RECOMMENDATION

Adopt a Resolution for the re-appointment of Paul Kealoha-Blake to the Mental Health Commission, as a representative of the General Public Interest category, to complete his third term ending March 21, 2021.

CURRENT SITUATION AND ITS EFFECTS

The Mental Health Commission is authorized to be composed of thirteen members. However, there are presently three vacancies on the Commission. These vacancies impair the Commission's ability to adequately review and evaluate the community's mental health needs, resources, and programs.

Approval of the recommended action will prevent another vacancy from occurring on the Mental Health Commission, allowing the Commission to move one step closer to having a full and diverse complement of commissioners to review and evaluate the community's mental health needs, resources, and programs.

BACKGROUND

California State law requires that appointments to the Mental Health Commission meet specific categories, who may serve up to nine years consecutively. The general public interest category may include anyone who has an interest in and some knowledge of mental health services. The special public interest category includes direct consumers of public mental health services and family members of consumers, which together must constitute at least fifty percent or nine of the commission seats. Direct consumers and family members shall each constitute at least 20% of the commission membership. Two members shall be residents of the City of Albany with at least one of these seats filled by a direct consumer or family member.

Mr. Kealoha-Blake has served on the Mental Health Commission since March 20, 2012. His second term will end on March 21, 2018.

The Mental Health Commission passed the following motion at the December 14, 2017 meeting:

M/S/C (Cheema, Fine) Move to re-appoint Paul Kealoha-Blake to the Mental Health Commission.
