Adopt a Resolution approving the appointment of Ben Ludke to the Mental Health Commission, as a representative of the special public interest category, for a three year term beginning April 4, 2018 and ending April 3, 2021.

CURRENT SITUATION AND ITS EFFECTS

The Mental Health Commission is authorized to be composed of thirteen members. However, there are presently four vacancies on the Commission. These vacancies impair the Commission's ability to adequately review and evaluate the community's mental health needs, resources, and programs.

Approval of the recommended action will fill a vacancy, and allow the Commission to move one step closer to having a full and diverse complement of commissioners to review and evaluate the community's mental health needs, resources, and programs.

BACKGROUND

California State law requires that appointments to the Mental Health Commission meet specific categories, and that they may serve up to nine years consecutively. The general public interest category may include anyone who has an interest in and some knowledge of mental health services. The special public interest category includes direct consumers of public mental health services and family members of consumers, which together must constitute at least fifty percent or seven of the commission seats. Direct consumers and family members shall each constitute at least 20% of the commission membership. Two members shall be residents of the City of Albany with at least one of these seats filled by a direct consumer or family member.

Currently, the Mental Health Commission consists of the following: three Berkeley Special Public Interest Commissioners; four Berkeley General Public Interest

Commissioners; one Albany General Public Interest Commissioner; and one Mayoral appointee.

At its January 25, 2018 meeting, the Mental Health Commission interviewed Ben Ludke who is a Property Manager at Tamalpais Property Management. Mr. Ludke also has a background in politics and expressed that he has first-hand knowledge of dealing with mental health issues and a desire to help improve his community. The secretary has determined that Mr. Ludke is eligible for the available Albany Special Public Interest seat on the Mental Health Commission.

On January 25, 2018 the Mental Health Commission passed the following motion:

M/S/C (Heda; Fine) The Mental Health Commission recommends the appointment of Ben Ludke to the Mental Health Commission.

Ayes: Castro; Davila; Fine; Heda; Kealoha-Blake; Marasovic; Ortiz; Posey.

Noes: None. Abstentions: None. Absent: Cheema; King.
