SUPPLEMENTAL AGENDA MATERIAL

Meeting Date: June 13, 2017

Item Number: # 59

Item Description: Housing Accountability Act

Submitted by: Mayor Jesse Arreguin and Councilmember Sophie Hahn

The revision removes the idea that staff and the Planning Commission consider as one of several options downzoning and then upzoning by increasing development standards on a discretionary basis.

These ideas largely reflect those originally proposed by the City Attorney and Planning staff.

Motion, Item # 59: Housing Accountability Act

Refer to the City Manager and Planning Commission to consider the following actions, and others they may find appropriate, to address the potential impacts of the Housing Accountability Act and to preserve local land use discretion:

- Amend the General Plan and Zoning Ordinance to adopt numerical density and/or building intensity standards that can be applied on a parcel-by-parcel basis in an easy and predictable manner. These would constitute reliable and understandable “objective general plan and zoning standards” that would establish known maximum densities. This could be done across the board or for specified districts.
- Devise and adopt “objective, identified written public health or safety standards” applicable to new housing development projects.
- Adopt “design review standards that are part of ‘applicable, objective general plan and zoning standards and criteria’”.
- ~~Downzone & increase the number and amount of additional height, setback, and other elements available on a discretionary basis.~~
- Quantify and set standards for views, shadows, and other impacts that often underlie detriment findings.
