To: Honorable Mayor and Members of the City Council
From: Dee Williams-Ridley, City Manager
Submitted by: Paul Buddenhagen, Director, Health, Housing & Community Services
Subject: Revenue Grant Agreements: Funding Support from the Partner Organizations to Conduct Public Health Promotion, Protection, and Prevention Services

RECOMMENDATION
Adopt a Resolution authorizing the City Manager to submit a grant application to Essential Access Health, to accept the grant, execute any resultant revenue agreement and amendment, and implement the projects and appropriation of funding for related expenses to conduct public health promotion, protection, and prevention services for the Essential Access Health revenue agreement in the projected amount of $129,259 for April 1, 2018 to March 30, 2019.

FISCAL IMPACTS OF RECOMMENDATION
The City of Berkeley will receive funds in the estimated amount of $129,259 from private grants for FY 2019 through the funding source listed above. The contract will have its own identifying CMS and contract number and the source has a defined budget code.

Essential Access Health, CMS No. TP8JP: The April 1, 2018 – March 30, 2019 $129,259 allocation will be allocated to revenue budget codes 086-4551-331.10-17 and 086-4557-331.10-17 and will be distributed among the health clinics as follows: Ann Chandler Public Health Clinic - $90,495 (Expenditure Budget code: 086-4557-440.various); and the High School Health Centers (HSHC) - $38,764 (Expenditure Budget Code: 086-4551-440.various). There are no matching funds required by the funder.

Spending of the referenced grant funds is subject to Council approval of the budget and the Annual Appropriations Ordinances. Depending on the timing of when grants are officially awarded and the amounts are determined, the grant budgets will be adjusted as part of the First Amendment to the FY 2019 Annual Appropriations Ordinance.

CURRENT SITUATION AND ITS EFFECTS
As a local health jurisdiction, the City of Berkeley provides a broad range of public health program services to the community, with the goals of addressing health inequities, promoting healthy environments and behaviors, protecting residents from
disease, and preventing illness, disability, and premature death. This grant will fund the following services:

**Essential Access Health** are Federal Title X Funds to provide reproductive health services at the Ann Chandler Public Health Clinic and the High School Health Centers (Berkeley High School Health Center and Berkeley Technology Academy Health Center). Federal Title X Funds are given to California through a non-profit agency, Essential Access Health, and are then dispersed to local health jurisdictions throughout the State through a competitive grant process. The funds are used to support clinical reproductive health services, as well as individual and community health education and outreach activities.

**BACKGROUND**
The City of Berkeley receives funding from many sources annually to complete work related to improving the health of the community. As a local health jurisdiction, the City is committed to exploring opportunities for funding to support key initiatives to augment base funding resources. The Division is committed to providing essential services to the community to prevent the spread of disease and to promote healthy environments.

**ENVIRONMENTAL SUSTAINABILITY**
There are no identifiable environmental effects or opportunities associated with the subject of this report.

**RATIONALE FOR RECOMMENDATION**
These funds support vital services related to the City's mandates as a public health jurisdiction and local initiatives designed to address health inequities in Berkeley and improve the health of Berkeley residents. These competitive grants support the Department’s mission and provide the City with funding to continue working to protect and improve the health of the community.

**ALTERNATIVE ACTIONS CONSIDERED**
The Public Health Division assesses each funding source to ensure that it supports the City's mission and goals. The alternative action of not seeking any of these funding sources would result in not providing these public health services to the community.
