Subject: Budget Referral: Hawk Light at Claremont Boulevard and Russell Street

RECOMMENDATION

Refer to the budget process a one-time allocation for a hawk light at Claremont Boulevard and Russell Street.

BACKGROUND

Approximately 20,000 vehicles travel along Claremont Boulevard [every single day](#). Claremont Boulevard is a thoroughfare for commuters driving to/from North Berkeley and the UC campus. Many residents have voiced concerns over frequent pedestrian-car interactions at this particular intersection.

FISCAL IMPACTS OF RECOMMENDATION

Approximately a one-time allocation \$50,000 and staff time.

ENVIRONMENTAL SUSTAINABILITY

This referral would align with the second goal/metric, "Increase Cycling and Walking", under the first provision of Transportation and Land Use provision of the Climate Action Plan.
