#### FISCAL IMPACTS OF RECOMMENDATION

#### CURRENT SITUATION AND ITS EFFECTS

The City of Berkeley and BUSD are collaborating to support youth afterschool sports programs in the elementary schools during the school year. These sports include 11 & Under Flag Football, 11 & Under Basketball, and 2nd - 3rd Grade Soccer. BUSD schedules the games for the youth, teachers, coaches, and fields, the City provides the sports officials to officiate the games. This program will serve approximately 1,100 youth visits per year.

#### BACKGROUND

This agreement formalizes a joint collaboration between the City of Berkeley and Berkeley Unified School District to offer sports activities to youth. BUSD operates well-developed afterschool sports programs and the City of Berkeley has skilled sports officials. Together the two agencies can provide an opportunity for youth to participate in healthy activities that foster physical activity and good sportsmanship.

### RATIONALE FOR RECOMMENDATION

Providing sports officials for BUSD elementary afterschool sports programs allows the City to leverage our existing pool of skilled sports officials to support healthy and active options for youth afterschool.

### ENVIRONMENTAL SUSTAINABILITY

Offering opportunities for youth to participate in physical activity encourages them to participate in other sustainable activities like walking, running, bicycling and skateboarding.
