Section 2. That Berkeley Municipal Code Section 14.72.050 is amended to read as follows:

14.72.050 Designation of a residential permit parking area.
A. There shall be two alternative processes by which City Council could consider any area for designation as a residential permit parking area:

1. Residents petition. The City Council shall consider for designation as a residential permit parking area any proposed area for which a petition has been submitted which meets and satisfies the following requirements:

   a. Prior to obtaining signatures, neighborhood organizers shall consult with City staff to assure that the proposed area meets guidelines set in the administrative regulations for the establishment of permit parking boundaries.

   b. The petition shall contain a description or a map showing the proposed residential permit parking area.

   c. Said description or map shall be followed in the petition by a statement describing the residential permit parking program and the current residential permit fees.

   d. The statement shall be followed by a signature, printed name, address, and date of signing of the application by a number of adult residents including at least 51% of the housing units within the area.

   e. For applicants in areas zoned Mixed Use-Residential or Mixed Use-Light Industrial, a petition shall only be deemed valid if at least 51% of the housing units on each block front have an address that has a residential Assessor’s Use Code.

   f. All petitions shall be the same as the standard petition form developed by City staff. Any petition form different from the standard petition form shall be deemed invalid for the purposes of this chapter.

   g. In the proposed residential permit parking area, at least 80% of the block fronts with unlimited on-street parking must be residentially zoned, and at a minimum, 75% of all unlimited on-street parking spaces within the proposed area must be occupied during any two one-hour periods between 10:00 a.m. and 4:00 p.m.

   h. In areas zoned Mixed Use-Residential or Mixed Use-Light Industrial, at a minimum, 75% of all unlimited on-street parking spaces within the proposed area must be occupied during any two one-hour periods between 10:00 a.m. and 4:00 p.m.

2. City Council initiation. City Council shall consider for designation as a residential permit parking area any area for which the following requirements have been met:

   a. City Council shall initiate the area as a residential permit parking area.

   b. For areas zoned Mixed Use-Residential or Mixed Use-Light Industrial, Council shall only initiate the area as a residential permit parking area if at least 51% of the housing units on each block front have an address that has a residential Assessor’s Use Code.
c. In the proposed residential permit parking area at least 80% of the block fronts with unlimited on-street parking must be residually zoned, and at a minimum, 75% of all unlimited on-street parking spaces within the proposed area must be occupied during any two one-hour periods between 10:00 a.m. and 4:00 p.m. or unlimited on-street parking is projected to be impacted by parking spillover from a more congested residential permit parking area.

d. In areas zoned Mixed Use-Residential or Mixed Use-Light Industrial, at a minimum, 75% of all unlimited on-street parking spaces within the proposed area must be occupied during any two one-hour periods between 10:00 a.m. and 4:00 p.m.

e. A notice of intent to establish permit parking shall be sent to all addresses within the proposed residential parking permit area.

B. Upon receipt by the City Council of a petition as described in subsection A.1 of this section, or after Council has initiated a residential permit parking area as described in subsection A.2 of this section, the Council shall:

1. Undertake or cause to be undertaken such surveys or studies which it deems necessary.

2. Cause to be drafted a resolution which would establish a residential permit parking area based upon the aforementioned proposal and studies, including all regulations and time restrictions determined by the Council to be reasonable and necessary in such area.

C. The Council shall thereafter conduct a public hearing on said draft resolution. Notice of the hearing shall be posted at least ten days prior to the hearing on all block fronts proposed to be included in the residential permit parking area. Following the hearing, the City Council may enact, amend or reject said draft resolution in any manner, including but not limited to, modification of boundaries of the proposed area and the restrictions imposed on such proposed area. In order to grant permit parking designation, Council shall find that the designation will not be detrimental to the health, safety, peace, morals, comfort and general welfare of persons residing in the area of designation. In reaching this decision, consideration shall be given to the residents’ support for residential permit parking, the existing parking conditions, the expected effectiveness of residential permit parking in improving parking conditions, and the location and size of the residential permit parking area.

A. The City Manager and/or his/her designee shall issue residential parking permits with a term not to exceed one year to motor vehicles which comply with the requirements set forth in this section.
