CONSENT CALENDAR PROCEDURES

Due to the length of the Zoning Adjustments Board agenda, a Consent Calendar will be used to Approve certain types of applications at one time. The Consent Calendar is divided into two parts:

Consent Calendar I Routine business such as modifications of use permits which are not subject to a public hearing and items proposed for continuance. (Please note that items proposed for continuance to a date certain will not be re-noticed by mail or posting on site.)

Consent Calendar II Public hearings on use permits and variances that are apparently non-controversial, on which no adverse comment has been received, and on which the Zoning Officer recommends approval.

The Chairperson of the Board will announce the items on the Consent Calendar at 7:05 p.m. Anyone present who wishes to speak on an item should raise his or her hand and advise the Chairperson, and the item will be pulled. Any applicant, member of the audience, or Zoning Adjustments Board member may require that a Consent Calendar II item be removed from the Calendar for discussion and testimony. Items pulled from the Consent Calendar will be heard following Continued Items.

PUBLIC TESTIMONY PROCEDURES

The Board may limit the number of speakers and the length of time allowed to each speaker. Persons Wishing to offer testimony are encouraged to submit their comments in writing. You may also submit comments by E-mail at zab@ci.berkeley.ca.us. If you want to speak at a public hearing, you must turn in a speaker card by 7:15 p.m. on the night of the hearing. Cards may also be submitted at the Zoning Counter at 2120 Milvia Street prior to 5 p.m. on the day of the hearing.

Note: Please refrain from wearing scented products to public meetings.

2. 1326 ALLSTON WAY  
Request by City of Berkeley to place 6,648 square feet of temporary, modular offices at City of Berkeley Corporation Yard – UP #02-10000008 (Greg Powell)  

PSA Action Date: 10-30-03  
Continued From: None  
Recommendation: Approve

3. 2076 ASHBY AVENUE  
Request by Athan Magganas to construct a mixed-use building with 11 dwellings, and 560 square feet of commercial space for a total of 11,025 square feet, 3-stories with a height of 31 feet on a 5,000 square foot lot.

Staff has determined that if the project were to satisfy all the development standards of the C-SA District, the base unit count for this project is six dwelling units. Since the project involves more than six dwellings and provides affordable units that also meet the State Density Bonus requirements, it is eligible for a density increase of 25% over the maximum allowed by the Zoning Regulations. A 25% increase would result in two additional units for a total of eight units. The applicant has requested three additional units as a concession under Government Code Section 65915(h); staff analysis supports only one additional unit as a concession.

Use Permit under Section 23E.52.030 to construct a mixed-use building greater than 5,000 square feet (11,025 square feet proposed).
New Hearing – Continued:

Use Permit under Section 23E.52.070.D to reduce the parking requirement, lot coverage, front, and rear yard setbacks of the District. The proposed number of parking spaces is zero (7 spaces required). The proposed lot coverage is 74.8% (40% permitted), zero feet front yard (15 feet required), and 13 feet rear yard (15 feet required).

Use Permit under Section 23E.040.020.C to allow an elevator tower, equipment and trellis to exceed the maximum height limit of the district by 8 feet (44 feet proposed, 36 feet permitted) (Greg Powell)

Zoning Adjustments Board is mailed. It is your obligation to notify the Current Planning Division in writing to receive a Notice of Decision when it is completed.

2. Any lawsuit not filed within that ninety (90) day period will be barred.

Legal Notice Concerning Your Legal Rights – Continued:

3. Pursuant to Government Code, Section 65009(c)(5), no lawsuit challenging a City Council decision to approve (with or without conditions) a permit or variance may be filed more than ninety (90) days after the date the decision becomes final, as defined in Code of Civil Procedure, Section 1094.6(b), which has been adopted by the City. Any lawsuit not filed within that ninety (90) day period will be barred.

4. If you believe that this decision or any condition attached to it denies you any reasonable economic use of the subject property, was not sufficiently related to a legitimate public purpose, was not sufficiently proportional to any impact of the project, or for any other reason constitutes a “taking” of property for public use without just compensation under the California or United States Constitutions, the following requirements apply:

   A. That this belief is a basis of your appeal.

   B. Why you believe that the decision or condition constitutes a "taking" of property as set forth above.

   C. All evidence and argument in support of your belief that the decision or condition constitutes a “taking” as set forth above.

If you do not do so, you will waive any legal right to claim that your property has been taken, both before the City Council and in court.
