20a. Providing direction on closing the funding gap to complete Measure T1 Phase 1 projects

From: City Manager

Recommendation:
1. Council to provide direction on a preferred option to close the funding gap in the current Measure T1 Phase 1 program. Four possible options are summarized below and discussed in further detail starting on page 4 under Current Situations and its Effects – Funding Gap.

Option A: Reduce up to $5 million between 13 projects by reducing project scopes from Planning and Design to Conceptual, Construction to Planning and Design, Construction to Conceptual, or removing or delaying the project.

Option B: Reduce up to $4 million by reducing the Live Oak Community Center project scope from Construction to Planning and Design.

Option C: Authorize up to $3 million in additional funding for T1 Phase 1 and reduce $2 million between 7 projects by reducing project scopes from Planning and Design to Conceptual or Construction to Planning and Design.

Option D: Authorize up to $7 million in additional funding to complete all T1 Phase 1 projects.

2. Council adopt a resolution authorizing the chosen option to complete Measure T1 Phase 1 projects.

Financial Implications: See report

Action: 4 speakers. M/S/C (Arreguin/Hahn) to adopt Resolution No. 68,802–N.S. to authorize funding in the amount of $5.3 million from General Fund be used for Measure T1 Phase 1. The General Fund will be reimbursed once Measure T1 Phase 2 bond proceeds are received.

Vote: All Ayes.
20b. Authorizing up to $7 million in additional funding to complete Measure T1 Phase 1 projects
From: Public Works Commission
Recommendation: The T1 team is requesting the PWC and the Parks and Waterfront Commission take action at their February meetings on their preferred course of action. The T1 team wants to make their recommendation to Council this spring.

The T1 sub-committees recommend that the PWC vote to endorse the following:
- We prefer Option D to meet the funding shortfall. The T1 staff has stated that it is possible to transfer funds from other City sources and to repay it with Phase 2 bond proceeds. By choosing this option, we will maintain the momentum in the program and will accelerate infrastructure improvements in the City;
- We are concerned that a disproportionate share of improvements has been allocated to areas of the City north of University Avenue. We want to make sure that projects at the Francis Albrier Center, Willard and other areas south of University be implemented;
- We support identifying a green infrastructure project in Phase 1;
- We support implementing the 7 street improvement projects in Phase 1.

Action: 120 speakers. M/S/Carried (Arreguin/Hahn) to adopt the second reading of Ordinance No. 7,643-N.S. and provide implementation guidelines as follows:

RECOMMENDATION

The City of Berkeley seeks to implement all laws and ordinances in a fair and humane manner.

To that end, we refer to the City Manager for consideration the following guidelines to help ensure enforcement of revised RV parking restrictions allowed under Ordinance No. 7,643-N.S. (BMC Section 14.40.120) is conducted with outreach, including information and resource guides and written notice.

Further, we refer to the City Manager to quickly establish a three-month permit program (with possibility for renewal), to be offered on a one-time basis to existing priority populations and we refer to the Health, Life Enrichment, Equity & Community Policy Committee to establish basic criteria for a standard two-week permitting process.
The City Council reiterates its February 28, 2019 referral to identify and develop a temporary RV site to serve highly vulnerable populations, as well as a regional non-profit RV site, and to develop a program to allow private entities to host RVs on their property.

**Enforcement of RV parking under Ordinance No. 7,643-N.S. (BMC Section 14.20.120) should be preceded by a period of initial outreach to RVs including:**

Offers of support and assistance to RV inhabitants with notification of applicable parking ordinances and a reasonable time-frame to comply, written housing, homelessness and other applicable resources and, during the initial period of outreach, RV inhabitants should also be provided with outreach by a homeless services provider including:

- Housing problem solving assistance
- Possible funding for RV repair and
- Referrals to additional housing and homeless resources, health, mental health or addiction services, or other appropriate services.

RVs and/or conditions adjacent to RVs creating health and safety concerns would be subject to immediate enforcement.

The ordinance will only be enforced after a permit process is established.

City Council took action at its March 12th meeting to allocate an initial amount of $50,000 from one-time State Housing Emergency Aid Program funds to provide outreach to RVs. Additional resources may be added as part of the FY20-21 budget process.

**Refer to the City Manager expedited creation of a special three-month-permit program (with possibility of renewal), to be offered on a one-time basis to existing priority populations**

The three-month priority permit should be operative no more than six months from adoption of this ordinance and consider the following:

- Criteria for eligibility should be clearly articulated and fairly applied. The Alameda County homeless coordinated entry system has standards already in place with criteria such as health status, disability and self-care needs, age and household size (including the presence of children).
- Priority populations should include families with children, people that work in Berkeley, students enrolled in schools/higher education in Berkeley, and persons who have had a Berkeley address within the past 10 years.
- The permit should be available during an application window of 1-2 months and issued for up to three months, with an option to renew under limited/specified circumstances.
- Because the three-month permit process will be available for a limited time, the application and processing can be simplified.
- Staff should quickly identify, secure and prepare temporary locations for priority permit holders to stay; including on public or private property, and establish appropriate sanitary facilities and other necessary protocols and/or facilities to support RVs with priority permits.
- If necessary, a lottery or a standardized system to prioritize applications may be established to allocate limited spaces in an equitable manner.
No fee shall be required as the three-month permit program will be offered on a one-time basis only, to offer more intensive housing navigation and services to priority populations currently in Berkeley.

Refer to the Health, Life Enrichment, Equity & Community Policy Committee to establish basic criteria for a “permanent” standard two-week permitting process.

The standard two-week permit should consider the following:

- A limited number of permits to be issued by the City per month (or other increment).
- Locations to be geographically dispersed among all Council districts.
- A reasonable fee to cover City costs associated with the permit.

Vote: Ayes – Kesarwani, Bartlett, Hahn, Wengraf, Droste, Arreguin; Noes – Davila, Harrison, Robinson.

From: Councilmembers Droste, Bartlett, Robinson, and Kesarwani

Recommendation: Refer to the City Manager to bring back to Council a report of potential revisions to the zoning code to foster a broader range of housing types across Berkeley, particularly missing middle housing types (duplexes, triplexes/fourplexes, courtyard apartments, bungalow courts, townhouses, etc.), in areas with access to essential components of livability like parks, schools, employment, transit, and other services.

Report should include, but is not limited to:
- Identifying where missing middle housing is optimal;
- Allowing the possibility of existing houses/footprints/zoning envelopes to be divided into up to 4 units, potentially scaling the floor area ratio (FAR) to increase as the number of units increase on site, creating homes that are more affordable, saving and lightly modifying an older structure as part of internally dividing it into more than one unit;
- Excluding very high fire severity zones as defined by Cal Fire and/or City of Berkeley;
- Considering form-based zoning, which addresses the appropriate form, scale and massing of buildings as they relate to one another, as a potential strategy;
- Creating incentives to maintain family-friendly housing stock while adding more diversity and range of smaller units;
- Creating incentives for building more than one unit on larger than average lots;
- Considering provision of tenant and vulnerable low-income homeowner protections, demolition controls, and no net loss provisions;
- Considering provisions that align with our land value recapture policy objectives to maximize affordability in Berkeley.
