AMENDED CONSENT CALENDAR
June 13, 2017

To: Honorable Mayor and Members of the City Council
From: Councilmember Kriss Worthington
Subject: Amend One Percent for Art Ordinance to incentivize fees for the Arts and Culture Plan.

RECOMMENDATION:

That the Council amend the One Percent for Art Ordinance to incentivize contributions to the Civic Arts Commission's Arts and Culture Plan.

BACKGROUND:

Under the current ordinance, developers have the option to spend 1 percent of the total project cost on publicly accessible art on site or pay an in-lieu fee of 0.8 percent to the City to develop publicly accessible art. In order to encourage developers to pay the in-lieu fee directly to the city, we recommend increasing the required payment for publically accessible art to ~~2-1.75~~ percent, if being handled directly by the developer, or ~~4-0.80~~ percent if the developer contributes the fees directly to the City.

The goal is to incentivize developers to pay fees directly to the City, where they could be utilized to implement the new arts and culture plan.

FINANCIAL IMPLICATIONS:

The change could generate additional funds for the city's Arts and Culture Plan.

ENVIRONMENTAL SUSTAINABILITY:

Consistent with Berkeley's Environmental Sustainability Goals.
