Mapping Berkeley Communities: Redistricting by the People

Draft City Council District Map:

"MAROON MAP"

Published January 20, 2022

Contact the Independent Redistricting Commission: redistricting@cityofberkeley.info | (510) 981-6900 2180 Milvia Street, 1st Floor, Berkeley, CA 94704. To obtain additional redistricting information and view the draft maps in an interactive online map, please visit www.cityofberkeley.info/redistricting

MAROON MAP Two Student Districts (North-South) West Berkeley (Two Districts)

The Maroon Map responds to the direction of the Independent Redistricting Commission to create draft maps that show variations on two student-focused districts. This map shows West Berkeley in its current configuration of two districts. This map also meets the six universal map criteria to varying degrees. The universal criteria are: 1) Maximum of 10% population deviation; 2) Contiguous districts; 3) Maintain Communities of Interest and Neighborhoods; 4) Use major arterial streets as boundaries where possible; 5) Correct the features of the 2010 map that accounted for prior Councilmember residences; and 6) Include at least one compact student district in every map.

The Maroon Map follows the Commission direction by making the following noteworthy modifications:

- Create two "student-focused" districts with a north-south orientation (4, 7);
- Use the current configuration for two West Berkeley districts;
- Unify the Westbrae Neighborhood in District 1;
- Unify the Poet's Corner Neighborhood in District 2;
- Unify the Lorin Neighborhood in District 3;
- Unify the Halcyon Neighborhood in District 8;
- Unify the Bateman Neighborhood in District 8;
- Unify the Willard Neighborhood in District 8;
- Move the border between District 5 and District 6 from Spruce Street to Arlington Avenue;
- the south student district (District 7);
- north student district (District 4);
- the following neighborhoods: LeConte, Northside, North Shattuck;
- As compared to the Blue Map, this configuration of the student-focused districts inclusion of the Central Berkeley Neighborhood;
- Use of the major arterials, University Avenue, Sacramento Street, Spruce Street, Arlington Avenue, Adeline Avenue, Dwight Way, and Bancroft Way, as district boundaries:
- elevation neighborhoods contained in four council districts (4, 6, 7, 8).

• Move the Panoramic Hill Neighborhood and the Clark Kerr Campus from District 8 to

• Move the portion of the Northside Neighborhood south of LeConte Avenue into the

• The above changes necessarily create a lower degree of Neighborhood cohesion for

results in a comparatively lower density of student residents in District 4 with the

• Correct map features for prior Councilmember residences in District 4 and District 7;

• Commission direction on topography/wildfire risk/transit access is reflected in higher
