Subject: FY 2020 Tax Rate: Fund Fire Protection and Emergency Response and Preparedness (Measure GG)

RECOMMENDATION
Adopt first reading of an Ordinance setting the FY 2020 tax rate for funding Fire Protection and Emergency Response and Preparedness in the City of Berkeley at the rate of $0.05818 (5.818 cents) per square foot of improvements for dwelling units and setting the rate for all other property at $0.08804 (8.804 cents) per square foot of improvements.

FISCAL IMPACTS OF RECOMMENDATION
The tax levy of the recommended $0.05818 per square foot of improvements for dwelling units and $0.08804 per square foot of improvements for all other properties are being adjusted by the Consumer Price Index in the immediate San Francisco Bay Area of 4.015%. This will result in estimated collections of $5,328,686 for the fund. The increase in the tax rate of $0.00224 per square foot of improvements for dwelling units and $0.00339 for all other property will result in a $4.25 annual increase for the citywide average 1900 square foot dwelling and $6.43 for all other property.

CURRENT SITUATION AND ITS EFFECTS
The FY 2019 tax rates of $0.05594 for dwelling units and $0.08465 for all other property are being adjusted by 4.015%. The per capita Personal Income Growth in California was reported at 3.85%, and the Consumer Price Index (CPI) increase in the immediate San Francisco Bay Area was reported at 4.015%. The voters approved increasing the Measure GG tax rate annually by up to the greater of the Consumer Price Index increase in the immediate San Francisco Bay Area or the per capita Personal Income Growth in California. At their regular meeting on May 22, 2019, the Disaster and Fire Safety Commission voted not to recommend any increase for Measure GG.

It is recommended that the City Council authorize the levy of a special tax of $0.05818 per square foot for dwelling units and $0.08804 for all other property in the City of
Berkeley. The tax will result in an increase in cost to taxpayers in the following average amounts during Fiscal Year 2020, as compared with amounts for FY 2019:

**BACKGROUND**

In the November 2008 election, Berkeley voters approved Measure GG, which authorized the levying of a special tax. The tax proceeds will be used first to eliminate rotating closures of operating fire stations, and to provide advanced life support personnel (paramedics) and equipment on all first responder vehicles (ambulances, fire engines and ladder trucks). The funds would also be used to (1) hire a training officer to provide Emergency Medical Service training for first responders; (2) hire staff to conduct Community Emergency Response Training and other similar public disaster training and preparedness efforts and for neighborhood emergency preparedness caches; and (3) to acquire and maintain equipment to enhance emergency preparedness, including equipment to allow compatible radio communications throughout the City and with outside public safety agencies. On November 8, 2016, over 87% of Berkeley voters approved Measure V1 to re-authorize the City, for a period of four (4) years through FY 2020, to spend the Fire Protection and Emergency Response and Preparedness tax.
ALTERNATE CONSIDERATIONS
The City Council may consider adjusting the current recommended tax rate of $0.05809 per square foot of improvements to the $0.05820 rate as proposed by the Fire Chief, as well as overtime and pay differentials tied to salaries, the increase is essential to support full staffing.
