### CONSENT CALENDAR

November 28, 2017

To: Honorable Mayor and Members of the City Council  
 From: Councilmembers Kriss Worthington, Kate Harrison, and Ben Bartlett  
 Subject: Endorsement of the 2018 Affordable Housing Act State Ballot Initiative

#### RECOMMENDATION:

That the Council encourages citizens to sign the 2018 Affordable Housing Act State ballot initiative and that the City of Berkeley endorses the Act.

#### BACKGROUND:

The 2018 Affordable Housing Act State ballot initiative would make living in California a more affordable experience, especially for members of our own Berkeley community. The Act would repeal the Costa-Hawkins Rental Housing Act, which currently allows renters to decide the market value of their property, and increase rent at their will. Repealing this damaging policy would restore the possibility of vacancy control and empower California cities to create local policies that would ensure access to affordable housing.

In recent years, California has seen a significant increase in housing prices. In San Francisco, housing typically costs more than double the California apartment median rate of \$1,410. Additionally, Berkeley has the 8th highest rent of all California cities. With such high rent prices, California citizens struggle to find and maintain affordable housing. Even two-income households struggle to finance both housing and essential necessities.

It's time to make housing affordability a reality in our city and our state. By supporting this initiative and encouraging signatures we can get the 2018 Affordable Housing Act on the ballot. Once the initiative is on the ballot, endorsing the act will be a significant step towards making affordable housing a reality.

#### FINANCIAL IMPLICATIONS:

Minimal.

#### ENVIRONMENTAL SUSTAINABILITY:

Consistent with Berkeley's Environmental Sustainability Goals and no negative impact.
