** (individual travelers) through social media channels, consumer advertising, online-packaging and specials)

Objective 3: Foster positive relationships with our stakeholders that includes hotels, city departments and officials, tourism–related businesses and transportation providers.

Strategy: Continue to develop and manage positive relationships with stakeholders to ensure the organization has the resources and support needed to successfully execute the TBID mission. Continue to advocate for the local lodging and hospitality industry, promoting facilities infrastructure development to enhance the visitor experience, supporting transportation policies and programs facilitating travel to and within the city, increasing the overall safety and “hygiene” of Berkeley’s streetscape.

Objective 4: Promote the long-term development of the destination.

Strategy: Continue to focus on the long-term planning that will positively impact the visitor industry. Visit Berkeley is committed to continually improving Berkeley’s image and visitor amenities to ensure long-term success as a meeting and leisure travel destination. Support, enhance and expand the Visit Berkeley brand strategy, “Come for the Culture, Stay for the Food”. We will advocate for new lodging and conference facilities and infrastructure development to enhance the visitor experience. Support major sporting and special events that drive economic impact.

2. Administration and Operations (20%)

The administrative and operations portion of the budget will be 20% of the assessment or \$99,285.00 and shall be utilized for office costs and other general administration costs.

3. City Collections Costs (1%)

The City of Berkeley shall be paid a fee equal to 1% of the amount of assessment collected to cover its costs of collection and administration. The estimated costs for fiscal 2014-15 is \$4,964.00.

4. Contingency/Renewal (4%)

Contingency funds for fiscal 2014-15 will be 4% of the total assessment and estimated to be \$19,857.00. These funds will be set aside in a contingency fund, to be used for unforeseeable costs in carrying out the sales and marketing programs and may be used, upon approval, for the renewal costs of the TBID.

Total Estimate of Costs for Fiscal 2014-15:

A breakdown of the total estimated \$496,424.00 budget for fiscal 2014-15 is attached to this report as Appendix A.

Method and Basis of Assessment:

The annual assessment rate is one percent (1%) of gross short term (stays less than 30 days) room rental revenue for hotels. Based on the benefit received, assessments will not be collected: on stays of more than thirty (30) consecutive days; on stays by any officer or employee of government who is exempt by express provisions of federal international treaty; or on stays by any customer of a bed and breakfast establishment as defined in Section 23F.94.010 of the Berkeley Municipal Code, which is located in a residential zoning district, has been inconsistent operation as of January 1, 2003, and the continued operation of which is permitted under Chapter 23C.06 of the Berkeley Municipal Code.

Amount of Surplus/Deficit from previous Fiscal Year:

The TBID assessment was estimated to bring in approximately \$496,424.00 in revenues. A carryover of \$19,288.00 from 2013-14 fiscal year will be rolled over to the 2014-15 budget, to bring the total costs of 2014-15 fiscal year \$515,712.00. As Berkeley TOT has consistently increased year to year, we anticipate a surplus of approximately \$129,000 at the end of fiscal year 2014-15. This surplus will be rolled-over to the 2015-16 fiscal year operating budget.

There are no deficit revenues from Fiscal 2013-14 to be carried over.

Amount of Contributions from other sources:

There are no plans to apply for funding from other sources.

Thank you for the opportunity to present our Annual Planning Report for fiscal 2014-2015. If you have any questions regarding this report, please call Barbara Hillman, President/CEO of Visit Berkeley at (510) 549-7040.
