# FISCAL IMPACTS OF RECOMMENDATION

The proposed City expenditure budget for all funds in FY 2015 is \$375,701,736 (gross appropriations) and \$323,370,010 (net appropriations). The General Fund (010) totals \$154,381,484 and the balance of \$221,320,252 represents the other non-discretionary funds. This fiscal information will be reflected in a separate FY 2015 Annual Appropriation Ordinance, as required by Charter.

# **CURRENT SITUATION AND ITS EFFECTS**

On May 6, 2014<sup>1</sup>, staff presented the City Manager's FY 2015 Proposed Budget Update (Proposed Budget) to Council. On May 20, 2014<sup>2</sup>, was the first public hearing. On June 3, 2014<sup>3</sup>, at the second public hearing, staff provided updated information on the Proposed Budget. On June 10, 2014<sup>4</sup> Council was asked to provide comments on the Proposed Budget. The Proposed Budget, reflecting Council's work plan priorities, provides a stability plan to control costs, maximize City resources, and fund priority services. FY 2015 General Fund revenues are projected to be \$154.4 million, and General Fund expenditures total \$154.4 million.

On February 25, 2014, staff provided Council with an update on the Zero Waste Program in a report titled Zero Waste Program: Establishing Sustainable Operations and Rates (Item #22) <sup>5</sup>. Staff reported that the Zero Waste Fund had a projected shortfall of almost \$3 million in FY 2015. City staff and HF&H Consultants proposed several alternatives for residential rate increases. Council directed staff to initiate a process to approve a rate increase of 24.7 percent for residential customers, and 2.5 percent for commercial customers. These increases were approved at the May 20, 2014, public hearing<sup>6</sup>. The chart below reflects the Zero Waste Fund with the approved increases.

Additional changes to the May 6, 2014, report presented to Council are included in the FY 2015 Budget Update Schedule of Changes (Attachment 1). This schedule identifies changes to expenditures and revenues, since the May 6, report that have been incorporated into the FY 2015 Proposed Budget. Included on the schedule are adjustments tied to the Berkeley Public Library and the Rent Stabilization Board along with other funds. The Board of Library Trustees adopted their budget on May 20, 2014. The Rent Stabilization Board is expected to adopt their budget on June 9, 2014. Any additional adjustments adopted by the Rent Stabilization Board will be included in the First Amendment to the FY 2015 Annual Appropriation Ordinance in the fall.

#### FY 2015 Work Plan

On May 20, 2014, staff presented the FY 2015 <u>Citywide Work Plan</u><sup>7</sup> (Work Plan) to Council. The Work Plan is offered as a way to inform the City Council and the community about the work that will be undertaken throughout the year by City staff, and is coordinated with the presentation of the City's Budget Update to assist in aligning resources with program and service priorities. Each department that reports to the City Manager has submitted a plan that describes its core or baseline services, as well as

special projects that will be commenced or continued during the year. In addition, Department Directors and Division Managers who are responsible for organizing the work of the City, delivering services, and completing projects were asked to focus on three new areas for FY 2015: eliminating cumbersome business practices; working with volunteers; and increasing sustainability practices. Council is asked to accept the Work Plan along with the adoption of the budget.

A new addition to the Work Plan is the Adeline Corridor and Ashby BART areas. On May 28, 2014, the City was awarded a \$750,000 grant from the Metropolitan Transportation Commission (MTC) for the Adeline Corridor and Ashby BART areas. In FY 2015 the Planning Department will begin a planning process for these areas. The planning process is funded primarily by the grant and the process is scheduled to last 30 months. The planning grant will fund community meetings and other outreach efforts to gather input and ideas from residents, businesses and local groups and institutions. The planning process will also include an Environmental Impact Report to evaluate any proposed recommendations. The project's goals also include local jobs, improved safety, historic preservation, cohesive streetscape design, public art and assessing the role that the Ashby BART parking lot could play in achieving community goals while maintaining the Ashby BART flea market. The process is also aiming to improve connectivity between the greater South Berkley neighborhood and Ashby BART, Downtown Berkeley and the East Bay corridor.

#### **Council Referrals**

Council referred a number of spending items to the budget process for consideration. Attachment 3 contains the list of these referrals. On June 10, Council added several expenditures to the FY 2015 Budget Update (see Attachment 2, Exhibit B).

#### **Next Steps**

The FY 2015 Budget Update is a stability plan. It is a balanced plan that maintains City services while being fiscally responsible. However, looking forward to FY 2016 and FY 2017, we will be facing the structural problem of expenditures exceeding revenues, and we will again be faced with a structural deficit and difficult decisions.

City staff looks forward to working collaboratively with the City Council, boards and commissions, labor, community agencies, and the community to ensure the City of Berkeley continues to maintain priority programs and services within the parameters of our fiscal constraints. Preserving a fiscally healthy organization has always been a City value as we work to balance the immediate and long-term service needs of our residents.

#### **ENVIRONMENTAL SUSTAINABILITY**

There are no identifiable environmental effects or opportunities associated with the act of adopting the budget. Actions included in the budget will be developed and implemented in a manner that is consistent with the City's environmental sustainability goals and requirements

Office of the Mayor

#### June 10, 2014

**TO:** Honorable Members of the City Council

**FROM:** Mayor Tom Bates

**RE:** Mayor's Supplemental Budget Recommendations for Fiscal Year 2015

On June 25, 2013, the City Council adopted the FY14 and FY15 biennial budget. At the May 6, 2014 work session, staff presented the proposed FY15 budget and held two consequent public hearings on May 20<sup>th</sup> and June 3<sup>rd</sup> 2014. The City Council is scheduled to adopt the Fiscal Year 2015 Budget on June 24, 2014.

The FY 2015 real property tax revenues projection was increased from \$43.7 million to \$44.4 million resulting in a \$700,000 increase in revenue. A \$200,000 reduction in the interest income projections along with \$200,000 needed to implement the minimum wage ordinance result in \$300,000 of projected surplus left for FY15 allocation.

During the budget cycle, various City Councilmembers have referred six items to the FY 2015 proposed budget totaling \$427,000. My objective with these budget recommendations is to strategically fund programs with proven success and in areas prioritized by the City Council.

Recommended Action: Include the following funding in the FY2015 Budget:

# 1. Alcohol Tobacco & Other Drugs (ATOD) Counselors at BUSD

**Recommendation: \$70,000** 

**Recommendation:** \$80,000

The City of Berkeley and BUSD will jointly fund two full-time ATOD intervention counselors, stationed at Berkeley High School and King and Longfellow Middle Schools. These counselors will address students' psychological and social needs, create individual treatment plans, and refer students to additional resources if necessary.

#### 2. Pre-K Power Play Expansion

Kindergarten Readiness is one of the goals indicated in the City's 2020 Vision for Berkeley's Children and Youth. Power Play reaches the children most at risk of arriving at kindergarten with a readiness gap. Program evaluations show that participants' results are similar to the results of children entering BUSD from preschool programs. This funding would expand the program to reach approximately 60 additional families.

#### 3. Berkeley Art Center

The BAC has served the Berkeley community for over 45 years through a combination of exhibitions, public programs, publications, and events, and has operated as a valued community resource for the visual arts. It produces regular museum-quality exhibitions every year. In addition, BAC holds community events that include family days, workshops, artist lectures, panel presentations and film screenings.

# 4. Animal Services Recommendation: \$25,000

The City of Berkeley's Animal Care Services division provides a wide range of services for domestic animals from Berkeley, Albany, Emeryville, and Piedmont. It provides a safe haven for homeless pets, adoption services, advice on animal-related topics, lost and found pet reports, and free or low-cost spay/neuter vouchers for Berkeley residents' dogs and cats. This funding would enable the Animal Shelter to use donations as needed and not towards operations.

## 5. Bay Area Book Festival

This literary event, free to the public, will combine a street fair with diverse author panels and conversations on stages in downtown auditoriums. These funds would be set aside for FY15 until the City and Festival staff determine an estimate of the fees and report back to City Council with a full event budget and funding sources.

#### 6. Mobile Crisis Team

The Mobile Crisis Team reduces the impact of mental health emergencies through immediate response to crisis situations at the street-level and through coordination and consultation with local public safety agencies, hospitals and other community groups. The MCT has faced significant budget reductions in past years and this funding would restore .5 FTE to the Team.

**TOTAL: \$300,000** 

Recommendation: \$20,000

Recommendation: \$25,000

**Recommendation: \$80,000** 

Referrals not recommended for funding:

#### 1. Comprehensive 311 Mobile System Upgrade

The City currently has a contract with See Click Fix, where constituents can send public works requests with their smart phones via Berkeley 311.

# FY 2015 Citywide Work Plan: Corrections and Additions

Below are some corrections and additions to the FY 2015 Work Plan. In the interests of clarity, only the correct information is printed below. A revised version of the work plan will be posted online, pending Council acceptance.

### Table of Contents:

Correction: Two typos have been corrected on Page 7. It is attached and appropriately paginated so that it may be printed and inserted into the FY 2015 Work Plan presented to each member of Council.

# Planning & Development

Addition: Provided the Council approves the grant award, the Planning & Development Department in FY 2015 will begin a planning process for the Adeline Corridor and the Ashby BART Station area. The planning process is funded primarily by a \$750,000 grant from the Metropolitan Transportation Commission (MTC) and the process is scheduled to last 30 months. The planning grant will fund community meetings and other outreach efforts to gather input and ideas from residents, businesses and local groups and institutions. The planning process will also include an Environmental Impact Report to evaluate any proposed recommendations. The project's goals also include local jobs, improved safety, historic preservation, cohesive streetscape design, public art and assessing the role that the Ashby BART parking lot could play in achieving community goals while maintaining the Ashby BART flea market. The process is also aiming to improve connectivity between the greater South Berkley neighborhood and Ashby BART, Downtown Berkeley and the East Bay corridor.

#### Boards and Commissions.

Revised: An updated and corrected version of this page, Page 227, is attached and appropriately paginated so that it may be printed and inserted into the FY 2015 Work Plan binders presented to each member of Council.

# FY 2015 City of Berkeley Citywide Work Plan

The workplan is organized in alphabetical order by Department. Each section starts with a summary page reflecting the divisions within each department as well as the functional Full Time Equivalent (FTE) positions currently working in the department.

The summary also lists each of the commissions for which the department is responsible. A list of all commissions and their responsible departments is also included at the end of the packet.

The Work Plan for each department follows each summary page. The Work Plans are working documents that describe the baseline services and special projects of each department. Each plan is broken down by division (and sometimes by work unit) and includes the baseline services and special projects for which the division is responsible during the 2015 fiscal year.

A Note about Full Time Equivalents ("FTEs"): The Work Plans are functional, working documents that reflect a snapshot in time of the personnel resources in each department. The FTE counts do not necessarily reflect career positions that are in the budget but currently vacant, nor seasonal or hourly positions that are included in the budget.
