TO: Honorable Mayor and Members of the City Council

FROM: Councilmember Linda Maio, Mayor Tom Bates, Council Members Laurie Capitelli and Lori Droste

SUBJECT: Improve Conditions On Our Community Sidewalks; Amending Berkeley Municipal Code Chapters 13.36 and 14.48

RECOMMENDATION

Discuss and refer the following services and ordinances to the City Manager for implementation, and adopt first reading of three Ordinances:

1. Adding Section 13.36.085 to the Berkeley Municipal Code prohibiting urination and defecation in public places.
2. Amending Sections 14.48.020 and 14.48.170 of the Berkeley Municipal Code regulating use of sidewalks.
3. Adding Section 13.36.040 to the Berkeley Municipal Code prohibiting obstruction of City-owned planters and trees.

ADDITIONAL SERVICES

1. Create a **secure** storage facility for personal belongings; bins must be of adequate size, of reasonable number (estimate of 50 – 100 at the outset) and ensure reasonable access, with posted hours.
2. Provide additional bathrooms in the Downtown and Telegraph areas.
3. Provide mobile showers and bathrooms for public use.

ORDINANCES WOULD DISALLOW:

1. Urination and defecation in public spaces.
2. The placement of personal belongings on sidewalks and plazas covering more than 2 square feet during the day, from 7 a.m. to 10 p.m. (storage to be provided).
3. The placement of a wheeled mobile unit, no more than 6 square feet in size (i.e. a standard shopping cart) during the day, from 7 a.m. to 10 p.m. for no more than

one hour in one location after which time the unit must be moved to a different block face (storage to be provided).

Note: Purpose of #2 and #3: Amend Berkeley Municipal Code Chapter 14.48 so the Traffic Engineer may adopt regulations and ensure that public streets, and especially sidewalks, are fully accessible and usable for the purposes for which they were constructed and intended, specifically the movement of goods and traffic, pedestrians and wheelchairs.

4. Lying inside of planter beds or on planter walls.
5. Personal items affixed to or placed on public fixtures including poles, bike racks (except bikes), planters, trees, tree guards, newspaper racks, parking meters and pay stations. Pet leashes exempt only as not prohibited in BMC 10.12.110.
6. Placement of personal objects in planters, tree wells, or within 2 feet of a tree well to enable tree care and to protect tree trunks.

IN ADDITION

- A. Provide public notice before enforcement, including direct interaction with persons to explain the ordinances, location of storage facilities, and location of services.
- B. Prior to issuing a citation regarding personal belongings persons shall receive an initial warning with information regarding available storage.
- C. Refer to the budget process extending transition-aged youth shelter hours beyond winter months.
- D. Make public restrooms available and well publicized. Involve BART in exploring possible locations.
- E. Ordinances concerning the placement of personal belongings and wheeled mobile units on sidewalks will not be enforced until storage services are in place.

BACKGROUND

Caring for people, especially those who are less fortunate, who do not have homes in which to keep their belongings and to sleep, is important to Berkeley residents. Caring for our public spaces, maintaining basic cleanliness and safe surroundings is also important to us. We need to attend to both.

Berkeley will never be able to provide homes for all of the people who have become needy in our town. The economic structure of this country is unjust, unfair, and cruel especially to those who have virtually nothing to fall back on or are too ill to care for themselves. As our social fabric erodes around us, literally on a daily basis, we must do

everything we can to ensure we remain a humanitarian city and at the same time set a standard for acceptable behavior in our town. That is the purpose of this recommendation: to put forth new services and a few basic rules to set the standard for acceptable behavior---for everyone.

The additional services **DO**

- provide adequate, safe storage of personal belongings that can be accessed in a reasonable manner
- provide additional public bathrooms available 24/7
- provide for mobile showers and sanitation facilities

The proposed ordinances **DO NOT**

- outlaw sitting on the sidewalk
- outlaw sleeping on the sidewalk during nighttime hours

FINANCIAL IMPLICATIONS

New services could cost as much as \$300,000 each year, and additional staff time for implementation. Budget referral for extending shelter hours to be determined.
