From: Mayor Arreguin (Author), Councilmember Bartlett (Co-Sponsor), Councilmember Hahn (Co-Sponsor), Councilmember Wengraf (Co-Sponsor)

Recommendation: Refer to the City Manager to review the following proposals and implement new systems for reporting and response to hate incidents and crimes: - Develop a Hate Crimes Reporting Hotline (modeled after the San Francisco District Attorney's hotline) to be staffed by the Berkeley Mental Health Division or a non-profit community partner. The Hotline will provide support for victims and those reporting hate crimes/incidents, and direct victims to resources and how to report hate crimes or incidents. Consider existing internal and external resources including the City's 311 Customer Service line and the County's Hate Crimes Reporting Hotline. -Explore adding hate crimes to the BPD Online Crime Reporting System to allow individuals to report specific hate related criminal acts or incidents. -Launch a public information campaign including the production of informational videos, posters, and ads in different languages about what is a hate crime and how to report it to Berkeley Police. -Conduct proactive outreach and develop partnerships with religious leaders, community service providers and organizations that work with groups which have historically been the target of hate crimes/incidents. -Refer to the Police Review Commission to review existing BPD policy on hate crimes (BPD Policy 319), request a report from BPD on hate crimes statistics and its implementation of BPD Policy 319, and review: privacy policies/procedures for reporting; culturally appropriate personnel structures to respond to incidents that will encourage reporting, reduce fear and provide support; The creation of accessible and multilingual reporting procedures and resources that deliver the clear message that hate has no place in Berkeley. -Refer to the Peace and Justice Commission, Youth Commission and Police Review Commission to develop a citywide campaign to promote outreach, education and dialogue regarding bullying, hate incidents and hate crimes. -Develop a public facing mapping tool that indicates patterns of hate incidents and crimes to help with outreach and prevention; -Coordinate with educational institutions (e.g. UC Berkeley and BUSD) to achieve goals. -Review other emerging policies and best practices in other communities that support an inclusive and safe community.

(On November 2, 2020 the Public Safety Committee made a positive recommendation to send the item to the City Council, as submitted in the revised material received on November 2, 2020 and further revised to include: Consider existing internal and external resources including the City's 311 Customer Service line and the County's Hate Crimes Reporting Hotline; and to coordinate with educational institutions (e.g. UC Berkeley and BUSD) to achieve goals.)
