Subject: Raising the Tibetan Flag in Solidarity with the Tibetan People for 58 Years  
In Exile and Adopt a Resolution Supporting the “Tibet Action Year”

### RECOMMENDATION:

Adopt a Resolution urging China to respect Tibetan People’s right to self-determination, safeguard their human rights and their pristine environment, and to resume dialogue with His Holiness and other Tibetan leaders. Additionally, to allow the Tibetan flag to be raised on the city flag pole on Friday March 10, 2017 to show solidarity with the people of Tibet.

### BACKGROUND:

The year 2017 has been dedicated by the Tibetan community around the world as “Tibet Action Year” to remind about the ongoing plight of Tibet so that the just cause of Tibet is not forgotten. On July 2016, The New York Times reported that the Chinese government ordered largescale demolitions of monks’ and nuns’ homes at one of the world’s largest monastic institutions, Larung Gar in eastern Tibet. Because of China’s draconian policies, over 145 Tibetans have self-immolated to protest against it and call for the return of His Holiness the Dalai Lama.

The recent human rights abuses in Tibet are another example of the continued violent suppression the movement for democracy in Tibet. It is also one aspect of China’s continued serious contravention of the Tibetan people’s right to religious and cultural freedoms.

It is important that the City of Berkeley oppose the Chinese government’s campaign of violent suppression and stand up for human rights and democracy in Tibet.

### FINANCIAL IMPLICATIONS:

None.

### ENVIRONMENTAL SUSTAINABILITY:

Consistent with Berkeley’s Environmental Sustainability Goals and no negative impact.
