

Office of the City Manager

CONSENT CALENDAR

April 25, 2017

To: Honorable Mayor and Members of the City Council

From: Dee Williams-Ridley, City Manager

Submitted by: Sarah Reynoso, Director of Human Resources

Subject: Memorandum of Understanding: Berkeley Fire Fighters Association, I.A.F.F. Local 1227 / Berkeley Chief Fire Officers Association

RECOMMENDATION

Adopt two Resolutions: 1) approving a Memorandum of Understanding (“MOU”) with the Berkeley Fire Fighters Association, I.A.F.F. Local 1227 / Berkeley Chief Fire Officers Association (“Association”) with a term of December 8, 2015 through June 16, 2018 and authorizing the City Manager to execute and implement the terms and conditions of employment set forth in a new MOU; and 2) approving a new salary resolution for Representation Unit A that implements the salary levels negotiated in the MOU.

FISCAL IMPACTS OF RECOMMENDATION

The negotiated salary and benefits mirror the economic package the Council approved on October 27, 2015 for all Unrepresented employees. The terms of the economic settlement with the Association, provide for future salary increases of one percent (1.0%) March 26, 2017; and one-and one-half percent (1.5%) effective June 18, 2017; and one-time bonus of \$1,200 on May 11, 2017 to employees who are in paid status as of March 25, 2017. The cumulative total cost is approximately \$66,374 (Fiscal Year 2017 to Fiscal Year 2018). The funding for this agreement comes from the General Fund, Fund 457, FUND 160 and Measure GG. The cost for this labor contract is included in the fiscal year 2017 Budget and will be included in the fiscal year 2018 Budget.

CURRENT SITUATION AND ITS EFFECTS

In November 2015, the six (6) unrepresented Fire management employees in the classifications of Assistant Fire Chief, Battalion Chief and Fire Marshal, petitioned the Personnel Board to become represented. The Battalion Chief classification was assigned to Unit Z2 (Unrepresented Confidential Professional) and the Assistant Fire Chief and Fire Marshal classifications were assigned to Unit Z1 (Confidential and Executive Management Employees), subject to the terms and conditions of the Unrepresented Employee Manual.

On May 26, 2016, the City formally recognized the Berkeley Fire Fighters Association Local 1227 International Association of Fire Fighters (“Local 1227”) as the recognized

employee organization for the six (6) Fire management employees in the Assistant Fire Chief, Battalion Chief, and Fire Marshal classifications. These classifications were assigned to Unit A (Represented Fire Management) under the Berkeley Chief Fire Officers Association ("BCFOA").

As the recognized employee organization for the newly recognized BCFOA employee organization, the Association and the City have endeavored to reach agreement on a new MOU. In an effort to reach agreement on a new MOU, representatives of the City and representatives of the Association held approximately 30 negotiating sessions beginning on July 13, 2016. The parties reached a settlement agreement on all outstanding economic and non-economic issues on February 6, 2017.

BACKGROUND

On December 8, 2015, the Personnel Board ("Board") approved the BCFOA's petition, pursuant to Section 11(b)(3) of the City's Rules and Regulations for Administering Employer-Employee Relations, Resolution No. 43,397-N.S. ("Employer-Employee Relations Resolution") to designate BCFOA as the recognized employee organization for the Fire Management classifications of Battalion Chief, Assistant Fire Chief, and Fire Marshal. Additionally, the Board approved the assignment of all three (3) classifications into one (1) representation unit, Unit A (Represented Fire Management). On March 21, 2016, the BCFOA's then President notified the Human Resources Department of the BCFOA's intent to be represented by Local 1227.

Pursuant to Section 9(a) (Election) of the Employer-Employee Relations Resolution, an election is required to be conducted among the employees of the designated representation unit to determine the wishes of employees as to representation. On May 2, 2016, the Board approved recommendations by staff of the procedures and the secret ballot to be used in the election process.

On May 6, 2016, the Notice of Election was sent to the affected employees. The election process was conducted on May 13, 2016 and May 16, 2016, and completed by secret ballot. On May 17, 2016, Human Resources staff certified the election results. The six (6) affected employees unanimously voted to be represented by Local 1227. And, on May 26, 2016, the City Manager certified Local 1227, as the recognized employee organization for BCFOA, representation Unit A (Represented Fire Management).

The City and the Association commenced negotiations on a MOU on July 13, 2016. Due to the complexity of creating a completely new MOU, negotiations took longer than anticipated. Nevertheless, the City's philosophy during negotiations with the Association was to follow City Council policies to protect the City's short and long-range economic health. City Council policies for labor negotiations include, but are not limited to, the following:

1. Assure that labor organizations and their members are treated fairly and with respect;
2. Negotiate in good faith and within the process established by the parties including maintaining the confidentiality of Council deliberations and the negotiation process;
3. Negotiate contracts based on a "Total Compensation Package" model (changes in current and future salaries, premium and specialty pays, and health and welfare benefits) consistent with the City's overall financial condition, ability to pay and financial policies;
4. Any pay adjustments for particular classifications should be factored in the overall Total Compensation Package.
5. Strive to achieve salary ranges at the median of comparable jurisdictions whenever possible;
6. Assure the City's Total Compensation salary and benefit package is competitive in the marketplace, is fair to existing employees and is competitive with public employers in the Bay Area so that the City is able to recruit and retain quality employees;
7. Negotiation of employee benefits should include consideration of uniformity across bargaining units to the extent this is compatible with state law, enhances transparency and is efficient in to administer, while at the same time not resulting in an overall increase in costs. Consideration of uniform benefits will not be utilized as a preemptory tool to negotiate compensation or benefits as such would be contrary to the spirit and intent of bargaining in good faith.
8. Include sustainability of benefits as part of negotiating considerations;
9. Conduct regular actuarial studies of major unfunded liabilities including CalPERS, retiree health, etc.
10. Use long-term and multi-year strategies to reduce unfunded liabilities and appropriately fund and achieve sustainable benefits.

The new MOU includes benefits that mirror what BCFOA members received when they were Unrepresented employees prior to December 8, 2015. The salary increase for the BCFOA also mirror those authorized by Council on October 27, 2015 for unrepresented employees under Resolution No. 67,237-N.S., BCFOA members received the same salary increases that went into effect December 20, 2015 (1.0% and 0.5%) for unrepresented employees. These salary increases were factored into the economic settlement package and included in the MOU.

Major provisions of the new labor contract are as follows:

Term	December 8, 2015 through June 16, 2018
Salary Increases	1.0% December 20, 2015 (<i>already received</i>) 0.5% December 20, 2015 (<i>already received</i>) 1.0% March 26, 2017 1.5% June 18, 2017

One-Time Lump Sum Payment	\$1,200 per employee on May 11, 2017.
Benefits	Benefits mirror what they received as Unrepresented employees.

ENVIRONMENTAL SUSTAINABILITY

There are no identifiable environmental effects or opportunities associated with the subject of this report.

RATIONALE FOR RECOMMENDATION

Representatives of the City worked within policies set by the City Council for guiding contract negotiations and staff met with the City Council in closed session to discuss and receive the policy direction and economic authority to settle this contract. The overall settlement must be within the City’s ability to pay based on projected revenue as well as demands for services across the spectrum of programs the City provides the community. I believe this settlement is in keeping with City Council’s direction to staff and is fair and equitable to the members of the Association.

ARTICLE 1 - ADMINISTRATION

SECTION 1.1: RECITALS

This Memorandum of Understanding is entered into pursuant to the Meyers-Milias - Brown Act (Government Code Sections 3500-3511, as amended), and has been jointly prepared by the parties.

The City Manager is the representative of the City of Berkeley (herein - after referred to as "the City") in employer-employee relations as provided in Resolution No. 43,397-N.S. and adopted by the City Council on October 14, 1969 and amended as of 1971, and retains management rights as provided therein unless otherwise specifically provided for in this agreement.

The Berkeley Fire Fighters Association Local 1227, International Association of Fire Fighters (hereinafter referred to as "the Association"), is the recognized employee organization for the Berkeley Chief Fire Officers Association employees in Representation Unit A (Represented Fire Management), which organization has been certified as such pursuant to said Resolution No. 43,397-N.S. The employee positions in such Representation Unit are set forth in Exhibit "A" attached hereto and made a part hereof. The Berkeley Firefighters Association, Local 1227, I.A.F.F. is recognized as the sole representative of employees assigned to such positions.

The parties have met and conferred in good faith regarding wages, hours, and other terms and conditions of employment of the employees in said Representation Unit A; have exchanged freely information, opinions and proposals; and have endeavored to reach agreement on all matters relating to the employment conditions and employer-employee relations of such employees. This Memorandum of Understanding (MOU) shall be presented to the City Council as the joint recommendation of the undersigned.

SECTION 1.2: RECOGNIZED EMPLOYEE ORGANIZATION

1.2.1 Recognition

The Association is the majority representative of all employees within Representation Unit A (Represented Fire Management); and shall continue to be recognized as such unless, in accordance with the provisions of Resolution No. 43,397-N.S.

1.2.2 Agency Shop

Effective the first full month following Council approval of this MOU, all current and future employees of the City represented by the Association shall, as a condition of continued employment, become and remain a member of the Association or, in lieu thereof, shall pay a service fee to the Association. Such service fee payment

shall be equivalent to the standard initiation fee, periodic dues and general assessments (hereinafter collectively termed membership fees) of the Association and exclude amounts used to pay for political and ideological purposes not related to collective bargaining.

Religious Objection: Any represented employee who is a member of a bona fide religion, body or sect which has historically held conscientious objection to joining or financially supporting a public employee organization and is recognized by the National Labor Relations Board to hold such objections to Association membership shall, upon presentation of membership and historical objection satisfactory to the City and the Association, have sums equal to membership fees deducted and paid to one of the following charitable organizations as chosen by the employee: Berkeley Firefighters Random Acts; Alisa Ann Ruch Burn Foundation; or Firefighter Cancer Support Network. Proof of payments by the employee shall be made on a monthly basis to the City as a condition of continued exemption from the requirement of financial support to the Association.

Deductions: The City shall deduct, once monthly, the amount of the membership fee or service fee deductions, as appropriate, from the regular periodic payroll warrant of each City employee and forward the amount to the Association, save amounts deducted due to religious objectors which amount shall be forwarded to the designated charitable organization. An exception from these deductions shall exist in situations when an employee is in a leave without pay or other unpaid status such that there is no payroll amount from which to make a deduction. The City shall continue to deduct insurance premiums and other such deductions as may be specified by the employee in accordance with past practice. The Association shall provide sixty (60) day notice on any changes in dues or assessments or premiums.

Membership: All employees who are, or hereafter voluntarily choose to become members of the Association, shall maintain such membership in good standing as a condition of continued employment for the duration of this MOU; provided, however, that withdrawal shall be allowed during a period of not more than ninety (90) days nor less than thirty (30) days prior to the expiration date of the MOU by sending written notice of withdrawal to the Association (with a copy to the Director of Human Resources of the City during said period).

Indemnification: The Association shall hold the City harmless, and shall fully and promptly reimburse the City for any fees, costs, charges or penalties incurred in responding to or defending against any claims, disputes, challenges, whether formal or informal, which are actually brought, or attempted or threatened to be brought, against the City or any of its agents or employees, in connection with the interpretation, application, administration or enforcement of any provision of this Agency Fee agreement. Such reimbursement shall include, but not be limited to, court costs, litigation expenses, and attorneys' fees incurred by the City. The City

shall have the right to be represented by its own attorney in any action in which it is a named party to the action.

1.2.3 The City and the Association recognize this MOU (see Glossary) as a binding and legal contract between the two parties.

1.2.4 The City shall print the new MOU in booklet form and have it ready for distribution within sixty (60) days of final ratification. The City shall provide the Association with twenty (20) copies of the booklet to assure availability for each member of Unit A.

SECTION 1.3: EQUAL EMPLOYMENT OPPORTUNITY, NON-DISCRIMINATION STATEMENT

The Association certifies that it has no restriction on membership based on race, color, creed, ethnicity, ancestry, religion, marital or domestic partner status, gender, age, sexual orientation, national origin, political affiliation, gender identity or gender expression, parental status, pregnancy, disability or medical condition, Acquired Immune Deficiency (AIDS/HIV) or AIDS related condition, or any other status protected by applicable state or federal law, or protected Union activity. The Association agrees that it will support programs for making members of minority groups and women aware of employment opportunities within the City; and that it will work with the City to increase recruitment efforts of such minorities and women into City service. The Association recognizes and supports the City's commitment to equal employment opportunity.

Neither the City nor the Association shall discriminate against any employee covered by this MOU in a manner which would violate any applicable laws because of race, creed, religion, marital status, color, religion, political affiliation, sexual orientation, sex, national origin, disability or age.

The City of Berkeley Harassment Prevention Policy, as may be amended from time to time to comply with applicable state or federal law, is available on-line on the City's IntraWeb at <http://www.ci.berkeley.ca.us/ContentDisplay.aspx?id=10318>, in the Department of Human Resources, or by contacting the City's Equal Employment Opportunity and Diversity Officer.

SECTION 1.4: ASSOCIATION REPRESENTATIVES

1.4.1 Association Release Time

The City shall allow two (2) representatives of the Association, subject to the conditions set forth in Sections 4.2 and 4.3, reasonable time off from work without loss of compensation or other benefits to represent its members in disputes which involve the interpretation or application of those rules, regulations, and resolutions

which have been or may hereafter be adopted by the City Council to govern personnel practices and working conditions, including such rules, regulations, and resolutions as may be adopted by the City Council to effect MOU which may result from the meeting and conferring process, and to represent its members in meeting and conferring in good faith for amendments to this MOU in the future.

1.4.2 Negotiations

With respect to the meet-and-confer process, three (3) Association representatives shall be the maximum number who will be allowed concurrent time off for negotiations of a successor MOU.

1.4.3 Advance Notice

The representative shall advise his or her Fire Chief or Deputy Fire Chief through the chain of command twenty-four (24) hours in advance before leaving their work assignments, except for emergency situations which require the immediate attention of said representative, and, in such situations, the notice shall be given at the earliest possible time. In no case shall an employee leave his or her job without the approval of a chief officer.

1.4.4 Association Representative

Per the requirements of the Fire Fighters' Bill of Rights Act, an employee who requests such may have an Association representative present at any meeting with the Deputy Fire Chief and/or the Fire Chief which could result in punitive action of that employee. The Association will make a good faith effort to minimize the response time to an employee's request for representation.

SECTION 1.5: SEVERABILITY OF PROVISIONS

This MOU is subject to all current and future applicable federal and states laws and regulations, and all lawful rules, policies, and regulations of the City of Berkeley in effect at the time this MOU is adopted, except as expressly modified by this Agreement. If any provision of this MOU is determined to be in conflict or inconsistent with any laws, rules, and/or regulations or is otherwise held to be invalid or unenforceable, such provision may be suspended or superseded, and the remainder of this MOU shall continue in full force and effect. If any provision is invalidated, the parties shall meet and confer in good faith regarding a replacement provision.

Should any City rule, regulation or policy conflict with the MOU, the MOU shall supersede.

SECTION 1.6: FINALITY OF RECOMMENDATIONS

The recommendations set forth in this MOU are final. No change or modifications shall be offered, urged, or otherwise presented by the Association or the City Manager prior to

the beginning of negotiations for the contract that will go into effect when this one has expired; provided however, that nothing herein shall prevent the parties to this MOU from meeting and conferring and making modifications herein by mutual consent. No such amendments to this MOU shall be effective until adopted by City Council and ratified by the Association.

This MOU shall supersede all existing memoranda agreement between the City and the Association.

SECTION 1.7: DURATION

The parties agree that this lump sum provision does not create or bind the City to any precedent or past practice.

2.1.1 Ranges

Salaries are set according to the classifications and salary ranges assigned to those classifications and with the effective dates listed in Exhibit "A" to this MOU and attached hereto.

2.1.1.1 **Salary Ranges without Salary Steps:** In those classes of positions for which a salary range is established without a designation of salary steps, the City Manager is authorized to fix the salary rate at any point within the established salary range.

2.1.2 Step Increases

No salary advancement shall be made so as to exceed the maximum rate established for the class to which the advanced employee's position is allocated. Advancement shall be in accordance with the compensation plan of the City, provided that step increases within the salary range shall occur on the anniversary date of the appointment, subject to the exception in Section 2.1.5 (Unpaid Leave Effect on Pay Increases) for extended unpaid leaves of absence.

2.1.3 Salary Placement and Entry – Lateral Incentive

2.1.4 Maximum Pay Rate

No salary advancement shall be made so as to exceed the maximum rate established for the class to which the advanced employee's position is allocated. If the employee is off the payroll for one hundred sixty (160) consecutive hours for employees assigned to a forty (40) hour work week or two hundred eighty eight (288) hours for employees assigned to a fifty six (56) hour work week, the total amount of time off shall be made up before the employee shall be entitled to such pay increase, except that employees on approved parental leave or military leave are exempt from such requirement. If the pay rate change is triggered by an event which occurs in the second half of the pay period, the change in pay rate will become effective on the first day of the following pay period. Similarly, the changed pay rate should cease to be in effect on the last day of the pay period during which the employee is no longer eligible if the triggering event occurs during the second half of the pay period; or if the triggering event occurs during the first half of the pay period, the changed pay rate would cease to be in effect on the last day of the preceding pay period.

The City and the Association agree that the City is authorized to recover any salary overpayment made to the employee from the employee's wages. In the event that (1) the employee does not respond within 10 working days of being notified of the overpayment, or (2) mutual agreement on the repayment schedule is not achieved within 10 working days of the employee being notified of the overpayment, the Auditor's Office will proceed to implement a reasonable repayment schedule.

3.5.1 Sick Leave Use

An employee shall be entitled to take sick leave with full pay in case of sickness, disability or serious illness of that employee or within the immediate family of the employee in accordance with the provisions of Sections 3.5.2 (Accumulation of Sick Leave) to 3.5.6 (Sick Leave Not a Privilege) inclusive.

3.5.2 Accumulation of Sick Leave

Each employee shall be credited with one (1) sick leave day (see Glossary) with full pay for each month of service, provided that each employee shall be credited with two (2) sick leave days with full pay for each month of service during the seventeenth (17th) year of employment and thereafter.

3.5.3 Maximum Accumulation

Such sick leave as provided in Section 3.5.2 (Accumulation of Sick Leave) when not used shall be cumulative, but the accumulated, unused period of sick leave, beginning in 1990, shall not exceed the following schedule:

For 56-hour A Week Employees	For 40-hour A Week Employees
base - 1800 hrs.	base - 1200 hrs.
1st year - 1944 hrs.	1st year - 1296 hrs.
2nd year - 2088 hrs.	2nd year - 1392 hrs.
3rd year - 2232 hrs.	3rd year - 1488 hrs.
4th year - 2376 hrs.	4th year - 1584 hrs.
(and so on, as described in the next paragraph)	

The previously established maximum accumulation level of 1800 hours (1200 hours for 40-hour a week employees) may at the employee's option, be increased by up to 144 hours (96 hours for 40-hour a week employees) each year following the year when the employee reaches 1800 hours (1200 hours for 40-hour a week employees) level.

3.5.4 Annual Payout for Excessive Sick Leave

In each year following that 1800 hour (1200 hour for 40 hour a week employees) base year, the employee may, on a form provided by the City, elect to receive pay for excess sick leave or may elect to increase their sick leave accumulated base by the 144 hours (96 hours for 40 hour a week employees) and take any additional excess sick leave in pay at the following prescribed rate: employees who choose to increase their sick leave accumulated base by the 144 hours (96 hours for 40 hour a week employees) will receive 50% pay off rate in March; employees who choose to receive pay out for excess sick leave over the base, and do not exercise the option of increasing their accumulated sick leave base by 144 hours (96 hours for 40 hour a week employees) in any particular year, will be paid for excess sick leave at the 38% pay off rate in March.

Forms, provided by the City along with projected excess sick leave balances, shall be distributed to affected employees by February of each year and shall be returned to the City by February 15th. If an employee uses part of an established "sick leave maximum accumulation level", the employee may replenish the used portion at the applicable rate provided in Section 3.5.2 (Accumulation of Sick Leave).

Determination of eligibility for such payment shall be made on an annual basis, and payment for such sick leave for any calendar year shall be made during the month of March each year. Such payment shall be made at the employee's regular monthly salary rate in effect on the last day of the first pay period to end in March. An employee shall be eligible for this provision whether or not the employee is on the payroll as of the last day of the first pay period to begin and end in March.

3.5.5 Accrued Sick Leave Canceled Upon Termination

3.5.5.1 Unused Sick Leave Payment at Retirement or Termination for Employees Hired on or Before June 30, 2014: All employees hired on or before June 30, 2014 that retire (non-disability) or voluntarily terminate with twenty (20) years of service shall be entitled to receive payment at retirement or termination of unused sick leave days, based on the following schedule:

Number of Unused Sick Leave Days	Percentage Payout
0 - 74 days	38%
75 - 99 days	41%
100 - 124 days	44%
125 - 149 days	47%
150 and over	50%

This pay-out schedule shall also apply to any employee retiring on permanent disability arising out of and incurred in the course and scope of his or her employment with the City. Employees hired on or after July 1, 2014 shall not be eligible for payment of any unused sick leave days.

3.5.6 Sick Leave Not a Privilege

Sick leave shall not be considered as a privilege which an employee may use at his or her discretion but shall be allowed only in case of sickness or disability or in the case of serious illness within the immediate family of the employee. Not more than twelve (12) sick leave days (6 24-hour shifts or 144 hours for a 56-hour schedule, or 96 hours for a 40-hour schedule) in any calendar year may be taken because of the illness of a member of the employee's immediate family. The

immediate family of an employee, for the purpose of this Section, shall be defined as: child or dependent residing in the employee's household or spouse, domestic partner, son, daughter or parent.

3.5.7 Injury Incurred in Outside Employment

No sick leave shall be allowed for time off for an injury incurred while working for another employer, provided that such injury is covered by the Workers' Compensation laws of the State of California, and no other provision for payment for time off because of injury is made by such other employer. In the event such injury is not covered by the Workers' Compensation laws of the State of California and no other provision for payment for time off because of such injury is made by such other employer, sick leave in accordance with the provisions of this Section shall be allowed only if such outside employment has been approved by the City.

3.5.8 Notice Requirement

An employee who is unable to report to duty due to illness shall notify the on-duty supervisor one (1) hour prior to the commencement of the employee's assigned shift in order to receive compensation while absent on sick leave.

3.5.9 Absence Reporting (2 24-Hour or 3-Days):

If an illness or injury is anticipated to continue for more than two (2) 24-hour shifts or three (3) days, it shall be reported immediately to the Deputy Chief or Fire Chief via telephone or email.

3.5.10 Effect of Leave without Pay on Sick Leave Accrual

An employee who is granted a leave of absence without pay and who is off the payroll for less than two (2) pay periods shall receive earned sick leave credit. If an employee is off the payroll for two (2) or more successive pay periods, the employee shall not earn sick leave credit for each two (2) successive pay periods that he or she is off the payroll.

3.5.11 Control of Abuse

The City may establish a reasonable program for the control of abuse of sick leave and absenteeism, subject to Association review and comment.

3.5.12 Restoration of Sick Leave upon Re-Employment

Accumulated unused sick leave which has been canceled by reason of any employee's termination shall be credited back to such employee if he or she returns to City of Berkeley employment within two (2) years of such termination.

3.5.13 Bonus for Unused Sick Leave

For every six (6) months of uninterrupted non-use of sick leave, a 40-hour per week employee will receive eight (8) hours of bonus time and a 56-hour per week employee will receive twelve (12) hours of sick leave bonus time. Leave without pay and a Workers Compensation leave of absence from work pursuant to

workers' compensation is counted as an absence from work in the same manner as sick leave for the purpose of this bonus, except for partial day absences due to a prescribed follow-up physical therapy or medical appointment (Payroll Code M0) for a Workers' Compensation claim which absences shall not disqualify an employee from the sick leave bonus described in this paragraph. Such bonus time can be used for any leave purpose covered by this Memorandum of Understanding and may, in addition, be used as emergency personal leave. The Department shall track sick leave bonus time separately. Sick leave bonus time accrual will not exceed 300 hours plus the current calendar year accrual. At the end of the calendar year, excess sick leave bonus time will be converted to vacation leave and the rules regarding maximum vacation leave accrual will apply.

3.5.14 Use of Sick Leave Bonus

The use of sick leave bonus time for emergency personal reasons shall not interrupt the earning cycle of sick leave bonus as long as the time being requested is not for use as sick leave or family sick leave. Requests for emergency personal time off shall be directed through the Deputy Chief or Fire Chief.

3.5.15 Accrual Conversion Rate

The conversion factor for employees accruing and using sick leave or sick leave bonus time is as shown below. The intent of the parties is to have the dollar value of the sick leave or sick leave bonus time accrued be the same whether an employee is assigned to a fifty-six (56) hour per week schedule or a forty (40) hour per week schedule.

3.5.15.1 Sick leave or sick leave bonus time accrued on a fifty-six (56) hour per week scheduled is converted to a forty (40) hour per week schedule by multiplying number of hours of sick leave or sick leave bonus time by the conversion factor of 0.7143.

3.5.15.2 Sick leave or sick leave bonus time accrued on a forty (40) hour per week scheduled is converted to a fifty six (56) hour per week schedule by multiplying number of hours of sick leave or sick leave bonus time accrued by the conversion factor of 1.4.

However, in the event of an illness or injury requiring the use of sick leave, an employee has an option to notify the City in writing that he or she wishes to freeze the use of sick leave after thirty (30) calendar days prior to receiving authorization for leave without pay in order to take advantage of an Association sponsored Long Term Disability benefit.

SECTION 3.11: JURY DUTY LEAVE

3.11.1 Absence from Duties

An employee who is called or required to serve as a trial juror shall be entitled to be absent from duties or service with the City with pay during the period of such jury service as defined in the Glossary. The employee shall keep any payment received for jury service, including mileage reimbursement, upon submittal of proof of jury service.

3.11.2 Service during Off-Shift

SECTION 6.1: GRIEVANCE PROCEDURE

6.1.1 Definition

A grievance is any dispute which involves the interpretation, application, claimed violation, or claimed noncompliance with the provisions of the MOU between the City and the Association. The grievance procedure discussed below shall be the sole grievance mechanism applicable to employees covered by this MOU.

6.1.2 Deadline for Filing

No matter shall be considered as a grievance under this Section unless it is presented within thirty (30) calendar days after the employee or the Association could reasonably have been aware of events on which the grievance is based. Failure to comply with the time lines of the Grievance Procedure by either party will constitute forfeiture of their position on the grievance. In the event of a forfeiture by the City, the City will comply with the request for resolution. However, the provisions of Section 6.1.9 (Suspension of Discharge) of this MOU will apply in the event of forfeiture. If both parties agree, the time limits may be waived for a specific period of time at any step in this procedure.

Grievances shall be processed in the following manner:

6.1.3.1 **Step I - Informal Step:** Any employee who believes he or she has a grievance (and/or the employee's Association representative) shall discuss the employee's complaint with the Deputy Fire Chief. Any such referral shall be in writing to the Fire Chief with a copy to the Human Resources Department, on a grievance form provided by the City (see Exhibit E), and approved by the Association. The written statement shall be a clear concise statement of the grievance, including specific provisions of this agreement and/or City ordinance, rule or regulation, and/or past practice alleged to have been violated, the circumstances involved in the decision rendered at Step I, and the specific remedy sought. Either party shall be entitled to a personal conference upon request.

The Fire Chief shall communicate a decision to the grievant with a copy to the Association and to the Director of Human Resources in writing within ten (10) working days after receiving the grievance or ten (10) working days from the date of the personal conference, whichever is later, and such action will terminate Step II.

- 6.1.3.3 **Step III - City Manager:** In the event that the employee (or the employee's Association representative) is not satisfied with the decision at Step II, the employee (or the employee's Association representative) may appeal the decision in writing to the City Manager or his or her designee within ten (10) working days after the termination of Step II.

- 6.1.3.4 **Step IV - Arbitration:** If the Association is not satisfied with the City Manager's response at Step III- the Association may require that the grievance be referred to an impartial arbitrator, who shall be designated by mutual agreement between the Association and the City Manager. The Association must notify the City Manager in writing within ten (10) working days of receipt of the City Manager's decision that they intend to move the grievance to arbitration.

The fees and expenses of the State Mediation and Conciliation Services arbitrator and the court reporter shall be shared equally by the Association and the City. Each party, however, shall bear the cost of its own presentation including preparation and post-hearing briefs, if any. The Association shall provide the City with half of the cost charged by State Mediation to provide the parties with an arbitrator list no later than 30 days following notification to the City Manager that the Association wishes to advance the grievance to arbitration. Failure to timely do so shall result in a waiver of the right to advance the grievance to arbitration.

6.1.4 Suspensions or Discharge Arbitration Decisions

Arbitrator decisions on matters properly before them which pertain to the suspension or discharge of an employee shall be final and binding upon both parties hereto to the extent permitted by the Charter of the City.

6.1.5 Non-Disciplinary Arbitration Matters

Those arbitration decisions on matters properly before them which do not pertain to suspension or discharge shall be in the form of recommendations to the City Manager, who may, within five (5) working days of receipt of said decision, reject said decision.

In the event of said rejection, then as to that particular grievance the fees and expenses of the arbitrator and court reporter shall not be shared by the Association, and full payment thereof shall be the sole responsibility of the City.

6.1.6 Written Reprimand

Consistent with the Firefighter Bill of Rights Act, an employee receiving a written reprimand shall have the right to a non-evidentiary administrative appeal to the Fire Chief or Fire Chief's designee. The employee must request an administrative appeal in writing to the Fire Chief within ten (10) working days of receipt of the written reprimand. Failure to do so shall be deemed a waiver of the employee's right to appeal. The Fire Chief or Fire Chief's designee shall have discretion regarding how the appeal meeting is conducted, including whether and the extent to which witnesses other than the employee and employee's representative are required and may participate. The Fire Chief or Fire Chief's designee shall notify the employee of his or her decision within ten (10) working days of the appeal meeting. An employee and the Association have no further right to appeal or grieve a written reprimand beyond the administrative appeal described in this paragraph.

6.1.7 Equal Employment Opportunity (EEO) Program

Any grievance which in any way affects implementation of the City's EEO program shall not be subject to arbitration. The decision as to whether or not implementation of the EEO program is in any way involved shall be made in the sole discretion of the City Manager. If, in the City Manager's judgment, any grievance involves the EEO program, the EEO & Diversity Officer shall notify the Association to that effect in writing within seven (7) days of the date upon which the grievance is received by the City Manager and, in such notification shall refer to that section of the EEO program which is involved; provided, however, that such notice may come at any time prior to arbitration if additional factors come to the attention of the EEO & Diversity Officer on the basis of which he/she considers it appropriate to change his /her original determination.

6.1.8 Limits of Arbitrator

No arbitrator shall entertain, hear, decide, or make recommendations on the

dispute a) unless the Association seeks a determination, or b) if the dispute involves the issue of unit determination, or c) if the dispute involves a question of representation, or d) if the aggrieved employee is not in a classification within the unit represented by the Association.

6.1.9 Suspension or Discharge

No grievance involving the suspension or discharge of an employee will be entertained unless it is filed in writing with the City Manager within fifteen (15) calendar days of the time at which the affected employee was notified by certified mail. If the City Manager, in pursuance of the procedures outlined in Section 6.1.3 (Grievance Process) above, resolves a grievance which involves suspension or discharge, he or she may order payment for lost time or reinstatement with or without payment for lost time.

6.1.10 Compensation Grievances

All complaints involving or concerning the payment of compensation shall be initially filed in writing with the Fire Chief or his or her designated representative for payroll issues within 30 working days from the date when the employee may reasonably be expected to have learned of the alleged compensation violation. If such issues cannot be resolved by the Fire Chief (or in consultation with the Auditor), the Fire Chief will refer the matter to the Director of Human Resources within ten (10) working days of receipt of the grievance. The Director of Human Resources or his or her designee shall have 30 working days to research the issue and provide a written response to the Association and the affected employee. In such cases no adjustment shall be retroactive for more than thirty (30) days from the date upon which the complaint was filed or thirty (30) days from the date when an employee may reasonably be expected to have learned of said claimed violation whichever is later. Only complaints which allege that employees are not being compensated in accordance with the rules, regulations, and resolutions of the City Council or in accordance with the understanding contained in any MOU which has resulted from meet-and-confer process shall be considered as grievances. Any other matters of compensation shall be deemed withdrawn until the meet-and-confer process is next opened for discussion.

If the affected employee is not satisfied with the written decision of the Director of Human Resources or his or her designee, the affected employee will have ten (10) working days to appeal the decision in writing to the City Manager and the grievance will move to Step III of the Grievance Procedure as provided in Section 6.1.3.4 (Step IV – Arbitration).

6.1.11 Changes to Agreement

No changes in the MOU or interpretation thereof (except interpretation resulting from arbitration proceedings hereunder) will be recognized unless agreed to by the City Manager and the Association.

6.1.12 Probationary Employees

6.1.12.1 **Appeal Limitations:** Notwithstanding their probationary status, probationary employees have appeal rights for disciplinary actions where the employee's allegation is that the City's action was for an illegal or discriminatory reason, such as the exercise of Association membership, political affiliation, or other constitutionally-protected activities; provided, however, that any appeal by a probationary employee alleging a violation of his or her rights under Title VII (42 U.S.C. Section 2000e, et. seq.) or the California Fair Employment Practices Act (California Labor Code Section 12900, et seq.) may be pursued only as provided in the City's Equal Employment Opportunity program, which shall be specifically amended to allow probationary employee rights of appeal under that program.

6.1.12.2 **Grievance Limitation:** The grievance procedure is also available to probationary employees for matters other than those related to discharge, discipline, or other performance issues, where the claim is a City breach of agreed-upon wages, hours, working conditions, or discrimination based on Association activity.

6.1.13 Calendar Days

All references in this Section 6.1 (Grievance Procedure) to days shall mean calendar day unless otherwise provided.

6.1.14 Association Right to File

No provisions shall prevent the Association from filing and/or appealing grievances on behalf of the employees represented by the Association.

ARTICLE 7 - MISCELLANEOUS TERMS AND CONDITIONS

SECTION 7.1: UNIFORM ALLOWANCE & DRESS UNIFORM REQUIREMENTS

7.1.1 Uniform Allowance

Annual uniform allowance shall be \$1,100.00 and is to be paid annually by the first pay period in December thereafter. The entire uniform allowance will be paid to those employees who are on the payroll on December 1 of any year. However, the amount the City contributes toward the uniform allowance is subject to federal and state income tax withholding.

7.1.1.1 **Advance:** The City agrees to advance the sum of \$550.00 to new hires, which shall be used for uniform purchase and which shall then be repayable in two (2) equal yearly installments over the first two (2) years of employment, to be deducted by the City from the uniform allowance of the employee.

7.1.1.2 **Payment:** The uniform allowance shall be paid with a separate check. CalPERS will be deducted for all members in accordance with the provisions of Section 8.1 (California Public Employees' Retirement System). The check title shall be "Uniform Allowance".

7.1.1.3 **Purpose:** The uniform allowance is for the purpose of purchase and maintenance of station uniforms, and other required or optional garments, as necessary, for the term of this MOU. The City shall continue to purchase turn out gear.

SECTION 7.2: SAFETY COMMITTEE

7.2.1 The Assistant Fire Chief assigned to the Training and Safety Division shall be the designated safety officer for the department. The Safety Officer shall appoint a safety committee consisting of three (3) individuals on each shift (preferably one (1) complete company). The City's Occupational Safety Officer shall be a standing member of that Committee.

7.2.2 The safety committee shall meet on shift every two (2) months and shall review personal injury reports and reported safety deficiencies and perform follow-up investigations if necessary.

SECTION 7.3: ANNUAL PHYSICAL EXAMINATIONS

7.3.1 Annual Physical Exam

The City will provide one (1) physical examination (based on the City's specification as to scope of examination and examiner) each year to each employee in a classification categorized as "high risk" (as defined in Glossary). Employee participation is required.

7.3.2 Scheduling

Medical examinations for employees on a fifty-six (56) hour workweek, other than examinations required by the City, shall be scheduled by employees on their off-duty days.

7.3.3 Hepatitis C & PSA Test

At the employee's request, a Hepatitis C test will be performed at the annual physical examination. Any male employee over the age of 45 may request a prostate specific antigen test at the annual physical examination.

SECTION 7.4: ASSIGNMENTS FOR TEMPORARILY DISABLED EMPLOYEES

7.4.1 Industrial Disability Modified Duty

The City may accommodate, when feasible, employees covered by this MOU who are on Workers' Compensation leave, and such work assignments are to incorporate the following provisions:

- 7.4.1.1 The modified assignment shall be consistent with medical limitations as determined by the attending physician.
- 7.4.1.2 The assignment shall be within the Fire Department, if feasible, or in other City departments if an assignment is not available in the Fire Department and shall be on the day shift (8:00 a.m. to 5:00 p.m., Monday through Friday). The assignment shall be consistent with the skills and abilities of the individual employee.

7.4.2 Non-Industrial Disability Modified Duty

The City may accommodate an employee temporarily disabled with a non-industrial disability by providing a modified work assignment in that employee's classification. If modification of that position does not serve the best interests of the City, other classifications within the City may be considered, subject to the approval of the Director of Human Resources. To be eligible for such a modified assignment, the employee must provide the Human Resources Department with a medical statement from his or her treating physician that clearly states the medical limitations and abilities of the employee. Compensation will be provided at the level of the classification in which the temporarily disabled employee is reassigned. The employee must meet standards of satisfactory performance for the duration of the work assignment.

- 7.4.2.1 **Modified Duty for Pregnancy:** However, an employee who is temporarily transferred as a result of pregnancy to a less strenuous or hazardous position or to less strenuous or hazardous duties shall receive the equivalent rate of pay and benefits of the employee's regular position. The alternative position must be one for which the employee is qualified, and the position must better accommodate recurring periods of leave than the employee's regular job.

7.4.3 City Manager Authority on Modified Duty

Nothing herein shall require the City Manager to approve modified work assignments nor shall give an employee the right to refuse an assignment which complies with medical restrictions. Such refusal may subject an employee to loss of benefits and/or disciplinary action.

SECTION 7.5: RESIDENCY REQUIREMENT

Employees who are hired subsequent to January 1, 1995, may not reside greater than forty (40) air miles from Berkeley City limits.

SECTION 7.6: MEAL PERIODS

Because each employee may be called upon to perform emergency services during the meal period, employees rarely leave the station during their scheduled meal periods. Meals are often organized at each station because employees are required to be available for emergency calls during meal periods. Because of this, employees are required to contribute financially to an organized meal, supervised at each individual station, at a charge equal to the value of each employee's portion of the meal, regardless of whether the employee chooses to eat the meal. The portion of each organized meal attributable to each employee is required to be contributed to an organized "kitty" fund, which will be deducted monthly by the Association. Employees shall be solely responsible for any financial or tax liability regarding this provision.

SECTION 7.7: STAFFING

- 7.7.1 Except as specifically provided for herein, the normal staffing requirements shall provide that at all times there shall be at least one promoted or acting Battalion Chief assigned per shift (total of 3). During the term of this 2015 to 2018 MOU, the City agrees to provide notice to the Union and meet and discuss permanent staffing changes related to the Assistant Fire Chief and Fire Marshal classifications.

- 7.7.2 The City retains the discretion to temporarily reduce staffing in the Division of Operations only upon the declaration of a “fiscal emergency” via a 2/3 vote of the City Council.
- 7.7.3 If the City Manager determines during the Fiscal Year that fund revenues have or will decline substantially below the estimate of fund revenues in the adopted Budget and/or expenditures have or will increase substantially above the projected expenditures in the adopted Budget, the City Council may declare a “fiscal emergency” that shall thereupon cause the City of Berkeley and the Berkeley Chief Fire Officers Association to assemble in a meet and confer process regarding a temporary staffing reduction plan.
- 7.7.4 Prior to a policy change which will result in a temporary reduction in the number of Chief Officers (see Sections 7.7.1 through 7.7.2) or a temporary change in staffing levels of suppression or transport units, as soon as is reasonably possible, the City will meet and confer about the matter with the Association.
- 7.7.5 As soon as possible following the end of the “fiscal emergency”, it is the intent of the City to restore the staffing of the fire department to the levels defined above.
- 7.7.6 The Association strenuously objects to any reduction, on the grounds of standards set forth by the National Fire Protection Association (#1500 and #1710), employee safety, and reduced firefighting efficiency, but understands that, in the City's view, fiscal constraints may dictate such a reduction. The Association accepts no responsibility for any increased exposure or liability to employees or the public resulting from any such reduction.
- 7.7.7 All reductions necessary to accomplish this staffing reduction shall be accomplished by attrition, and not by reduction in force or by layoffs.

SECTION 7.8: TRADES

Battalion Chiefs are allowed shift trades as detailed in the Fire Department Manual of Procedure.

SECTION 7.9: PHYSICAL & PSYCHOLOGICAL EXAMINATIONS

The City may require employees to submit to physical or psychiatric examinations by a City appointed physician where reasonable cause exists to believe that the employee is suffering from a physical or psychiatric condition which adversely impacts the employee's ability to perform his or her duties. Whenever possible, an employee shall be advised in writing of the basis for the existence of "reasonable cause" and the grounds thereof before being directed to report to any such examination. In any case, such written notice is to

be provided within forty-eight (48) hours of such an examination.

Any psychiatric report to the City shall consist of the psychiatrist's ultimate conclusion as to the employee's fitness to serve and return to work date, if any. If the psychiatrist believes that the employee is not fit for duty he/she shall advise the City of any functional limitations which relate to the employee's ability to perform his or her duties, if such information may be provided without revealing the cause of those limitations. The psychiatrist shall respect the physician-patient privilege in all other regards and shall not, without the employee's written permission, release any other information, documents, reports or conclusions to the City.

Failure to report for a medical or psychiatric examination under this section may constitute grounds for discipline.

SECTION 7.10: HAIR SAFETY STANDARDS

7.10.1 There are many hair styles that are acceptable. So long as the person's hair is kept in a neat, clean manner, the acceptability of the style will be judged by the following criteria:

7.10.1.1 Hair styles that preclude the proper wearing of SCBA are not permitted.

7.10.1.2 Hair may be pinned or worn so as to minimize the potential of being caught in machinery or in any way become a safety hazard.

7.10.2 These standards have been developed to accommodate contemporary hair styles without jeopardizing the safety of Fire Fighters involved in the hazardous activities associated with the varied operational requirements of the modern fire service.

SECTION 7.11: YMCA

The cost of YMCA membership will be divided between the City and the employees, with the City contribution to be 75% of the monthly membership fee. The amount the City contributes toward the employee's monthly membership fee is subject to federal and state income tax withholding.

Use of a YMCA membership by a City of Berkeley employee, as provided for in this MOU, is non-compensable, is not a part of the employee's work-related duties, is not required for employment and is not condoned as part of a physical fitness program, or required to maintain top physical conditioning for the employee's job performance.

The City of Berkeley or its Claims Administrator may not be liable for any injury which

arises out of a City of Berkeley employee's participation in and use of a YMCA membership.

SECTION 7.12: LETTERS OF REPRIMAND

Formal letters of reprimand concerning work rules or time and attendance shall be removed from an employee's official files upon request after 18 months provided the employee has maintained satisfactory performance. Letters of reprimand concerning all other subjects shall be removed from an employees' official personnel file upon request after 36 months provided the employee has maintained satisfactory performance.

ARTICLE 8 - PUBLIC EMPLOYEES' RETIREMENT SYSTEM

SECTION 8.1: CALIFORNIA PUBLIC EMPLOYEES' RETIREMENT SYSTEM

8.1.1 Continued Participation

The City shall continue participating under the Safety Members Plan of the Public Employees' Retirement System (CalPERS).

8.1.2 New Members' CalPERS Retirement Formula

"New Members" as defined by PEPRA who are hired by the City on or after January 1, 2013 shall be entitled to the 2.7% at 57 retirement formula with highest three (3) year average compensation as set forth in PEPRA.

8.1.3 Classic Employees' CalPERS Retirement Formula

Current employees and other employees who do not qualify as "New Members" under PEPRA shall continue to be entitled to the 3% at 50 retirement formula in effect since December 22, 2000, with single highest year compensation. In addition to the single highest year earnings formula, Classic Employees' retirement benefit will continue to include all other benefits as were in effect as of November 28, 1996. The Plan will continue to require retirement at age sixty (60) as permitted by law.

8.1.4 Optional Benefits

Except as otherwise noted, for both Classic Employees and New Members, the City's contract with CalPERS shall include the following optional benefits:

- a) One-Year Final Compensation as provided in Section 20042 (July 22, 1976) (Classic Employees only).
- b) Post Retirement Survivor Allowance as provided in Sections 21624, 21626 and 21628 (March 1, 1973).
- c) Post Retirement Survivor Allowance to Continue after Remarriage as provided in Section 21635 (July 18, 1986).
- d) Credit for Unused Sick Leave as provided in Section 20965 (June 26, 1988).
- e) 1959 Survivor Benefits to Surviving Spouse at Age 60 as provided in Section 21580 (March 1, 1973).
- f) Military Service Credit as Public Service as provided in Section 21024 (July 14, 2000).
- g) Indexed Level 1959 Survivor Benefit as provided in Section 21574.5 (June 13, 2003).

8.1.5 Classic Employees' Pension Contribution

On July 1, 1994, the City increased the base salary for Classic Employees participating in the Safety Fire Plan, in the amount of nine percent (9%). Employees then assumed responsibility for payment of the normal employee

retirement contribution to CalPERS. The City designated and shall continue to designate such payments as an Employer Pickup as defined under the provisions of Section 414(h)(2) of the Internal Revenue Code. The employee contributions shall be made through automatic payroll deduction.

8.5.1.1 Classic Employees' Additional Contribution: Effective November 8, 2015, employees assumed, and shall continue to assume responsibility for contributing an additional two percent (2%) toward the City's CalPERS employer contribution rate via automatic payroll deduction on a pre-tax basis. The City shall designate such payment to the City's CalPERS employer contribution rate as Employer Pickup as defined under the provisions of Section 414(h)(2) of the Internal Revenue Code.

8.1.6 New Members' Pension Contributions

New Members hired on or after January 1, 2013 shall pay 50% of the normal share of cost required by PEPRA.

8.1.6.1 New Members' Additional Contribution: Effective November 8, 2015, New Members assumed, and shall continue to assume responsibility for contributing an additional two percent (2%) of pensionable compensation (in addition to contributing 50% of the normal cost) towards the City's CalPERS employer contribution rate via automatic payroll deduction on a pre-tax basis. The City shall designate such payments to the City's CalPERS employer contribution rate as an Employer Pickup as defined by Section 414(h)(2) of the Internal Revenue Code.

8.1.7 Supplementary Retirement and Income Plan II

In lieu of participating in the Federal Social Security Program, the City provides the Supplementary Retirement and Income Plan II (SRIP II). The City's contributions to this on behalf of participating employees is not subject to income tax until it is paid out to the employees upon retirement or termination, or to the employee's beneficiary in the event of the employee's death. The City contributes 6.7% of the participating employee's salary (up to a maximum annual salary of \$32,400) into an investment account and pays into a disability insurance benefit plan on the employee's behalf; and employees may also borrow up to 50% of the balance in their SRIP II investment accounts, subject to certain limitations. Employees in the classification of Assistant Fire Chief enrolled effective July 2, 1995; employees in the classification of Battalion Chief enrolled effective March 10, 2009; and employees in the classification of Fire Marshal on January 20, 2015.

ARTICLE 9 - LAYOFF PROCEDURE

SECTION 9.1: LAYOFF PROCEDURE

The layoff policy for the City of Berkeley is intended to provide the maximum employment protection to City staff should a layoff become necessary. The policy also aims to minimize the impact such a layoff might have on the City's affirmative action accomplishments.

9.1.1 Announcement of Layoff

9.1.1.1 **Notification:** The City Council, City Manager, and department heads shall make every reasonable effort to manage and budget the City's resources effectively and to plan for the delivery of City services in a manner which will avoid the necessity of laying off career City employees. If a reduction in the work force for more than thirty (30) calendar days is necessitated by, but not limited to, the following: a material change in duties and organization, adverse working conditions, return of employee from leave of absence, or shortage of work or funds, the City Manager shall notify the Director of Human Resources of the intended action and the reason for layoff.

9.1.1.2 **Freezing of Positions:** Immediately following a decision which may involve the potential layoff of career City employees, the City Manager shall freeze all current City vacancies in the competitive service in similar and related classifications to those likely to be targeted for layoff, as well as all related full-time, benefited, temporary positions which are expected to last six (6) months or more, and notify all department heads that such current and anticipated vacancies will be frozen until further notice in order to implement the provisions of Section 9.1.7 (Reemployment Lists).

9.1.2 Seniority Service Date

9.1.2.1 **Time Counted:** All service in the employ of the City shall be counted toward the establishment of the employee's seniority service date, including, for example, permanent, probationary, provisional, temporary (full-time and intermittent), seasonal, and exempt employment, as well as leaves of absence for parental leave or obligatory military service while an employee of the City. Less than full-time service will be consolidated in equivalences of full-time service for the purpose of establishing the seniority service date. Time off as result of formal disciplinary action will be subtracted from the seniority service date.

- 9.1.2.2 **Service in Promotional Rank:** All service of persons in the employ of the City in a promotional rank above the entry-level rank shall be counted toward the establishment of an employee's rank seniority service date including only probationary and permanent service as well as leaves of absence for parental leave or obligatory military service while an employee of the City. Less than full-time service will be consolidated in equivalences of full-time service for the purpose of establishing the rank seniority service date. Time off as a result of disciplinary action will be subtracted from the rank seniority service date.
- 9.1.2.3 **Service in Appointed Rank:** All time spent in an appointed rank shall be credited to the employee's service in the employee's permanent rank. In computing both City and rank seniority, all time spent on paid leaves of absence shall be included, and all time spent on unpaid leaves of absence in excess of two consecutive payroll periods shall be excluded with the exception of parental leave.
- 9.1.2.4 **Maintenance of Current Seniority Dates:** The Human Resources Department will maintain up-to-date and current seniority dates for all City employees holding probationary and permanent appointments.

9.1.3 Establishment of Seniority Lists

- 9.1.3.1 **Probationary and Permanent Seniority Lists:** Whenever a layoff of one or more career employees becomes necessary, as defined above, such layoffs shall be made according to City-wide classification seniority lists. Upon receiving notification that the City Manager must proceed with a possible reduction in the work force and following receipt of information concerning the specific positions, programs, and departments involved, the Human Resources Department will immediately establish separate probationary and permanent seniority lists for each classification targeted for layoff.
- 9.1.3.2 **Layoff Order:** The names of all City employees holding permanent and probationary appointments in a given classification will be listed on the appropriate list in descending order by City seniority service date in the entry-level position and by rank seniority service date in promotional positions. Except as provided in 9.1.4 (Employee Retreat Rights) below, employees on all lists shall be laid off on the basis of their seniority service dates, i.e., employees with the least amount of total service shall be laid off first. All emergency, temporary, and provisional employees working in classifications similar to those identified for layoff must be terminated prior to the layoff of probationary or permanent employees. Employees on the probationary seniority list for a specific classification will be laid off prior to employees on the permanent seniority list for that

class.

- 9.1.3.3 **Provisional Appointments:** Probationary or permanent employees holding a provisional appointment in another classification will only be listed on a seniority list of the class in which they hold permanent or probationary status targeted for layoff.
- 9.1.3.4 **Seniority Tie Break:** If two (2) or more employees on a seniority list have an identical seniority service date, the tie shall be broken in the following order: If an employee has taken the one-year written probationary examination, the score on that examination will be used to break ties. If an employee has not taken that examination, then the written entrance examination and agility test scores shall be used to break ties; the written exam and the agility test will be equally considered.
- 9.1.3.5 **Promotions:** If two (2) or more employees have the same promotion date in rank, seniority in the promoted rank at the time of promotion shall be determined based on the selection order made by the Fire Chief.

9.1.4 Employee Retreat Rights

- 9.1.4.1 **Retreat Consideration:** Before an employee with permanent or probationary status may be released from employment with the City of Berkeley, the Human Resources Department must consider the employee's right to retreat to lower-level classification through which he or she was originally promoted or any subsequently created intermediate-level career classification which provides normal progression through the classification series. Retreat rights shall also extend to employees who have not previously been promoted through a classification but for whom the classification is a natural progression or beginning in the classification series.
- 9.1.4.2 **Process:** In the process of retreating, the rank seniority date list shall be utilized. Employees with the least amount of rank seniority shall retreat first; provided, however, that a retreat from any rank below the employee's current rank shall be based on a rank seniority date which is derived from combination of all credited service in the rank to which the employee has retreated and all credited service in higher ranks held on a probationary or permanent basis. Retreat rights to the rank of permanent Battalion Chief, Fire Marshal, Deputy Fire Marshal, or Fire Captain will be available only to employees who have previously held this rank on a permanent or probationary basis.
- 9.1.4.3 **Retreat to More than 1 Classification:** If an employee is qualified for

retreat into more than one classification with comparable salary ranges or if a vacancy exists in a classification to which an employee is entitled to retreat, the options shall be discussed with the employee, and due consideration shall be given to the employee's preferences. However, it is the prerogative of the City Manager to determine the final placement offer to the employee.

- 9.1.4.4 **Salary:** The retreating employee has a right to be retained in the highest salary range possible which is equal to or less than his or her present salary range. An employee involved in layoff does not have a right of mandatory placement to positions with a higher salary range, i.e., promotion.

9.1.5 Employee Notification

- 9.1.5.1 **Non-Career Notifications:** Emergency, temporary, intermittent, seasonal, etc., employees shall be notified individually, in writing, of pending layoff as soon as possible, but no definite time period is required. However, at least two (2) weeks notification is desirable if possible.
- 9.1.5.2 **Provisional Notifications:** Provisional employees shall be notified individually, in writing, of pending layoff as soon as possible, with no less than fifteen (15) calendar days notification if targeted for release or reassignment.
- 9.1.5.3 **Probationary and Career Notifications:** Permanent, probationary, and career-exempt employees should be notified individually, in writing, of pending layoffs as soon as possible, with no less than thirty (30) calendar days notification if targeted for release or reassignment or retreat. Notice to an employee absent from work for any reason shall be sent by United States Mail, return receipt requested.

Forfeiture of Offer: If an employee fails to accept a bona fide offer of reassignment or retreat in writing within five (5) calendar days after the offer has been made, he or she forfeits further right to employment retention. Acceptance of a reassignment does not remove the right of appeal under Section 9.1.9 (Appeal Procedures).

9.1.6 Flexible Placement Program

- 9.1.6.1 **Freeze of Vacancies:** In order to minimize the negative impact of a layoff, the City Manager will, as previously stated in Section 9.1.1 (Announcement of Layoff), impose a City-wide freeze on all appropriate vacancies as soon as it has been determined that a layoff of career City

employees may be necessary.

- 9.1.6.2 **Placements by Human Resources:** Following the release of all emergency, temporary, and provisional employees in classes similar to those targeted for layoff and as soon as employees targeted for layoff have been identified and the provisions under Section 9.1.4 (Employee Retreat Rights) have been carried out, the Human Resources Department will review and identify the frozen vacant classifications into which employees ultimately targeted for layoff may be placed on the basis of total experience and education. In making this decision, a waiver of minimum qualification standard and/or the substitution of related experience and education may be made, with an understanding on the part of management and supervisory personnel that adequate on-the-job training, which can be completed within no more than six (6) months, will be provided to facilitate job adjustment and to compensate for the waiver of qualification standards, if that has occurred.
- 9.1.6.3 **Limits of Assignments:** Assignments under the flexible placement program shall be limited to positions in the same or lesser salary range as the classification for which the employee is to be laid off.
- 9.1.6.4 **Offers Made:** Offers of positions under the flexible placement program shall be made according to seniority service date and in accordance with the probationary and permanent seniority list certification process outlined in Section 9.1.3 (Establishment of Seniority Lists). All offers and placements made under this provision of the layoff policy shall be documented in detail, with records available for audit and review at all times, including written acceptance of the offer.
- 9.1.6.5 **Forfeiture of Offer:** If an employee fails to accept a bona fide written offer of an alternative job within five (5) calendar days after the offer has been made he or she forfeits further rights to employment retention. Acceptance of an alternative job under the flexible placement program in no way jeopardizes an employee's standing on the reemployment priority lists on which his or her name has been placed in accordance with Section 9.1.7 (Reemployment Lists).

9.1.7 Reemployment Lists

- 9.1.7.1 **Placement of Names:** The names of all probationary and permanent employees released from positions in the competitive service as a result of layoff must be placed on reemployment priority lists for those classifications from which they were separated, as well as all other classifications to which they have retreat rights in accordance with Section 9.1.4 (Employee Retreat Rights).

- 9.1.7.2 **List Duration:** A reemployment priority list shall remain in effect for three (3) years. Said list shall remain in effect indefinitely for employees who were retreated.
- 9.1.7.3 **Use of Reemployment Priority List:** Departments with vacancies in any classification for which there is an active reemployment priority list must use the reemployment priority list to fill their positions and may not use any other recruitment or appointment method to fill a vacancy until appropriate reemployment lists have been exhausted.
- 9.1.7.4 **Order of Rehire from Reemployment List:** When a vacancy occurs in a class for which there is a reemployment priority list, the name of the employee on the appropriate reemployment priority list with the highest seniority date shall be certified to the selecting official. Employees so certified from the reemployment priority list must be appointed to the existing vacancy.
- 9.1.7.5 **Forfeiture of Offer:** If a former employee fails to accept a bona fide written offer or reemployment within five (5) calendar days, his or her name will be removed permanently from the reemployment priority list from which the offer was made. Failure to accept an offer of reemployment to the class with the highest salary range for which the employee is eligible for reemployment will result in automatic removal from all reemployment priority lists. However, the employee may decline (or accept) reemployment to lower salary range classifications without jeopardizing his or her standing on the reemployment priority list for the classification from which he or she was originally terminated.
- 9.1.7.6 **Salary/Step Placement:** Upon reappointment to the classification from which the employee was originally separated or demoted, the employee has the right to be placed at the step of the salary range which the employee held at the time of layoff or demotion.
- 9.1.8 Career-Exempt Employees**
Only those employees holding full-time, benefited exempt positions who in the past have achieved permanent status and have been continuously employed without a break in service between their career and exempt appointment have the right to retreat to previously held career classifications, placement on the reemployment priority lists, and all other provisions governing layoff procedures. For the purpose of layoff, such employees shall be referred to as "career-exempt".
- 9.1.9 Appeal Procedures**
Any permanent, probationary, or career-exempt employee who is laid off, demoted, or reassigned as a result of layoff and who believes that the layoff

procedure has been administered in violation of the terms of this agreement as it pertains to the employee's case may appeal the action under Section 6.1 (Grievance Procedure). In addition, employees may, at all times before, during, and subsequent to layoff, review all records including seniority lists, reemployment priority lists, documentation pertaining to appointments under the flexible placement program, etc., which pertain to their classification and their rights under the provisions of the layoff policy.

9.1.10 Audit

- 9.1.10.1 On an annual basis, the City Manager's office shall order an audit by an outside auditor of all vacant positions filled in each department and authorized positions which have not been filled to determine whether the vacancies occurred in classifications for which reemployment priority lists were in existence, and, if so, whether the appointments made by the selecting official were in accordance with the procedures outlined in Section 9.1.7 (Reemployment Lists). In the event vacancies for which reemployment priority lists were in existence remain unfilled, the auditor shall offer an opinion as to whether or not the reasons for leaving the positions vacant appear to be legitimate. A report of the audit must be transmitted to the City Manager and the City Council.

- 9.1.10.2 If it is determined that a vacancy has been filled by a non-reemployment priority list eligible in a classification for which a reemployment priority list existed and which included available applicants at the time, the former employee with reemployment rights shall be hired and given retroactive pay from the date that the vacancy occurred. The employee who was originally hired to fill the vacancy shall continue to be retained in City employment.

EXHIBIT B – Glossary of Terms

ALLOCATION: The assignment of a single position to its proper class in accordance with the duties performed, and the authority and responsibilities exercised.

CAREER EMPLOYEE: An employee who is appointed to a position in the competitive service and who has a probationary or permanent appointment with the City of Berkeley.

CLASSIFICATION (CLASS): A group of positions sufficiently similar in respect to their duties and responsibilities that: (a) the same descriptive title may be used with clarity to designate each position allocated to the class; (b) the same minimum requirements as to education, experience, knowledge, ability and other qualifications may be required of all incumbents; (c) the same tests of fitness may be used to choose qualified employees and, (d) the same schedule of compensation can be made to apply with equity under the same or substantially the same employment conditions.

COMPENSATORY TIME: Shall mean paid time off the job which is earned and accrued by an employee in lieu of immediate cash payment for employment in excess of the statutory hours for which overtime is required by this MOU or the Fair Labor Standards Act. For the purpose of this MOU, the term “Due Time” shall mean the same as Compensatory Time.

DEMOTION: The movement of an employee from one class to another class having a lower maximum rate of pay.

DOMESTIC PARTNER: A person residing with and sharing the common necessities of life with a City of Berkeley employee, where both intend to continue this arrangement indefinitely. They are unmarried; at least eighteen (18) years of age; not related by blood closer than would bar marriage in the State of California and mentally competent to consent to contracts.

EMPLOYEE: A person who has been legally appointed under the City of Berkeley Personnel Ordinance and the Personnel Rules and Regulations, who is on the City payroll and whose employment has not been terminated and whose position is included in this representation unit.

END OF YEAR: For payroll-related purposes, the last day of the last pay period in December for which the payday occurs in December. For example, if the last pay day in December falls on Thursday, the 31st (because the following Friday, January 1st is a holiday), the corresponding pay period would end on December 26. The last day of the year for payroll-related purposes would be December 26. Similarly, if the last pay day of the calendar year were December 28, the last day of the payroll year would be December 22.

EXEMPT: Appointment which is exempt from the competitive service, in accordance with Section 4.04.120 of City of Berkeley Personnel Ordinance, No. 6280- N.S.

FULL-TIME: An assignment or combination of assignments which total forty (40) or fifty-six (56) hours per week.

HIGH RISK CLASSIFICATIONS: A group of positions whose duties and responsibilities present a) significant probability or chance of injury, damage or loss of life; b) exposure to risk; and c) ability to incur the risk.

JURY DUTY PERIOD: The period of time from which an employee appears in court as required by law to serve on an inquest jury or trial jury until such time as the employee is discharged from such service by the court. "Jury Duty Period" expressly covers only that period of time spent by the employee in service of the court as a juror and does not include any time spent in court by the employee as a result of being a party to the action, being a witness to the action, or being subpoenaed to testify in the action.

LEAVE DAY: A leave day is used for computing earned leave and is equivalent to a 12-hour working day for a 56-hour per week employee, or is equivalent to an 8-hour working day for a 40-hour per week employee. Leave taken is computed as the actual hours used.

MEMORANDUM OF UNDERSTANDING: A binding contract, as provided for by the Meyers-Miliias-Brown Act, between the City of Berkeley and the Berkeley Fire Fighters Association specifying wages, hours and other terms and conditions of employment.

PROMOTION: The movement of an employee from one class to another class having a higher maximum rate of pay.

PROMOTIONAL EXAMINATION: An examination for promotion to a class in the competitive service in which participation is limited to current employees with permanent status and/or to former permanent or probationary employees who are on current mandatory reemployment lists of layoff.

PROVISIONAL: A career employee who is temporarily serving in a higher level or unclassified position as a temporary assignment, pending examination, classification, or in the absence of the permanent incumbent.

RECLASSIFICATION: Reallocation of a position from one classification to another classification based upon consideration of the kind and level of assigned duties and responsibilities.

REEMPLOYMENT: Reappointment of a former probationary or permanent employee to a vacant position who has been laid off under Section 9.1.7 (Reemployment Lists) in this MOU.

REGULAR HOURLY SALARY: The Regular Monthly Salary multiplied by twelve (12) months and divided by 2080 annual work hours for forty (40) hour per week employees. For fifty six (56) hour per week assignments, the Regular Monthly Salary is multiplied by twelve (12) and divided by 2912 annual work hours, except that time worked on the day shift is multiplied by a factor of 1.2 and time worked on the night shift is multiplied by a factor of 0.85714.

REGULAR MONTHLY SALARY: The base pay for a classification (as included in Exhibits "A" of this MOU).

REINSTATEMENT: Appointment to a vacant position of a former probationary or permanent employee, within two years of the termination date, without obtaining new eligibility through examination. Reinstatement is not mandatory and a former employee must request consideration in writing. Eligibility for reinstatement is no guarantee of appointment and former probationary employees who did not obtain permanent status must complete their probationary period in accordance with Section 5.1 (Probationary Period).

REJECTION (PROBATION): The separation of an employee from the service during or at the completion of the probationary period.

RELEASE TIME: Paid time off permitted employees, during their scheduled hours of work, to perform Association activities as provided by this MOU. This paid time off is in addition to the employee paid leave and is subject to the conditions of the applicable sections of this MOU.

SHIFT: A set of continuous work hours. For 40-hour per week employees, a shift comprises eight (8) hours. For 56-hour per week employees, a shift comprises twenty-four (24) hours, except that the term "day shift" means ten (10) consecutive hours and "night shift" means fourteen (14) consecutive hours and "12-hour shift" is used for purposes of computing leave time and compensatory overtime (for purposes of this MOU). The term "working shift" refers to a day or night shift for 56-hour employees or a regular shift for 40-hour employees. The term "assigned shift" refers to separate schedules in effect for 56 hour employees, such as A-shift", "B-Shift" and "C-Shift". For purposes of computing leave time and compensatory overtime (for purposes of this MOU), an average twelve (12) hour shift is used.

TERMINATION: The separation of an employee from the service of the City. Termination may include death, discharge, layoff, resignation, retirement, and work completion.

TOUR (48/96): The basic work cycle; for example, the 56-hour employee's tour consists of six consecutive days, during which time the employee is scheduled for 2 shifts on duty and 4 off duty.

TRANSFER: The movement of an employee from one position to another within the same class in another department or the movement of an employee from one class to another class having a comparable level of duties and responsibilities and the same maximum rate of pay.

VACATION YEAR: A vacation year runs twelve (12) months, (i.e. 26 payroll periods), starting and ending on a payroll period break.

Y-RATE: An employee occupying a position which is reallocated to a class, the maximum salary for which is less than the incumbent's present salary or occupying a position in a class the salary rate or range for which is reduced, shall continue to receive his or her present salary. Such salary shall be designated as a Y rate and when that employee vacates this position, it shall be filled in accordance with new salary range established.
