BACKGROUND

Berkeley, now impacted by the COVID19 pandemic crisis, a housing affordability crisis, and a homelessness crisis. COVID 19 requires one to have good personal hygiene and washing one's hands multiple times during the day for 20+ seconds, wiping surfaces, and enhanced cleanliness. Currently, there are no shower programs in West or South Berkeley where there are high concentrations of our curbside communities who do not have access to showers. The contract with Project WeHope / Dignity on Wheels that provides homeless individual access to clean showers, laundry service and bathroom facilities is pending. Therefore, Project WeHope / Dignity on Wheels is not available at this time. We are in a pandemic which requires ways for our community to be cleaner to prevent further community spread transmissions.

The Willard Shower program is operated by the Parks, Recreation and Waterfront Department (PRW) at the Willard Recreation Administration office, 2701 Telegraph Avenue. The Telegraph location is not convenient for the curbside community in West and South Berkeley. Pathways, West Campus Pool and the Martin Luther King Jr. Middle School pool will enable the curbside community in West and South Berkeley access to showers closer to their location.

Pathways should open their showers and laundry facilities to be utilized, as well during the COVID 19 pandemic.

In January 2018, the City Council considered Council Item¹⁴. "Open the West Campus Pool All Year Round and Start the Shower Program at the West Campus Pool". Months later, the City Manager provided a response ² to the City Council in June 2018, where it identified the cost to establish a shower program similar to the Willard Shower Program at West Campus pool. The COVID 19 Pandemic is upon us we must

do all that we can to mitigate the dire consequences. We need to ensure that the shower program is also accessible and equitable to all residents.
