Roll Call:

Public Comment
Each Speaker is limited to a maximum of three minutes.

Consent Calendar:
The Consent Calendar allows the Board to take action with no discussion, on projects to which no
one objects. The Agenda includes two types of Consent Calendar items: (1) Modifications of
existing Use Permits (which have not been noticed for public hearings); (2) Items being continued to
another meeting (Board action has been postponed to another meeting). The Board Chairperson
will announce items for the Consent Calendar at 7:05 p.m. The Board may place additional
Agendized items on the Consent Calendar, if no one present wishes to testify on an item. Anyone
present who wishes to speak on an item should raise his or her hand and advise the Chairperson,
and the item will be pulled from the consent calendar. Modification Projects may be discussed by
the Board at this meeting or set for a public hearing at a later meeting. Items already noticed for a
public hearing will be heard following Continued Items, or, if necessary, posted for a public hearing
at a subsequent meeting.
Agenda Changes
The Board Chair may reorder the agenda at the beginning of the meeting.
