## Action Calendar – Old Business

### 20. **Housing Advisory Commission’s U1 Recommendations** *(Continued from February 27, 2018)*

#### **From: Housing Advisory Commission**

**Recommendation:** Targeting of U1 Funds: The City should consider establishing a household income targeting goal regarding U1 expenditures and housing affordability. To set this goal, the City could consider the use of progress made towards meeting the City’s Housing Element RHNA numbers. At present, the most under-served income groups are households with extremely low-incomes, low-incomes, and moderate-incomes. A second issue is how income groups are defined for purposes of allocating U1 funds. In general, affordable housing programs use Alameda County incomes defined by household size to determine program eligibility. While it can be argued that very low-income should be defined with a higher income threshold in Berkeley than in some other areas of Alameda County (considering differentials in the cost of living), there really are few other options, particularly if the City and its partners use U1 funds to leverage other funding from state and federal sources. Recommendations for Allocation of U1 Funds: 1. Initially allocate 15% for anti-displacement activities. These activities could include eviction defense and housing counseling, funding the housing retention program, and additional funds for a flexible housing subsidies pool. Remainder of funds to be used to maintain and increase the supply of permanently affordable housing; this may include co-operative housing. 2. Do not allocate all U1 revenues in a given fiscal year to a single project. Administrative Recommendations: 1. City to determine what percentage of U1 funds to be allocated for administration of U1 funds. 2. When appropriate, use the Housing Trust Fund process to allocate funds. 3. Track U1 deposits and expenditures – as promised in the ballot measure. 4. City needs to establish a way to track U1 Funds and expenditures. 5. City should prepare an annual report by May of each year for the HAC and public that reports on revenues and expenditures related to U1 funds.
