#### FISCAL IMPACTS OF RECOMMENDATION

There are no additional financial impacts to the City. The Council allocated \$4,750,000 from the General Fund on January 22, 2019 (Resolution No. 68,746-N.S.) for grants to BUSD cooking and gardening program and community agencies in FY 2020 and FY 2021.

#### CURRENT SITUATION AND ITS EFFECTS

On March 17, 2019, the SSBPPE Commission selected 12 programs from community-based organizations and the Berkeley Unified School District (BUSD) for funding recommendation. All proposals were scored using a standard set of questions for each of the nine criteria articulated in the Request for Proposals (RFP). On March 21, 2019, the SSBPPE Commission reviewed its initial recommendations and approved a final list of funding recommendations as listed above. The following was the voting on this March 21, 2019 item:

**Moved to accept the proposed Council Report with final corrections, edits, and changes to be made by the Commission Chair, Dr. Poki Namkung, and to be submitted for the City Council Meeting as early as possible as and no later than May 24, 2019.**

**M/S/C:** Commissioners Morales/Rose

**Ayes:** Commissioners Crawford, Ishii, Morales, Namkung, and Rose

**Noes:** None

**Abstain:** None

**Absent from vote:** Commissioner Browne

**Recused:** Commissioners Moore and Scheider

**Excused:**

The Commission was determined not to dilute the impact of funding by spreading the funds too thinly across programs.

#### BACKGROUND

In November of 2014, Berkeley voters passed Measure D, requiring both the collection of a 1 cent per ounce tax on the distribution of sugary drinks in the City of Berkeley and the convening of the Sugar Sweetened Beverage Products Panel of Experts (SSBPPE) to recommend investments to both reduce the consumption of sugary drinks as well as to address the health consequences of the consumption of sugary drinks.

On January 22, 2019, the Berkeley City Council unanimously approved Action Items 27A and 27B (Resolution No. 68,746-N.S.). Action Item 27A recommended an

allocation of \$4.75 million over two years, FY 2020 and FY 2021, to fund the Healthy Berkeley Program. Action Item 27B was a companion report which accepted the SSBPPE Commission's report in 27A with consideration of attached clarifications. The clarifications included a table with tax revenues from Measure D, however, as Measure D is a General Tax, its revenues cannot be aligned dollar for dollar with the Healthy Berkeley Program and 27B offered no other fiscal recommendation.

The assumption of the SSBPPE Commission is that the Council approval of 27A and 27B meant that the Council approved the full funding amount (\$4.75 million from the General Fund) recommended by the Commission. The Commission recommended that the funds be distributed as follows:

- 1) Up to 40% of the allocated funds (\$1.9 million) to be distributed to BUSD through a grant proposal process guided by the RFP developed by the SSBPPE.
- 2) At least 40% of the allocated funds (\$1.9 million) to be distributed through an RFP process to community-based organizations consistent with the goals of the RFP.
- 3) 20% of the allocated funds (\$950,000) to be used by the Berkeley Public Health Division (BPHD) to coordinate and monitor the grant process, coordinate the overall program evaluation and produce an annual report. At least 10% of this distribution (\$95,000) is to be used for a media campaign.

On January 25, 2019 the BPHD released a Request for Proposals (RFP) soliciting program proposals from CBOs that promote reduction of consumption of SSBs and address the effects of SSB consumption on health. The RFP announcement was widely distributed to CBOs serving Berkeley.

On February 27, 2019, the City of Berkeley received proposals from 16 CBOs and BUSD. The proposals were reviewed and scored by two parallel review panels (SSBPPE Commission Review Panel and BPHD Staff Review Panel). Five Commissioners reviewed the proposals (three Commissioners recused themselves from the entire review process due to potential conflict of interest).

On March 21, 2019, the SSBPPE Commission passed a motion to forward the following funding recommendations to the Berkeley City Council:

	<b>FY 2020</b>	<b>FY 2021</b>	<b>2 Year Total</b>
<b>BUSD</b>	\$ 950,000.00	\$ 950,000.00	\$ 1,900,000.00

<b>Healthy Black Families</b>	\$ 295,000.00	\$ 295,000.00	\$ 590,000.00
<b>Multicultural Institute</b>	\$ 15,000.00	\$ 15,000.00	\$ 30,000.00
<b>Lifelong Medical Care</b>	\$ 135,000.00	\$ 135,000.00	\$ 270,000.00

<b>YMCA of the East Bay-- YDPP</b>	\$ 70,000.00	\$ 70,000.00	\$ 140,000.00
<b>YMCA of the East Bay —Healthy Me!</b>	\$ 85,000.00	\$ 85,000.00	\$ 170,000.00
<b>Berkeley Youth Alternatives</b>	\$ 48,500.00	\$ 48,500.00	\$ 97,000.00
<b>Spiral Garden</b>	\$ 40,000.00	\$ 40,000.00	\$ 80,000.00
<b>Fresh Approach</b>	\$ 16,396.00	\$ 16,396.00	\$ 32,792.00
<b>Bay Area Community Resources</b>	\$ 67,940.00	\$ 67,940.00	\$ 135,880.00
<b>Community Health Education Institute</b>	\$ 34,664.00	\$ 34,664.00	\$ 69,328.00
<b>City of Berkeley PHD</b>	\$ 475,000.00	\$ 475,000.00	\$ 950,000.00
<b>Totals</b>	<b>\$ 2,350,000.00</b>	<b>\$ 2,350,000.00</b>	<b>\$ 4,750,000.00</b>

ENVIRONMENTAL SUSTAINABILITY

When the recommended allocations are implemented, the SSBPPE expects the following contributions to environmental sustainability:

1. Significant increase in awareness about health impacts of SSB consumption,
2. Increase in the number of trained youth peer educators, nutritionists, and teachers in low-income communities to reduce consumption of SSBs, and to promote healthy choices and increase consumption of Berkeley's high quality tap water, and
3. Significant reduction in access to sugary drinks in Berkeley.

RATIONALE FOR RECOMMENDATION

The Commission believes that investing \$4,750,000 in grants to CBOs, BUSD, and the BPHD will increase the City of Berkeley's likelihood of reducing the consumption of SSBs and improving the health of Berkeley children and youth, particularly those with limited resources, and communities-of-color that are most impacted by obesity, diabetes, tooth decay, and heart diseases and that are targeted by Big Soda marketing. These grants will increase the capacity of CBOs to develop and implement multi-level interventions that include education, system and/or environmental change. Excellent, on-going, peer-reviewed research has confirmed the decline in the consumption of SSBs in the most effected neighborhoods of our city from 21% the first year of the Healthy Berkeley Program to 55% the third year, a phenomenal achievement.

ALTERNATIVE ACTIONS CONSIDERED

Should the Mayor and City Council of Berkeley decide to decrease the funding for the Healthy Berkeley Program to the City Manager recommended amount of \$4,363,079 for FY 2020 and FY 2021 then the SSBPPE recommends that the City of Berkeley Public

Health Division allocation of \$950,000 be decreased by \$386,921 to \$563,079. This decrease will not harm BUSD or the CBOs recommended for funding in FY 2020 and FY2021.
